The phrase: "In the last days" (Isa. 2:2, 3) never refers to the Millennium, but always to this Gentile Age.

The Road To Armageddon

THE GREAT PROCESSION

I suppose we have all, at some time or other, sat by a window watching a procession pass by. If we knew those taking part, or the purpose for which it was held, or if we had a program of events, then it was much more interesting.

Today, a greater procession—one affecting all mankind, passes by. The window is the Bible; the watchers are the believers whose earnest interest is in the scene before them; the Road is the Armageddon Road; the great movers on this long road are the nations; their ultimate goal is the Land of God—Palestine, to which destination a magnetic force impels them ever onward.

This divine drama is a long one. The seeds of it were sown in the Garden of Eden, and it finishes with the inauguration of a new era, the Kingdom of God upon this earth. So we firstly appeal to the Bible. Why? Because it is the only divine light in the human darkness of today. Is it possible for this ancient Book and its long departed prophets to forecast events in our days? Here we meet the cynic and the scorner, as forecasted in 2 Peter 3:3.

Stay a moment. Turn back the pages of this old Book to a time nearly 1,000 years before Jesus. The Psalmist is writing a prophecy of days far ahead. What is he writing? ". . . they pierced my hands and my feet." "I may tell all my bones: they look and stare upon me." "They part my garments among them and cast lots upon my vesture" (Psalms 22: 16-18). A thousand years passes and the scene is fulfilled on Calvary (Matt. 27:35); Note the sequel in Psalms 22:27-28.

Another picture. Jesus (Hebrew--Yahshua) stands before the Roman governor, when suddenly a Roman

officer reaches forth and brutally strikes Him on the face. Seven hundred years before, the prophet Micah (ch. 5:1) foretold this insult to Him.

Yet again — Judas rushes terror-stricken into the Temple and says to the chief priests and elders, "I have sinned in that I have betrayed the innocent blood" (Matt. 27:4), but they scornfully refuse the thirty pieces of silver which he offers them imploringly. He throws it at their feet, departs, and hangs himself. They pick up the silver which, being the price of blood, they cannot lawfully use, so they purchase with it the potter's field. Hundreds of years before, the prophet Zechariah wrote all these details BEFORE THEY HAPPENED (Zech. 11:13).

Yes, the Bible is fearfully and wonderfully accurate. Seeing that it is the record of the Great Creator of the

*1914
7
BC-2*

Universe; that it foretells details of happenings hundreds of years before they come to pass, then we can with all confidence believe its future predictions.

THE TRANQUIL DAYS HAVE GONE

They vanished in 1914, never to return until the Prince of Peace brings them again. 2,520 years back along the Armageddon Road, a world ruler had been given the kingship by God (Dan. 4:17). His heart was lofty and his pride great. Upon him was sent seven years of madness to teach him that the Most High ruleth in the Kingdoms of Men (Dan. 4:25). These seven times are representative of the long period of Gentile domination of 2,520 years, 7 times 360 equal 2,520 (360 days to the Jewish year). They reach from Nebuchadnezzar's accession (B.C. 606) to the fateful days of 1914, the real commencement of the 1939 war, still unfinished. The result is yet to be, that the nations are to KNOW that God rules in the affairs of mankind. That is the great summing up of the Armageddon Road and will be found in Ezekiel ch. 38: 23; Isaiah 11:10, Joel 3:17, Micah 4:2.

The conflict which recommenced in 1939 has been of such a widespread character and the magnitude of the operations so great, that the words of Jesus (in Luke 21: . . . "Men's hearts failing them for fear and for looking after those things which are coming on the earth" v. 26) are being fulfilled as never before. Surely when one watches the world-wide signs today, the thinker must realize that a change is coming.

The war of 1939 however was but the second of three great phases designed to bring the nations to the battleground of the Lord or Armageddon.

Since the 2nd War ceased in 1945, another war has continued — that of the "cold war" of fear and dread. The discovery of the Atom Bomb, then the H-Bomb, and now the mighty preparations for a greater and far more devastating war fills all hearts with apprehension.

Yet there are many who think that the rule of Jesus will be accomplished by a change in the hearts of men; that it does not come through war or physical violence. That such a view is untrue is proven by the Word of God, and we therefore appeal to three of the Old Testament prophets, and to Christ, to confirm the great fact that His kingdom succeeds an era of violence hitherto unknown to man.

Ezekiel 38:18-22. "And it shall come to pass at the same time when Gog shall come against the land of Israel, saith the Lord God, that my fury shall come up in my face . . . earth shall shake at my presence . . . mountains

shall be thrown down . . . I will plead against him with pestilence and with blood."

Daniel 12:1. "And at that time shall Michael stand up, the great prince which standeth for the children of thy people, and there shall be a time of trouble SUCH AS NEVER WAS since there was a nation . . ."

Jesus (Yahshua) Luke 21:25. "And there shall be signs in the sun . . . upon the earth distress of nations . . . sea and the waves roaring . . . men's hearts failing them for fear and for looking after those things which are coming on the earth . . ."

So the Armageddon Road is charged with terrible violence as it nears its great climax. The reason is given in Luke 21:22, "For these be the days of vengeance that all things which are written may be fulfilled." See also Isaiah 24 and Jeremiah 25:30 to 38.

WORLD PEACE
CHRIST'S RETURN

ISRAEL — AND GOD'S PURPOSE

1900 years back along the Road, Christ came to His own, and they "received Him not." Yet the purpose of God was, and is centered in the Jew for his was the chosen nation (Amos 3:2). The great World Charter for Universal peace had been given to Abraham (Gen. 12:2) and the greatest Jew of all time sealed it with His blood (Rom. 15:8).

Our Messiah was a Jew. The woman at the well of Samaria recognized that fact (John 4:9). Pilate wrote it over His cross (John 19:18). Today, the 12,000,000 witnesses of God, Israel - Jewry, have come down through the centuries; still a people distinct and separate, and still unbelievers in their Messiah. This Jewish witness is an amazing proof of God's purpose. If, say an Australian went to Russia and continued there with descendants many years, how long would such descendants remain Australians? They would ultimately be absorbed into the surrounding nations. But Israel remains unchanged and separate. Malachi 3:6 and Isaiah 61:9.

The return of Jewry to Palestine in our day is one of the mightiest signs that God is still working, that the ancient prophecies are still alive, and we also perceive that this Jewish return precedes the terrible events to happen at the end of the Armageddon Road. It will be seen that in this there is an order and sequence. Jewry has been scattered among the nations for many hundreds of years (Jer. 32:37), but God also said that He would gather them and bring them into their own land, Palestine. In Isaiah 6:13 we read that one tenth of Israel should return prior to divine intervention. The one tenth is now complete.

Now note this carefully. In the third chapter of Joel there we read of the final scenes on the Armageddon

10/20

Hydrogen Bomb

load. But look at the commencement of the chapter. When I shall bring again the captivity of Judah and Jerusalem I will also gather all nations . . ." We have ved to see the bringing again of the captivity of Judah in its first stages, for nearly 2 1/2 million of the sons of Israel are back in the land. It is evident, then, that the rest of verse 2 is now due for fulfilment, and so, we see the unmistakable signs, terrible and violent. Read the rest of the chapter.

Although the name of God has been profaned "among the heathen" by His chosen people (EzE. 36:21), yet He will bring them again into favor, and Armageddon is inseparably bound up in this great fact. Says the apostle Paul, "For if the casting away of them (Jewry) be the reconciling of the world (the Gentiles accepted through Christ) what shall the receiving of them be but life from the dead" (Rom. 11:15).

EVENTS ON THE ROAD

In 1914, the Armageddon Road ran through Serbia. The pistol shot of Prinzip on June 28th, 1914, rang throughout the world and still reverberates. The road then widened and took in most of the European nations in a terrific slaughter. In 1916 it began to move in the direction of Palestine, and the greatest event up to that time was the entry into the City of God, Jerusalem, by Lord Allenby in 1917. The land was being made ready for Israel to return. Then the Armistice came, a temporary suspension of the conflict until September 1st, 1939. Whilst the nations vainly sought for peace, Jewry went back to rebuild their cities and also to till the land of their forefathers. The Arabs opposed their return, ordered many of them, uprooted their crops and destroyed their settlements. Britain took up her divinely appointed work in 1922, by going into Palestine under a mandate of the League of Nations. Then the war 1939 came, and Britain found it vital to maintain her position in this strategic center, that of Palestine, Syria, Persia and Egypt.

The war ending with a broken Germany and Italy, Britain terminated her Mandate of Palestine and Israel immediately took over the government of part of Palestine in one night, truly a nation "born in a day" (Isaiah 66:8).

