Dear brother Ballenger:

Your letter at hand and also the call received and I notice the date of Uriah Smith's letter was 1883 therefore it was sometime previous to this that the "hope of Israel" published the article to which he referred, but the time is then very indeffinite, as the letter seems to cover a long period. We have papers here reaching from No. 1 Volume 1, printed 1863 down to 1884, and I will see that someone goes over them and makes an effort at least to find what you want. As there are a few papers missing it could be that we would not have it, but I will make the cost as light as possible, and send you a statement later on. I will get this done as soon as possible feeling that you will want it for the next issue of the Call.

With christian love,

Your Brother,

A. N. Duggel
