

THE BIBLE HOME INSTRUCTOR

This is a very rare book, and should be in every home to teach the people just what the Bible says on all subjects of the holy scriptures. It is not man's opinion on these questions, but gathering together of all the scriptures, from the thirty six Holy Men who gave us the Bible, and placing them in one place in question and answer form.

The various phases of the subject is covered by different questions, the answer to which is the scripture quoted fully with book chapter and verse. There are over 500 pages in the English book, and about two hundred or more pictures to illustrate the subject. The book is indexed so you can quickly look up any subject you are interested in. We are just completing five thousand in the Hebrew and five thousand in the English, and we want colporteurs to go from house to house and sell them. When the merit of the book is shown and explained, people will purchase the book. In this time of so much confusion and so many opinions about prophecy, doctrine etc., this book is badly needed to put people right, to give them just what all of the Bible witnesses have said on any subject.

This book was compiled and edited by the Editor of the Mt. Zion Reporter, with the assistance of two other Bible scholars.

The selling price for this book beautifully bound with rich colors in cloth stiff binding is \$5.00 or two pounds sterling.

For six or more books in one order only \$16.00 post paid to you, and 13 pounds sterling. Agents are asked to sell them at the regular retail price, and the balance will be for the expenses of the one going from house to house to sell them. If ordering more than six in one order they will go to you at the same rate as \$2.50 each with a little over to help with the postage.

DANIEL AND REVELATION

It was evidently through the two mighty angels Gabriel and Michael that the Creator gave the two books of Daniel and Revelation to us. Daniel 9;21, and 10: 13,21. Chapters 11 and 12, were transcribed from the scriptures in heaven and sent down to us by Gabriel. See 10; 21. Then he gave the last two chapters eleven and twelve, but in chapter 12;4 He sealed up the whole book of Daniel till the time of the END when knowledge was to be increased. Daniel has been thus closed up, especially to the Jews, the chosen people, till this age of knowledge in which we now live. Most of the book has been only in the Aramaic language instead of the Hebrew. Evidently because of the Messianic prophecy of chapter nine the 70 weeks reaching to the Messiah, the Jews of the early days of printing forbid it to be translated into the Hebrew. Even in the Hebrew Bibles of to-day but very few

(Over)

Jews can read the book of Daniel. It is printed in the Hebrew letters, but the words are not in the Hebrew tongue.

By the help of a few loving people who by the presence and power of the Holy Spirit are able to obey Romans 12 ; 1, we have been able to translate into Hebrew and publish eighty thousand copies of the book of Daniel and send them out free, with explanations, and the calculation of the 70 weeks prophecy of chapter nine which reaches to the first coming of our Messiah. Most all of these have been mailed to all school teachers, government officials, and to libraries and reading rooms of all cities and villages of Israel.

Now we are printing another twelve thousand together with the book of Revelation, in the Hebrew and twelve thousand in the English. We are sure that Gabriel and Michael through Whom these great prophecies were given to us, will be well pleased now for us unitedly to give them to the "Chosen People" from whom they have been withheld all of these years.

As soon as we get them finished, and figure up the cost we expect to send them out here in Israel free to these poor returning exiles, but sell them at actual cost in other places. The cost of paper and postage here has greatly advanced. We are spending the money as fast as it comes in in all of this work, and last week, as all of the family knows, we were much overchecked at the bank. As the money flows in it flows out, but we are sure there is not another place in these closing days of Gentile times where it can be put to as good a use, or is needed as bad as here in Israel. There is an excellent place here to use your tithes and offerings but be sure to pray about it for the Father's direction, for there are other places also where help is needed, besides here.
