Dear Brother Ballenger:

I do not know who wrote the little article on page 25 of the March-April, 1953 issue of the Gathering Call, but I want you to know that I appreciated this article because: 1st, it gives recognition to a people who have labored hard and have sacrificed much for their cause, namely: "Jehovah's Witnesses."

Second, It "shows up" a people who think they are "it".

Third, It gives credit to the laity of the S.D.A. movement who so zealously work to forward their cause, not knowing the many errors of their denomination.

Sincerely yours,

Archie B. Craig
