Dear Brother

I hope these few lines find you and your loved ones all well as we are here. In the midst of these perilous times when the world is threatened with destruction, and even scientists and world leaders in fear of this, are straining every nerve, and doing their uttermost to stay it off it behooves the WISE who understand these things, as we are sure you do to be much in prayer not to be overcome with the cares of this life with surrounding temptation, and be worthy of deliverance. Luke 21:36. The angel said to Daniel that there would be a time of trouble such as never was since there was a nation, and all written in the book would be delivered. Daniel 12:1. Note also it says here in verses following that the WISE will be turning many to righteousness, and then shine forth as the stars forever. The opportunities are great now for this work especially in Israel.

The Arab nations surrounding us are becoming more bold and often shooting to kill the Israel patrols along the border, and we never know what the next day may bring forth. Then as you know there are serious troubled spots over the world in various places threatening the commencement of the next, and the last world war. Only by daily prayer as practiced by the ancients of Israel will we be able to stand against the odds and be found worthy of deliverance in the impending crisis.

There are now an average of over 200 letters every week being received from people in Israel asking for Bibles with the New Testament, or for New Testaments. Some are being received by a sister in Galilee, and the rest here. All are being sent out free to them. Certainly this is sufficient proof of the spiritual revival in Israel, and the need of this PREPARATION work. I would like for you to pay special attention to the facts concerning Israel in the question Dept. of the Reporter sent to you recently the April number. A man who has met many of the leaders of the Government said to me last night, "It is wonderful how many of the leaders in Israel are beginning to believe the Messiah has come, and that He is Yahshua (Jesus). Our self feeding printing press is now well on it's two million tracts, mostly in Hebrew. It is now running another fifty thousand in Hebrew. Please pray with us for the Holy Spirit to accompany every one of these and send conviction to every reader.

May the Heavenly Father bless you and yours spiritually in this great time of need is our wish and prayer. As funds permit we are still printing many tracts in different languages to send FREE to all who will distribute them.

With divine love to you and yours from all of us,

Yours in His service till He comes .
