WILL OUR BEAUTIFUL JERUSALEM SUFFER DESTRUCTION AGAIN?

We receive about fifty religious magazines at our desk mostly from the U.S.A., most all of which set forth a dark picture for the future of Jerusalem, claiming Israel's enemies will again lay the city to the ground, and destroy and disperse the Jews.

The correct answer to the above important question does not rest on the vain opinions of man, but on something far superier, and we shall herein discuss the matter from a divine instead of human view-point.

The proof of our answer very securely rests upon the ancient prophets of Israel, whose words have been proven true, by passing events, wherein the history of the past for three thousand years, has responded with accuracy and miraculous precision to the call of these divinely inspired men. Their pre-announcements of events to take place for hundreds and for thousands of years have come to pass, not one prophecy has failed. Therefore what they have announced for the future is certain and dependable.

The prophet Daniel gave a clear and distinct outline of the Gentiles nations in chapter 2 of his book. The vision was given to king Nebuchadnezzar, 603 B.C. This image announcing the four periods of Gentile rule over the world have come to pass with remarkable accuracy and are recorded in every history and encyclopaedia of world events. Even the two

divisions of the last one of these world empires' illustrated by the two legs of the Gentile man, came to pass 395 C.E. (A.D.) when Theodosius divided the empire between his two sons. Thus the East and the West had its beginning which we now hear over the radio and through the news. The two elements for this closing period of Gentile nations viz. the iron and the clay, are here also. The iron, Capitalism, and the clay Communism, the weakening element,

what next...

making all governments unstable.

In July 1960 we entered the toes when the Paris conference convened with five toes of the East and five of the West, just ten nations represented. The two big toes were there, in that Eisenhower in German means Iron, while Khrushchev in the Russian means clay.

As all of these events and conditions came to pass with detailed accuracy, we can depend on the next one, now imminent when the stone strikes this gentile man, and wars carry away all these chaffy elements, as announced in this chapter. Therefore Gentile nations will NOT destroy Israel and Jerusalem but they will be destroyed themselves.

We entered the toes of this Gentile man eleven years ago, and are therefore close to the end. The stone, representing the kingdom of God will not destroy the image until the image is complete. The destruction of this wicked Gentile world is near at hand.

The legs came into being as stated about the year 395, 1,576 years ago, and the approximate years in the toes can be estimated by the number of years there would be in each inch of the average length of the leg down to the heel and then the length of the foot to the toes so there are yet a few years left.

In the 7th chapter of this same book these Gentile kingdoms of world-wide supremacy are illustrated by four wild beasts of a blood thirsty nature, and details of each beast are met in history. For instance the 3rd like a leopard, representing the 3rd empire which was that of Alexander the Great. It was announced that in place of one head four would rise, and history tells us that upon the death of Alexander the Great the first king, the kingdom was divided among his four generals. In the 8th chapter the same event was illustrated by a beast with one horn, and four came up in its place. Here the two kingdoms are mentioned by name, Grecia and Medo-Persia. How wonderfully history has responded to the call of prophecy.

The prophet Daniel beheld until thrones were cast down (verse 9 chapter 7), and next was the JUDGMENT, and the Gentile beast was slain and given to the burning flame. — Verse 11.

The generation now living has seen this period, when the "thrones of the kings of the

earth were cast down". Monarchal kingdoms have ceased all over the earth, and dictators now take the place of kings. Gentile nations are thus doomed to end with this 4th Roman power, which was to continue nationally in a broken state, (verse 7), but the 2 legs, enduring as the two Gentile religions of the East and the West, Roman Catholic at Rome, and Greek Catholic in Russia are still recognized as the East and the West.

Erroneous Interpretation of Bible Prophecy

The cause of more than two hundred religious sects publishing false propaganda that Israel and Jerusalem are to be destroyed is there erroneous interpretation of Daniel 9th chapter, originating from a Roman Catholic priest will be explained in this column.

The angel Gabriel visited Daniel while he was in prison at Babylon and told him that 70 weeks were determined upon his people, and upon the Holy City to finish the transgression and to make reconciliation for iniquity (verses 21 to 24).

This period was to be calculated on the basis of a day for a year, as declared by the prophet Ezekiel chapter 4: 1 to 6 as it concerned Jerusalem and this people. It was by the correct use of this system of calculation and interpretation of Bible prophecy that the writer's father published the year 1902 that the first world war the beginning of the destruction of Gentile nations, would occur 1912 to 1914, and a second war was due 1939 to 1940. They came at this time which establishes the truth of this system of calculating Bible prophecy. This period of 70 weeks represents just 490 days or years which were to have their beginning with the commandment going forth to build Jerusalem (verse 25). This was consoling news that rejoiced the heart of the prophet in his prayer for the regathering of His people and the restoration of Jerusalem. The city was to be rebuilt, and from the time the commandment went forth to build it until the Messiah would be 69 weeks. (Note verse 26).

The next week making the complete 70 weeks, the last week of the 70, in the midst of this 70th week the Messiah was to be cut off. Here is where the grave error crept in. False interpretation is not the fruit of the Holy Spirit, but the opposite. It is Satan that has through this channel blinded all of these religious sects, and turned them against Israel and Jerusalem. Without any reason or authority whatever they cut off the last week of the 70 weeks, and put it up here in our day and in the future. All of this erroneous teaching that Jerusalem is going to be destroyed again and the land brought into a desolation stems from this illusion and false interpretation.

Furthermore, however, if the coming of the Messiah is yet future, as the majority of the Jews claim, then Jerusalem is doomed just as these sects of religionists teach. Because the angel told Daniel very clearly, that the Prince coming after the Messiah was cut off, would

destroy the city and desolations were determined to continue until the consumation. — Verse 27.

Gabriel told the truth, and the book of Daniel is to the highest degree dependable. These events have all followed with astonishing precision. The Messiah came at the time declared, and he was cut off crucified 33 C.E. (A.D.) in the midst of this last week. Note the date at the top of the page of your Bible where the account of his death is recorded, the last chapters of Matthew, Mark, Luke and John, all record his being cut off.

The year 457 B.C. the commandment went forth to build Jerusalem, with money provided from all the treasuries of Babylon. See Ezra 7th chapter. From that date to 33 A.D. when the Messiah was cut off or crucified was exactly 490 years. The prophecy was indeed remarkably fulfilled, each day for a year.

