Dear Ones in the Faith.

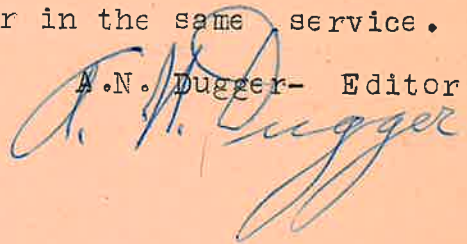

Greetings from Jerusalem, hoping this finds you and your loved ones all well, and the work of the Master still prospering at your hands. You are doing a good work, and we need much more of it to offset to some extent at least this rising tide of Communism and unbelief.

Would you be so kind as to run the following advertisement in your good publication, as Jerusalem and especially Israel is much before the people in this time of trouble, as the Jews are again gathering here as in the days of Nehemiah, when the surrounding nations were also at war with them.

Please let me know the cost of running this advertisement, and I will forward the money to you immediately, and thanking you very much I am

Your Brother in the same service.