1910 — THE AFTERMATH

Let us retrace our steps along the Road to 1919. The armistice had been signed. The problems of peace were far greater than those of war. Reparations, ruined countries, markets destroyed, and indemnities, presented superable problems. So the history of 1924 to 1936 is one long record of conference after conference. British statesmen travelled all over Europe searching for the elusive peace formula. Why did it fail?

The chief place, however, was reserved for Hitler, whose rise to power was meteoric. He unified the forces of oppression by his Berlin-Rome "Axis" and the Pact with Russia. His association with Rome identified the "east power" spoken of so much in Revelation. — The "miracles" then commenced. Great cities were reduced to ruins from the air; one by one the nations were reduced to slavery and spoilage; mysteriously the Great French Republic crumbled and its great defence system and its Maginot fortifications crashed in ruins. From Poland to Holland, up to Norway, back to France and Belgium, thence right through the Balkans to Greece, Hitler advanced with his legions, and like the locusts, ate everything in his path; all foodstuffs were comman-

deered and spoil and loot were the order of the day. But this was part of a divine plan, as will be seen from the following prophecies:—

Zeph. 3:8 "My determination is to gather the nations to pour upon them mine indignation."

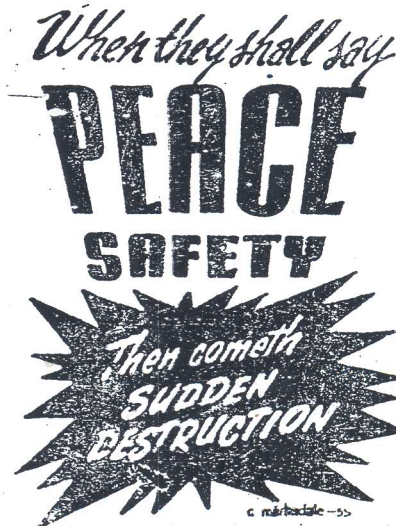

Zech. 14:2. "For I will gather all nations against Jerusalem to battle."

Rev. 16:16. "And he gathered them together into a place called in the Hebrew tongue, Armageddon."

This final scene in Palestine called for two great forces, one defending, and one attacking. It is to take place in that land, for God has said, "I will bring thee against my land" (Eze. 38:16).

PEACE AND SAFETY

Away back on the Armageddon Road, in 1922, a wonderful palace was erected at Geneva. It cost £2 million, and sixty two nations were represented at its meetings. In its lavishly decorated main hall was inscribed "PEACE AND SAFETY." Two of its main signatories made war upon their lesser neighbors and annexed their territories, and seeing that many of its supporters, included atheists, freethinkers and unbelievers,

it was no wonder that it finally closed its doors in May, 1940. But this great PEACE SIGN was notable for one thing. It gave the mandate over God's land, Palestine, to England by unanimous decision in 1922. But, more wonderful still, this Peace League assisted, unconsciously, the two groups of Powers which would conflict in the final struggle in Palestine as forecasted by Ezek. 38:13. The United Nations Organization, which succeeded the old League of Nations, was rendered sterile by the extraordinary Veto provision insisted on by Russia, which provided that all members should be unanimous in the deliberations of the Security Council and Russia took full advantage of this remarkable and unnatural arrangement.

So the U.N.O., like its predecessor, is doomed to failure.

WHAT OUR READERS SAY

OHIO — Dear Brother Dugger:

Let me show you just some things we have encountered this year alone. I have had my life, and families lives threatened both by mail, and phone. The F.B.I. and police along with the Phone Company, were supposed to try to apprehend the culprits, but I doubt that there was anything done, for I haven't heard one word. I received a phone call from the President of the Ministerial Assoc. of Hubbard, Ohio, and another one from the President of the Council of Churches informing me that our group would be arrested if we came back to their areas with any more literature. We were ejected from our Conference this year because we worship on Saturday, and not Sunday, and we reject all Heathen Holidays of Modern day Babylon, such as Christmas, Easter, Haloween, etc. We had one family who quit the Church because they did not want to serve the Lord, and they stirred the people in this Community to do things against the Church. Some culprit shot a pellet through the front window of our Church, run down a large pine tree, and tore up the front lawn in the wee hours of the morning. I live right across the street from our church. Last week I received a letter from an official in Penn. informing me that a piece of literature with my name on it was found by a property owner along with some trash, and they were deliberating legal action against me. Some one in that area evidently received our literature either by mail or in person, and threw it out. Satan is surely seeking to unleash his wrath against our church all the time.

Anyway Brother please pray for our work, and its many needs, and trials. Now may the Eternal God of Abraham, Isaac, and Jacob bless, guide, lead, protect and supply our every need in Christ Jesus.

In Christ, Pastor Harold S. Day

ALABAMA — Dear Elder and Sis. Dugger

Greetings in the name of Yahshua, the Messiah, our Redeemer. Its been ages since I've written. I am writing to tell you how much I appreciate the work you are doing with the magazines you publish. There have been some very good articles in the last few months. More and more people are having their eyes opened to the fact that the Creator rules the Universe through the Holy Spirit and His son Yahshua. We must get away from the pagan teachings which have infiltrated all of Christianity, Hallelujah.

Luke W. Boyd

Remarks, — Note Proverbs 30:4, for it is good to be one who can say "yes" to this question in this text. Read also Isa. 52:6 to 8, for we are living in this very time, and please read Psalms 91:14, because you want to be set on high, caught up to meet the returning Messiah soon. 1 Thess. 4:16-17.

NEW JERSEY — Dear Brother Dugger

Greeting in the holy name of the Messiah.

Just yesterday I had the wonderful privilege of reading a few of the back issues of The Mount Zion Reporter, and it just thrilled my heart. To say that I was profoundly moved by the articles, would be understating it. How I rejoiced as I read these precious papers.

From my reading, I find that your magazine covers the whole man. There was something there for the spirit of man, something there for the mental part of man, something there for the physical part of man.

I would also appreciate it if you would add my name to your mailing list. I was much surprised when I found that this magazine came from Jerusalem, the Holy City of our Lord and Saviour.

LONDON, ENGLAND — Dear Bro. Dugger

Greetings in the Holy Name of Jesus, our soon coming King. I have received your tracts, magazine and letters; and they have been a blessing to us and to as many as have read them. Some promised to get in touch with you. We have learned quite a lot from reading those magazines.

It is so wonderful to know that the promises of God are sure, if we only believe, and surely we can see the promises being fulfilled daily.

You are doing a very good job and we look with great interest to Jerusalem, for the fulfilment of the scriptures. Your brothers and sisters over here shall never cease from praying for you and your work that God may continue to bless your effort.

Yours at His Master's Feet,

The Restoration Of The Kingdom To Israel

By The Editor

The great question uppermost in the minds of the disciples in the days of our Saviour was the restoration of the Kingdom, and just before His ascension they asked him, — "Lord wilt thou at this time restore the kingdom to Israel?" He said "It is not for you to know the (times) and (seasons) which the Father hath put in His own power." Acts 1:6, 7. —

After he had ascended to heaven, the Holy Spirit gave them the assurance that this would come in its time, and with this statement, — "And He shall send Jesus Christ (Hebrew "Yahshua ha Meshia,") which before was preached unto you. Whom the heavens must receive UNTIL the times of RESTITUTION of ALL THINGS, which God hath spoken by the mouth of ALL the holy prophets since the world began." Acts 3:20, 21. As the heavens still retain him, we have not yet arrived at the time for the restoration of the Kingdom, but are on the very threshold of the glorious event. It has been nearly 2000 years since these words were given and the "Times of the Gentiles," have about expired. The gospel of this Kingdom was to be preached in all the world, as a WITNESS to all nations, then the end was to come. Matt. 24:14. It is not to go to (every person,) but to EVERY NATION, and then the end of this age, and the ushering in of the 1000 year Millennium period was to come.

A KING TO REIGN ON DAVID'S THRONE

The prophet Ezekiel in speaking about the future of Jerusalem and the Kingdom of Judah said, "Son of man set thy face toward Jerusalem, and drop thy words toward the holy places, and prophecy against the land of Israel" (Ezekiel) 21:2, and then in verses 25 - 27 he says, "And thou profane and wicked prince of Israel whose day has come when iniquity shall have an end. Thus saith the Lord God, remove the diadem TAKE OFF THE CROWN. . . I will overturn, overturn, overturn and it shall be NO MORE until he comes whose right it is, and I will give it him."

The only one who has this right, is that child born at Bethlehem, and born to be king of the JEWS, and king of the world. — "To this end was I born, and for this cause came I into the world." — was the answer of Jesus to Pilate. John 18:17. ≈ 18:37 =

It was generally known and understood even before He was born, through the teaching of the prophets, that the promised Messiah was to be king of the Jews. Note what king Herod said to the wise men at the time of His birth, "Where is He that is born KING OF THE JEWS." — Matt. 2:1,2, Also at His crucifixion the inscription was written in Hebrew, Greek, and Latin: "This is the king of the Jews." Luke 23:38.