But notice that the prince that was to come after was to destroy Jerusalem. Was this fulfilled? Everyone acquainted with the records of the past knows that the Romans, under the prince TITUS came and besieged Jerusalem, and the city was destroyed and laid level. Then the land went into a desolation with rains withdrawn, and the city and country were under the Romans and Moslems. Therefore this has happened. It is in the past. Consequently such a destruction is not future. Jerusalem is here to stay because the Messiah has already come, just exactly as Gabriel announced to Daniel. These religious sects are being deceived by this deception which emanated from Rome through one of her priests. This 70th week does not apply to the future, but is clearly in the past.

After this babe of Bethlehem, the man of Nazareth had fulfilled over 300 Old Testament prophecies, and before His ascension, he also gave a wonderful prophecy, which further establishes the fact that Jerusalem is here to stay. He said of the Jewish people: "They shall fall by the edge of the sword, and Jerusalem shall be trodden down by the Gentiles UNTIL the times of the Gentiles be fulfilled... Then there was to be "Distress of nations, with perplexity, men's hearts failing them for fear and for looking at the things that were to come to pass upon the earth, and the powers of the heavens would be shaken, THEN they would see Him coming in the clouds of heaven with power and glory." — Luke 21: 24 to 36.

This prophecy, like the many others, has been fulfilled with astonishing accuracy. Now FEAR grips the entire world, with the powers of the heavens being shaken by the Atomic bombs. The next event, and very soon, is the return of the Messiah, and deliverance, instead of destruction, is sure coming to Jerusalem and to Israel.

THE ARMIES OF GIDEON JUDGES 7TH CHAPTER

The battle of the three hundred is about to be repeated on a world wide scale. It is known in the Bible as "Armageddon," (Rev. 16: 13-

16), or in other words the "Army of Gideon", fighting the final battle. It will be the final end of the enemies of Israel. Just as the Midianites and the Amalekites, and all the armies of the EAST were attacking Jerusalem and Israel were destroyed by fighting one another, so it is to be in this final closing drama of Gentiles times.

It will also be the armies of the EAST. Note verse 12, they were without number, like grasshoppers, and as the sand by the sea shore,

yet only three hundred chosen men were used to put them to flight. The Creator sent His angels to put confusion among the enemies. So it is today. Note verse 22 that every man's sword was against his fellow in the Gideon battle.

Instead of the swords now it is terrible bombs, with which Gentiles nations, who are the enemies of Israel, are to be destroyed. The whole world is in preparation, and we are about to see this final drama enacted, not only on the old Gideon battle field of Israel, but over the world in general when, "Every man's sword shall be against his brother." — Ezekiel 38:8 21; Jeremiah 30: 11; Isa. 34: 1-8, also Isa. 66: 15, 17). Read also Isaiah 24th chapter and Jeremiah 25: 30 to 36. This is the final end of Gentiles rule over the world.

The conclusion of Isaiah 24th chapter, after the world-wide destruction for which the nations are now preparing, it says: "The Lord of Hosts shall reign in Mount Zion, and in Jerusalem and BEFORE HIS ANCIENTS GLORIOUSLY.

THE COMMON MARKET

A fascinating feature of the Scriptures for Bible students is the picture that is depicted of the movement and disposition of nations at the end of this era, immediately prior to the establishment of the kingdom of God on earth. Whilst the cradle of Christianity was located at the eastern end of the Mediterranean Sea and whilst Jesus was born a Jew within the border of a country known then, as now, by the name of Israel and whilst the pivot and focal point of God's purpose is to be centred on the capital city of Jerusalem (Micah 4: 2; Zech. 14: 16; Isaiah 2: 3; 24: 23; 6: 18; Luke 21: 24; Rev. 3: 12, 21: 2), a great deal of Christian activity has taken place, and will continue to do so, in Europe. This activity has not escaped the attention of the Bible and although the grand unfolding of God's plan is most clearly discerned in the Middle East, Europe is portrayed as the origin of a confederacy that has a part to play in the final drama of the ages. The prophet Ezekiel, in chapters 38 and 39, describes an altogether different assembly of nations that come "against the mountains of Israel." In Zechariah, chapters 12 to 14, is the crisis that necessitates the return of Christ to save His people from their enemies. This first confederacy we referred to, in our last review, as being led by "the king of the North" identified as Russia and Ezekiel chapter 39 reveals them destroyed on those very mountains of Israel by the power of God.

It is against the authoritative power of Christ

that the second confederacy of nations, born out of the religious centres of Europe, make their stand and the 17th chapter of Revelation deals specifically and at length with this confrontation. THE LAMB is a scriptural symbol of the Lord Jesus Christ from Genesis to Revelation, from the Israelite passover sacrifice to the Slain Lamb of Revelation chapter 5. The word Lamb occurs 27 times in Revelation alone and in every case signifies Christ. The vision which the apostle John saw is explained for him (and us) beginning in Rev. 17: 12, "And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast. These have one mind and give their power and strength unto the beast.

THESE SHALL MAKE WAR WITH THE LAMB AND THE LAMB SHALL OVERCOME THEM; FOR HE IS LORD OF LORDS, AND KING OF KINGS AND THEY THAT ARE WITH HIM ARE CALLED AND CHOSEN AND FAITHFUL."

Identification with Europe is made from V. 18 where the woman is established as representative of a great city and V. 9 informs us it sits on seven mountains or hills.

The seven hills of Rome are famous and now we can begin to see that the woman represents ecclesiastical power and the beast the territorial extent of a system known once as the Holy Roman Empire. But to locate and watch the confederacy of nations in these last days we look for its latterday equivalent and we believe we see its embryonic form in the TREATY OF ROME or as it is otherwise known — THE COMMON MARKET.

It is very significant that the nations comprising the Common Market Six occupy territory of the old Roman Empire; that their Catholic church traditions go back beyond the Dark Ages and it is devastatingly significant that their treaty was drawn up in, and called after, the city of Rome. The European Economic Community as it is also known, is in the process of being enlarged and its number expanded

from six, possibly to ten. We view these events with great interest because we believe Scripture has a bearing on these arrangements, and in view of the awe-inspiring panorama that the Bible has revealed for the last days at the time of Christ's return, we are filled with a sense of urgency for the time is short and the opportunity of accepting God's salvation is quickly passing.

