The Gathering Storm
At Last -- End of
The World

By John Quincy Adams

How is it that End of the World Merely means End of This Age ---3Reasons: why it vitally affects us all.

At last End Of The World! A few years ago Mr. Roosevelt happily used the expression "the horse and buggy days". Those were days, yes; but they reached thru months years and even lifetimes. He could have said "the horse and buggy world," meaning the entire era characterized by that manner of courtship and conveyance. Time was when they had never come: it was then er of the excart. Time now is when they have passed away--are over and gone, with not a singleshaft of them left: "Horse and -buggy days", -thus ,mark out a certain definite time-cycle.

Exactly so means the term world in the expression End of the World. It simply means End of an Era, true it is, .of a very long era, but with definite beginning and then it passes away as truly as "horse-and-buggy days

The expression occurs only in the New Testament, which was written in Greek. Now there are three terms that New Testament translates by the same word "world". These are Ge, whence we derive the word ge-ography; Cosmos, whence we derive the words as cosmo-politan, meaning one who takes the entire world into his thinking; and, lastly, Aion (pronounced as if it were I-own since the "o" is long), . . . which simply and only Age.

Now every time the New Testament uses the term "End of the World", Never is it Ge, or Cosmos, but always and only the word that merely means this Age.

End of the World is a Biblical term, a Divine Term; but never forget k .it is a term that means end of the Age merely.

My! What illumination this truth, when one day its meaning was grasped by me, brought to my way of thinking about many things. End of the World is a term that in the original means only End of the Age Of Our Long Age.

When the World Ends, it does not mean the sun ceases to rise and set; it does not mean the four seasons fail to come in their primeval order and regularity: it merely means Our Present Age (or order, if you please) ends. And when the world is "ending" it simply means the present Age, or long established Order, is ending! That is all. Yet, people are right in thinking it is a tremendous thing, ---for the present order is tremendous. The present order (or Age) is tremendous for all peoples because it has been so long established and holds in its grip every race in every clime. To put it in a single sentence, the present Order is tremendous because it is so universal, and because it is so long established. A third and final term makes its End a most tremendous thing for each and all that is, The New Order (or AGE) that follows this, is Divinely foretold to be so different. To Summerize: The End of the World means End of the Present Age, so long established and it is so universally established, with all peoples of all countries; 3rd the Next Age is Divinely pictured as being (the reasonable and lovely) yet, so unlike the present Order.

Yes, today's generation (in every Land) has come to the End of the World, even that End of the World of which mankind is Divinely told so much.

The Lord God appeared unto me, saying, Son of man, go forth and prophesy that as in the days of Noah, when I passed over the earth in My Wrath EVERY WICKED PERSON lay drowned, swollen and bleated with water, so today, even this day, will I pass over the earth in wrath and when it is over, EVERY WICKED PERSON shall be found laying down dead stricken thru with VIOLENCE OF THE SWORD. MY ears tingled and God continued speaking: I have caused all men to know that I have said in My Word that the present world at last waxes so wicked that I destroy it by fire. Go forth, Son of man, and open two doors of understanding. The 1st Cause all men to know that it is not the physical dirt and rock that shall be destroyed by fire, but the world, -- its peoples, crops, beasts, and its every regime; the 2nd door of understanding: that the fire by which today's world shall be destroyed is the fire that comes from artillery, bombs of gas, destruction and death of War, -- symbolized in My word by THE SWORD, which stands for VIOLENCE -- as opposed to natural death. Yes, that time has come and the people of that destruction has already struck.

In the Turks and the Mos lom tribes), 'all the kings of the north (does this not mean north of the equator?), -- now that positively drafts us! "Which are upon the face of the earth" -- and that positively drafts us a second time, w hosever we are! Verse 31 says it is God's "Controversy with the nations" --- and are not we of earth's "Nations"? This verse also says before it is over with that ALL FLESH", and that again drafts us, it is more universal) yet. That call gallops over every country path, and into every home on earth! Now comes the verse that is Bible authority for it that as in Noah's day every wicked person perished, from waters, this time all the wicked perish from the SWORD "AND THEM THAT ARE WICKED WILL I GIVE TO THE SWORD!" This is nothing less than your Bible statement for it. And it drafts every community, however small. Though the Gosple of Jesus Christ has been being preached for over eighteen hundred years, still there is not one converted Nation, State, County or Community to holy living but "the wicked" are in every place yet in majority. O the Universal gallop of the Age-End SWORD!

