## FACULTY CRASH CENTURY

The battle of the Titans. For the first quarter it was anyone's game, as both Faculty and Seniors fought for supremacy. It was 18-17 to Faculty.

In the second quarter, Messrs. Hunting and Michel changed tactics. Shot after shot rocketed into the rival basket. With fast breaks and positive passing, the Faculty conserved strength and wore down the Senior defence. Play around the Red key became sloppy as the Faculty snatched the rebounds and stuffed the basket. The first half ended in a student disaster 35 - 29 with Engelbart and Boyce calling three fouls apiece.

Could the gap be patched? Mr. Michel opened the second half with superb shooting and the Faculty combined for a tight and spiky defence. The scoreboard flashed incessantly to register a 35-point Faculty lead after only eight minutes.

At least Fred Boyce found his shooting gloves and cracked the firm Faculty defence. But the long and deadly thrusts from Faculty backs and Mr. McNair's unerring lay-ups, stretched the gap to a 40-point lead. Soaring scoring topped the century as Senior strength evaporated before the heat of attack. Nothing could stop the slaughter as Senior resistance crumbled in a forlorn hope to leave the Faculty the undisputed masters of the match - 108-71.

Mr. Hunting races for the basket.

# Green Gang Gets Game

The game shot off to a scintillating start with several furious rallies. Clever teamwork by the Thirds pushed them into the lead as Desiree's long sallies and Kaye's pin-point accuracy hit home. The Greens made many valiant efforts, but half-time saw them five points behind the Lilywhite's 22.

Pepped up by the half-time break they set about changing the score. Tension grew as they levelled 27 each. Then 29 - 29! -- 33 - 33! Frantically each sought to snatch a

lead.

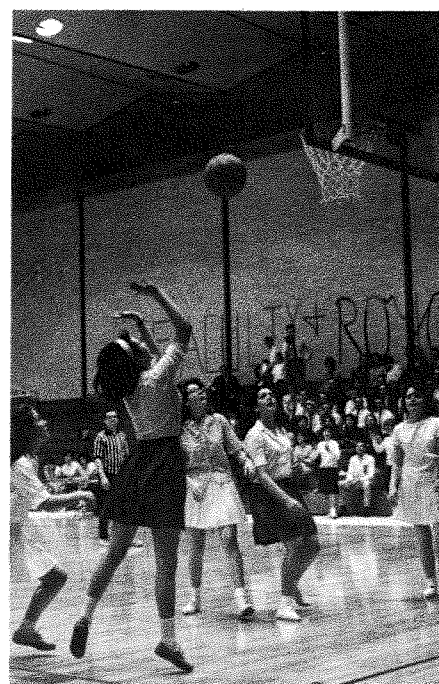

*Screams of agony and howls of joy fill the Gym. The Gangreens take three points. The lead remains as Karen neutralizes Desiree's next shot.*

Then, desperate defence by both sides froze the scoreboard. Seconds to go and the game was still in doubt until one blow from Krug sealed the score.

That was it - 41-36. The hardest game in women's basketball yet.

Sandy and Linda battle for possession.

Penny tries a close one