OUR TOTTERING CIVILIZATION

The collapse of the Upper Clyde Shipbuilders illustrates the uncertainty of modern life, the flimsy structure of financial empires and, following on so closely behind the crash of Rolls Royce emphasizes the rapid decline of British power and the lack of dependability of what this world has to offer. The shipyard's debt was \$60 million, an incredible amount of money to have outstanding and, despite "desperate efforts" by the British Government to find a way to keep the yards going, it appears hopeless. These outstanding examples of ruin that make the headlines, are repeated a thousand times over in lesser ways and serve to define a sickness of the age. On the 7th of July, at a speech in Kansas City, headlined **DECAY THREATENS AMERICA**, President Nixon of America warned of an even greater danger the world (We add, not just American) faces. He said: "I think of what happened to Greece and to Rome and you see what it left — only the pillars. What has happened, of course, is that the great civilizations of the past, as they have become wealthy, as they have lost their will to live, to improve, they then have become subject to the decadence that eventually destroys the civilization. **THE UNITED STATES IS NOW REACHING THAT POINT.**" Although he saw hope ahead, in national effort, the Bible indicates that the only real hope for life is God's way; the Bible shows the purpose for life, where we are going, what all things were created for and the positive plans and programmes that God has to improve this world and life upon it. The benefits and glories of His Kingdom, shortly to be established on this earth will be shared by those who are prepared to take His word, His Bible, seriously and reshape their lives in conformity with His wishes.

THE CRIME OF MAKING JERUSALEM JEWISH

The "Judaization" of Jerusalem means that Jews are returning to live in their own town — not in Beirut or Damascus or Amman, but in the town that comprises the Western Wall, and Phasael's Tower, and Absalom's Pillar, and Yochanan Ben-Zakay's synagogue, and all the houses of worship and "yeshivot" that cluster there. We have also, I suppose, Judaized the Cave of Machpela in Hebron by having the impertinence to enter the building that contains the graves of our holiest ancestors. We were previously confined to the lowest six steps of the stairway outside the entrance. No-one protested at the time that the Moslems were "Arabizing" a holy place.

And we are ready to give most of these territories to the Arabs for good, in exchange for a peace treaty. Look what territories the Russians (now thumping the table with horror at Israel's "imperialism") took over, without offering to give anything back. Estonia (double the size of Israel), Latvia and Lithuania (each of them treble the size of Israel) were eaten up without a qualm. Poland ceded an area eight times as big as Israel, and for what? Security? Protection — against a Communist client State, when the heart of Russia is as far away as Tel Aviv is from Baghdad?

That is not all. Russia took North-East Prussia from the Germans, Ruthenia from the Czechs, Moldavia and North Bukovina from the Rumanians (Moldavia alone is half as big again as Israel). She swallowed a chunk of Southern Finland, double the size of Israel, and in addition grabbed Petsamo in the North. Altogether the Soviet Union — biggest nation on earth, stretching from the Baltic to the Pacific — expanded her territories as a result of World War II by an area 20 times the size of Israel (167,191 square miles to be precise); and that does not include North East Prussia, Petsamo, Ruthenia or North Bukovina, whose measurements I do not have. All that seizure was of ones to which Russia has no historic claim, and which constitute no danger to Soviet security.

Other countries negotiated territorial changes as well. Poland took land from Germany, and from Czechoslovakia too. Denmark took land from Germany, Italy took land from Austria, Yugoslavia took land from Italy, Belgium took land from Germany (and so did France). Greece took land from Bulgaria, Bulgaria took land from Rumania. Somehow all was negotiated, people grumbled but settled down. Everybody made the best of it.

Israel agreed to give back most of the captured territory in exchange for peace.

"A few days after the sepulchre was found empty. His disciples proclaimed all over the country that Jesus had risen from the dead, as He had foretold. This created more excitement even than the crucifixion. As to its truth I cannot say for certain, but I have made some investigation of the matter; so you can examine for yourself, and see if I am in fault, as Herod represents.

"Joseph buried Jesus in his own tomb. Whether he contemplated His resurrection or calculated to cut Him another, I cannot tell. The day after he was buried one of the priests came to the praetorium and said they were apprehensive that his disciples intended to steal the body of Jesus and hide it, and then make it appear that he had risen from the dead, as He had foretold, and of which they were perfectly convinced. I sent him to the captain of the royal guard (Malcus) to tell him to take the Jewish soldiers, place as many around the sepulchre as were needed; then if anything should happen they could blame themselves, and not the Romans.

"When the great excitement arose about the sepulchre being found empty, I felt a deeper solicitude than ever.

"I sent for this man Islam, who related to me as near as I can recollect the following circumstances. They saw a soft and beautiful light over the sepulchre. He, at first, thought that the women had come to embalm the body of Jesus, as was their custom, but he could not see how they had gotten through the guards. While these thoughts were passing through his mind, behold the whole place was lightened up and there seemed to be crowds of the dead in their grave clothes.

"All seemed to be shouting and filled with ecstasy, while all around and above was the most beautiful music he had ever heard, and the whole air seemed to be full of voices praising God. At this time there seemed to be a reeling and swimming of the earth that he seemed so sick and faint that he could not stand on his feet. He said the earth seemed to swim

from under him, and his senses left him, so he knew not just what did occur.

"I asked him what conditions he was in when he came to himself. He said he was lying on the ground with his face down. I asked him if his dizziness might not have come from being awakened up and getting up too suddenly as it sometimes has that effect. He said he had not been asleep, as the penalty was death to sleep on duty. He said some of the soldiers slept at a time, and some were asleep then. I asked him how long the scene lasted. He said he did not know, but he thought nearly an hour. I asked him if he went to the sepulchre after he had come to himself. He said no, because he was afraid, that just as soon as relief came they went to their quarters.

"I asked him if he had been questioned by the priests. He said he had. They wanted him to say it was an earthquake, and that they were asleep, and offered him money if he would say the disciples came and stole Jesus, but he saw no disciples, and he did not know that the body was gone until he was told. I asked him what was the private opinion of the priests he had talked with. He said some of them thought that Yahshua was no man, that He was not a human being, and not the son of Mary, that He was not the same that was said to be born of the virgin in Bethlehem.

"It seems to me that if the Jewish theory be true, these conclusions are correct, for they are in accord with this man's life, as is known and testified by both friends and foe for the elements were in his hands the same as the clay in the hands of the potter. He could convert water into wine; He could change death into life; He could calm the sea, still the storms, call up fish with a silver coin in its mouth. Now I say if He could do all of these things, which He did and many more, as the Jews all testify, and it was doing all of these things that created enmity against Him. He was not charged with criminal offense, nor was He charged with violating any law, nor of wronging any individual in person, and all of these facts are known to thousands, as well as by His foes as by His friends, I am almost ready to say as did Malcus at the cross: 'Truly this was the son of God.'

