THE HIDDEN MESSAGE AND MEANING OF THE STAR OF DAVID EMBLEM

A GENTILE'S TRIBUTE TO ISRAEL

By RALPH MADDEN — England

The emblem Magen David is now seen in all parts of the earth proclaiming upon the flag of the Israeli State the re-birth of one of the world's most ancient powers; a nation of fewer than three million people, closely confined within her limited boundaries, surrounded by bitter enemies and consisting of people who have come from the far corners of the earth; diverse in many aspects of life, yet coming from both east and west to learn the way of true citizenship and to be integrated in the newly born State of Israel.

What can we expect of such a people?

What are the ties and factors upon which they claim partnership in such a nation, and in what way may the newcomer best serve that nation?

It is true that the compulsive power of love for the fatherland, the home of the founders of their nation, has drawn many, yet it is sadly admitted many others have been driven there by persecutions. None the less they have cried with love for their homeland and an abiding place on earth for their families to be brought up in peace and security. But in this people, so unique in past history, and in their present re-gathering, is to be found a greater factor than ethnical ties, a factor transcending the ideological cohesiveness of modern nations. The factor is spiritual in essence yet

is proving the soundest foundation upon which a nation may build its economy as it penetrates the whole governmental administration, both central and local. Such an enviable foundation is set in their belief in Yahweh, the God of their fathers Abraham, Isaac and Jacob, and their adoption of the Divine Law received through their leader Moses, by which they have become consolidated — a nation bonded by blood and faith.

As they congregate from afar, drawn by such ties as nature and faith, the newly accepted citizens can best serve their nation by serving the Almighty, the Spiritual Father and Guardian of His people. They come, not only to the land of their inheritance but, with renewed faith and dedication to their Heavenly Father, to His Laws and Commandments, to security under Him and to their predestined place amongst the nations.

What then, is this hidden message in the ancient emblem Magen David, which speaks to us today?

Look at the intersecting triangles, one upright and one inverted, and there we have the key thought to guide us in our acceptance of the momentous events which have led to the establishment of the Israeli State, and our hopes for the future of that State in a world of turmoil and strife.

The message in the one triangle symbolises descent, for in its inverted position it points downwards, whilst the message in the other,

which points upwards, is one of ascent.

These opposite terms explain the basic force behind the people of Israel. We shall understand them much more clearly if we study carefully the 26th. chapter of Leviticus and the 28th. chapter of Deuteronomy. They declare the blessings, rewards and national supremacy to be obtained by honouring Elohim and obeying His Laws and wishes and, on the other hand, the punishments and degradations to be experienced for disobedience. The latter specifically decrees cursings, dispersions, loss of all earthly power and subjection to other nations.

Truly, these have been the experiences of the people of Israel. They lost their Kingdom, they lost their Temple of Worship, they lost their land; millions lost their lives and shed their blood as they went down, down, to be dispersed among the heathen nations, to be buffeted and tormented through their years of subjugation to those powers. This was truly factual and the message of the inverted triangle. In all those sorrows of exile, whilst seemingly all had gone which could hold them together as a people, there remained but one wonderful hidden power which united them — they preserved the Law of Elohim, they remained the custodians of the Divine Code, which was as vital as their own life blood to their existence. No Temple, no King, no Land — only their Law which has been the distinguishing character of their Race at all times in all lands and now has become the Key to

the changes that have taken place, culminating in their home coming and recent prosperity.

The "dispersion and DESCENT" was finely measured in its period of time; the scriptures refer to it as being a period of "Seven times" duration, which was to pass over Israel.

"Then I will punish you seven times more for your sins."

(Lev. 26: 18)

"And yet for all that I will not cast them away, neither will I abhor them to destroy them utterly and to break my covenant with them for I am the Lord their God. But I will for their sakes remember the covenant of their ancestors."

(Lev. 26: 44, 45)

After the punishment would come the change:

"And the Lord shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath, if that thou hearken unto the commandments of the Lord thy God."

(Deut. 28: 13)

Would one dare deny that we are now witnessing the actual happening of the change that was foretold?

Dare one deny the fact that the land of Israel

was secured in 1917 on the defeat of the Turkish Mahommedan power?

Dare one deny that on the 14th May 1948 Israel established herself as an independent united nation before the peoples of the world and that on the 11th May 1949 she was admitted as a member of the United Nations Organization?

If it is impossible to deny the above facts it is, at the same time, possible to see and accept them as signs portending a new life for Israel. They are the first sign of rebirth and

are, as in the natural experience of birth, gradual in the process of attaining maturity; but they do tell us plainly that a period of transition is taking place; Israel is now on the ASCENT; her days of dispersion and darkness are passing; light and life are with her now.

The first entry of the Jews into their "promised land" and their former settling there was a gradual process under the guardianship and guidance of the Angel of Elohim.

(Read Exodus 23: 22-31; and Isaiah 63: 7-9)

In like manner it is destined that the final consolidation shall take place under the heavenly supervision of:

"Michael the great prince which standeth for the children of Thy People."

(Daniel 12: 1)

Now, as formerly, Israel is surrounded by its avowed enemies. There is Egypt and all the others by American. Israel is not a member of apart from Islam is a determination to destroy Israel utterly. Some are armed by Russia and others by America. Israel is not a member of any political bloc and it would seem this tiny unique nation has just gathered together to face annihilation, were it not for the fact that behind Israel and its assembling is the one power that can never be destroyed, the Divine

Guardianship, Undoubtedly, they can truthfully claim:

The Lord of Hosts is (with) us; the God of Jacob is our refuge."

(Psalm 46: 7-11)

THE TWENTY THIRD CHANNEL

Dedicated to All Television Fanatics

The television is my shepherd, my spiritual life doth want.

It maketh me to sit down and do nothing.

It seateth me beside men of no faith.

It restoreth my desire for wordly pleasures.

It requireth all my spare time and keepeth me from doing the will of God, because it preventeth so much foolishness which I must see.

It increaseth my knowledge of nonsense and keepeth me from the study of the word of God.

Yea, though I live to be an hundred, yet the viewing of my television shall have first place in my life as long as it doth operate, for it is my closest companion.

Its sound and its picture, they comfort me.

It presenth foolishness and folly before me continually and keepeth me from surrendering my whole life unto God.

It anoints my mind with seeds of corruption, and fills my head with vanity, which profiteth me nothing; my cup remains empty.

~~Surely no good thing will come of my life, because I am devoted to my television, which~~

aveth me no time to serve God acceptably; thus I will dwell in the house of confusion and of sorrow.

BLESSED ARE THEY THAT DO HUNGER AND THIRST FOR RIGHTEOUSNESS. —

It is the desire of the Lord that people everywhere call upon Him in prayer? — 1 m. 2: 8.

What is the promise to those who seek Him for the things they need? — Matt. 7- 8.

MISAPPROPRIATION

In what light does the Creator declare that He considers those who appropriate the tithe for their own use? — Mal. 3: 8, 9.

The sin of Adam and Eve in partaking of the forbidden fruit, was appropriating for themselves that which He had reserved for Himself? And do not those who appropriate the tithe for their own use, commit a similar sin?

Does not the failure to obey on the part of the professed believer affect his whole earn-

ings — Haggai 1: 5-11.

Out of what portion of our increase should we take the Lord's tithe, the first or the last? — Prov. 3: 9, 10.

What besides the tithes is expected of His people? — Mal. 3: 8.

What kind of a giver must we be? — 2 Cor. 9: 11 to 14.

NOTE. — Those who administered at the temple lived off of the tithes of Israel. Paul says here even so" or in the same way it is here ordained to be.

NATIONS BLINDED

"He will destroy in this Mountain (Mt. Zion) the face of the covering cast over all people and the vail that is spread over all nations." — Isa. 25. 7.

