Dear Publisher:

We have a request for your publication and will gladly forward prepaid orders as soon as we have a current rate schedule.

Please complete the enclosed Confidential Rate Information blank and return it to us as soon as possible, inasmuch as we hold our orders in abeyance until we hear from you.

Should you have any restrictions or specifications as to how to handle your publication, please advise. In the event that the above mentioned title is a serial or a book rather than a periodical or journal, please indicate, in order that we may list properly.

This request is not to be considered a firm order, the latter accompanied by check will be forwarded upon receipt of rates.

In anticipation of your prompt reply, please accept our thanks.

Sincerely,