"Now, noble Sovereign, this is as near the facts in the case as I can arrive at, and I have taken pains to make the statement very full, so that you may judge of my conduct upon the whole, as I hear that Antipater has said many hard things about me in this matter. With the promise of faithfulness and good wishes to my noble Sovereign,

"I am your most obedient servant,

"Pontius Pilate."

LIFE IN ISRAEL

By EFFIE DUGGER

Shalom to "The Reporter" friends.

This little letter is written on December the 7th, a winter day in Israel. Yes, it is raining again after quite a long period of sunny weather. The weatherman says this cold rain is coming in from Russia.

Farmers are in general relieved at the showers, and agricultural experts described the rain as timely. They had begun to see a spectre of draught over the past few weeks. Half of the winter crops were sown before the first rains and planting was completed in the subsequent dry spell.

Yesterday's rains did wonders for the germinated seed and the citrus crop, the farming experts said. It will add a final sheen to the Jaffa oranges that will reach the European markets for Christmas.

People here seem to be well prepared for this rain. Even the children have waterproof clothes and each child has a big leather bag to carry his books in.

Much of the news in the papers is about the trouble in East Pakistan, where so many thousands of people are leaving their homes and fleeing over into India for refuge. I was a little confused about the accounts; one day it would speak about them as Bengals and the next day it would call them East Pakistanis. Then I consulted my Atlas to get matters straight in my mind. It said that Bengal was a small former province in Eastern British India. In 1947 most of the province was absorbed into the new State of Pakistan."

Today we read in the paper that India has driven the army back that had caused the people to flee from their homes, and India has declared it to be a free State by the name of Bangla Desh. World attention has been drawn to that little nation in its troubles for which the U.N. seemed to find no solution.

Egypt attempts to turn world attention again to its troubles which are the most serious, so Mr. Sadat says. The following item is taken from "The Post":

"Egypt yesterday attempted to inject a new note of crisis into the U.N. Middle East debate which has been eclipsed by the outbreak of the India-Pakistan war. The Egyptian Foreign Minister summoned foreign envoys for urgent meetings yesterday, and it appeared likely that Cairo spokesman would voice new threats of imminent war."

"Cairo radio commentators last night expressed surprise that the world's eyes had turned to the India-Pakistan conflict stressing that the Middle East situation was more dangerous and violent."

In case the U.N. cannot agree to a solution for the Middle East problem, we are wondering who will take matters into their own hands in like manner as the Bengal matter was at

least temporarily settled. We believe the Bible is not silent on this matter.

The Creator has spoken positively concerning the Mountains of Israel: "O Mountains of Israel, ye shall shoot forth your branches and yield your fruit to my people of Israel, for they are at hand to come." — Ezek. 36: 8.

"And they shall dwell therein, even they and their children, and their children's children for ever." — Chap. 37: 25.

The Editor and his wife Effie

The Bible also speaks in just as certain tones about a people who will come from the North and try to invade the land. "And thou shalt come up against my people of Israel, as a cloud to cover the land; it shall be in the latter days, and I will bring thee against my land, that the heathen may know me, when I shall be sanctified in thee, O Gog, before their eyes (Ezek. 38: 16), and all the men that are upon the face of the earth, shall shake at my presence (verse 20). I will plead against him (Gog) with pestilence and with blood; and I will rain upon him, and upon his bands, and upon the many people that are with him, an overflowing rain, and great hailstones, fire, and brimstone."

In the 39th chapter it tells also how they are buried in a certain valley on the eastern side of the Sea of Galilee in the Valley of Hamongog or the Valley of the Passengers. It also tells what effect this deliverance has upon the children of Israel.

"Then shall they know that I am the Lord, their God, which caused them to be led into captivity among the heathen; but I have gathered them into their own land, and have left none of them any more there. Neither will I hide my face any more from them: for I have poured out my spirit upon the house of Israel, saith the Lord God." — Verses 28, 29.

In these chapters of Ezekiel it tells how the heavenly Father reveals Himself to Israel in a wonderful way. But nothing is said about Messiah coming back. In fact nothing at all is

Extracts From Readers Letters

Dear Brother Dugger,

I had a dream and in the dream, "God" told me to send all my tithes and offering to you. You are to spend or "send" the money to where it is most needed.

God has blessed my business and increasing every day.

Thank you and God lead you in all things.

CALIFORNIA. —

Dear Brother and Sister
and all the Saints in Palestine,

Greetings in the name of our Saviour.

I lost my dear wife May 3rd. She was within 5 days of 91 years. She was a consecrated Christian and symbolized her consecration in 1917. We had a good life together for 65 years, so I feel lost without her

Pastor Russel was the only Gentile preacher that was invited to address a congregation of Zionist Jews and I certainly am pleased to see the picture of that meeting in the July issue of "The Reporter". I have the 1910 convention report and the sermon Russell preached to those Jews.

Yes the Jehovah witnesses have gone astray from the teaching of the old watch tower Bible and tract society teaching.

From Brother Fuller.

AFRICA. —

Dear Brother Dugger and Staff,

Peace be unto you all at the world headquarters. Happy is he whose foundation is in the Holy Mountain. The joy of the whole earth is Mount Zion. God will save Zion and will build the cities of Judah, that they may dwell there and have it in possession, the seed of His servants shall inherit it, they that love His name.

I have received the Zion Diploma after the name of our Lord. I pray God will bless and develop the good work He has invested in me. Halleluyah.

Glory be to God.
Yours in the faith,

M. A. Eton.

ISLANDS OF ANTIGUA. —

Dear Elder Dugger,

Holy greetings in Jesus name to my dear friends in a far away land. I always look forward to my "Mount Zion Reporters" because it is a great blessing to me.

May God bless you all.

Oh how I enjoy them. I always share it too with others, every one enjoys it so much. I am always so happy to receive letters and your good paper. You are really doing a good work for the Lord. Praise His holy name.

When I receive "The Mount Zion Reporters", the first thing I read is the letters. Oh how

they make me feel so happy to see the Islands where your work for the Lord has reached.

Elder Dugger, Ezekiel 35 is really fulfilled. We can see the time is passing fast.

May God have mercy upon us.