When the seventh trumpet sounds great voices are to be heard in heaven saying, "The kingdoms of this world, ARE become the kingdom of our Lord and His Christ, and He shall reign forever and ever." Revelation 11:15. Surely these voices, evidently in all languages of earth, will speak the truth. They do not declare that Satan is to hold this world dominion, and roam about in a deso-

late earth, as some vainly imagine without one text of scripture. This text says, "The kingdoms of this world ARE" (present tense,) not going to be in the future but at that very time, they are His Kingdom. Yes, the time had then come for Him to be king, to which END He was born, and the rightful one to reign at Jerusalem is here. He is to be king. Read also Psalms 2:6, — "Yet have I set My King upon my holy of ZION." Also note Psalms 110, where it reads, "The Lord shall send the rod of His strength out of ZION: rule thou in the MIDST of thy enemies." Verse 2. It also says the people will be willing in the day of His power, and that the waste places will be filled with dead bodies, as He judges among the nations, and as the wicked tares are gathered out of His Kingdom.

Note also the following scripture, "The moon shall be confounded and the sun ashamed when the Lord of Hosts shall reign in Mount Zion, and in Jerusalem, and before His ancients gloriously." Isaiah 24:23.

"I will make her that halteth a remnant, and her that was cast off a strong nation, and the Lord shall reign over them in Mount Zion from henceforth even forever." Micah 4:8.

THE DESOLATION OF CANAAN, AND THE DESOLATION OF THE EARTH

Following the death of the Messiah at Jerusalem, desolations were determined. Daniel 9:26, 27. There was to be an overspreading of Abominations, and the Holy Land was to be in a state of desolation — "UNTIL THE CONSUMMATION." All of the prophets gave similar prophecies concerning Palestine which came to pass and the Holy Land went into a period of desolation, without rain. The rain of the land was dust from heaven. Deut. 28:23 - 24 reads, "and thy heaven that is over thee shall be iron. The Lord shall make the rain of thy land, — POWDER AND DUST from heaven shall it come down upon thee." Go to the old city of Mizpah six miles North of Jerusalem, located on the very top of a low mountain, and view the work of the excavators. You

THE BOOK
That foretells

walk on top of a wall twenty feet high, and twelve feet wide, from the place where it is completely uncovered, right into a hill where it is completely covered up. You can walk right on from the top of this wall on to this hill, upward another twelve or fifteen feet.

Here is where Samuel judged Israel, according to the scriptural record, and its location and identity is fully established by many things unearthed. This dust was actually rained down upon the city, through the desolation of nearly 2000 years. From inside of these buildings they have taken out many large wine jars, and obscene pictures of naked people, very much like we see to-day in every part of the world. The prophecies came to pass. The rain of this land was dust from heaven, and it covered cities on the tops of mountains. Many people in the central portions of the U.S. will know something about these sand storms, for in a similar manner was that territory visited about twenty years ago, which will be repeated again, as judgments come upon the Gentile nations because of their ungodliness, just as they did upon this land for similar offenses.

THE DESOLATION OF THE EARTH

"Behold the Lord maketh the earth empty, and maketh it waste, and turneth it upside down, and scattereth abroad the inhabitants thereof. The land shall be utterly emptied and utterly spoiled. The earth mourneth and fadeth away. The world languisheth and fadeth away. The earth also is defiled under the inhabitants thereof, BECAUSE they have transgressed the laws, changed the ordinance broken the everlasting covenant. Therefore hath the curse devoured the earth, and they that dwell therein are desolate. Therefore the inhabitants of the earth are burned and FEW MEN LEFT." Isaiah 24:1 - 6.

The prophet here is speaking of the Earth and not just The Holy Land. In a similar manner to the desolation of Palestine will the whole earth suffer God's judgments. Let us notice a little farther on in this chap. the words of the prophet as follows: "In the city is left desolation, and the gate is smitten with destruction. When thus it shall be in the midst of the land AMONG THE PEOPLE." verse 12. So we see there is not going to be an utter removal of all the people at this time, as some have been led to believe for there are people left in the earth just as there were scattered people left in Palestine during the time of desolation.

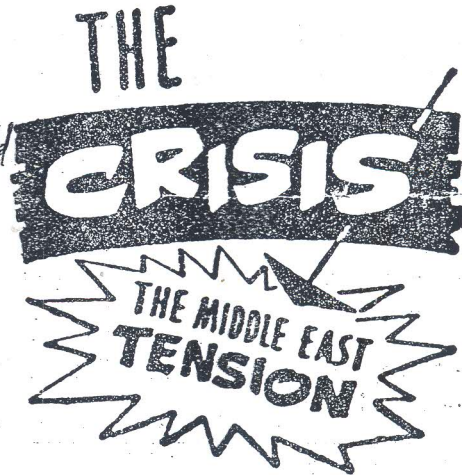

The prophet goes on, "When thus it shall be in the midst of the land AMONG THE PEOPLE, there shall be as the shaking of the olive tree, and as the gleaning of grapes when the vintage is done." When the atomic and hydrogen bombs are used the cities will be vacated,

and there will be desolations, with the inhabitants scattered abroad, just as it says here with millions perishing, and it will be as the gleaning of the vintage when the grapes are gathered, and as the shaking of the olive tree. There are always a few left here and there on the trees.

During this time of judgment, songs will be heard glorifying the Lord, by those surviving in the fire of His wrath. The inhabitants of the earth are to be burned and "few men left." Verse 6. and 14.

The prophet Jeremiah also speaks of this same time thus, "I beheld the EARTH and so it was without form, and void and the heavens and they had no light. I beheld and the fruitful place was a wilderness, and all the cities thereof were broken down at the presence of the Lord, and at His fierce anger. For thus hath the Lord said. The whole land shall be desolate, but I will not make a FULL END. The whole city shall flee for the nose of the horsemen and bowman. They shall go INTO THE THICKETS, and climb upon the rocks. Every city shall be forsaken, and not a man dwelling therein" Jeremiah 4:23-29. The prophet looked and could see no man, but later in his announcement tells us that they had gone into the thickets, and climbed upon the rocks, and the cities were all desolate and not a man dwelling in them." This is exactly as it will be when the stock piles of Atomic bombs are being used, and when this time of desolation comes to all the world similar to

what has come to the land of Israel in the past, but we notice that in both of these descriptions, there are people left.

We are told by the prophet Ezekiel that only one sixth part of Russia will be left after they come against the land of Israel. Ezekiel 39:2. This will mean a terrible destruction of mankind. Out of her 150 million, there would be but 25 million left, with 125 million destroyed, and this will take place suddenly.

Jeremiah speaks of a time yet future when the slain will be from one end of the earth to the other, when they will not be lamented or gathered or buried. Jer. 25:29 to 36. There will be a rapid gathering of the tares "Out of His kingdom," when the king comes in his glory with all His holy Angels. Matt. 13:30.

THE MILLENNIUM, ONE THOUSAND YEARS OF PEACE

It will be clearly understood from many texts of scripture that the "Times and Seasons," arranged by the Father, include one thousand years of millennial peace, here on the earth, during which our Saviour is to be King

of the world, reigning here at Jerusalem on the throne of his father David.

The prophet Isaiah saw in a vision a child to be born who would reign as king on the throne of David. He said: "Unto us a child is born, unto us a son is given, and the government shall be upon His shoulders and His name shall be called: 'wonderful counsellor' OF the Mighty God OF the Everlasting Father, the Prince of Peace. (Septuagint translation). Of the increase of His government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgement and with justice from henceforth even forever. The Zeal of the Lord of Hosts will preform this." — Isa. 9:6-7.

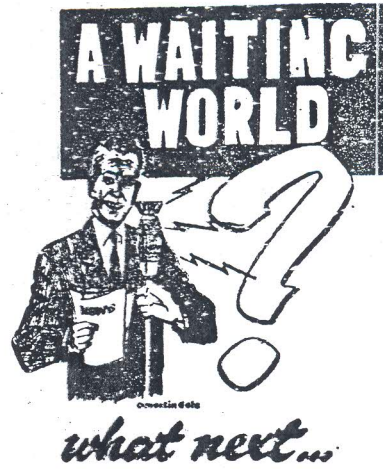

The announcement of the angel to Mary before His birth is similar to the above prophecy. It reads: "And behold thou shalt conceive in thy womb and bring forth a son, and shall call His Name Jesus. (Hebrew 'Yahshua') He shall be great and shall be called the Son of the Highest, and the Lord God shall give unto Him the throne of His father David, and He shall reign over the house of Jacob forever, and of His Kingdom there shall be no end." — Luke 1:31-33.

