Dear Brother

Greetings from Jerusalem the city chosen of heaven. Zech. 1: 16, and Acts 15: 14-17. The city we are to love and reverence in order to prosper. Psalms 122:6. It is indeed good to be here where the precious feet of the Saviour trod, and where the precious blood was shed, and also where the prophets and apostles lived, and died. It is now teeming with activity and spreading over the hills of Zion. Whole blocks of large three and four story apartment houses are springing up in the south part of Jerusalem around where we live near the Bethlehem road.

We believe that all of these holy places and sacred sites should be again renewed in the hearts and minds of the chosen people, whom the holy Spirit, through the Word, has called out of Babylon, like yourself. Therefore I have secured photographs of these holy places, and revived their history printed in the little pocket size booklet inclosed for you and your loved ones. You cannot be here to see with your own eyes these places, and walk about them on your own feet as did the apostles and prophets, and our Saviour Himself, but you can see them now just as they appear in this booklet.

You have been one of our faithful supporters, and have sent over here a portion of your life, represented in what you have accumulated spending time at other occupation. We appreciate it so much, and it is seed truly sown in a fertile field that will be producing increase for the kingdom until the Master comes, here and sits as King of kings (Rev. 11:15), on David's throne. You are helping in this preparation work, and we wanted you to have one of these booklets. You can include an offering for it if you wish and have it to spare, but it is just the same if you do not. We want you to keep it and have it in your home for your friends to see, and possibly it will revive in their hearts a love for Jerusalem and for Israel. You are fully entitled to it free of any cost to you and we want you to feel that way.

Hoping you are all well, and may the choice blessings of heaven richly abide with you for the glory of Him who has called us as workers together in these closing days of Gentile times, is our prayer.

Your Brother in the same faith.

A.N. Dugger.