I am your Sister in Christ,
Sister Joan Martin.

TEXAS. —

Dear Bro. and Sister Dugger,

This part of my letter is the tree planting. We think that is a wonderful idea, it thrills our hearts, to know we will have a living tree standing for each of us.

I am enclosing a check for this purpose.

Here are our names:

Bro. and Sister Bullen.

BALTIMORE, MD. —

Dear Pastor A. N. Dugger,

I have read some of these new versions of the Bible and I do not care for them at all. They try to destroy the Virgin birth of Christ, the Blood Atonement for the Sins of Man, the name JEHOVAH, "BEGOTTEN" in the phrase "the only BEGOTTEN SON", the story of creation as told in Old Testament.

They try to discredit the miracles of the Bible, and the Lords Prayer, etc., etc.

As for me these new versions are counterfeit and I have nothing to do with them.

Sincerely,

John C. Meek

Note. — Brother Meek is carrying on a good work among the Jewish at 1621 Covington St., Baltimore.

The "Mount Zion Reporter" has continued to be a blessing to me and those I share it with.

Praying God to keep you folks in perfect health and ever doing his perfect will.

A truth believer,

Dear Bro. Dugger and Wife,

Hope this finds you both well.

I really enjoy "The Mt. Zion Reporter" and read and reread and pass them on where I think it will do good.

May God bless both of you and keep up the good work.

MEMORIES OF PAST EXPERIENCES IN THE GOSPEL WORK

By THE EDITOR

These notes are being typed as the month of December approaches toward the middle. We are sitting by the south window of our office facing Bethlehem about three miles distant, as the clouds are scattering precious rain over the streets and hills, the third soaking of the country so far this fall and winter. Bounteous crops are again assured for next year, as Israel has again been blessed this year.

It has been just forty years ago in February that we left London, England, bound for Egypt, and on to Jerusalem, after spending the winter in London and meeting with a dear group of people of the same faith.

My wife Effie and I with our three small children Andy, Orabelle and Naomi, shown in the accompanying photo, spent considerable time in Cairo and Alexandria, meeting people, inspecting and measuring the grand gallery and rooms of the large pyramid, and best of all searching the old records of the libraries at Adexandria, gathering data for the book I was writing "History of the True Religion".

The second edition, five thousand has been printed here, in Jerusalem, and is about sold out. We just filled a second order for fifty of these histories from the Ambassador college of Texas, and we must soon publish the third edition. The demand for them is now increasing. They give quotations from hundreds of ancient writers about the continuation of the same faith and name of the early church having existed down through every one hundred years since it was set in order at the first Pentecost Acts 2nd chapter.

During the winter, in London, we also gathered much date from the old libraries there. The price of these histories is \$5.00 postpaid.

We have already told you in a few issues back, how miraculously the "Intervening Hand" let us enter Israel at midnight, after crossing the Suez Canal by boat, as the train waited in a desolate desert cross road. We only had thirty dollars to show, and were not vaccinated. The night officers refused to let us on the train for Palestine, as it was then. I called for the day head man. He was asleep, but came soon. The train waited for us, as they knew we were in a desolate place with children. He came, and just gathered the papers together, and said: "Hurry, hurry, or you will be left".

Just as soon as we were on the train, it started. We still praise and thank the Almighty. Then we told you how we were led to Sister Miller after arriving in Jerusalem, although we had lost her address.

Brother Brown, one of the Father's dear servants in London had given us a printing press, which we shipped to Jerusalem, and Brother Henry Cohen also waiting for us to arrive, but we did not have his address, run this printing

Effie posing on a cammel with one of our three children, and three Egyptians with the other two while I took the picture.

press all summer and printed one hundred and fifty thousand four-page tracts in Hebrew, showing how the Messiah had come in fulfillment of the Old Testament prophets. These, were distributed all over the country, using an old Essex car we purchased from a man in Bethlehem.

This was the beginning of our work just forty years ago this February.

Different people of late have written to us asking why the Creator did not lay it upon some of the "Church of God" Sabbath keeping organizations to start His work over here. This is a puzzling question indeed. But the one still more difficult to solve, is why many Sabbath keeping organizations have from the very beginning opposed the work we are doing here, and have tried to keep funds from coming in to support it.

Many have written to us, how glad they are to get tracts and papers from Jerusalem in these closing days of Gentile times, and be able to know what was going on in Israel, while many are against the Jews. If it were not for this work, and "The Mount Zion Reporter", the Remnant people called out of Babylon, all over the world, would not know, if the Jews were still returning here; if they were receiving the light about their Messiah, born in Bethlehem: if they were atheists, or interersted in reading the Bible: if they were asking for and reading the New Testament, or being supplied with Bibles and New Testaments. They would not know anything about the true conditions here, or what was going on in a spiritual way.

We do not know why the heavenly Father laid this work upon us, but we know positively that He did.

We have also told you about how one night a mysterious light shone around us from away up in the heavens, seen also by two other people, and how it moved off into the direction of Jerusalem from which we were in Nebraska, U.S.A., teaching high school, many years ago. Since then, our thoughts have been constantly on Jerusalem. We were troubled day and night, and in vain could not throw it off, or get rid of it.

The work is moving here. Praise the Almighty. Good reports are coming in daily. A leading Rabbi in Jerusalem with a large synagoge, after reading some of our tracts, came to see us one night week before last. He was so happy and friendly, and told us he was teaching all of his people to pray for the Holy Spirit. He got our Hebrew Bible Home Instructor and tracts in Hebrew. Just a few minutes ago as I write this, a young man, formerly an orthodox Jew, entered the office and said he had just received a letter from a Jewish mother just arriving from Russia, wanting a Russian and a Hebrew Bible. She said she was now in Israel, and could teach her children the Bible. He is sending two bibles with the New Testament, as well as the Old.

We are now starting the Bible Correspondence Lessons in the fifth language, viz. Spanish, and must also get it out in the German, Russian and Norwegian, just as soon as funds will permit.

We have it going in the Hebrew, English, French and Rumanian, with thousands of students in Israel. Over two thousand here have ordered it in Hebrew.

Our new off-set printing press is now installed and working, putting out the message to Israel, and thanks a million to "The Reporter" readers who have made this possible by their tithes and offerings. It is indeed a great privilege, as some write to us, to have a part with us here in this work.

LIFE IN ISRAEL

(Continued from page 8)

said about Jerusalem, and nothing is said about all the other nations of the world coming against Israel at that time.