Much is said about JUDAH being blinded, but the Gentiles are also blinded. Isaiah said that the vail and covering cast upon ALL NATIONS would be removed from Mt. Zion. The Gentiles have been blinded by Rome. Rev. 17th chapter, and been made drunk on this "Wine of Babylon." Sprinkling of Babylon." Sprinkling for Baptism, the day of the Sun for the Sabbath, "Sun-day."

This counterfeit had its birth in Rome. Conceived by "Jewish Hate." Rome was in war with JUDAH and Jerusalem (Acts 18. 2) six years before Jerusalem was destroyed by the Roman armies, and a half million Jews perished.

Of course they would not have the same work for the Sabbath observed by Judah and Israel. The Egyptians and Arabs hate the Sabbath today, and observe Friday for the same reason of hate "For JUDAH." Hence this vail, false covering has spread over all nations, but is going to be removed from Mount Zion, which work has already been commenced.

What About Television?

By Perry F. Rockwood

A radio newscaster reports that a large Mental Hospital in New Brunswick, Canada, is using TV to put patients to sleep. For years they found it difficult to quiet the patients for sleep and the doctors decided to try TV. So now they spend time each night watching TV shows and then quietly go to sleep.

The sad fact is that the Devil has been using TV to put believers to sleep all over the nation.

Meeting with several deacons. In the quiet of a home, all of them confessed that since they had TV in their homes they have neglected God's Word, prayer, visitation for attending church, and their own lives have grown cold spiritually. TV had put them into a spiritual sleep.

Another deacon told me that since TV was brought into his home he had lost his passion for souls and had (not) the same desire to go out after the lost that he had before his TV sleep. One year later after speaking in his church, he went home and put away his TV and his former passion for souls returned. He also testified that his home life returned to its former spiritual condition.

Pastor after pastor have confessed to me that since TV has been in the homes of heir people that there is not the same interest in the prayer meeting and night services. Yet most of the pastors I know have TV in their own homes. Even ten years ago they stood against Hollywood shows and influences but today are muzzled because the same shows are coming into their own homes.

One pastor said to me, "We control our TV with the children." Two of them were watching a "children's show" around 5.30 p.m. Sitting in the next room, I sensed a quieter atmosphere. I went to find out what the children were looking at and found them watching a "Wild West" Roy Rogers show like the ones I used to see when an unsaved boy. I spoke to the preacher to come to see the "controlled programmes" for his children. The only way to control TV would be to have a paid watchman on duty and even then many believers would try to bribe him to behold Hollywood's best.

One lady said to me after a radio rally: "I have a TV in my home but I cannot see that it is any worse than radio." I said to her: "Has radio kept you from reading your Bible or praying or going to prayer meetings?" "No!" she replied. "Has TV ever kept you from your Bible or prayer time or the meetings?" "Many, many times," was her reply. "Then you have given your own answer. TV is affecting your spiritual life."

The present condition

I don't know when I have been so concerned about the spiritual condition of believers, as I am today. A careful diagnosis of over 30,000 fundamental, evangelical believers shows that less than 7 per cent have a Family Altar, less than 5 per cent read and mediate upon the Bible daily, less than 5 per cent ever try to win a soul, and but few attend the prayer meetings.

In travelling about 5,000 miles a month, visiting church after church, area after area, I have yet to find one exception where believer as a group are anything but luke-warm, indifferent, powerless, self-complacent, easy-going, worldly, and carnal.

Why are so few souls being saved in our evangelical churches? Why is there so little concern about the spiritual powerlessness among believers? Why are the preachers so ineffective as prophets in our day?

My answer is that one main reason for the spiritual condition of our day is the influence of Devil-vision — excuse me, Television — both upon the preachers and people of our churches.

We are not thinking of TV in relation to the unsaved. We are vitally concerned with the spiritual state of believers. For years the fundamental churches took a clear-cut stand against shows, dances, and other worldly, carnal habits. But today there is hardly a church or a preacher taking such a stand against TV which introduces all these evils into the homes of our people.

Will any believer dare say that TV improves his spiritual life? God's Word has the answer: "In all thy ways acknowledge Him..." "Whether ye eat, drink, or whatsoever ye do, do all to the glory of God." "Abstain from all appearance of evil..." "Love not the world neither the things of the world..." "Have no fellowship with the unfruitful works of darkness..." "The thought of foolishness is sin." "Let this mind be in you which was also in Christ Jesus." "Yield your members (eyes) as instruments of righteousness..."

When we were boys we spent our time out of doors playing baseball, tag, hockey, and other activities. Today the children would rather lie on their tummies and look on bullets, blood, murder, and sin. Is this what God meant when He said: "Train up a child in the way he should go, and when he is old he will not depart"?

Of course I hear preachers, deacons, and other church people say to me: "Well, I see nothing wrong with TV." If they see nothing wrong with it they need their spiritual glasses adjusted. Little wonder the prayer meetings are be-

EGYPT-AND THE "LATTER" DAYS

By Charles Henry French

(5) MOAB'S MISERY. —

The rise of the commandos, and their internal hatreds of each other broke out into terror and misery for many of the people inhabiting this ancient country (now in the confines of Jordan). September witnessed scenes of unparalleled violence, especially in the hijacking by the commandos of four aircraft in the desert north of Amman. The whole world looked on in fear and astonishment at this unique occurrence, with the aircraft passengers held as hostages; as bargaining went on by the commandos for release of Arabs and others, held by various governments. Later, four aircraft were destroyed with bombs.

Then, later in the month, war broke out between the rival commandos and also between them and the Government forces. At least one more attempt was made on the life of King Hussein, and the destruction in Amman was very heavy, as was also the death roll in the fighting there. On the 24th of September, one report from London said: "King Hussein looks out over his smoking ruined capital where wounded cry in the streets and sees large areas of his land wrested from him." It also asked the question: "How long can King Hussein survive?"

The commando forces now having been recognized by him, have also placed him in an almost impossible situation. On the 17th of September it was reported from Amman, that "King Hussein called the army to power in Jordan today, and claimed martial law to end the state of near anarchy in his country!" And the Guerilla leader Yasser Arafat promptly "branded the new military government as a fascist regime and pledged to fight it to the end."

Then after reaching a "peace settlement" with the guerilla leader, King Hussein flew to Cairo on the 29th September to see President Nasser, and later returned to Amman. Only a few hours later, President Nasser had a heart seizure and died.

Summing up the Jordan situation, it is clear that the violence there between rival commandos has brought Jordan to a supreme crisis in which real authority is almost absent, and as the "Australasian" said on September 30th: "King Hussein's doom, predicted so often, seems closer than ever."

On the 24th September, it was also reported that "Israel has offered to admit into the occupied West Bank elderly refugees from the fighting in Jordan." That offer surely reminds one of the reference in Isaiah ch. 16: 4 where we read (September version): "The fugitives of

Moab (Jordan) shall sojourn with thee" and the context shows that this is in the "latter days," and when brighter times dawn for Israel and Jordan.

(6) THE EARTH FILLED WITH VIOLENCE. —

The Lord Jesus Christ, in his prophecy of conditions on the earth at the time of His return said in Luke ch. 17: 26: "And as it was in the days of Noah, so shall it be also

in the days of the Son of Man." Reference to Noah's day as mentioned in Genesis 6: 12-13, reads: "And God looked upon the earth, and behold, it was corrupt... the earth is filled with violence..." Today's parallel with those far off days, is much greater, as we see a world filled with hatred, with "stockpiles" of the most fearsome and fantastic weapons of destruction, the cost of which also is a gigantic burden on the nations; whilst industrial strife, lawlessness, hijackings, kidnappings, pollution, drugtaking, pornography and permissiveness, all add to the sum of human wretchedness.

