Editor Donald E. Mote,  
Riverside Calif.

Dear Brother Mote:

Your letter of Dec. 25th addressd  
to my son-in-law Gordon Fauth came to my attention this  
morning which I will hasten to answer. We regret the delay  
owing to the time required in letters coming by ship,  
but we trust this will reach you in time.

We want you to feel free, dear Brother, to  
use any article appearing in the "Reporter" in your publication  
in the future, also the article in question. As you say you  
will give credit to the "Mount Zion Reporter", published in  
Jerusalem Israel.

The Gathering Call has always been of interest  
to me, and I have read the paper since the days of Albion  
Ballenger, with whom I was well and intimately acquainted. He  
attended our camp-meetings in Missouri during the period when  
I was Editor of the Bible Advocate for 18 years. I put up  
two weeks with Alonzo T. Jones also at Washington D.D. back  
about 1918, who also attended our meetings at my invitation  
with Elder Ballanger. So you may know of my deep interest  
in your publication, and the work you are doing.

May God continue to bless you is our prayer

Your Brother in the same faith.