It speaks only about those nations who, at this time are already consolidated and are threatening Israel. By reading the 38th chap. of Ezek. we can learn which nations come against Israel in this battle: Egypt and Moab do not take part in it.

We believe that this battle coincides with the opening of the 6th seal in Revelation 6th chapter, when the angels with the vials of the wrath of God are about to be loosed, but they are held back until the 144,000 of the twelve tribes are sealed.

The plagues are to be poured out upon those who have the mark of the beast. They will fall in one year and will cause many people to turn against Israel and will cause armies of

all nations to come against Jerusalem.

The account of the second battle is given in Revelation 16. In the 16th verse of this chapter it tells where these armies are gathered and their destruction comes when the seventh plague is poured out.

Zechariah, the 14th chapter, also tells of the same battle when all nations will be gathered against Jerusalem to battle. "And his feet shall stand in that day upon the Mount of Olive," the 4th verse.

We are thankful that He is preparing His people here for that great day, and the promises which are just ahead. The same heavenly Father who has sought out a people for His name among the Gentiles is now restoring Israel fully to Himself. The same Gospel must go to Israel before the end comes. — Matt. 24. 14.

Mercy is still extended to a troubled world Civilization does not wax weaker and weaker except to the extent that it leaves God out of its life. When a nation or a people teach Evolution, forget His covenant, and seek after wizards and those who have familiar spirits, they get only what they are seeking for. But there still remaineth faith, hope and charity which can be found only in the Bible way. Let us call upon Him while He is near.

Shalom.

SOME FRIGHTENING WORLD SHAKING EVENTS NEAR AT HAND

"The loftiness of men shall be bowed down, and the haughtiness of men shall be made low, and the Lord alone shall be exalted in that day. Their idols he shall utterly abolish and they shall go into the holes of the rock, and into the caves of the earth (atomic bomb shelters), for fear of the Lord, and for the glory of His majesty, when He arises to shake terribly the earth."

"In that day a man shall cast his idols of silver and his idols of gold which they made, each one for himself to worship, to the moles and the bats: to do down into clefts of the rock and into the tops of the ragged rocks for fear of the Lord, and for the glory of His majesty when He arises to shake terribly the earth." — Isaiah 2: 17 to 21.

Note also how this agrees with the events announced in Revelation 6: 15 and 16, the last of the 6th trumpet, and just before the plagues begin to fall on all the earth.

GOOD HEALTH DEPARTMENT

By Sidney Rose-Neil, N.D., D.O., M.B.N.O.A.

Before the introduction of sugar, honey was regarded as a luxury sweetening and only the rich could afford it. Of recent times, however, with the mass-production of sugar, honey has fallen largely into disuse, a fact which from the nutritional point of view, may be regarded as one of the cardinal mistakes in modern dietetics.

Honey has many advantages over other sweetening agents including the facts that it is a natural and gentle laxative; it is assimilated and used by the organism within 20 minutes; it does not irritate the linings of the alimentary tract, it makes available an enormous amount of energy without systematic shock; it has many and varied therapeutic purposes; it has a very high mineral content; it is a powerful germicide; it contains vitamins, especially vitamin C; it is one of the mildest of foods and can be assimilated by the most delicate and by the young, it acts as a sedative; and, finally, there are many different flavours and varieties.

The mineral content of honey includes phosphorus, potassium, calcium, sodium, sulphur, iron, copper silica, chlorine, aluminium, magnesium and manganese, a deficiency of which may give rise to lack of energy and listlessness.

MANY EXPERIMENTS

Many experiments have been conducted to test the effect of the use of honey in this respect. At a Swiss sanatorium for children in the Canton of St. Gallen, three groups of children were chosen; one group was fed on a normal diet, the second on a normal diet plus tonics and medication, and the third on a normal diet plus honey. It was found that the children in all respects gained in weight, blood count, general appearance, vitality and energy.

Honey is a source of vitamin A, B and C, and unlike most vegetables or fruits, it does not quickly lose the potency of its vitamins: spinach, for example, loses half its potency of the vitamin C content 24 hours after picking, and fresh fruit loses much of its vitamin content during storage.

Ordinary sugars have to be broken down in the digestive tract by enzymes and converted into simple sugars before they can be utilized by the body. Honey, however, has already been broken down into simple sugars — dextrose and levullose — by the bee. This is not a very important consideration in a healthy organism which is readily capable of breaking down the more complex sugars, but where the digestion is weak it may, under certain conditions, mean the difference between life and death.

For infant feeding, when breast milk is not available, honey is the best sweetener for cow's milk. It is easily tolerated by most infants and, of course, it contains minerals, vitamins, and

protein. It has a flavour that appeals to most children, and it is mildly laxative and antiseptic. Infants who are given honey do not appear to suffer from colic. Its rapid absorption prevents fermentation, and by regulating its use in the dietary infant constipation and diarrhoea can be avoided or controlled. For anyone engaging in feats entailing energy expenditure honey is excellent, because its simple sugars are carried direct to the liver and muscles by the bloodstream and stored as glycogen, ready, when needed, for the release of energy.

It is interesting to note that honey can be kept almost indefinitely — in fact, it improves during storage. A jar of honey, which was found in Egypt, in a fairly liquid, edible state, and with its aroma preserved, was estimated to be over 3,300 years old.

The bee is probably the most exploited insect in the world, for it has to carry about 37,000 nectar loads to produce one pound of honey, which means travelling from 50,000 to 60,000 miles.

SELECTING HONEY

All types of flowers supply the bee with nectar and the resultant honey may vary greatly in colour, consistency, aroma and content. But all honey is healthful and there are other factors that should be considered when making a purchase. Honey being a very strong food should be used reservedly, and not more than one tablespoon full daily in your diet.

HONEY IN THE COMB BY THE EDITOR

Man through mercenary motives to make more money, from his bees extracts the honey from the comb so the bees can fill it quickly again. It is not possible, of course, to feed infants the comb, but in all other uses the comb should be eaten together with the honey. The Saviour gave us an example of eating the comb and the honey together. — Luke 24: 42.

ROYAL JELLY AND HONEY-COMB

It is claimed by the doctors that the pope who preceded Pope John, that is (Pope Pius) was kept alive ten years by feeding him "Royal Jelly" taken from the bees. Royal Jelly is what they feed the larva to make their queen bees, which is a very large bee, that lays all the eggs, and rules the hive. It is produced from glands on the body of the bee for three days after it has hatched from the egg.

