

P.O.B. 568 Jerusalem Israel

March 4th 1968

Dear, Ones In The Faith,--

Greetings from Jerusalem. The Heavenly Father has privileged us to live in the most wonderful age of the world. It is great indeed to see what we all see coming to pass. He says of Israel,-- "..... I am married unto thee, and I will take you one of a city and two of a family and bring you to Zion. And I will give you pastors according to mine heart which shall feed you with knowledge and understanding"--Jeremiah 3:14,15. This is exactly what we see taking place now. He is calling these pastors out, after His own heart, to go forth two by two.

Another wonderful prophecy announced by Micah is coming to pass. Micah 5:2 and 3. Verse 2 announces the birth of Jesus (Yahshua in Hebrew). He was to be born in Bethlehem,-- (Beth-"House"--lehem-"Bread,-Hebrew), and He says "I am the bread of life". John 6:35. Now please note particularly verse 3 now being wonderfully fulfilled as the people called out of Babylon are choosing Jerusalem instead of Rome. Following His birth it says He would give them ( the Jews ) up, not forever, but "Until she which travaileth hath brought forth. THEN the REMNANT of His brethren will return to the Children of Israel". They went into their long travail of dispersion all over the world, but now they have brought forth. The new nation is born, and it says "Then" this remnant ( Rev.12:17), are to return "To the Children of Israel".

We are sending you herein one of our calendars that begins the Bible (Israel) year in April. Exodus 12:1,2 and chapter 13:4. It also gives the Bible names for the month instead of the Roman. It also gives the holidays in Israel. The holidays of all other nations just commemorate important events of their own history. These holidays commemorate outstanding miracles performed by heaven for the Creator's chosen people, of whom we hope we are all a part. Their Red Sea deliverance: The writing of the ten commandments on tables of stone: Miracles of their wilderness experience: Their deliverance at the time of Esther. See book of Esther. etc. etc.

We believe you are of this REMNANT, and I wanted you to have a calendar. They are quite expensive printed in two colors and the postage. If you can spare a dollar and send it over to help pay the expense of sending it, and for the work of the Master going on here, we shall appreciate it very much, but if you are out of work, and hard up, and cannot spare it, that will be all right. Just keep it, and the Heavenly Father will bless you for having it in your home.

Greetings to you and yours from all of us here, and very best of wishes.

Yours in His precious service

P.S. The recent order to A. N. Dugger- Editor of  
stop dollars from leaving the U.S. Reporter.  
President Johnson says does not apply to Israel,  
as Israel is placed on the list of "Undeveloped" countries.  
We are very thankful to the Heavenly Father for this.
