

# *A DEDICATION TO OUR ALUMNI*

Ambassador's graduates of these past seven years envisioned but in part the expanded College we see here today. Yet to these pioneers was given the faith to continue pushing ahead in the trying days when the foundation of Ambassador was being laid. With lives dedicated to the right Way of Life, our Alumni continue in positions of service in both College and Church.

The Majestic Lower Garden — setting for commencement exercises, numerous college activities and many a wedding — will remain a place for pleasant memories.