Those familiar with cows and milk understand that the milk from the cow immediately after the calf is born is not generally used for food, until after about the ninth or tenth

Questions And Answers

QUESTION :

It is stated in Pilate's report to Caesar about the trial and crucifixion of Christ, that this report was found in the mosque of Constantinople and written in books, each two by four feet. Why would these books be so large, and what would be the purpose?

ANSWER.:

This report was written in hand, writing by scribes, and in the Latin language. There was not such a thing as printing in those days, and everything written was very bulky. There are many other ancient records also in these volumes.

QUESTION :

In Proverbs 30: 4 we read as follow: "What is His name and what is His son's name"? This is speaking of the Creator: Is God and Lord their names?

ANSWER.:

We read there are gods many and lords many. (1 Co. 8: 5). These words are titles, like the word "father", but they are not names any more than the word "father" is the name of your father. The Creator and His son have real names, as this text implies, but they do not have several hundred names applied to each one, as the hundreds of different languages supply. Their names are evidently found in the ancient Hebrew language. Owing to the confusion that now exists over the spelling and pronunciation of their Hebrew names it is well for us to prayerfully study the matter, for Isaiah tells us that when Jerusalem is restored the true people will know the Creator's name. — Isa. 52: 6-9.

QUESTION :

How do we know that, "a time times and half a time" make exactly 1,260 days as some say? Where do we find the evidence that a "time" is a year, and that the Bible month was 30 days Please explain this.

ANSWER.:

The 30-day month is established by the period of the flood. See Genesis 8: 3, where the flood prevailed 150 days. Then note Gen. 7: 11, compared with Gen. 8: 3, 4, where it was just five months from the time the flood began until it ended. Five months with 30 days to the month makes exactly 150 days. This is also confirmed by ancient history. With twelve months in the common year, it makes 1,260 days.

We know that the "time times and a half" make exactly 1,260 days from Revelation 12: 14 where it says the woman or church, was driven into the wilderness, for a "time times and a half a time". Then in verse 6 of this same chapter it tells us how long this period was in days, one thousand two hundred and

three score days. One score is 20 and three scores is 60. Hence we have the exact period of 1,260 days.

Also in Daniel 4th chapter, the length of the Babylonian king's insanity was seven times, which was seven years, according to both Bible and History.

QUESTION. —

Is it a fact that the Mount of Olives is cracked across the top, according to Zechariah as I am told?

ANSWER. —

Yes, this happened just after the Editor was here the first time, during an earth-quake tremor. The highway on Mt. Olives was also cracked across but it was repaired. The rock down the mount on each side are still cracked. This is evidently another of the many warnings to the world, that our Messiah and Saviour is soon again to stand on this mountain. — Zech. 14: 3, 4.

QUESTION. —

Is there a congregation or a church organization anywhere that fully lines up with the primitive church of apostolic days? Where do we find it? What is it's name?

ANSWER. —

There are 12 passages of scriptures in the English New Testament that gives the name for the church "The Church of God." In all languages it means the same, but of course the words are different. The people in the church at that time were not all righteous much the same as now. There was a Judas among the 12 apostles, and we read of Paul being in peril by false brethren.

The church was also divided then into different groups following different leaders, for we read: "Now this I say that every one of you saith, I am of Paul, and I am of Apollos, and I am of Cephas, and I am of Christ." — 1 Cor 1: 12.

He says further: "While one saith I am of Paul, another I am of Apollos: are ye not carnal? Who then is Paul and who is Apollos but ministers by whom ye believe. I have planted and Apollos watereth, but God giveth the increase. Now he that planteth and he that watereth are ONE... For we are all labourers together with God. Ye are God's husbandry: ye are God's building." — 1 Cor. 2: 419.

The creed of this church was "The commandments of God and the testimony of Jesus Hebrew Yahshua). — Rev. 12: 17.

And in this chapter, it is symbolized by a woman clothed with the sunlight of heaven's glory and truth, but fleeing into the wilderness from a serpent beast, which represented Pagan Rome, the devil incarnate. She is fed in this (See page 14)

wilderness for 1260 days or years (verses 6, and 14), and history tells us that during this time there were various leaders and many groups scattered from Northern Turkey to Italy, but still it was the one Remnant people having the truth and chosen of heaven.

The church is just the same way today, only much more scattered, with greater distances between them. The doctrine and manner of life is very much the same, with the same foundation and creed. During the past eight years, issuing this magazine from Jerusalem we have found many groups of true believers, having the same creed (Rev. 12: 17), and the same name as the different groups in America. We are contacting others constantly. Just before going to press with this issue we have heard from another one in England, established fifty years ago, and they are in contact with others. Besides in England, there are groups of this faith publishing a paper in Germany, another in France. The "Holy Spirit Times" is a 24 page publication in the Chinese language, wherein they claim to have 1,000 congregations in Formosa, Korea, Malaya and Burma, and China.

Our Heavenly Father is abundantly able, and He is raising up this people in every country on earth, finishing His work, cutting it short in **RIGHTEOUSNESS**. Let each reader **PRAY FOR WISDOM** to so direct his or her steps, to be in line fully with the Father's will and His work, not judging and condemning others, but giving out the **TRUTH**, "The Meat In Due Season Message." **WISDOM** is what we all need to direct our steps rightly to be profitable servants, and happy in our lot, contented, with food and raiment, while waiting for the kingdom, and traveling the narrow way.

It would indeed be a very narrow view of anyone to believe the particular group of these people with whom he belongs was the one and the only true church. The heavenly Father will select from all of these, the bride of Christ. It is wrong to judge people, and condemn them because they do not in particular hold to the same group they do. Partition walls between them, erected by Satan, should be broken down, and instead of trying to judge them unworthy, just turn that over to the heavenly Father who knoweth the hearts of all men, while we humbly follow the command to — "Esteem others better than ourselves" (Phil. 2: 3), and pray for the erring ones. — Editor.

milking. This illustrates the change that also takes place in the secretion of "Royal Jelly" from the young bee, which after 3 to 5 days gradually changes, and from these glands they make the comb in which to store the honey. The thousands of young bees in every bee hive from the 3rd to the 5th day of their life deposit a portion of this secretion in the honey comb, and as the change takes place from the pure "Royal Jelly" substance to the regular honey comb there is much of the "Royal Jelly" used in the comb.

For that reason the honey comb is an extremely important part of the honey for health purpose.