It is most wonderful indeed how these prophecies have been fulfilled and confirmed by many other scriptures showing the beauty and harmony of the Word of God. This child has been born, the first stage of this prophecy fulfilled, and notice that He is to reign upon the throne of David for a special purpose (Isa. 9:7), and that purpose is to — "Order and to ESTABLISH it". It will require 1000 years to accomplish this restitution work.

We read in the Book of Revelation as follows: "And I saw thrones, and they sat upon them, and JUDGMENT was given unto them, and I saw the souls of them that were beheaded for the witness of Jesus and for the Word of God, and which had not worshipped the beast neither his image, neither had received his mark upon their foreheads or in their hands; and they lived and reigned with Christ 1000 years . . . Blessed and holy is he that hath part in the first resurrection, on such the second death hath no power, but they shall be priests of God, and of Christ, and shall reign with Him a thousand years". — Rev. 20:4-6.

The above scripture is very plain as to the length of time required in restoring and establishing the Kingdom. But nothing is said here as to where this 1000 year reign will take place, with the saved ones reigning as kings and priests. Some further evidence is therefore necessary from the Word of God. We consequently turn to Revelation 5:9-10, where we have the following. It reads: — ". . . Thou hast redeemed us unto God by thy blood out of every kindred and tongue and people and nation. And hast made us unto our God KINGS and PRIESTS, and we shall reign on the EARTH."

We find further evidence in the following texts, "And he that overcometh and keepeth my word unto the end, to him will I give power over the nations, — And he shall rule them with a rod of iron. As the vessels of the potter shall they be broken to shivers, even as I received of my Father." Rev. 2:26, 27. Now as we strive through prayer, for the Spirit power, to live the overcoming life, we have the promise to reign with Christ, and to assist in this Restitution work, to help restore and establish the Kingdom. Notice further that this man child, born to the woman (the church,) was born to "RULE THE NATIONS WITH A ROD OF IRON." Rev. 12:5, but it says, "The child was caught

up unto God and to his throne." Notice also that the heavens are to retain him, — "UNTIL THE TIME OF THE RESTITUTION OF ALL THINGS." Acts 3:18 to 21. Then he is to be sent forth to do this work.

This judgment period wherein the overcomers are to be given power over the nations and assist in this "Iron Rod Rule," is further set forth in the following scripture, "And the armies which were in heaven followed him upon white horses clothed in fine linen white and clean. And out of his mouth goeth a sharp sword, that with it he should smite the nations, and he shall rule them with a rod of iron. And he treadeth the winepress of the fierceness and wrath of Almighty God. And he hath on his vesture and on his thigh, a name written KING OF KINGS AND LORD OF LORDS." Rev. 19:14 to 16.

A PLACE PREPARED FOR THE FAITHFUL

"In my Father's house are many mansions, and if I go and prepare a place for you, I will come again and receive you unto myself, that where I am there ye may be also," John 14:12. These mansions prepared for the faithful will be their abode, but this scripture does not say, "I will come again and take you to where I have been." If it did, then the matter would be forever settled that the righteous people would have a journey to heaven, to the very throne of God, but it does not say that. If it did, it would involve the Word of God in a serious contradiction, because we read in another place, "The righteous shall NEVER BE REMOVED, but the wicked shall (NOT) inhabit the earth." Proverbs 10:30.

These mansions prepared for the righteous are to come down from God out of heaven, in due time, and at the proper time for them to come. See Revelation 21:2, 10. The Lord promises to come again and to receive us unto himself, that where he is there we will be also. This does (not) tell us he is going to take us back to heaven, but we are told plainly that the righteous "Shall NEVER be removed." Also his feet will come to the Mount of Olives at His coming. Zach. 14:4, and verse 9 says he will be king over all the earth.

DESTROYED AT THE BRIGHTNESS OF HIS COMING

"And then shall THAT WICKED be revealed whom the Lord shall consume with the spirit of his mouth, and destroy with the brightness of his coming." 2 Thes. 2:8. Many people read this text wrong, and use it to prove that every wicked person on earth will be destroyed by the brightness of the coming of the Lord, but the Lord does not say, "The Wicked" but "That Wicked," speaking of the "Man of Sin," that wicked beast power,

WHAT ABOUT TITHING?

and his followers, which of course will include millions, but still there will be many left who were not connected with this "Man of Sin." It must be remembered that this is just one of the three world wide powers that gather the kings of the whole world to the Battle of Armageddon. Rev. 16:13, 14.

WHEN AND WHERE WILL THIS KINGDOM BE ESTABLISHED

"To him that overcometh, will I grant to sit with me on MY THRONE, even as I also overcome, and am sat down with my Father on His THRONE." Rev. 3:21. Here we have two thrones brought to view, and for this Millennial reign there is to be a transference made, and a change from one throne to the other. Our king here at Jerusalem will be sitting on His throne which formerly belonged to David, on Mount Zion. He is the rightful heir, and the only one known to-day — "Whose right it is," to occupy the throne of David. Then it becomes his throne. He now sits at the right hand of the Father on the Father's throne. Mark 16:19 and Acts 2:33 etc.

Here is also another scripture shedding light on the topic under discussion, — "WHEN the Son of man shall come in his glory, and all the holy angels with him, THEN, shall he sit upon the THRONE of his glory." Matt. 25:31. Notice here that the king sits upon the throne of his glory when he comes, and not 1000 years later as many have been led erroneously to believe.

Also we find in the wonderful prophecy of Daniel concerning the metallic image of chapter two, that the stone smitting the image represents the "Kingdom of God," and it says "IN THE DAYS OF THESE KINGS." Dan. 2:44. Notice that it is not 1000 years after these kings have been destroyed, but it is IN the days of these kings that the kingdom is to be established. It is also in the same place where the four preceding Gentile kingdoms ruled. Notice that this kingdom is not to be left to other people, but it (the kingdom) is to break in pieces all of these kingdoms. This is the time of the "Iron Rod Rule," when the overcomers are to assist as kings and priests, and when the other "nations will be broken to shivers." Rev. 2:26, 27. — 7 years

Furthermore in the seventh chapter of Daniel where we find the four Gentile kingdoms illustrated by four beasts in their successive order, one following the other, it says of the fourth beast that he is to continue prevailing against the saints, "UNTIL THE TIME CAME FOR THE SAINTS TO POSSESS the kingdom." Therefore when this fourth beast power, under the papal horn, is destroyed, we will have reached the time for the saints to possess this kingdom. It will not be 1000 years in the future. Note Daniel 7:21, 22. See this Suda page 13

This kingdom that the saints possess is not one located in heaven, where it is said they will spend 1000 years searching over the records there etc. We are told in this same chapter (verse 27) that this kingdom which these saints possess as soon as the beast is taken away, is located "UNDER THE WHOLE HEAVEN," and not up in heaven. This is the kingdom that the disciples of Christ were so much concerned about. They had read these very scriptures as given in the Septuagint translation of the Bible which they had access to in their day, and asked the Master, "Wilt thou at this time restore the kingdom to Israel." Acts 1:6, 7.

"Will a man rob God? Yet ye have robbed me. But ye say, Wherein have we robbed thee? In tithes and offerings. Ye are cursed with a curse: for ye have robbed me, even this whole nation. Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the LORD of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it." (Malachi 3:8-10).

The one general question that seems to upset the majority of churchgoers is to tithe, or not to tithe. As very little mention of tithes is made in the New Testament, and no direct mention of tithes is made in the Ten Commandments at all, many people choose to believe that tithing was obligatory only to people under the Mosaic Law.

If God thought it important to exact tithes of His people in the days of the Old Testament in order to carry out His work, is it to be assumed that He thinks this work of less importance today than then? Then, it was considered a sin to withhold tithes - it was stealing from God. Though no direct mention is made of tithing in the Ten Commandments, we are told we must neither covet nor steal. When we wish to withhold God's tenth, we are coveting that which is God's. When we withhold His tenth, we are stealing from Him.

Ministers of today must be fed and clothed the same as priests of old. Much of the tithe money goes for the support of the ministry. True, we need not pay ministers salaries. It is doubtful that God would permit any of His servants to starve in carrying on His missionary work, but if we don't pay our tithes, they would have to divide their time between earning a living and ministerial work. Ministerial work would suffer as a result, since the average minister's work would thus be limited to Sabbath services only. He would have no time to visit the sick, the ill of heart nor to win new souls to Christ.

By tithing, we enable our ministers to engage in full time, missionary activities.

Not all of the tithe money goes toward ministers, but is used in other activities of Gospel work. Likely some of it goes for charity.

Some people would like to tithe, but they are afraid to give up the tenth, when they see what a neat little sum that it sometimes totals. "Three hundred and sixty dollars to the church?" you can hear one exclaim whose salary is \$3,600. "That's too much! We simply can't afford it!"