All this was foretold by Jesus in Luke ch. 21, and Daniel ch. 12: 1-2, and surely 1970 has brought us to an era in which the outlook is hopeless unless the Great Owner of this Universe steps in and restores order and sanity. That comforting assurance is given in Isaiah ch. 42: 1-4: "Behold my servant, whom I uphold; mine elect in whom my soul delighteth; I have put my Spirit upon Him; He shall bring forth JUDGMENT TO THE GENTILES"... "He shall not fail nor be discouraged till He have set JUDGMENT in the earth, and THE ISLES SHALL WAIT FOR HIS LAW."

(7) THE PROOF OF THE BIBLE. —

The test of a prophet and his prophecy is in the fulfilment of his prophecy. Hereunder (is the answer to the critic who is apt to ridi-

cule Bible prophecy:

(1) Daniel forecast a "time of trouble such as never was" in the latter days (ch. 12: 1). The proof is in our days exactly as prophesied.

(2) The West Bank of the Jordan with its two sections, north and south, was to be in the hands of Jordan in the last days, together with the Holy places in Jerusalem (Ezek. 35: 10 and 36: 2) but were to be held by Israel in the latter days (Isa. 11: 4 and Matthew 23: 39). Both of these are now exactly in the position indicated.

(3) Israel scattered by God into many lands (Jer. 31: 10) were to be partly regathered prior to the coming of Lord Jesus (Ezekiel ch. 38: 12). The small section of 2 1/2 millions have returned from 102 lands; the remainder to be brought back when Jesus sits as King in Jerusalem (Isa. 18: 7 and ch. 66: 20).

(4) Egypt and Jordan would be the chief enemies of Israel in the time of the end (Joel 3: 19). That is the case today, and the greatest threat to Israel — backed by Russia.

(5) A great Power from the north would assist the Arab nations in the last days to come against Israel (Ezek. 38: 2 and Joel ch. 2: 20). The Soviet is the one great power which has risen since 1917, and occupies the position, giving assistance to all the enemies of Israel.

(6) A great war of nations, in three distinct phases (Isa. 16: 13) would happen in the "last days" to complete the "Great Day of God Almighty." This is clearly seen in World War I, and World War II, and now verging on World War III. The wars of 1914 and 1939 were only temporarily halted by an Armistice and not a peace, and the same contestants continue their preparation for the FINAL round.

(To Be Continued)

WHAT ABOUT TELEVISION?

(Continued from page 5)

coming something of the past and the night services are going out of style. The trouble is found with those in leadership who cannot see what is wrong.

It is wrong to sit and watch adulterous men and women parade around half naked and flaunt their sex-crazed bodies in the face of our young people?

Is it wrong to encourage the drinking of beer, liquor, and wine and to teach our children to do so? One pastor, making a home visit, witnessed the following scene:

A little girl, under five years old, sat before the television. Suddenly she said to her mother: "I want a drink." Her mother replied: "There is orange juice in the refrigerator." "But I don't want orange juice." "Well, then, here is grape juice." "I don't want grape juice." "What do you want dear?" "I want Schlitz

beer."

The mother was amused, and thought her darling was quick to catch on to what she had seen and heard. Foolish mother, smiling at the serpent that would sting her little one. But no more foolish than the host of spiritual leaders and people who see nothing wrong with Devil-vision.

Is it wrong to allow someone to bring into our homes the low, vulgar, and off-color language of the dives of sin and to fill our minds with their actions and words?

Is it wrong to encourage drinking, smoking, petting, sexual promiscuity, Sodomy, vulgarity, murder, robbery, dancing, gambling, rape, and worldliness?

TV is the greatest time-waster of our day. People who have no time for Bible study, family altars, prayer meetings, or even night services have hours to spend on the one-eyed monster. — Canada.

THE DEVIL'S VISION

The Devil once said to his demons below,
"Our work is progressing entirely too slow,
The spiritual people stand in our way,
Since they don't believe in the show or the play.
They teach that the carnival, circus, and dance,
The taverns and honky-tonk with games of chance.

Drinking and smoking, these things are all wrong;
That believers don't mix with the ungodly throng.

They're quick to condemn everything that we do;

To cause unbelievers to be not a few.
They claim that these things are all of the devil,

That Christian folk live on a much higher level.
Now fellows, their theology while perfectly true,

Is blocking the work we are trying to do.
We'll have to get busy and figure a plan
That will change their standards as fast as we can.

Now, I have a vision of what we can do;
Hearken... I'll tell this deception to you.
Then find me a wise but degenerate man
Whom I can use to help work out this plan.
There's nothing so real as the thing you can see

The eyes and the mind and the heart will agree.
So what can be better than an object to view?
I say it will work and convince not a few.

The home is the place for this sinful device.
The home deceived will think it quite nice.
The world will possess it most Christians can't tell

That it's all of the devil and was plotted in hell.

The Good And The Wild Olive Tree

READ THE ELEVENTH CHAPTER OF ROMANS and Yeremiah 12:14, 17

Paul says: "I speak to you Gentiles in-as-much as I am the apostle of the Gentiles, I magnify mine office... For if the casting away of them (the Jews), be the reconciling of the world, what shall the receiving of them be but life from the dead? For if the first (fruits) be holy, the lump is also holy, and if the root be holy, so are the branches.

"If some of the branches be broken off, and thou being a wild olive tree were grafted in among them, and with them partakers of the root and the fatness of the olive tree... Thou wilt say then the branches were broken off that I might be grafted in." Because of unbelief they were broken off."

"If thou wert cut out of the olive tree that is wild by nature and were grafted CONTRARY TO NATURE into the good olive tree, how much more shall these which be the natural branches be grafted into their own olive tree." — Romans 11: 13, 14, 15, 16, 17, 24.

Notice carefully in the picture above that the branches from the wild olive tree (the Gentile tree) grafted into the tame olive tree according to natural grafting, bear the very same kind of fruit that they bore on the Gentile tree, two branches on the left side of the tree. Now notice the Gentiles who are grafted into the Jewish tree, contrary to nature, bear the same fruit of the Israel tree, and you cannot distinguish any difference, the one branch on the right side. This is the way Paul says the Gentiles are grafted in CONTRARY TO NATURE. They look like the Jews and you cannot tell them apart. They become Abraham's (seed) and heirs, or inheritors of eternal life. "Blessed are the meek, for they shall INHERIT the earth." — Matt. 5: 5.

See Judah. 74 - March page 19 -

HOW GENTILES GET IN

There is but one way for Gentiles to be saved and enter into the promises of heaven, and that is the way laid down in the Scriptures. Most of them, however, do not like the plan, and preachers are afraid to preach it.

How many clergymen do you ever hear preach the gospel from the 3rd chapter of Galatians as Paul preached it? The 16th verse reads in part: "Now to Abraham and his seed were the promises made." — everyone who reads the Bible knows that this literal seed to whom the promises were made embraced just the twelve tribes of Israel, through his son Isaac.

This promise is especially found in the 12th and 13th chapters of Genesis 12: 1 to 6. the brief history is given of how and why he came to this land, the land of Canaan. —

In verse 7 it reads: "The Lord spake unto Abraham and said: "Unto thy seed will I give this land." Then in chapter 13: 14 it reads: "And the Lord said to Abraham after that Lot was separated from Him, lift up now thine eyes and look from the place whither thou art, northward, southward, eastward, and westward for all the land which thou seest to thee will I give it and to thy seed after thee forever."

Then in chapter 15: 18, the Lord said: "Unto thy seed have I given this land from the river of Egypt unto the great river Euphrates." This promise is repeated to Abraham's son Isaac in chapter 26: verses 3-5; and the reason for giving it was also stated as follows: "Because that Abraham obeyed my voice, and kept my charge, my commandments, my statutes and my laws." Gen. 26:5.

