Dear brethren in Christ:

Back in the month of December, I received a letter from a sister in Milton-Freewater, Oregon, by the name of Mrs. Bernice Freemeyer, stating that she wanted the tract mentioned in the reprint of one of your articles, entitled, "Israel, Nation of Destiny." She did not know your complete address, so she sent a dollar to me with the request that I send it on to you for one of the tracts.

I mailed you a letter, dated Dec. 22nd, ordering a copy of the tract for her, and a copy for myself, enclosing a check on The Gathering Call's account for \$5.00.

To date, neither of us have heard anything with regards to this tract. Recently I got another letter from Mrs. Freemeyer, wanting to know why. Of course, it would be impossible for me to say why, not knowing your circumstances, and why the tracts have not been sent.

I know I often get behind with my correspondence and literature orders, simply because there is so much to do and I have no help. So, I feel there must be some good reason for it. I would appreciate it if you would send her tract direct to her as soon as possible. Her street address is 146 S.E. 11th St., in Milton-Freewater, Oregon.

Best regards and Christian love, I am--

Your brother in Christ,

Donald E. Mote
