Dear Brother Ballenger, Greetings:

Thanks for your letter, and also for the Gathering Call that I have been getting since I subscribed for it. And I also received the literature for which I sent.

Now I have another request. I am enclosing a dollar bill, for which please send one copy of "The Sanctuary Special" to Mrs. Marvin Cory, P. O. Box 322, Dove Creek, Colorado, and the rest of the copies to me here at Alfred, whatever the amount may be for what this dollar bill will pay for.

What about the book "Before Armageddon?" I have known of it for a long time, having seen it advertised, but I have never read it. Perhaps it is out of print. I heard or read somewhere that you are revising it, and that it will be on the market again. Why are you revising it? Are there portions of the old book that are incorrect? I just received a copy of the old edition yesterday from a friend to read. Have not yet had time to start reading it, but want to do so soon. If you will write me about this, then I may know as I go on with it just what portions you consider incorrect, if that be the case. Will you soon have the revised edition out?

Thanks for whatever information you can give me, and for the literature I am soon expecting to receive. Let me know, too, that you sent a copy of the "Special" to the Sister in Colorado. I think the S.D.A's are after her, and she needs something to offset their influence on her.

And may the Almighty bless you in your work, and keep you going as long as He sees fit to use you. Pray for us too.

Yours as always,

John Kiess