About all modern Pastors and clergymen will tell you that there were no Commandments before being given to Moses at Sinai. Not knowing the scriptures they err from the Truth. These were the same commandments Israel broke when Moses corrected them, even before he reached Sinai. — Exodus 16: 25 to 28. —

The Only Plan For Gentiles

In order for Gentiles to become heirs with Abraham and inheritors of this earth forever (Matt. 5: 5), is to become adopted children into the family of Abraham. The Scripture in affirmation of this Truth is also found in the same chapter of Gal. 3: 16, where we are told that the "Promises are made to Abraham and his seed." The conclusion of this chapter reads: "There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female, for ye are all one in Christ. And if ye be Christ's then are ye Abraham's seed, and heirs according to the promise." — Verses 28, 29. This is speaking of the very same pro-

mise introduced in verse 16 of this chapter as given above.

The Gentiles are inheritors of these promises throughout Christ. This verse reads in full: "Now to Abraham and his seed were the promises made. He saith not, and to the seed of many, but as of one, and to thy seed which is Christ." Then the further explanation is given in the concluding verses of this chapter as quoted above. Gentiles are inheritors only through Christ, and it says: "If ye be Christ's then are ye Abraham's seed and heirs."

This is what modern Protestant and Catholic clergymen are against. Most of them do not like Abraham's seed, and would be ashamed to be classed with them as Jews or Israelites. Isaiah says of the Jews: "Their seed shall be known among he Gentiles, and their offspring among the people, all that see them shall acknowledge them that they are the seed which the Lord hath blessed." — Isaiah 61: 9.

The Adoption of Gentiles Also Compared to Grafting of Fruit

We find also in the Gospel according to Romans eleventh chapter that Israel is compared to the tame olive tree and Gentiles to a wild olive tree. It says branches were broken off of the Jewish tree that the Gentiles might be grafted in; BUT NOTICE CAREFULLY, the Gentile Branches Are Grafted in Contrary to Nature (Verse 24). This is a very important point, that is often overlooked. For example when a lemon branch is grafted into an orange tree, according to nature it bears lemons on the orange tree. This is according to nature in all kinds of grafting. The bud or branch put into another tree bears fruit that exactly corresponds to the tree from which the bud or branch was taken. This is according to nature and no man can change it.

The Gentile branches, however, are grafted in contrary to nature. — Romans 11: 24. Hence the lemon branch put into an orange tree will not bear lemons anymore, but the fruit from it will look just like the fruit from the Orange tree. Therefore when Gentiles are grafted into the Abraham family they no longer resemble Gentiles, but they appear as Jews, and the world in general will recognize them as Jews just the same as they would call the fruit from the lemon branch oranges and not recognize it as lemons.

These Gentiles have no right to consider themselves Gentiles any longer. They are now Israelites and were once Gentiles but this grafting process through Christ has changed them.

GOOD HEALTH DEPARTMENT

SELECTED FROM

NATIONAL-MEDICAL-PHYSICAL RESEARCH FOUNDATION, INC.

"To enable the public to better understand what we are doing and the effectiveness of the wheat-grass therapy as an assistant to MOTHER NATURE, let us look over some of the results that have been achieved at "THE MANSION" and "THE HOMESTEAD" with various types of abnormalities in human beings.

"CANCER LUNG": Frayne, a young girl from Nebraska, 23, had many operations for cancer, in-and-out of hospital for four years. Last one showed her lung too badly affected for cutting and she was given up to die; her family brought her to Boston as the "LAST HOPE," father almost afraid to leave as he might never see her alive again.

"THE WHEAT-GRASS" therapy seemed to work miracles. Three weeks later this girl who could hardly walk on arrival, went to the airport alone for her trip back home; within that period from a discouraged weeping girl, she changed into a serene hopeful and cheerful adult. This is one of the many startling testimonies.

"CANCER BLOOD LUKEMIA." This is a type of cancer that has appeared in great numbers lately. Medical doctors doom "INCURABLE." We have found in numerous instances without A SINGLE EXCEPTION, that when a wheat-grass therapy is followed religiously, MOTHER NATURE seems to handle very satisfactorily. Many Doomed VICTIMS ARE ALIVE after three or four years and in vigorous health. One "DOOMED" by three specialists, "IN THREE WEEKS" in a famous Boston hospital, is working in his garden 3 years later.

There are many others.

REMARKS: This is a grass from common wheat, which adds great quantities of "CHLOROPHYL" which is the green, manufactured by the heat of the sun. Get common pans, two inches deep, fill them with soil found in desolate place where no chemicals or commercial fertilizer has ever touched it, then scatter wheat over profusely and cover with dirt, soak with water, and place in a light room not direct sun. When it gets 6 or more inches high, pull out and wash thoroughly, put in your vegetable grinder, put enough water to obtain the juice, drink several glasses a day. Write to "NATIONAL-MEDICAL-PHYSICAL RESEARCH FOUNDATION, Inc. 25 Exeter St., Boston, Mass., U.S.A. They will send free literature with much more details about, how to prepare and use it"

— Editor.

From San Francisco Calif.:

I did follow the directions on how to prepare the "WHEAT-GRASS" therapy in empty cottage cheese boxes, filled with black soil, put enough wheat, cover with soil and soak with water; that was on the 20th of July, 2 weeks after the sprouts are about 3" larger (IN MY YARD PLENTY SUNSHINE). I drank three glasses a day. I was so weak, even with crutches cannot walk. I lost my hearing, but not my HOPE and FAITH, now after 6 days of drinking the precious juice, even myself I cannot deny. IT IS A MIRACLE. For that with all my heart and gratitude to my HEAVENLY FATHER DEAR REDEEMER and KING THE LORD JESUS, I want to give this TESTIMONY OF GRATITUDE, if there is somebody who suffers, try with faith and pure love, they will answer to you."

If somebody wants more details, — Gladly will help you... "GLORY TO GOD IN THE HIGHEST."

ANOTHER EXCELLENT BLOOD CLEANSER

A few months ago we published some testimonies from Brother Eldon Gregg R.F.D. 3 Box 174 Dayton Wash. 99328 U.S.A. and his advertisement that he would send free a portion of Creosote, and only asked for an offering.

Many people have been so greatly benefited, we herewith give some testimonies he submitted to us to pass on to you:

Editor.

I have taken the herb 2 weeks and the doctor said he didn't know what it was, but there was a big improvement. Wasn't so many pus cells in the kidneys.

GARDEN CITY, KANSAS. —

Dear Mr. Gregg,

I want to thank you for sending us the Creosote tea, I have taken it for about three weeks now and I am sure it is helping me. I have had 3 cancers taken off my face. In Dallas and at the time I started taking the tea there would be places come around the spots and drain pus and pain me very much. They looked very red and angry. They don't do this any more. The color around them is so much better. I also have cancer in both breasts, the left one was draining blood, this has stopped and it doesn't pain me so much now. I want to thank you from the bottom of my heart for the work you are doing.

May God bless you.

Mrs. W. V.

BILLINGS, MONTANA. —

Dear Mr. Gregg,

Thank you for the Creosote Bush herb. Its great, too bad more people don't know about its wonderful working power. I feel much better since taking it. I'm sure if every one would take the herb it would correct and cure any infection and ailments. One thing certain if one takes it faithfully: one can feel its great healing power. My throat is much better. I just can't believe it.

Oceans of prayers,

BREAD UPON THE WATERS

We have many large parcels of miscellaneous tracts containing a few hundred each to be sent out to "Volunteer Willing Workers," in many parts of the world. The cost of these with the postage is \$18.00. You will be casting bread upon the waters, and proving yourself to be a profitable servant to the Lord, to send money for one or more of these parcels to be sent out to those calling for them. Thanks in advance. The Creator bless you.