Able to afford it or not, one should think a long time before daring to withhold from God the tenth that is due Him. In truth, we own no houses, no land, no property of any kind. All that we are and all that we possess are the LORD'S. He has only lent us our possessions. Is it too much to ask that we give God one tenth of His possessions and be permitted to use the other nine-tenths for our own benefit?

Are we withholding our tithes from the LORD because we think we will starve if we give Him a tenth of our increase? If so, we do not take God at His word. He has told us that if we tithe, He will pour us out such a blessing that we will not have room to receive it. David

which will be capable of carrying out any assignment involving total conflict with the enemy." A substantial segment of this military force was concentrated, in the middle of May of 1967, against the heart of Israel, with the assignment of conducting the total war aimed at rubbing out the last vestige of "Zionist existence."

At the beginning of 1967, Nasser felt himself sufficiently strong and well-prepared for a military confrontation with Israel. The developments that arose from this conviction were not long in coming. On May 17, the "Sautal-Arab" radio commentator said: "All Egypt is now prepared to plunge into total war which will put an end to Israel." On the 27th of the same month, Nasser said: "Our basic objective will be the destruction of Israel. The Arab people want to fight." And on the next day: "We are of sufficient strength. Should we enter into conflict with Israel, we shall, with the help of the Almighty, emerge victorious."

What Israel's fate would have been, had it lost the war, is a matter about which no illusions could be entertained by those familiar with the buildup over the years: "To the front!" screamed Damascus Radio. "More battles! Kill them! Butcher them! Wash your weapons clean of their blood in the waters of Jaffa, Acre, Haifa!"

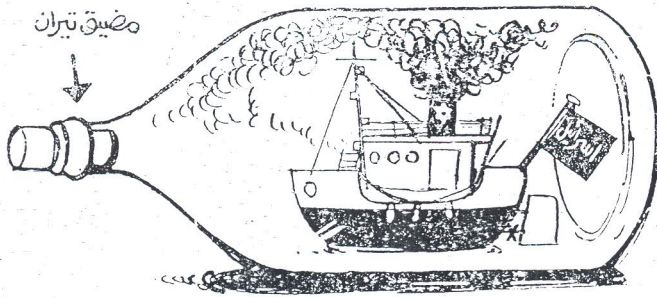

The cartoon selection presented in these pages offers evidence of the objectives, preparations and the first steps of execution, which makes other proof quite superfluous.

SPECIAL NOTICE

We need a new and up to date paper cutting machine at our Publishing House at Jerusalem the worst way. The one we have was purchased second hand many years ago and is about worn out. We have hundreds of thousands of tracts to trim, as well as Reporters. Please pray about this need, in our Father’s work here, and if He lays it upon your heart, and you are able, please send in some help to purchase a new up to date machine so we can do rapid and accurate work. You will receive a blessing for thus blessing Israel.

NEW TESTAMENTS AND BIBLES

Israel. On Sunday and Monday of last week, there were two hundred and sixty six cards and letters came in from people of Israel ordering Bibles, and New Testaments, Sunday and Monday of this week as we go to press, there were four hundred and forty two received, including many for the book of Daniel in Hebrew. Praise the Almighty that we can be here and witness this great work, and fill all of these orders.

Some of our dear readers and others are making this possible, with their tithes and offering, which is used as a part of their life transferred over here and spent in this good work where the Saviour spent his life. You are helping us sprinkle this clean water “The Word” upon Israel, fulfilling Ezekiel 36:24-25. The Spirit is doing its work as given in the following verses of this chapter.

LIFE IN ISRAEL

13-12

Shalom! to old friends and many new friends all over the world. It is good to know that the paper is spreading out because we feel that the time is short to give out the news of the Kingdom and each must do what he can.

Some of our good helpers along with some expert mechanics have got the machines to running again. This issue will go out at least two weeks earlier in the month than the last one did. We even have hopes of getting back on a good schedule.

A light form of the Flu has attacked many people here. It mostly took the form of head colds or a presistant wheezing in the chest. We have so far escaped any serious malady, and other trials have not been greater than can be borne. The blessings have so outnumbered the trials that we can only say Hallelujah!

The Sabbath service yesterday was well attended and a spirit of prayer prevailed. Young and old took part. It was indeed a time of refreshing. It is also encouraging to see the growing desire for Bibles here. Some of the brethren took a trip to Samaria and made some good contacts and gave out some Bibles.

Our Children have not returned yet, but will soon be on their way. We are praying for their safe journey across the States by car and that they can meet all their appointments.

Some recent rains have revived hopes for a fair crop of grain in the Negev. Today, the 11th of Jan., was supposed to bring more rain to those parts. Thus far Jan. has been unusually mild. There is an abundance of green things sprung up in our garden. Chickweed, Nettles, Borage, Fennei, Celery and Green Onions and also lots of Wheat and Alfalfa.

About 50 years ago the interest in Zionism was becoming world-wide. Many Jews as well as Gentiles considered that it was purely a Nationalistic Movement, but about that time Students of Prophecy began to preach

that the Bible predicted the regathering of the Jewish Nation to the homeland in the Latter Days. They also taught that there would be 3 World Wars before the Millennial Kingdom would be set up.

Some Jewish Patriots even took part in the First War which prepared the land for the people. The Second War prepared the people for the land. The Third War will vindicate their Right to the land, which was promised to Abraham many years ago.

An interesting account of their long struggle to possess the land is given in Micah 7:15-20. "According to the days of thy coming out of Egypt will I shew unto him marvelous things. The nations shall see and be confounded at all their might: they shall lay their hand upon their mouth, their ears shall be deaf.

They shall lick the dust like a serpent, they shall move out of their holes like worms of the earth: they shall be afraid of the Lord our God, and shall fear because of thee Who is a God like unto Thee that pardoneth iniquity, and passeth by the transgression of the remnant of his heritage? He retaineth not his anger forever, because he delighteth in mercy.

He will turn again. He will have compassion upon us. He will subdue our iniquities, and thou wilt cast all their sins into the depth of the sea. Thou wilt perform the truth to Jacob, and thy mercy to Abraham which Thou hast sworn unto our fathers from the days of old." Micah 7:19-20, "The Lord is not slack concerning his promises, as some men count slackness, but is long suffering to usward, not willing that any should perish, but that all should come to repentance." 2 Peter 3:9. "For I would not brethren that ye should be ignorant of this mystery, lest ye should be wise in your own conceit, that blindness in part hath happened to Israel until the fullness of the Gentiles be come in." Romans 11:25. Shalom

A Tourist Group To Israel

Anyone wishing to join a group of Bible loving people leaving the U.S. on tour of Israel in March, 1970, special reduced rates, write Mr. Paul Boyd at Rt. 2, Alma, Wisconsin, 54016 U.S.A. in order to make reservations. Brother Elmer Josephson, Editor of Bible Light magazine, will be with this group in Israel. The tour group will leave New York, March 2nd, and return the 12th.

PLEASE DO NOT FORGET!

Your entrance into the Kingdom will be blocked, and the door closed against you for: judging and condemning one-another. (Luke 6:37). For carrying a reproach against your neighbor (Psalms 15:1 to 3). For smiting (knocking) your fellow-servant. (Matt. 24:49). For hatred, variance, wrath or strife. (Gal. 5:20, 21).

QUESTIONS AND ANSWERS

Question,

What does Isaiah 11:11-13 mean?"

Answer,

The text reads, "The Lord shall set His Hand again the second time to recover the remnant of His people. . . He shall set up an ensign for the nations and assemble the outcasts of Israel and the dispersed of Judah from the four corners of the earth." "The envy also of Ephriam shall depart and the adversaries of Judah shall be cut off: Ephriam shall not envy Judah, and Judah shall not vex Ephriam."

This is definitely a prophecy of our day when the Jews and Israelites of the 10 tribes are being gathered here from the four corners of the earth, and now there is set up an ensign, (the Israel flag of David), for the nations. The first gathering of the Jews here was under the decree of Artaxerxes (Ezra 7th chapter), but notice it says, "The Lord shall set his hand AGAIN the second time", and that is now. He gathered them then only from the Babylonian captivity, scattered to the east and northeast from Jerusalem, but now in this second gathering notice, it says in verse 12, "from the four corners of the earth", They could not be gathered from all over the earth until they were first scattered all over the earth.

Yahshua (Jesus) said they would be thus scattered, speaking of the Jews, he said, "They shall fall by the edge of the sword, and shall be led away captive into all nations, and Jerusalem shall be trodden down of the Gentiles UNTIL the times of the Gentiles be fulfilled" Luke 21:24. Hence in this second gathering, they were to be gathered from the four corners of the earth. They are here now from over eighty four nations, and still coming in by the thousands every month.

