

HISTORY OF THE REMNANT OF ISRAEL

***Be honest in your judgment and do not decide at a glance,
superficially and by appearances; but judge fairly and
righteously [Jn. 7:24 Amplified Bible].***

REMNANT OF ISRAEL

In the April, 1919 issue of the "Remnant of Israel" paper the question was asked: "Is there a true church?" The article began:

"There is a true church. . . man had nothing to do in shaping it in any way. . . Its seasons of worship are all appointed. . . The mind that guides this organization and service is Divine. It needs no constitution or by-laws that are not given in the Bible. It has no nominating committees to nominate its officers, or plans for its finances. The same laws governing each member is today the same as governed Adam and Eve. . . Man cannot add one single member."

As Director of the "Remnant of Israel" and a Minister to "Modern Israel" I feel it is vitally important today, that we understand the Bible does not teach anything about a "true church" or any other kind! The word "church" (as found in our Bible translations) is "mistranslated" from the Greek "ecclesia" which literally refers to Almighty God's "called-out chosen ones"! There is no word contained in the Original Scriptures that can properly be translated "church"!

The "Remnant of Israel" originated in April of 1915 at Britton, Oklahoma, and later moved to near-by Oklahoma City. The Founder and Managing Editor was Elder G.G. Rupert, for the purpose of heralding the Bible doctrines formerly neglected, or taught "unscripturally".

Today, the "Remnant of Israel" no longer prints or publishes a paper; however, we still continue to herald the Identity of the True House of Israel in the Bible; and the prophecies of the yellow races (including Russia) to overrun and devastate the land of America (land of Modern Israel, the "New JerUSAlem")! We also teach the Scripture Fact that the Royal Law of Almighty God was not nailed to the cross, nor was it obliterated (as is falsely taught by the churches of organized religion)!

The office of the "Remnant of Israel" is located in the Spokane Valley, in the township of Opportunity (east of Spokane, Washington).

Born in Ohio, May 12, 1847, Elder G.G. Rupert died July 17, 1922, at the age of 74. Originally a Methodist, Rupert served as a Seventh Day Adventist Minister for 30 years. A member of the Southwest Union Conference, he served as President of the Oklahoma Seventh Day Adventist Conference until 1902, when he broke away from the Adventists. From 1902-1904, Rupert was not connected with any denomination. Nearly blind for 28 years, he miraculously regained the sight of one eye 10 years before his death. His wife died in 1921, and his only son, H.W. Rupert, was born in 1871, and died in 1925.

Myself, having been a Seventh Day Adventist for 6 years, I broke away from their church in 1965. I discovered the Israel Identity Message in the Bible, and in 1967, I became acquainted through correspondence with I.C. Sultz, who was Rupert's successor as Director of the "Remnant of Israel" I traveled to Kinsley, Kansas, where I became personally acquainted with Brother Sultz, who was 90 years old at the time. Needless to say, I became Sultz's successor as Director of the "Remnant of Israel." For two years, my wife and I printed the "Remnant" paper; because of lack of finances, we were forced to retire the paper. Also, Brother Sultz passed away quietly at the age of 92.

Elder G.G. Rupert's most famous book was the "Yellow Peril" a 530 page work on Bible Prophecy, published in 1913. The book was also advertised in the November 9, 1915 issue of the "Remnant" paper. In June and July of 1913, Rupert wrote several articles on the "Book of the Law" which were later reproduced in the February 1916 issue of the "Remnant of Israel" paper.

Elder Rupert was one of the pioneers in teaching the observance of the weekly and annual Sabbaths, and he held to the name "Church of God".

Today, Remnant supporters go one step further; we do not believe in church organization of any kind! We believe the Elect ("called-out chosen ones") has nothing to do with so-called "organized religion" (Babylon, or house of confusion)! Rather, the Elect consists of the True House of Israel (White Caucasian or Anglo-Saxon Race) whose names are written in the Book of Life, and their faith is written in their hearts, and stimulated according to the Facts of Scripture Truth!

There is no "true church" organized or otherwise)!

As one of the pioneers of Almighty God's Bible Prophecy, Rupert advocated that "Christ is the only Head of His church".

The "Remnant" today, is very much aware that the name "Christ (used by the majority of the churches of Christianity) is a "pagan title" originating from the "pagan sun god of the east" worshipped by "pagan sun-worshippers" as "Christos" (Kristos)! Also, the Savior is not the head of any "church organization"! Rather, He is the Head of His "ecclesia" (called-out chosen ones)!

The original "Remnant of Israel" articles are preserved in the New York Library. Its teachings consist of: "There is but one true church of God. All others were said to be of Babylon."

Today, the "Remnant of Israel" is aware that there are many churches, each claiming to be the one "true church"! The fact is, there is only one true Elect of Almighty God! All "churches" consist of "Babylon"!

The "Remnant" has always supported the teaching that man is mortal. In these latter times, Almighty God's period of probation (deciding for eternal life or death) is fast reaching its climax!

The "Remnant" today, declares that there is not one single text in the New Testament that teaches or even hints that the Law which Almighty God Himself ordained, was ever abolished or nailed to the cross! The fact is, that only the sacrifices and oblations have ceased (as stated in Daniel 9:27; Colossians 2:14).

Sunday, Easter, Christmas, Good Friday, Ash Wednesday, and other "pagan holidays" are all of "heathen origin" and belong to "Babylon" (the mother of harlots-Rev. 17).