Why? The answer is simple. God does not mean that any place or that Earth shall always be a place of sin raging and playing havoc. He has two ways of stopping it -- only one of which is salvation. The one is to wash in real repentance in His shed blood. But the World will never go the way of Holiness, on the other hand increases in wickedness. So Isa. 13:9, read it in your Bible. Here we are told at last; the Lord comes to "lay the land waste" and "TO DESTROY THE SINNERS OUT OF IT"! God will not always be mocked, nor always permit the multitudes "We don't want to go to hell -- don't come yet, Lord Jesus, keep hanging there and bleeding on the cross until I dance this dance, till I attend this movey, until I have this fling" but never finding place to turn from sin, but waxing worse and worse therein, shuffling under their feet; the blood wherewith they should have been made Holy. THEREFORE IN HIS

Word He declares it is in your Bible Isa. 13:9, that at last He comes and "crushes the sinner thereof out of it"!

PRELUDE HAS STRUCK
In the late World War. Always there has been war, but only with a few countries at one time! Spain and the U.S.A. in the Spanish-American war, etc. But in the late fight 40 odd declarations of hostilities held forth in the same fight at the same time so it is called, "The World War" ("Evil shall go forth from Nation to Nation" and so it happened in what began in 1914, -- Prelude Fulfilled! "And the slain of Jehovah shall be in that day from one end of the earth even to the other". The Submarine and Airoplane help bring this to pass, killing people 500 miles, 1,000, even 2,000 and more miles from the various battle fronts. And figures from the French Government reveal in statistics of who is burried in Flanders' Fields. 12000 Greeks 369,000 Roumanians, 400,000 Serbs, 400,000 Italians, 40,000 Belgians, a million and a quarter French, 800,000 from Britain's flag; over 100,000 from the U.S.A. and the French, British and German troops, many were gathered from the colonies in Africa and the islands of the sea, not to mention the German dead, the dead of Austria, of Bulgaria, of Russia truely" from one end of the earth to the other"!

ISAIAH AND JOEL TESTIFY THE SAME

Read Isa. 26:19-21, where is picture of the Resurrection of the dead. Then comes the call, "Come My people, enter into thy chambers, shut thy doors about thee till THE INDIGNATION be past. For the Lord cometh from His place to punish the inhabitants of the earth for their iniquity and THE EARTH shall disclose her blood and no more cover her SLAIN!" It is the TRANSLATION call, RAPTURE of the Worthiest and STAND WORLD DESTRUCTION BY SWORD OF THE WICKED!

In Joel 2:28-30 God tells us first He will send a world outpour of His Spirit upon "all flesh" that is upon the humble ones, "Servants and handmaidens" attended by "dreams" "Visions" "Prophecy". This has come and has now about finished its course. There is not a community but knows of the

Baptism of the Holy Spirit but only sneers and mocks at the outpour. In the same passage God says the very next thing upon His program is "Blood FIRE AND PILLARS OF SMOKE"! Oh little discern ye, for what the outpour of the Holy Spirit is for. many who did so receive have not continued therein but have gone back to the World, WORLDLINESS SWEEPS EVERY VISIBLE CHURCH.

The Baptism of the Holy Spirit, then is to prepare a people for translation. This is why every Baptist, Methodist, Catholic, Protestant and man should have it. But churches and individuals have refused, yea, have despised, the Baptism of the Holy Spirit, accompanied by "dreams" "Visions" and "prophecies" and therefore saith the Lord God, Jehovah, they shall have the Baptism of an UN-HOLY Spirit, accompanied by "blood", "fire" and "pillars of Smoke! Yes because thou hast drawn back from the great sweep of the Holy Spirit, -- lo, already, a deluge of the Unholy Spirit has drowned thy churches and thy own souls: thy women have stripped themselves to walk thy streets in but loin-cloths, cut off their hair, painted their faces rill to-day their faces look like beasts, thy sons and daughters have thrown chastity away, lounging in luxuriously upholstered chariots, committing fornication on the roadsides in sight of all men! Nor will all these who receive be translated -- only few who received the Holy Spirit's Baptism: Because thou hast bet followed on to be purged of the World and all its smell but thou hast listened instead to "incorporated" ministers instead and today the smell of the World is in every particle of thy being.

IN VISITATION God took us to Revelation Chapter 9 to view the first of two plagues of the THREE that will end the World read there ---note the mentioning of "scorpion" and terms of "heads" "tails" and "Wings" and that the sting lasts for five months, not killing but torturing as with burning fire. This He disclosed to us as the AIROPLANE, which has "heads" "tails" and "Wings" and in the sky resembles the "scorpion" with upturned tail and use of stinging gas --- as mustard gas. He interpreted the "hair as

of women" interpreted from the Corinthian passage that a woman's hair also symbolizes her perfect submission to her head, her husband and revealed it to symbolize the AIROPLANE DRIVEN BY RADIO AND DIRECTED IN LIKE MANNER-with not a man in it. These machines will take off speed up or slow down, turn curve, drop bombs, dispense gas, keep storming a city or an area thus according as a man miles away with radio instrument directs the fleet of planes. And the other Woe, -- a mention of "horses" to the vast number of 200,000,000 and declares by the three elements of "first, brimstone and smoke" They will KILL THE THIRD PART OF MENS! This He disclosed to us is also the AIROPLANE which the world over to this day is measured in terms of "horses", -- HORSE*POWER! The total number of the horse-power of the engines used will total 200,000,000 horses. The three plagues God there names are Bible symbol for POISON GAS, "brimstone" being the technical term for the common term "sulphur", and when touched with "fire" makes a deadly flame, gas, -- a symbol for killing men with POISON GAS. Gas says one third of man-kind will be destroyed by this one plague alone.

