Dear Brother

We have just reprinted our old "History of The True Religion". Since Rome has come into prominence again together with the "World Council of Churches", deceiving the people as to the true Bible church, we have had many calls for the republication of this valuable book. I was sure you would like to see a copy, and therefore decided to mail one to you. It makes a very valuable present for your friends and loved ones, and may save them from joining up with this "Mark of The Beast" false worldly religion. After examining it should you want more we will be glad to furnish them while they last. You might be interested in loaning and reloaning this one to your neighbors and thus enlighten them also. The world is swiftly moving into just two groups. It is either Rome or Jerusalem, but the "Little Flock" is the one to whom the Kingdom is to be given. It says, - "Fear not little flock, for it is your Father's good pleasure to give you the kingdom". - Luke 12:32.

If you decide to keep the book, and can possibly send us the price which is \$5.00 it will greatly help in meeting the expenses of printing, and we will appreciate it very much. If you prefer returning it, however, we will gladly refund the postage cost to you. In this case kindly see that it is well wrapped to prevent being damaged.

We believe you will prefer keeping it as a valuable asset to your library, as well as giving you an opportunity, and providing a way, to turn people from Rome by reading this book which proves beyond any question of doubt, that the same religion practiced by the primitive church, and accepted by three thousand Jews on the day of Pentecost (Acts 2) with the "Commandments of God and the Testimony of Christ" - Rev. 12:17 and the New Testament name continued, and was active in each 100 year period from then till now. Also that these people observed the Bible Sabbath, and were therefore classed with the Jews, persecuted by Rome, and declared "Heretics".

May the Holy Spirit from above lead and direct you in every good work is our wish and prayer.

Your Brother in the service