The majority of religious leaders are well-aware of this fact; however, for various "egotistical reasons" they still continue to keep the people in ignorance, and support the old "pagan system" of Babylon! Even worse are Sabbath-keepers who declare Almighty God's Law through Moses to be abolished (contrary to Mal. 4:4). We must always remember that it was the "Levitical law" with its burnt offerings and sacrifices that was nailed to the cross (Col. 2:14)! "Sunday" is the "false sabbath"

along with the "false holidays" (Easter, Christmas, etc.), that were introduced in approximately 325–365 A.D. at the Council of Nice by the emperor Constantine, who was a "sun-worshipper"!

The Apostle Paul scrupulously observed the Israelite feasts and the Sabbath as stated in the 18th chapter of Acts). The New Testament does not replace the Old; rather, **THE OLD TESTAMENT IS THE NEW TESTAMENT CONCEALED, and THE NEW TESTAMENT IS THE OLD TESTAMENT REVEALED!** G.G. Rupert and his followers strictly observed the Sabbath and the Holy Days. There was some controversy over the observance of the Passover. The June 1919 "Remnant" paper states: **"The Passover should be observed on the beginning of the 14th day of the first Bible Calendar month (Abib), while some supported the 15th."**

The Israelites observed the Passover on the 14th day of the first Hebrew month (Abib) in the Spring of the year. The Jews celebrated their passover on the 15th day of the Jewish month of Nisan (according to their "yiddish calendar").

The meaning of the Fall Holy Days was clearly expressed by John S. Stanford in the September 1919 issue of the "Remnant" paper: **"The memorial of blowing trumpets, is a command for us to observe a Memorial Day Sabbath (Lev. 23:24–26). The physical blowing of trumpets has ceased; however, we are to continue observing this memorial. Almighty God is a faithful notifier (Amos 3:7). He will give notice of the Savior's second appearing, and this day reminds us to look up these notifications in His Word."**

"Atonement" means "at-one-ment" or at "one mind" or "accord" with God! We are born with a carnal mind, and we need to have our minds renewed (Rom. 12:2); or brought into "at-One-ment" with the mind of the Savior as it is expressed in the Sacred Word of Almighty God (Phil. 2:5). The Savior was crucified and completed the first step in the "Atonement". The second step is man's part to accept it. The third step is a continual step until "final deliverance" (salvation). We are saved (delivered) by His life (Rom. 5:10), It is utterly impossible to earn our salvation ; therefore, it is only by the Savior's life of obedience in us that we will be saved. "Atonement" is a memorial by which observance we may remember what He has done for us, Also, the "Feast of Atonement" is a type of the close of Almighty God's probation to occur in the future (Rev. 22:11).

The "Feast of Ingathering is a type of the resurrection of the righteous after the close of His probation, and is a type of the time when the "Remnant" will dwell in the New Earth.

The "Feast of Jubilee" is a type of the New Earth. These "feasts" from the "Passover" forward, are consecutive in their order.

Observation of the "new moons" (months) is not mentioned in Rupert's "Laws of God" chart; however, a "new moon" is the "first day of each month" in Almighty God's Solar Calendar.

The Sabbath was (& still is) taught and observed by the "Remnant of Israel" because there was no change in the Savior's teachings when He was here on earth. He observed the same Sabbath and the same Law as His forefathers (Mtt. 5:17-19).

G.G. Rupert published his first book in 1902. following is a list of his books and articles (now out of print):

**The "Yellow Peril"
The "Inspired History of the Nations" (3 volumes)
"Time Tradition & Truth"
The "Bible Atlas"
The "Two Covenants"
The "Four Great Cycles"
"Peace or War"
The "Call of the Ministry"
The "Two Women of the 12th & 17th Chapters of Revelation"
The "Close of Probation"
The "Book of the Law"
The "Gift of Tongues Examined"**

In 1916, at Hartland, Kansas, Elder Rupert ordained I.C. Sultz, who was a convert to the Identity Message approximately 25 years before. In February 1917, at Oklahoma City, Rupert held debates with C.P. Whitaker (a Russellite Minister). 300-500 people attended these debates which mainly concerned the Laws of God. In December 1917, I.C. Sultz became the contributing editor of the "Remnant" paper.

In the summer of 1918, Rupert visited Sultz at his home in Maybell, Colorado. Later, Rupert spoke at Denver, Lincoln, Dodge center, Minnesota, and Battle Creek, Michigan; also Cleveland, plus he also held meetings at College View, Nebraska. In the Spring of 1919, Rupert met with other Sabbath observers from all

over the United States at Pasadena, California. He also held meetings at an all-white Seventh Day Adventist Church in Los Angeles, California. The Adventists there joined Rupert's "Remnant of Israel" movement, and secured Elder J. Watson of Washington, D.C. as their pastor.

G.G. Rupert died on July 17, 1922. His daughter Lucille (Rupert) Smith, took over as managing Editor of the "Remnant of Israel" paper. The last issue at the New York Public Library is dated November 1929.

I.C. Sultz, who married Rupert's daughter, lived into the late 1960's. In his book "The Tragic Story of Gentile Israel" Brother Sultz described the little book of Hosea as dealing exclusively with Judah (Greek Catholic), Israel, (Roman Catholic), and Ephraim (Protestantism). Since the United States is the home of Protestantism, the United States is Ephraim in prophecy.

Brother Sultz remained for years an independent Sabbath observer, and in 1967 (two years before his death), he ordained William J. Walker of Opportunity, Washington as Director of the "Remnant of Israel". Pastor Walker wrote the book entitled "Remnant Message to Modern Israel". He also revised Sultz's "Tragic Story of Gentile Israel" changing the title to "The Tragic Story of Modern Israel". Pastor Walker has also written numerous other articles and tracts such as:

"Russia vs. U.S.A."

"What is the Remnant of Israel" (tract)

"Do You Know That Adventists Believe" (tract)

Modern Israel and the Sabbath" (leaflet)
