Dear Editor:-
Greetings from Jerusalem and the Holy Land. I am inclosing herewith a little souvenir that may be of interest to you and your readers. I can furnish these to you for 10¢ each, and also a similar card with the picture of "Lot's Wife Pillar", having a small lump of salt attached at the same price.

I have received a few copies of your good paper and wish to commend you for this work, so much needed in these days of madness, when fear and perplexity vex the world, as the Saviour said it would just before his second coming. Luke 21: 24.-36
We appreciate your co-operation in this good work.

I have a small 16 page tract which I would like for you to advertize in your paper, and if you will run the following add for two or three issues, or even one issue, I will pay you your regular advertizing rate, or send you souvenirs just as you prefer.

"Jerusalem delivered as birds flying, Isa. 31:4,5. Miracles accompanying the birth of Israel. Manna falls in Palestine, and angels appear as men".
Price postpaid 10¢.

A large chart covering the pictures of Daniel and Revelation 28 X 40 inches. It creates interest and brings people to hear the gospel. Price \$1.00.
