Dear Mr. Mote:

Thank you for your letter of March 6. I note with interest that the membership of the "Gathering Call" is made up of former Seven Day Adventists; and that your efforts are toward doctrinal reform and away from creedism, as it exists among the Adventists.

If history runs true, in less than a century the "Gathering Call" will be sub-divided in another effort toward doctrinal reform within themselves. The Liberal of today is the Conservative of tomorrow.

Enclosed please find a copy of "Separation of Church and State"

Sincerely,

ARVEL G. NEAL, Th.D.