The flag of Israel, the star of David, is now an ensign for the nations, bringing perplexity, and fear, which will increase more and more as the many miracles are repeated here, which are now being made public throughout the world and cannot be doubted. — 7 years also look

Question,

Has the kingdom of God been set up now, and is Israel the beginning of the Kingdom?"

Answer,

The Kingdom will be set up when our beloved King Yahshua comes down from heaven. He was born to be King of the Jews, and his coming is very near at hand, even at the door. Praise be to the Almighty for permitting us to live at this wonderful time, and witness the Remnant of Israel returning here. The nation Israel is only the "Vanguard" of the kingdom, that which goes before to prepare the way. See this side page 99

Question,

When Jesus returns from heaven, will the Jews in Israel accept him as their Saviour, and recognize him as the one who died for their sins?"

Answer,

The Jews all over the world, and those coming to Israel never were permitted from children, generation after generation, to hear the word Jesus, or to ever see a New Testament, but have been strictly taught about their coming Messiah as a great conqueror and deliverer. How could they accept him when he comes as the one

who died for their sins on Calvary, when they know nothing about it. All they have known about Christians, is that they are dangerous, and enemies of the Jews. How they have murdered them and killed them by the thousands at different times, including the six million killed by Hitler, backed by Rome. Preparing their hearts, according to the pre-announcement of Ezekiel 36:24 and 25, is the work going on here now, sprinkling the pure water of the WORD upon them. Some of the readers of the Reporter are having a noble part in this work of preparation as thousands of Bibles in Hebrew with both Old and New Testaments, and thousands of New Testaments in their own language are being sent out. It is wonderful the hunger now in their hearts for the New Testament. The Sunday mail the week this question is being answered, brought 90 cards and letters in from Israel asking for New Testaments. The Sunday before, there were 202 received, and they keep coming in. All orders are being filled. This great work of preparing hearts for His coming is now going on here. Tens of thousands, especially young people are reading the New Testament in Israel, and thus learning about this great man, Yahshua (Jesus), that He is a Jew, that he shed his blood on Calvary, and by and through the blood of "The Lamb of God" their sins are pardoned. Thus they are being made ready to receive him as their King and their Saviour when He comes down from heaven clothed in power and glory.

We have now more than twenty five thousand names and addresses in Israel of those who have written in for Bibles with both testaments and for New Testaments. How wonderful to see this work going on today, and still more wonderful to have a part in it. It is in this way and the only way to inform Israel of their real Messiah, who He is when He soon descends from heaven.

Question,

Please explain Romans 14:5 and 6.

Answer,

The text reads, "One man esteemeth one day above another: another esteemeth every day alike. Let every man be fully persuaded in his own mind. He that regardeth THE day regardeth it to the Lord, and he that regardeth not the day, to the Lord he doth not regard it."

The subject being discussed here is the wrong of Judging one another. Verse 4, also simply stating a plain fact of conditions existing then, just as they do now, some men esteeming one day above another while others esteem every day alike. That language applies to our time just as it did in the days of the apostles. Notice carefully this text. It does not say, "One man esteemth a day above another", but says THE day, meaning a special day, and that special day is the Sabbath. These texts do not teach us that any day is right to observe, or that we should keep every day, as many now interpret it, who "Have pleasure in UNRIGHTeousness" and want to continue desecrating "THE DAY", the only day that has been made holy and sanctified by the Creator.

It is just as true now as it was then, that he that regardeth THE day regardeth it to the Lord. Also those who do not regard a day to the Lord, they do not regard it, but this in no way lessens our responsibility in regarding "The Day" just as we are commanded to regard it.

GOOD HEALTH DEPARTMENT

IMPORTANT BUT SIMPLE LAWS FOR GOOD HEALTH

FRESH AIR, is one great essential for pure blood, and consequently good health. When air that has been breathed over and over, either by you or someone else, is taken into your lungs where it comes in contact with millions of tiny blood cells, where oxygen from the air is passed into the blood in exchange for impurities the blood has gathered from your body, it must be pure air to do its perfect work. Do not be afraid of pure air. Open your window wide where you sleep, but never sleep in a draft. Arrange your bed in such a way, that no draft of air strikes you. My mother slept in a sleeping porch made purposely to assure pure air. It was all screened in excepting the end where the head of her bed was arranged. The opposite end of the porch was open and about half of the side. Here she slept summer and winter when she was well up in years. She always ate properly too, and never had a cold, and never was sick. She lived well into the nineties, and I believe would have lived over the hundred mark, only for having fallen on a step and broke her hip. Don't be afraid of fresh air. It will never hurt you, and it is free.

PURE WATER, Get water from your own spring or well if this is possible. When living in the city or town where the so called wise contaminate the water with chlorine as they do now in most every State in the U.S., and about every country in the world. It is claimed that this will make the water pure by destroying germs it might contain. Some countries and several of the States in the U.S. have now forbidden its use.

CONSTIPATION, Be sure that you have two or three bowel movements every day. Have regular habits, and at the same time every day take care of yourself in this manner. An excellent time is the first thing after rising in the morning. No matter whether you feel like it is needed or not. You can soon train yourself so it will work. Then after each meal. It is dangerous to take laxative. A little will do the work to begin with, but it gradually takes more and more to serve the purpose, and this practice will bring a person in time to the grave. If you eat properly, consuming considerable food that has refuse matter, such as whole wheat bread which contains the bran, fruit and vegetables, and much raw food, you will have no trouble. Your body will not be a walking cess pool as many are, which sure brings on suffering, hospital bills, and business for the undertaker.

Use your food grinder or electric mixer, and grind up Greens, Lettuce, Swisschard, Beet tops, green Cabbage leaves, a little Carrot top, and enough Onion or Garlic tops to season it well. Add a little lemon juice and honey. Eat a portion of this at every meal. It is good medicine and easy to take. If you are hungry, you can make a meal of it.

Get Olives ripened on the trees. Buy them at the market. Place them in pans in the sun outside, or in the window. Do not let them dry until they are hard, but just shrivel them up, in both sun and shade. Then wash them if purchased on the market and possibly handled by someone with unclean hands. Now put them in jars, and cover them with olive oil. Drying them in the sun takes much of the bitterness away, and what is left is

excellent medicine. There is much strength in the olive, and assurance of longevity. The olive tree never dies. The same olive trees are in the Garden of Gethsemane that were here when the Apostles prayed there with our Messiah just before He was crucified.

Another excellent raw food dish is grated or ground carrots mixed half and half with grated apples. Another good one is avocado mashed up, and seasoned with half lemon juice and half comb honey.

Regardless of what you eat REMEMBER that feasting is forbidden in the scriptures (Jer. 16:8), that feasting is the end of all men, (Eccle. 7:2), also that dainties (sweets, etc.) are deceitful meats. (Pro. 23: 1 to 3. "Eat to live, and don't live to eat.")

Editor

Raw eating lays the foundation of an unprecedented renaissance for the entire humnity. All illnesses are completely overcome. Want, poverty and misery disappear from this world once and for all. The gigantic medical apparatus, with all its widespread literature, laboratories, hospitals, and pharmaceuticals, ceases its whole activity with the exception of cases due to accidents.

How does it happen that a giraffe can satisfy the requirements of his beautiful body, ensure his perfect health and appease his appetite with the simple leaves of trees; how can the camel do the same with the mere thorns of deserts, the elephant with the simple plants of forests, the horse with dried straw, but man can't do it with the complete collection of fruits, vegetables and cereals, and is compelled to resort to the aid of some artificial vitamins and animal proteins. The history has not yet registered a more stupid and absurd scientific deed than this.

Dr. Wigmore

What About Tithing?

continued from page 9

told us in Psalms 37:25: "I have been young, and now am old; yet have I not seen the righteous forsaken, nor his seed begging bread." Can't we trust God to take care of us as He has promised? I, for one, have seen the truth of God's promise to pour out a blessing.

I once was a very reluctant "giver." I seldom if ever tithed. I couldn't afford it, I thought. I held good jobs; I made good salaries; but I never seemed to have money for the barest necessities until I started tithing. Now I am simply amazed at how much farther my money goes.

There are times even yet I am tempted to keep back my tithes, and these are the times that I come the closest to financial distress. Then my conscience wins. I tithe and my money seems to go twice as far.

Everyone has his stumbling blocks to conquer. My next step will be bent in the direction of bridling my unruly tongue and teaching myself to judge myself more severely, and to judge other people not at all. Pray for me that I may overcome these two great weaknesses of mine.

CRAFTY COUNSEL AGAINST ISRAEL

"For, Lo thine enemies make a tumult: and they that hate thee have lifted up the head. They have taken crafty counsel against thy people, and consulted against thy hidden ones. They have said, come, and let us cut them off from being a nation; that the name of Israel may be no more in remembrance. Psalms 83:2 to 4. ...

