Dear Brother Mote,

Your welcome card was here upon our return from Oregon. We are always glad to hear from others of God's children.

Concerning the radio broadcast from Los Angeles, I terminated it some time ago. There were two reasons. I was overburdened with all the other work and the plans for a greater broadcast called for the curtailment of our small broadcasts in order to meet the large financial obligation that the new program demands. This coming program will be heard in Riverside from 8:45 till 9:00 P.M. each Tues. and Thurs. evening Beginning in October.

I am enclosing a membership certificate as I told you. Will you please finish filling out the stub and return the stub to me. I will give it the the district secretary to record.

You will receive a cordial welcome at Los Angeles. It would have been a blessing for you to have been at the Oregon Camp Meeting. At any rate we will see you again, the Lord willing.

May God bless you in His Service,

Carl Stacy