WHEN WILL THE END COME?**ISRAEL THE LAST NATION**

The work here is still going on in a very gratifying way. We get good news from all over the country, and orders continue to come in for New Testaments and Bibles with both Testaments between one and two hundred every day. A few days ago hundred each day came in.

Luke 21: 24 to 27 is definitely being fulfilled, and we wait with joy for verse 27. Note also Romans 11: 25. How wonderful. Also Ezekiel 36: 24 to 27.

You have had a part in sprinkling this clean water (the Holy Bible), over Israel. I have spent twenty three thousand one hundred and forty four Israel pounds for Bibles in many languages besides Hebrew, during 1970. Also ten thousand one hundred and forty pounds postage, a total of 33,284 pounds. The postage is going to be much more now, as postage is higher, and also with the big increase of orders.

"This gospel of the Kingdom shall be preached... for a witness to all nations. THEN SHALL THE END COME." — Matthew 24: 14.

Israel is the last nation, but it must go to Israel, and we thank the Creator for a few like you who have had a part with us in the work here. Thank you very much.

We hope this will find you and yours all well as it leaves all of us.

Your Brother and Sister
in the one faith,
A. N. and Effie Dugger.

DISTRIBUTE THEM

Send in your orders for whatever kind of tracts you need. Look over the Book and Tract page in this paper. We want willing workers. The Father above wants them. His Son is calling for them through the Holy Spirit, or through the angels who may visit you. If you are impressed to do this good work, they are then speaking to you. Don't turn them down. Send in your orders.

THE BANK ACCOUNT WORTHWHILE

"Lay not up for yourselves treasures upon earth where moth and rust doth corrupt, and where thieves break through and steal. But lay up for yourselves treasures in heaven where neither moth nor rust doth corrupt, and where thieves do not break through and steal." — These are the words of Yahshua as we have them recorded in Matthew 6:19 to 21.

WONDERFUL INDEED

How amazing to be living now and to see the wonderful fulfillment of prophecy. Jerusalem a burdensome stone and CUP OF TREMBLING to all nations. — Zech. 12:2, 3.

MEMORIES OF PAST EXPERIENCES IN THE GOSPEL WORK

By THE EDITOR

Being single, without family responsibilities, my time was spent mostly out in new fields holding lengthy revival and evangelistic meetings in answer to many calls from isolated brethren.

Having purchased a small portable Corona typewriter, which was carried along in a nice case, it enabled me to hold these meetings nights, while during the day my time was mostly spent answering correspondence mailed to me from the office, and preparing copy for the weekly edition of the Bible Advocate. Each effort was usually conducted from four to six weeks in the same place, thus many small groups of believers were gathered together. Following each effort a short time was always spent at the office, but the work there was kept up in fine shape by the diligent and trusty hands previously mentioned, together with Elder F. C. Robinson, and Brother Chester Walker, our printers and book binders. These dear brethren will have their reward for lives of faithful service.

Realizing the urgent need of some good book containing the true doctrine as well as giving young people employment as colporteurs, to call from house to house selling religious literature, I began compiling Bible Readings for such a book. More than one year was spent as side work besides the work as Editor and holding meetings from place to place, preparing this book which we named "The Bible Home Instructor."

Elder J. A. Nugent and Elder Herbert Miles also assisted me in the preparation of a number of good lessons. They were both well informed in the scriptures and able men. The former was my foster brother whom my own father had adopted when a child, and the latter a young man preparing for a Methodist minister, who became one of our first converts to the clearer light of the Word, soon after taking up the work as Editor.

Elder F. C. Robinson, an experienced printer, was employed to run the printing press nights, and it was run day and night during the period of the printing of this first issue of the Bible Home Instructor. It is a book of over 400 pages with 195 Bible subjects, in question and answer form, quoting the text of scripture to answer all questions. It is therefore not the opinion of any man, but just what the Word says on these important sacred subjects. It also contains 161 photographs for illustration.

Colporteurs were soon selling this new book in many states. Elder O. R. Osman deceased, was placed over the work as field manager.

He had recently accepted the clearer light, and joined the work from the Adventists during a meeting we held in North Carolina. A new addition was built on to the East side of the publishing house at a cost of five thousand dollars, from the sale of the books.

Brother Livengood was placed over the book work as office manager to fill orders from colporteurs etc. Soon another addition was built on the whole back end of the Publishing house for a book bindery, at a cost of several thousand. Book binding machinery was purchased. Brother Chester Walker took a course in book binding at St. Joseph, Mo., and was given charge of this department. We had just printed another edition of five thousand copies, and the work was thriving in all fields.

The executive committee met and in discussing the book work under the influence of the opposition brethren said there was too much profit being made on the books. Prices were for cloth binding \$3.00, half leather \$4.00. The colporteurs were given one half in order for them to pay their lodging, travelling expenses, etc. It was against our wishes, and earnest protests that the committee voted to cut the price one half, and also the colporteurs profit one half. It was the opposition that thus destroyed this good work.

We had overseers in various states and work was thoroughly organized. Many people were being enlightened — through the book, as well as contacts being made with many of like faith who rejoiced to learn about the "Church of God."

We explained to the committee that when the merits of the book were thoroughly explained by the colporteur, the prospective purchaser would be glad to pay twice as much for the book as the price we were getting. That the book was worth more than even that price to any home, but still they made the fatal mistake.

Soon all state overseers, and all colporteurs left the work, not being able to keep up their expenses on so small a profit. This was the end of the organized colporteur work, and it has never since been revived. Elder O. D. Grimm deceased, was a young man then, and one of our most successful colporteurs.

Elder Herbert Miles, a very able and devoted young man, mentioned previously was now answering calls and holding lengthy meetings. During the period when the colporteur work was thriving, the church was building. Young

LIFE IN ISRAEL

By Effie Dugger

Shalom to The Reporter Family, — The month of December was a little unusual here. At first there were rains at night but sunny days. When the rains quit then cold air came in, and several nights it frosted. It froze ice a quarter of an inch thick. Gradually it got warmer and during the last part of December and the first part of January we have had "June" weather as the paper said. The whole country was getting very dry, and the crops were beginning to wilt. The seasonable fruits like Bananas, Avocados, Tomatoes etc. were getting too ripe to export.

But now the tenth of January it is cloudy and rainy. It began to get cloudy while we were at the meeting yesterday. There had been much prayer for rain, and now I am sure there is much thankfulness.

During this time of drought here, there was unusual cold and much snow in Europe. Perhaps it was a mercy that the severe cold weather did not reach here. God is merciful in His dealing with mankind.

Some people say that Abraham was not a Hebrew, until he crossed over the river to "the region beyond". One explanation of the word "Hebrew" is "belonging to Eber." Eber was a great grandson of Shem. The word "Eber" means "the region beyond." The next six descendants in the Eber line all had Hebrew names. Eber's first son's name was "Peleg" meaning division, which seems to indicate that Eber was concerned about the Bable of Confusion in the Languages.

But we are the most concerned about the sixth person in the Eber line, who refused to worship heathen gods. He chose to worship the Creator whom Noah had preached about. This man's name was "Abram" later called 'Abraham.'

The very fact that the last six generations down from Eber all had Hebrew names would seem to prove that God was leading in the preservation of the language, as well as the preservation of the true faith.

