*Ambassador  
Women's  
Club*

## FOREWORD

The Ambassador College Women's Club is a completely unique organization. Rather than seeking any of the temporal goals of the various worldly organizations of women, the club strives to recapture the true values of womanhood.

Recognizing the need to develop and mature in the social graces, domestic arts, and the many important feminine interests not specifically covered in the planned curriculum, the Women's Club was established.

The Ambassador College Women's Club is not for the purpose of further "emancipating" the females of God's college from the God-designed place in life, but to provide a warm, friendly, social atmosphere in which the serious-minded girls of Ambassador may strive to help one another recapture the true status of women. Vanity, frivolousness, felinity, caustic wit--the ingredients in the carnal female of this modern age--are openly exposed and discouraged.

Rather, a true warmth and an inspiring sisterly atmosphere in genuine Ambassador spirit prevails in each meeting.

Originally, the club was small enough for all members to meet together. With the continual growth of the college, the Women's Club had to be divided into many sections. However, the groups are carefully correlated to insure coverage of the same general topics, and pursuit of the same goals.

Properly used, Ambassador College Women's Club can be another of the vitally important tools for the women of this college to use in achieving the truly balanced, successful, abundant life!

The musical score is written in 4/4 time. It consists of a vocal line and a piano accompaniment. The piano part features a steady bass line and chords in the right hand. The lyrics are placed below the vocal line, with hyphens indicating syllables that span across notes.
