

AMBASSADOR MARCH

Ambassador, we're here to study and grow.
Ambassador, we learn the balanced way to go.
Recapturing the values true is now our goal.
Ambassador, we've got the whole world to show.

Ambassador, you've given us a priceless key,
To live a life that's filled with opportunity!
Recapturing the values true is now our goal.
Ambassadors, remember, now's the time to grow!
