U.S. News said "Only hope is an unseen hand from
somewhere!"

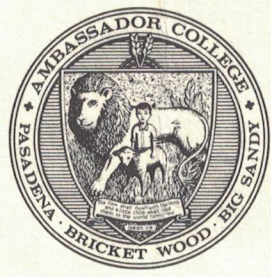

Judy Singh says we must have INTERNATIONAL LAW!

MONITOR MARY JO WHEATCROFT

HERE COMPUTING 13 YEAR.
IN PASAPENTA " 26 YEAR,

OUR GRASS, WELL AWARE OF THE ILLS OF THE WORLD TODAY.

HWA. has had many visits with heads of state.

— What does he talk about?

— With MRS. GANDHI — 50 million jobs needed.

3,700 million population now.

Health; Food; Population; all these are gigantic problems

Even when huge development programmes are stated, the situation is worse —

Family life is breaking down! Easy divorce.

And when it does, a nation is committing suicide!

We're rearing a generation of young people looking for "thrills" — but with no idea of what they are going.

God offers a way of love, joy, peace + eternal life
And man is rejecting it. We don't have universal peace!

Ever since the days of Eve, man has been saying "Here's the way I look at it!"

100% of executives have been miserable — because they don't know the way of life.

Christ brought a message of GOOD NEWS —
But MAN will not listen.

Many say Jesus is OK. — But won't preach his message.
