Dear brethren in Christ:

I have a letter from one of our readers in Oregon who was interested in the reprint of one of your articles which we run in the May-June 1958 issue of The Gathering Call, entitled, "Israel The Nation Of Destiny."

She saw the advertisement at the end of the article about the prophetic time periods focusing on and expiring in our day. She sent a dollar to cover costs, and we are referring the order to you. We should have printed the address but neglected to do so.

At any rate, the lady's name is Bernice Freemeyer, and she lives at 146 S.E. 11th St., in Milton-Freewater, Oregon. If you could send the tract direct to her, we will appreciate it.

We are also interested in the tract, and request that you also send a copy to us. I am enclosing our check in the amount of \$5.00 on The Gathering Call's account. One dollar is from Mrs. Freemeyer. The other four dollars is to defray the cost of sending the tract to us, and whatever is left over is a gift to your good work there to be used as you see fit.

Best regards and Christian love, I am--

Yours in the Master's service,

Donald E. Mote