The Father in heaven talked to Abraham and told him he must leave that land and go into a land which he would afterwards inherit, and he obeyed. He dwelt in tents with Isaac and Jacob. He lived an honest obedient life. He was noted for his kindness and hospitality, but most of all for his faith. In the New Testament he is called "The father of the Faithful". He was told that his seed would dwell four hundred years in a land that was not theirs, and would be afflicted there and they would come out with great substance Gen. 15:13, 14. These were some of the things that he knew

because he believed in God, and kept His Commandments. Genesis 26:5. Yahshua said, the Abraham saw his day and rejoiced. He also would have rejoiced to know about the Bible in hundreds of languages as we have it to-day

The Premier as well as the foreign Minister of Israel and the Israel U.N. Ambassador met with Mr. Jarring yesterday in what is hoped will be a resumption of peace talks which will continue however a lot depends on whether Egypt resumes firing after Feb. 5th. Israel is hopeful. Let us continue to pray for peace, for the good of all. "May the Lord bless thee out of Zion and thou shalt see the good of Jerusalem all the days of thy life . . . thus shalt the man be blessed that feareth the Lord." Ps. 128:4, 5.

Shalom.

HOW GENTILES GET IN

(Continued From Page 9)

so that they resemble Jews, and are called Judaizers.

The sign of this change is clearly made known in Exodus 31: 15 to 18. It reads: "The children of Israel (which Gentiles are after adoption) shall keep the Sabbath to observe the Sabbath throughout their generation for a perpetual covenant. It is a sign between Me and the children of Israel forever." This perpetual covenant is spoken of elsewhere as continuing for one thousand generations, and forever.

The Gentile branches grafted into the family of Abraham become "Jews Inwardly." — Romans 2: 27-29. The Scripture reads: "He is a Jew which is one inwardly," and "circumcision is that of the heart." Then in 1 Cor. 7: 19 it reads: "Circumcision is keeping the commandments of God." The modern Sunday serving Pastors never mention keeping the Commandments of God. You never see them hanging up on the wall in any church or Sunday school room, neither do they claim to be the children of Abraham or Israelites. They claim to be Gentiles, and so they are.

Paul says plainly that the Gentiles were without hope, alienated from the commonwealth of Israel, but were made nigh by the blood of Christ. — Eph. 2: 11 to 13. The blood of Christ, brings them into these promises, and joins them with the commonwealth of Israel a promise of life eternal. Now, however, they deny that the blood of Christ makes them Israelites, so clearly stated in Gal. 3: 27, 28, 29 and Romans 2: 28, 29.

(Continued on page 20)

men first began as colporteurs, and then by taking training as assistant to Elder Miles soon became ministers. One of these who is still in work was Elder L. I. Rodgers. Two large gospel tents were purchased each 50 by 80 feet and well seated with canvas bottom benches. Tent companies were formed and long evangelistic efforts with trained Bible workers were held in different cities, by Elders Miles and Rodgers.

Sister Maud Rodgers, the mother of Erol, also Sister Emma Brown, were the chief and leading Bible workers, all of who did a very wonderful work through their pleasing and charming personalities together with their great knowledge of the Work and wisdom of approach.

As the work advanced, and the Sabbath truth became prominent much opposition arose. Soon Elders Ed. Severson, and M. W. Unzicker, joined our ranks and entered the evangelistic work, both of whom after years of successful ministry recently passed away.

Elder R. A. Barnes was another young man who joined our ranks after spending considerable time at Stanberry with others attending a ministerial class we were conducting there to hasten the preparation of young men for the ministry. Elder Barnes is still spending himself freely, going from place to place in evangelistic work, making his home at Harrisburg, Oregon, when not out in the field.

When these men entered new fields where the Sabbath truth was new to the people, they were often challenged for a public discussion on the Sabbath question. As they were young and inexperienced they often sent for me to take over in their place. When the local minister, who gave the challenge, learned of their sending for another man, he invariably would do likewise, and send for a leading debater of his church. Thus we were brought rather forcibly into many lengthy public discussions, some of which will be the subject of memories in this series.

In the last issue we told you of the one held in the theater at Stidham, Okla., U.S.A.

THE DEVIL'S VISION OF TELEVISION

(Continued From Page 7)

We'll sell them with pictures of the latest news,
And while they're still looking we'll advertise
booze,

At the soul-damning cigarette also they'll look,
Until they forget what God says in His Book.

At first it will shock them — they'll seem in a
haze;

But soon they'll be hardened and continue to
gaze.

We'll give them some Gospel that isn't too
strong,

And a few sacred songs to string them along.
They'll take in the ads with the latest of
fashions,

And soon watch the shows that stir evil passions.
Murder and love-making scenes they'll behold,
Until in their souls they are bitterly cold.

The "Old Family Altar" which once held such
charm

Will soon lose its place without much alarm.

Praying in secret will also be lost,

As they look at the scenes without counting the
cost.

The compromise preachers who don't take a
stand

Will enhance this new vision and think it is
grand.

They'll help fool the people and cause them to
sin

By seeking this evil and taking it in

Just look at my fall, and you'll have to agree;

It won't take too long my demons to tell

That the vision of Satan will populate hell.

Divorce will increase, sex-crimes will abound,

Much innocent blood will be spilled on the
ground.

The home will be damned in short order I say

When this vision of mine comes in to stay.

Get busy, my cohorts, and put this thing out;

We'll see if the church can continue to shout.

The spiritual people who stand in our way

Will soon cease their crying against show and
play.

We'll come to the earth with this "Devil-vision"

Though we'll camouflage it with the name
"Television"

The people will think they are getting a treat,

Till the antichrist comes and takes over his
seat.

He'll then rule the world while the viewers
behold

The face of "The Beast" to whom they were
sold.

We'll win through deception this cannot fail

Although some 'bigoted' preachers against it
will rail."

— J. C. WOODWARD

REMARKS. — Television is now beginning
in Israel, which was opposed by the Religious
people among the Jews, and others.

The Jerusalem Church has no part whatever
in Television, and we do not believe in it.

The other Sabbath keeping groups of believers
in Jerusalem stand together in opposing this

Satanic way of bringing the theater into the
home etc. We fear that many, even in Israel,

will be caught unknowingly in this snare. In
our effort to warn and save some, this article

and poem is being translated into Hebrew and
many thousand will be scattered over Israel.

NEWS DIRECT FROM ISRAEL

GAZA TERRORIST CHIEF KILLED, 3 SOLDIERS WOUNDED IN CLASH

GAZA. — One terrorist was killed and three Israel soldiers received minor wounds in a clash between a patrol and the terrorist at 7.30 p.m. last week north of the Shati refugee camp.

The terrorist threw a grenade at the patrol, wounding three men, before he was cut down by Israeli fire. A second grenade and a loaded pistol were found on his body.

The three soldiers were taken to Negev Central Hospital.

The dead terrorist was identified as Yussef Abdul Hamid Mohammed Hatif, deputy chief of the P.F.L.P. in the Gaza Strip, in charge of the northern sector of the Strip.

READY MARKET FOR ISRAELI FARM PRODUCE IN EUROPE

Over a thousand tons of various kinds of produce are now being exported every week — by sea as well as air (during the week ending November 27, Agrexco filled six all-cargo flights, including four Britannias and 2 Boeing cargojets).

Since the beginning of this season, some eight million flowers have been sent abroad. New orders from Scandinavia are coming in at a brisk rate and first sample consignments of Israeli flowers were sent to Finland this week, the company spokesman said.

Avocados are, however, troublesome this year, ripening faster than usual on account of the continued mild weather. This week, some 40,000 cartons (160 tons) were sent abroad, and a similar quantity will be sent again next week. Farming circles are hopeful that European markets can absorb the large consignments.

EXPORTS OF FLOWERS AND FRUITS CONTINUE TO GROW

Exports handled by the Agrexco company soared 58 per cent in 1969-70, and are expected to increase 40 per cent again this year.

Of the \$13 m. (one for million) increment in Agrexco sales, almost \$6 m. will stem from bigger exports of vegetables, \$3.7 m. from flowers and the rest in almost equal parts from fruit and sundry exports.