The above conditions, preparatory for Armageddon, are not going to come to pass in the future, but **THEY ARE VISIBLY HERE NOW**. Read chapter 14 where all nations are to be gathered against Jerusalem. Then the Messiah comes. Verse 4. He will be king over all the earth verse 9. This world shocking, amazing event is very near at hand. Yes even at the door.

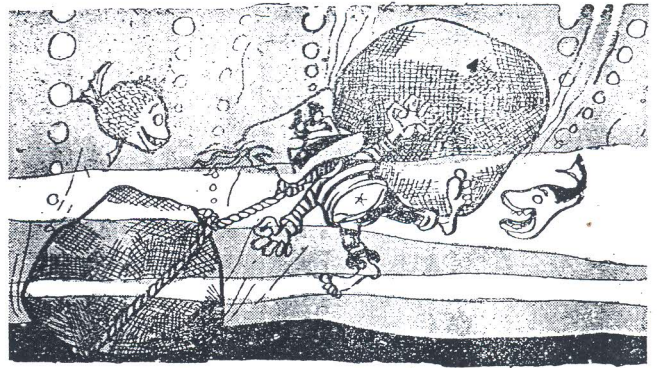

Editor.

One of the few points on which Arab states could find themselves in agreement in recent years has been their declared desire to annihilate ISRAEL (or, in their oft-repeated vernacular of their leaders, to "wipe Israel off the map"... "cast the Jews into the sea"... "put an end to Zionist existence by force"). To obtain this objective, the Arabs have soft-pedaled many of their own national interests and have sunk a sizable part of their national resources into the acquisition of highly expensive armaments and the building of large military establishments.

No deep probing is necessary in order to lay bare the annihilation objective of Nasser and the other Arab leaders, nor the manner in which they would proceed to achieve its execution. A brochure, containing a selection of cartoons from the Arabic press, published primarily during the first half of 1967, provides all the evidence required. Anyone familiar with the character of the social order in Arab countries, is also aware that the local press invariably serves the regime as a mouthpiece for its opinions and viewpoints. The Arab press is but one of the elements creating the hostile propaganda and "hate-Israel" education. Nasser and the other leaders have made use of almost every and any medium in fomenting the "ideological" campaign against Israel: pamphlets, films, television, radio and even school texts (the State of Israel does not appear at all on school maps. One of the subjects of study prescribed for high schools — May of 1961 — by the Egyptian Ministry of Education was "The Advance of Arab Armies and the Annihilation of Israel").

The main motive, constantly drummed into Arab consciousness by all these propaganda media has been: "Israel must be annihilated," or, as Nasser himself put it most succinctly in one of his speeches: "Our objective is the destruction of Israel. At the first Summit Conference we set before ourselves two goals — the immediate one, to complete the consolidation of Arab power, and, the national one, the liquidation of Israel." In the competition, among Arab leaders, for the crown of extremism and aggressiveness, Nas-

ser's statement on the subject was not the most outstanding. In May of 1966, President Atassi of Syria delivered himself of the following: "We are looking for a total war which will not recognize any bounds and which will eliminate not only Israel..." A year later an Egyptian radio commentator said: "The sole means we shall use against Israel is war — a war which will result in the final liquidation of Zionist existence."

The vociferousness of Arab invective persuaded many people of goodwill throughout the world to believe — as had already happened once in our day — that, behind this verbal barrage, there was no intent to act. There could be no greater fallacy. The threats and declarations have not been a product of "Oriental imagination". No more convincing proof of this fallacy is necessary than the fact that, after years of preparedness and training, Arab power had attained the ominous buildup of 3,000 tanks, 1,000 planes and half a million regular soldiers. This array confirmed the prediction made by the editor of "Al-Ahram" and Nasser's confidant, Muhammad Heikal, back in 1964: "Egypt is building the most powerful offensive force..."

ARAD. - Tourism to Israel this year will exceed 400,000, an increase of 25 percent over 1966 and a remarkable achievement in a year of heavily publicized border incidents - Tourism Minister Moshe Kol said here yesterday. Mr. Kol said that these figures are a "tribute to the stability" of the tourism industry in Israel, and a sign that the tourists flow will increase next year.

At Ein Bokek and Hamei Zohar, 110,000 persons visited the spas during the April-October period, compared to 75,000 in the same period last year. The establishment of the Arad Chemicals plant will also give a big push to the region, bringing with it 350 employees, he said. NASSER REPORTED READING BIBLE

While Paster Leroy Gager of Seattle was recently flying from Tel Aviv, Israel, to Munich, Germany, he was seated beside a Lieutenant of the Israeli Army. They had quite a visit together, and during the visit he gave this Jewish man a copy of the booklet THE DEATH OF EGYPT. He read it immediately. He expressed great interest in its message, and expressed the fact that it was remarkable in that word had been received that Nasser was now reading the Bible, and that the report had come to Israel just a few weeks after the date given in the booklet when the open letter was mailed to General Nasser. He stated that the report was that Nasser had also been encouraging his Generals to read the Bible.

It seems that the main reason they are reading the Bible is to better understand the Israeli mind, but in doing so let us pray that the Word of God will have a wonderful effect in their lives. Could it be that it was our letter to Mr. Nasser that stimulated his interest in the Bible?

ARABS BUILDING MILLION MAN ARMY

KHARTOUM. — President Nasser told a mass rally yesterday that a million man army is being built for a struggle until final victory against Israel.

The Egyptian President addressed the 60,000 strong rally as part of a 36 hour visit to the Sudanese capital. TEL AVIV. — Forty five percent of the immigrants to Israel since the Six Day War came from the U.S. and West Europe, as compared to five percent before the war. This was stated by the Director General of the Absorption Ministry, Mr. Yosef Geva, in an address before the Engineering Club here on Friday.

Of the 11,000 breadwinners amongst this group, nearly a third were professionals, he said. Ten percent of those who arrived last year were doctors.

Mr. Geva said the Ministry was considering instituting a scheme whereby foreign residents could come to Israel for medical treatment, which is much cheaper here than in the west.

55,000 IMMIGRANTS EXPECTED IN 1970

TEL AVIV. — The security situation has not affected immigration, and prospects for 1970 fluctuate between 55,000 and 60,000. Mr. Arye Pincus, chairman of the Jewish Agency Executive, told the Engineers Club here on Friday. He based his estimates on the ever-mounting curve of immigration statistics since the Six Day War.

Some 6,000 immigrants are expected to arrive from the U.S. and Canada by the end of the year, 38 percent of them "young" under 34 years of age.

Of the 7,000 Jews who left Poland since the Six Day War, some 3,000 came to Israel.

'Israel Is Best Ally West Could Ask For'

LONDON. — The "Daily Telegraph" said yesterday that Israel is the best and most undemanding ally the West could ask for. "All she asks is that while Russia scorns any arms embargo and profits from Western hypocrisy and pusillanimity, she should be allowed to buy arms.

Arab Failures

"The Times" said that the alternative, which the Arabs had chosen, was a guerrilla war inside the occupied territories and a war of attrition along the frontiers. It said that the terrorist war was mainly hurting the Palestinians under Israeli occupation, and that the war of attrition along the frontiers was equally unsuccessful.

"The Israelis are much better at such things than the Arabs, and their military superiority ensures that Egypt and Jordan suffer far more heavily than does Israel," the newspaper said.

The "New York Times" said yesterday: "At this moment typewriters must be clicking away in half the film studios of the Western make-believe world as writers reconstruct the latest thriller pulled off by the Israeli James Bonds, who snatched a seven ton radar station from an Egyptian coastal position on the Gulf of Suez and, with the lift of powerful helicopters made it disappear. The only thing missing besides the Russian built installation is the obligatory nude scene.

News of the daring feat was held up for over a week, and released here only yesterday, after the story had been broken by the "Daily Express" of London.

It now has been learned that the target was a "P-12"

nobile anti-aircraft radar station, the most modern supplied to the Egyptians. The unit, mounted on two Zil type truck platforms, had replaced radar stations in the area destroyed by Israeli attacks.

TEL AVIV. — Israel troops crossed the Lebanese frontier on Friday night, brought back 22 prisoners, 11 of them Lebanese soldiers, without firing a single shot before they blew up a large concrete border post. The action took place less than 48 hours after terrorists kidnapped Israel watchman Shmuel Rosenwasser from Metulla.

MEIR: JEWISH UNITY OUR COMFORT

TEL AVIV. — "Jewish identification with us is our greatest source of comfort," Prime Minister Golda Meir said last night in addressing the Executive of the World Jewish Congress.

The response of Jews the world over to the 1967 events showed that they were concerned not only with the fate of Israel, but with the future of the Jewish people in general.