ALL THINGS READY!

There is now on our desk a two columned article, GAS WARFARE, from the Manchester Guardian which is a review by the International Red Cross, a review of the late report from the League of Nations Commission on this subject, and a pamphlet just issued by the Carnegie Endowment for International Peace, which also gives extracts from the United States Cavalry Journal which tells ---

1. In the first world war gas warfare was discovered and at first shield gases were used, -- tear gases, sneezing gas, and gases producing vomiting, in 1915-16

2. These gave way to lung irritants as phosgene, chloropicrin, chlorine, diphosgene, etc, so deadly that in concentrations of one part in 5,000 they brought death, and further developed till one part in 32,000 would kill in 48 hours. These irritate the lungs, the lungs give forth a secretion that breathing

stops.

3. Mustard Gas came and has been perfected so deadly that one part in 3,000,000 causes the skin to burn as from fire "for three weeks to three months"--FULFILLMENT READY FOR REV. 9:5, read it, NOW READY! A little stronger it burns the eyes, these later turn to gobs of pus, the voice becomes harsh a dry cough appears and death results in 2 days.

4. LEWISITE GAS the reports say is still more deadly and "mysterious"

5. Poisonous gases, 26 of them, are now perfected for the "next war"--which are colorless and odorless so there is no alarm by sight or smell!

6. These gases heavier than air, hang about a place where released for as long as 2 weeks under favorable weather conditions, and will poison all food stores and even waters of running rivers and boiling or cooking will not purify!

READY TO FULFILL REV. 8:10-11 and thus by instantly poisoning all stores of foods will bring instant and actual FAMINE to all cities and to the country at large which will be seriously affected.

7. But according to statement of U.S. Cavalry Journal, the worst thing will be high invisible planes dispensing Mustard Gas in liquid form which will come down from the clouds, clear and odorless, as a MIST, which penetrates clothing, rubber and leather, remains for days on the grasses and underbrush but which makes an awful SORE on all flesh it finally reaches, which sores feed on air and flesh! READY FOR FULFILLMENT REV. 16:1-2 where it is said as one of the curses of God's undiluted Wrath will be "poured out (the mist) from above that will "become noisome and grievous sore upon the men that had the mark of the beast, and that worshiped his image!

READER, Salvation's door is now closing! There will be a period before the absolute finish, in the which no man can be saved, -for as these curses go forth time and again it is recorded in the Book of Revelation, "the rest of the men not slain by these plagues, repented not of their idolatries, their thefts, their adulteries, fornications,

or the work of their hands. Of that closing period it is written, "he that is filthy, let him be filthy still, he that is holy, let him be holy still" While it is true all that really call upon the name of the Lord shall be saved, yet the Bible records no one will in reality call on Him but on the other hand "the blaspheme the name of God who hath the power over these plagues; and they repented not to give Him glory" Rev 16:8, 1 Are you ready REALLY saved. What has been your attitude towards His Holy Spirit in Last Hour outpouring in His sanctifying work? Have you said it is "going too far" and are you yet in the world's proud attire, vanity of thought and blindness of discernment, counting in the strength of men (denominations and church-names)? IN THE NAME OF THE LORD JESUS CHRIST OF NAZARETH AWAKEN NOW, -- or never! Fling aside all hindering weights and all hindings, and become an ensample unto all. Do not let this times sage die, herald it on to all MEN EVERYWHERE that all may know the real significance of events now filling the world. Oh Hasten to come out of every form of worldliness and stay out!

(The word of God tells us how as one Judgment stroke at the Age-End He will take away, "consume" the birds and fishes: Hos. 4:3; Zeph 1:3. As the military chemists say some of the poison gasses will poison even the waters of running rivers from the mere resting thereon and that even boiling will purify them, -- Is not here the manner for fulfilling the AGE-End judgement, curse? Of the "deaf death", lingers on grasses, trees and underbrush in some cases for weeks and in all for days---and as it makes awful, eating, incurable SORES on all flesh it touches, of man, beast or fowl, -- is not here the manner of "consuming the birds" the above two scriptures foretell? Thus in all possibility not figures of speech or symbols are here employed, but LITERALLY the fishes and birds will be "consumed" and not found, -- as declared and birds will be "consumed" and not found, -- as declared in Hos 4:3 and in Zeph. 1:3! Did you know you are living at the threshold of such times and what is your attitude towards REAL God - Like -ness which is totally unlike the world in all things?)
