One Law Was Abolished — Another Remains

That the ten commandments of God are perpetual and immutable, will be quickly seen and willingly admitted when the facts are disclosed. The crime wave sweeping the world, wherein each offense is a violation of one or another of the ten commandments, should make every father and mother carefully consider, and anxious to learn the facts pertaining to this vital question. The hateful deception that God's holy commandment's have been abolished and nailed to the cross, has had a world-wide sowing, and how horrible the harvest! But the searchlight of God's precious Word focussed squarely on the situation will clearly discern long hidden truth, and people are everywhere awakening to the fact that it was the law of Moses and not the law of God that was abolished at the crucifixion of Christ.
