## OUT OF THIS LIFE

Out of **this** life I shall **névér** take  
Things of **silver** and **gold** I make  
All that I **cherish** and **hoard** away  
After I leave, on earth must stay.

Though I call it **mine**, and **boast** its worth  
I must give it up **whén** I **quit** the **éarth**  
All that I **gathér** and **all** that I **kéep**  
I must leave **behind** when I fall asleep

I wonder **often** just what I shall own.  
In that other life when I pass **alone**  
What shall **Hé** **find** and what shall **Hé** see  
In the soul that answers the call for me

Shall the **great** judge learn when my **task** is thru  
That **my** **life** has **gathéréd** some **riches** **too?**  
Or shall at the last it be mine to find  
That all I had worked for I had left **behind.**
