Dear Elder Ballenger:

I received a copy of your paper "Gathering Call" and do enjoy its timely subjects especially on the Sanctuary. I am sending you .50 for the Call for one year starting with the March-April issue also five Sanctuary Specials I am enclosing \$1.00 for same.

I pastor in the Church of God (7th Day) and stand for the Bible and the Bible only. We have had quite a number of S. D.'s unite with us. We have head-quarter at Denver, Colo.

Do you have connections with the Seventh Day Baptist conference? I find the S. D. B.'s a good people and hope in time all Sabbath-keepers will come into the unity of the faith of Jesus.

I shall continue to pray for your splendid work to lead S. D.'s from error to light.

Sincerely,
W. H. McCann.