Mrs. Meir commented bitterly on the reported remark of French Defence Minister Debre on Radio Luxembourg that the Israeli Prime Minister wants total war. "Nothing could be more absurd," she said.

20 Terrorists Captured In Hebron Area

TEL AVIV. — Twenty terrorists were captured and another killed in a roundup by security forces in the Hebron area, it was announced early this morning. The hunt began in the village of Fajar, in the Hebron district, on Tuesday and ended yesterday.

A group of five young men were found hiding in a truck about to depart for Jordan via the Allenby Bridge.

Their interrogation led to the arrest of another villager and the disclosure that a gang was hiding out in a cave nearby. These men were, however, found only the following day, Wednesday, during an extensive search of the area. In this action, one of the terrorists was killed and five others seized.

Three more villagers belonging to the gang were later identified and arrested.

3 SYRIAN MIGS ARE DOWNED

TEL AVIV—Three Syrian Mig 21's were shot down over Syrian territory yesterday, and the Air Force also carried out raids in the Suez Canal area and on terrorist positions in Lebanon. All the Israeli planes returned safely to their bases, the Army spokesman announced.

Israeli Jets strike Deep Inside Egypt Targets Hit Near Cairo

TEL AVIV. — Israeli jets struck deep into Egypt during the early afternoon hours yesterday, blasting military camps south and north of Cairo, including that at Tel el Kabir, the largest Egyptian military installation. The strike at the Nile Delta was one of the deepest Israel air raids into Egypt since the Six Day War.

SAYS DR. GOLDMANN POSITION OF U.S. JEWS WORSENING

TEL AVIV. — Dr. Nahum Goldmann, President of the World Jewish Congress, yesterday warned American Jews to expect a worsening of their position in the "decade of instability" he sees in store for the U.S.

Speaking in the general debate on North American Jewry at the meeting of the W.J.C. Council at the Dan Hotel here, he said: "It is a historical fact that whenever the stability of a country is shaken, minorities and particularly the Jewish minority, experienced a deterioration of their situation."

Dr. Goldmann stated that the "era of America as the policeman of democracy has ended." With the U.S. in a virtual state of "pre-revolution," the Nixon Administration seeks only to end the Vietnam war.

He further said: "The Jews in America still live under the illusion that the Truman era continues, but it does not. There is no Jew in America now who can phone the President at any time." He said the Administration does all it can to disassociate itself from Jewish circles.

Rabbi Raip Simon, President of the Rabbinical Assembly of America, called for a "strategy to fight intermarriage or bring those who do into the fold of Judaism." He also recommended "bringing all the young Jewish Americans for a visit to Israel" as the best means to preserve their attachment to Jewry.

Remarks. — There will be a continual deterioration experienced by the Jews not only in America, but over the world as we approach the final drama of Gentile times. This will be more severe, however, in America, because of the immense wealth there in the hands of the Jews. In the book of James, chapter five, we read, "Go to now ye rich men, weep and howl for the miseries that shall come upon you. Your riches are corrupted, and your garments are moth-eaten. Your gold and silver is cankered; and the rust of them shall be a witness against you, and shall eat your flesh as it were fire. Ye have heaped treasures together for the last days." James 5:1-3.

Many Jews in America will be caught in a snare just as those were in Germany. They will not come to Israel because of their desire to pick up still more millions. With many their motive is good. They are purchasing Israel bonds, and helping Israel in different ways. This class will be blessed and we believe delivered, but on the other hand many are not sacrificing and assisting in the needs of this little nation, but covetously living in pleasure and piling up more and more.

WHEN RUSSIA ATTACKS ISRAEL

The prophet Ezekiel has given us more than one whole chapter concerning the future fate of Russia. The prophet speaks thus: — "And the word of the Lord came unto me saying: Son of man set thy face against GOG the land of Magog, the chief prince of Meshech and Tubal, the prophecy against him." (Ezek. 38:1,2).

The word "Gog" is derived from the root word — "Rosh", from which the name "Russia" originated, and the word: "Meshech", is the root word from which Moscow is derived. Gog, Magog, and Tubal were the grandsons of Noah. (Genesis 10:2), and you will learn by consulting a map in the back of your Bible that they settled in southern Russia after the flood.

The prophet names several other nations, Gomer (East Germany), Persia, Ethiopia, and Libya, all of which are yet known by these names, except that Persia is often spoken of as Iran. Their whereabouts are known and all mentioned in this chapter are either Russian satellites now or lean favorably toward her. After the prophet mentions seven different nations, he says of Gog, or Russia, in verse 7, "Be thou a guard unto them". This is her position today.

In verse eight we are told that: "After many days thou shalt be visited in the latter years thou shalt come into the land that is brought back from the sword, and is gathered out of many nations, against the mountains of Israel". This plainly tells when her attack will be made, and that it will be after the Israelites or the Jews have been gathered there from all nations, just as they are now being gathered.

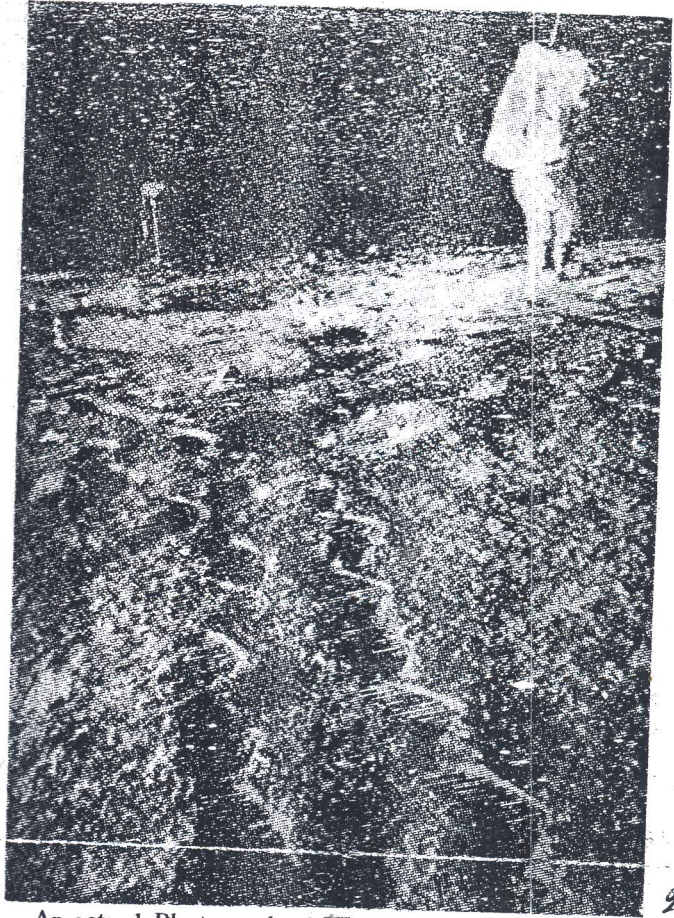

Listen further to what the prophet says: "Therefore son of man prophesy and say unto Gog, thus saith the Lord God, in that day when my people of Israel dwell safely thou shalt know it, and thou shalt come up against my people of Israel, as a cloud to cover the land (many airplanes), it shall be in the latter days that I shall bring against thee MY LAND". WHY? — "THAT the heathen (Gentiles), may know me, when I shall be sanctified in thee, O Gog before their eyes." Verses 14-16.

The Presence of God Revealed

When Russia attacks in the near future, then EVERY MAN on the face of the earth will shake at the presence of God. (Verse 20). There will be such a general earthquake all over the world, as was never known before. The mountains will even be thrown down, and the deep gullies and canyons be filled up. The steep places shall fall." — Verse 20.

Heaven will take a hand in the affairs of men at that time, with miraculous power and destruction of wickedness. This will be the beginning of the stern intervention of heaven against the powers of wickedness and godliness in this old world. It will be the beginning of the end of a world of sin, and the triumph of truth and righteousness and right.

This chapter concluded with the statement: THUS will I MAGNIFY MYSELF and SANCTIFY MYSELF, and I will be known unto the eyes of MANY NATIONS and they shall know that I am the Lord." Verse 23.

Only One Sixth Left

Russia proper has a population today of approximately one hundred and fifty million, and the Lord declares: "I will turn thee back and leave but a sixth part of thee." This is when he brings her against Israel. (See chapter 39:2). One sixth part of one hundred and fifty million would be twenty five million left, but it will be the destruction of one hundred and twenty-five million people. The prophet says further: — "Thus shalt thou fall upon the mountains of Israel, thou and all thy bands and the many people that is with thee. I will give thee unto the ravenous birds of every sort, and to the beasts of the field to be devoured." Thou shalt fall upon the open field. I HAVE SPOKEN IT SAITH THE LORD." (Verses 4, and 5. Chapter 39).