However, while flower exports have advanced one third since 1968-69, sales of vegetables increased by half, those of fruits two thirds, and exports of sundry products trebled. The most spectacular successes have been achieved in sale of strawberries (reckoned as vegetables and expected to reach \$2.4 m. this year), celery (\$1.3 m.), peppers (\$1.3 m.), melons (\$0.9 m.), avocados (\$1.8 m.), bananas

(\$1.5 m.), onions (\$0.8 m.), and milk cows (\$1 m.), quite apart, of course, of flowers which are expected to amount to \$6.5 m.

TERRORIST BLAST ARAB COMMITTEE

A terrorist broadcast, transmitted from Damascus, last week accused the inter-Arab peace-keeping Higher Committee of collaborating with the Jordanian authorities against the terrorists in Jordan.

The "Voice of the Palestine Revolution" claimed that the mediating committee was doing nothing to stop the Jordanian forces from attacking "the masses." It questioned the committee's activities against alleged killing.

"TOP SECRET" CASUALTIES

CAIRO. — Almost 20,000 Egyptians soldiers and civilians have been killed since the Six Day War and in subsequent confrontations with Israel, "Al Ahram" editor Mohamed Hassanein Heykal wrote on Friday last week (reported briefly in "After Midnight" Friday.)

The casualty figure was contained in a "top secret" letter written by War Minister Gen. Mohamed Fawzi to Iraqi Defence Minister Lt. Gen. Hamad Shehab last August. Heykal published the letter in his weekly column, which he used to attack Iraq's policies for the second time in as many weeks.

Heykal charged that Iraq was mainly responsible for the weakness of the Arab eastern front facing Israel. Continuing his series on "The Last Battle" of the late President Nasser, Heykal wrote that Iraq's Baathist regime did not honour its approval of a plan to reorganize the eastern front, which it shares with Jordan and Saudi Arabia.

MAN, 72, JAILED SIX MONTHS FOR HASHISH POSSESSION

TEL. AVIV. — A 72-year-old man was jailed for six months by the District Court here yesterday for possession of 32 grams of hashish. Police had found the drug in the man's Petah Tikva house during a search recently.

ARAB-ISRAEL CONFLICT "MOVES TO ETHIOPIA"

LONDON (INA). — David Holden of the "Sunday Times" reported last week that the declaration of a state of emergency recently in the Ethiopian province of Eritrea will reinforce fears that the Arab-Israeli conflict is now spilling over into Ethiopia with potentially serious consequences for Emperor Haile Selassie's government.

Note. — Ethiopia is one of the nations to

come against Israel (Ezek. 38: 5). We see from this item she is now being prepared.

THREE TERRORISTS KILLED, HOUSE BLOWN UP

TEL AVIV. — Three terrorists were killed in an encounter with an Israeli army patrol near Moshav Avivim in the central sector of the Lebanese cease-fire line early yesterday morning. The Israeli unit did not suffer any casualties.

While pursuing the gang, the patrol crossed the border into Lebanon, reaching Ainata, some five kms. north of the frontier. The patrol dynamited a building in the village which had served the gangs operating in the area as their headquarters.

TWO SEIZED AGENTS CAIRO ARMY MEN

TEL AVIV. — The six Egyptian intelligence agents captured near Sharm e-Sheikh just before dawn last Thursday include an officer and a private, both members of the regular Egyptian Army's intelligence corps, the Army spokesman reported yesterday.

JEW'S DISCOVERED AMERICA?

Cyrus Gordon, a professor at Brandeis University, says evidence has been found that Jews discovered America 1,000 years before Columbus. 1492 AD

Professor Gordon's special field is Mediterranean studies. He believes that Jews fleeing from the Romans in the Middle East went west and came to America. His evidence is an inscription on a stone in a burial mound in Tennessee. The stone was under one of 9 skeletons in the mound.

EICHMANN'S AIDE SENTENCED TO SIX YEAR'S JAIL

WEST BERLIN (Reuter). — A West Berlin court yesterday sentenced a former high-ranking S.S. officer and subordinate of Adolf Eichmann to six year's jail for abetting the murder of thousands of Jews.

Richard Hartmann, 59, worked in the Central Office for Jewish Emigrants and from 1940 to 1945 in Eichmann's Jewish Hitler's centre for the extermination department in the Reich Security Office, persecution of millions of Jews.

ISRAELI WOMEN SOLDIERS FIGHT IGNORANCE, ILLITERACY

KIRYAT SHMONA, Israel (AP). — A special army task force is fighting its own kind of war here, in this Israeli border town.

The force is uniformed but unarmed, and all its members are female. The force is fighting war against ignorance and illiteracy.

The battlefield is the classroom of Kiryat Shmona, one of dozens of similar settlements

populated by illiterate peasant Jews aged six to sixty, who emigrated to Israel from neighboring Middle Eastern countries.

The newcomers learn here to read and write, to eat with knives and forks, to comb their hair, to wash, to settle disputes with words instead of weapons, and to become useful citizens.

All told there are 1,000 girls in the soldier-teacher unit formed seven years ago to cope with primitivity among the new immigrants. Like most 18-year-old Israelis, male and female, the girls were required to serve some form of military duty, and went through basic training in weaponry, self-defense, physical fitness and logistics.

The girls work in border settlement schools where Arab-Israeli frontier fighting is part of life, and living standards are among the worst in the nation.

GALIL FARMERS WANT THEIR LAND QUOTA

SAFAD. — The thousands of farmers who live in the 30 moshavim of the Merom Hagalil district will demonstrate in Jerusalem if the settlement authorities continue to ignore their appeals for a full allotment of arable land.

RIVAL TERRORIST CLASH IN BEIRUT

BEIRUT (UPI). — Rival Arab terrorists fought an hour-long battle in central Beirut last week, closing the main highway to the airport, witnesses said. Palestinian sources said the clash erupted between members of a minor group, the Popular Struggle Front, and officials of the Palestinian Armed Struggle Command.

SOVIETS SEND MORE TROOPS TO AID EGYPT'S SAM CREWS

BEIRUT (AP). — The Soviet Union has boosted its troops and technicians in Egypt to more than 20,000, according to reliable reports reaching here from Cairo. Several thousand more Russians have arrived in Egypt in recent weeks to extend and man an anti-aircraft missile system that potentially is among the most formidable in the world.

Previous estimates have put the number of Russians in Egypt at no more than 17,000. The figure now is put at "well in excess of 20,000."

ARCHAEOLOGISTS UNCOVER ANCIENT DEAD SEA FARM

EIN BOKEK. — An archaeological excavation on behalf of Tel Aviv University led by Dr. Mordechai Gihon, archaeologist and military historian, has uncovered a Jewish farm from 70 C.E. and a Roman fortress dating from 350 C.E. Dr. Gihon told the press that the farm, which extended over a distance of three kilometres and was 400 metres wide, belonged to the royal household of King Herod and was operated by tenant farmers. Its main products were balsam and various spices, which were mentioned by Plinius and Josephus Flavius.

JERUSALEM GRENADE THROWERS SEIZED

The terrorists responsible for grenade attacks in East Jerusalem restaurants some months ago have been arrested within the last fortnight according to the police. A number of terrorist gangs were rounded up and several arms caches were captured in the Jerusalem area during this quiet but impressive crackdown.

This development in the investigation and pursuit of the terrorists whose favourite target has been East Jerusalem restaurants owned jointly by Jews and Arabs was revealed to the press last week by Jerusalem Police Commander Daniel Bareli.

SIX FATAH MEN JAILED IN NABLUS

NABLUS. — Six members of a local Fatah cell were sentenced in a military court here yesterday to prison terms ranging from two and a half to six years. They were convicted of membership in an illegal organization, training in the use of arms, possession of grenades, and failure to prevent an act of sabotage of which they had knowledge.

All six are between the ages of 23 and 27.