There are bee keepers in Israel who are now taking the pure "Royal Jelly" from the queen cells deposited there to feed the growing queens, and it can be purchased at an extremely high price in the pharmacies of Israel also.

We have a few hives of bees here in Jerusalem to produce our own honey in order to use it with the comb.

WATCH PROPHECY FULFILLING

"He shall set up an ensign (Israel Flag of David), for the nations, and shall assemble the outcasts of Israel, and gather together the dispersed of Judah from the four corners of the earth."... They shall fall upon the shoulders of the Philistines toward the West. They shall spoil them of the East together. They shall lay their hand upon Edom and Moab and the children of Ammon shall obey them." — Isa. 11: 12, 14.

Judah and Israel have been gathered here from the four corners of the earth. They have already taken in the Gaza strip formerly the land of the Philistines in the West. This happened during the lightening Six Day War.

Watch the rest of verse 14 fulfilled. It seems now to be rapidly nearing, as Syria and Egypt make their war threats on Jordan which is Edom and Moab. The name of the capital of Jordan is even given in this verse: "The children of Ammon shall obey them."

It is reported here that King Hussein of Jordan said recently: "If all the Arab nations go together and make war on Israel it will be more disastrous for them than it was during the Six Day War." Then he added: "I do not want any part in it," as reported from good sources.

No one knows the particulars, as to just how this will develop, but we do know that it is sure to come to pass. For several years this has been repeated through "The Reporter" as one event yet in the future, before Armageddon.

In the letter, they write: "We refuse to submit to the present policy of (others) deciding the Jewish question for us... This would be national suicide at a time when our people have been resurrected in Israel after two thousand years of suffering in exile... We want to live a full national life in our own homeland, just as other peoples of the world live..."

"One cannot solve the Jewish problem by stating that the question does not exist... every Jew must decide by himself and for himself... We demand that the gates that have unlawfully been closed be opened and that we be given the opportunity to leave the country which has not been able to give our people its right

"NEW IMMIGRANTS HAVE HIGH STANDARDS"

TEL AVIV. — A senior Absorption Ministry official last week declared that "the number of new immigrants coming to Israel during the next few years will depend primarily on two factors: how well we in Israel succeed in absorbing new immigrants, and the attitude of the Soviet authorities towards opening their gates."

Mr. Hillel Ashkenazi, Director-General of the Ministry of Absorption, was addressing a 123-member U.J.A. doctors' mission now in Israel. Describing today's immigration to Israel as primarily a young immigration, from countries with standards of living at least as high as Israel's, Mr. Ashkenazi explained that their housing, vocational, and educational needs were already high in terms of cost to Israel.

The cost for absorbing an anticipated 40,000 immigrants annually is about IL. 1.5 billion, which is six per cent of Israel's Gross National Product.

The girl's father, Rabbi Yitzhak Barazani, has been protesting, by fasting and demonstrating in Tiberias and Jerusalem, against the rejection of his daughter's application for deferment on religious grounds.

In her application, Miss Barazani, 20, claimed that the examination committee deliberately tried to trip her up with trick questions aimed at proving she was not really observant or versed in religious customs.

Earlier, 50 "yeshiva" students demonstrated outside the Kishle, the former British jail in the Old City, and demanded the release of one of their number who is being held here.

On Friday afternoon, persons presumed to be Orthodox activists set up a barricade of stones across Rehov Halafta, in Geula, to keep cars out of the thoroughfare on the Sabbath. Police soon removed the stones and opened the street to traffic.

In an editorial, "The Times" said: Even if he were adopting a posture for the benefit of the forthcoming U.N. discussion of the problem, or to bring some final pressure on the Americans, or any other calculated intervention... he might find he had compromised himself beyond withdrawal in his own countrymen's eyes.

SOVIET SAY JEWISH EMIGRATION WOULD LEAD TO "BRAIN-DRAIN"

MOSCOW. — Communist Party officials have told Soviet Jews there can be no unrestricted emigration to Israel because it would lead to "a brain-drain", Jewish sources said.

They were reporting on a meeting at Communist Party headquarters last Monday between a delegation of Jews petitioning for the right to emigrate and Albert Ivanov, head of the administrative section of the governing Central Committee.

"Ivanov said Jews have no special national right to emigrate to Israel", one source said. "He said each person who wants to emigrate is considered as an individual case. He said there would be a brain-drain if all the Jews who wanted to go to Israel were allowed to go."

THE HOLY SPIRIT

When the apostle Paul went to Ephesus he found some people there who had been baptized, but did not know there was any Holy Ghost. Acts 19: 1, 2. We fear there are many even today, who do not know about the presence, the power and blessings of the Holy Spirit. This power from heaven will be given to everyone who asks the Father for it. Jesus (Hebrew "Yahshua"), said "Ask and it shall be given you, seek and ye shall find, knock and it shall be opened unto you." Luke 11: 9. Then he says in verse 13:: "If ye being evil know how to give good gifts unto your children, how much more shall your heavenly Father give the Holy Spirit to them that ask Him."

"Blessed are they that do hunger and thirst after righteousness, for they shall be filled." — Matt. 5: 6.

LET US ALL BE ONE

At a time like this, all variance and divisions among Sabbath keepers should be forgotten. All trouble forgiven, and all groups fellowship together, for they are the Father's children if in harmony with Rev. 12: 17 and Eph. 3: 14, and 15.

NEVADA. —

Dear Brother Dugger,

Greetings to you, and we hope all is well with you and your family.

Enclosed is a check for \$30.00, and I would like to tell you my feelings in regards to this amount. We tithe to our own choice here, of course, but in the process of doing so; this time, a small voice said: "No, send your tithe to Israel, some one there is in need."

We do not understand this, but we always obey when a message like that is given. Therefore, we are adding some more to our usual tithe and sending it to you, hoping that by the time it reaches you, that need will be in evidence. We are sure you will use it as God has intended.

We feel the tenseness of Israel, and know the time is drawing near.

Bless you all, is our prayers.

Clifford and Virginia Suits.

THE GUILTY MAN

A missionary and his wife from Europe called last week informing us that he had been to a Jewish firm in England where he was shown my picture and told that "This is the man making all the trouble in Israel". He said those Jews were not against our work, however.

We admit the guilt, of causing much discussion in the synagogue and trouble among the missionaries over their substitution of Sunday, the memorial of Sun Worship, for the true Bible Sabbath, and other false teaching. — Editor.