FIVE HOUSES DEMOLISHED IN GAZA

GAZA. — Five houses have been blown up in Gaza by security forces following various recent terrorist activities. Three houses were demolished on Saturday in the Sedjajeh Quarter, and two yesterday morning in "grenade alley" at the entrance to the town. A grenade

was thrown last week at an Israeli security officer from one of these latter houses, injuring him severely, and another was hurled at an Egged bus.

In all five cases the inhabitants of the houses and their belongings were evacuated.

The authorities here are explaining the recent wave of murders in the Strip as the terrorists' way of intimidating unwilling recruits.

CAIRO INCREASES ITS DIPLOMATIC WORLD DRIVE

Egypt's Vice-President Hussein Shafi last week began talks with President Tito in Yugoslavia as Cairo stepped up its world-wide diplomatic drive to rally support for its views on the Middle East crisis.

The other Vice-President, Aly Sabry, is flying to Moscow at the head of a high-ranking Egyptian delegation for talks with Kremlin leaders on diplomatic tactics and military and economic aid.

TWO ROCKETS HIT JERUSALEM

Two rockets were fired into a Jerusalem residential quarter yesterday. One of them exploded inside an apartment, but the occupants were not hurt. The other landed in an empty lot behind the new President's House. It did not explode.

The attack occurred shortly before noon. Police and security forces arrived on the scene within minutes, and soon helicopters began scouring the area south of the city. The two rocket launchers were soon discovered between Beit Safafa and Beit Jalla. These rockets have a range of eight kilometres.

Arab radio stations, beginning with Damascus Radio, quoted a communique by a "Palestine military spokesman" which claimed that one rocket had hit "the residence of President Shazar."

The first rocket penetrated the Kiryat Shmuel apartment of Dr. Eliahu Sadovsky.

Mrs. Bracha Sadovsky, the physician's wife, said that she had been in the flat when the rocket landed. She was with her sister, a cleaning woman and a friend. All four women were in the children's rooms in the back of the house when the rocket exploded in the kitchen, after whizzing through

The Sadovsky's four children were not at home — three are at school and the eldest daughter is in the Army.

Mrs. Sadovsky and the other women appeared composed. She said they heard a boom, then a whistle and then an explosion in the kitchen.

Mrs. Sadovsky said: "When the dust settled, they started looking around." On the kitchen table they found a rocket casing which was "too hot to touch."

Curfew was clamped down recently on the Arab village of Battir, south of Jerusalem, near

where security forces on past Sunday found the rocket launchers from which two Katyushas were earlier fired into a Jerusalem residential area. One of the rockets hit the Kiryat Shmuel apartment, causing serious damage but no casualties. The other landed in an empty lot behind the new President's House. It did not explode.

The curfew was lifted toward evening, on completion of the searches which were carried out jointly by military and police forces in Battir, Bethlehem and Beit Sahur.

A number of persons were detained for interrogation.

HIPPIE GROUP HERE ON ROUND-THE-WORLD TRIP

HAIFA. — Some four dozen "hippie" tourists, all anxious to see and work on kibbutzim, arrived in the s.s. Mesapia last week in the morning.

Travelling light, with little luggage and fewer cares, they displayed the latest fashions in hippie wear.

The ship also brought 55 immigrants from various countries and over 100 regular travelers. These included a young American who was refused entry by the Coastal Police, because during his previous visit, which ended early this year, he got into trouble for possessing hashish. The Israeli girl friend who arrived with him refused to get off the ship unless he was allowed on shore, and the couple left again ~~on board the vessel last night.~~

The immigrants included a dentist from Eastern Europe and his wife, who had been permitted to leave their country and join their children here after almost two years of applications.

THE ASWAN DAM

"We have nothing but the Nile," says Salah Galal, Science editor of Cairo "Al Ahram" newspaper. "Whether Christian or Moslem, we Egyptians have a kind of worship of our river. It is our god, because without the Nile, we are doomed. We must use every drop."

The dammed up waters of Lake Nasser will give Egypt an additional 1.2 million acres of cultivable land. During the decade of construction however, the population increase has already outstripped the food that will be gained by the extra acreage.

Unbiased observers however, are concerned over the dam's possible ruinous side-effects. Says one scientist, an outspoken critic of the project, "In a generation or two, the Egyptians may wish that the High Dam had not been built at Aswan."

The Nile's rich deposit of silt and sediment — 130 million tons per year — will be lost to the valley of lower Egypt. As a result, the Egyptian farmers will have to use fertilizer on the land. The electricity to run the fertilizer plants will be generated by the dam's turbines in a rob-Peter-to-pay-Paul fashion.

The fishing industry in the Nile delta and eastern Mediterranean has already been affected. Robbed of nutrients formerly washed into the sea by the Nile, fish have virtually disappeared from the mouth of the Nile. The sardine catch has been drastically reduced from 18,000 tons in 1965 to 50 tons in 1969.

Another problem for Egypt's farmers is salt water from the sea, which has been moving upstream and damaging farm land in the delta. Some experts worry that delta marine and plant life may also be adversely affected.

Even more troublesome in the eyes of medical experts is the threat of diseases both old and new, spreading because of the High Dam. Medical men in Cairo and at the World Health Organization in Alexandria warn that, unless proper precautions are taken, the waters of both Lake Nasser and the new irrigation systems may encourage the spread of diseases such as malaria and schistosomiasis (an endemic disease caused by parasitic worms which results in severe blood loss and tissue damage).

Despite these precautions, Egyptian experts today are hopeful that the adverse side-effects of the Great Dam will be vastly outweighed by its benefits.

"To keep pace with our 1 million new mouths to feed every year, we must build even more High Dams," says science editor Galal. "Ours is the terrible problem of over population. We must generate more electricity and bring more land under cultivation. Without the High Dam we would face famine."

"If I forget thee, O Jerusalem, let my right hand forget her cunning if I do not remember thee, let my tongue cleave to the roof of my mouth if I prefer not JERUSALEM above my chief joy." Psalms 137: 5-6.

WHO WE ARE AND OUR BELIEF

We are Jews who have come down through our ancestry with the Jews scattered over the world, since the destruction of Jerusalem by the Romans nearly two thousand years ago. We are known as "Messianic Jews." We know our past history. How the radicals of our people made the grave error of rejecting the MESSIAH, and how the Babylonian and Roman sun worshippers took Him and lied about Him. He was a Jew, and taught the Jewish religion, the religion of Abraham, Isaac and Jacob, which we teach today. He fulfilled the prophecy of Isaiah 9: 6, 7 and the 53rd chapter, and more than a hundred prophecies concerning Him.

He is now soon to return, and very soon, as the New Bible known as the New Testament most clearly teaches us. Every prophecy He gave has come to pass in history, excepting that of His imminent returning to deliver Israel, and reign as King of kings over the whole world from Mount Zion.

— KING DAVID PRAYED FOR — THE HOLY SPIRIT

He said: "Create in me a clean heart, O God, and renew a right spirit within me. Cast me not away from thy presence, and take not thy HOLY SPIRIT from me." Psalms 51: 10, 11

HOW THE GENTILES GET IN (Continued From Page 13)

Gentiles grafted into the tame olive tree, resemble the natural fruit, and they keep the commandments. Heart circumcision by the Spirit puts this law in their hearts. — Rom. 2: 29. We are plainly told what this circumcision is (1st Cor. 7: 19), where we are told plainly it is keeping the commandments of God. One of these commandments is observing the 7th Day Sabbath.

This is what makes the man or woman resemble the Jew, or the natural fruit. It was to be a sign of an Israelite forever. Every Sabbath keeper will tell you he has been called a Jew, or a Judaizer by his Gentile friends, so this is truly the sign just as the Bible said it would be, but our praise is not of men but of God. Same text. — Romans 2: 29.
