— Revelation 20:15. —

Our Creed — Revelation 12:17.

This work is supported entirely by Tithes and Freewill Offerings, as the Holy Spirit lays it upon honest hearts, that love Jerusalem, to have a part with us in the Master's Work, awaiting His soon returning to the Mount of Olives, where He departed, ascending to the Father.

"And it shall come to pass in the last days that the mountain (government) of the Lord's house shall be established above the hills and all nations (the people of all nations), shall flow into it. . . for out of Zion shall go forth the Law and the word of the Lord out of Jerusalem." — Isaiah 2:2, 3.

The phrase: "In the (last) days" (Isa. 2:2, 3) never refers to the Millennium, but always to this Gentile Age.

Daniel And Revelation

Daniel and Revelation are closely associated ~~by the care of two mighty angels~~ Gabriel and Michael. These are the angels assigned by the Father to the great work of pre-announcing in detail the events in their order to take place on the earth. They have charge of the heavenly records that deal especially with what is to take place on this planet. There are no other angels, who have this responsibility, or hold with them in these things. Daniel 10: 21.

Daniel said: "While I was speaking in prayer even the man Gabriel whom I had seen in the vision at the beginning being cause to fly wiftly touched me . . .". Daniel 9: 21.

He gave Daniel the pre-announcement of the coming Messiah, and when he was to come. While Gabriel had great power, yet he failed to conquer the mind of the prince of Persia, who withstood him three weeks, until Michael came to his assistance. Daniel 10: 13.

In verse 21 Gabriel informed Daniel that he was going to show him what WAS WRITTEN in the scriptures of truth. This had never been written in our Bible, therefore it was in the scriptures the angels have in heaven. Gabriel said there was none that held with him in these things — (telling the future), — but Michael. Hence it is these two angels who evidently have charge of this work in pre-announcing the important events to take place on our plan-

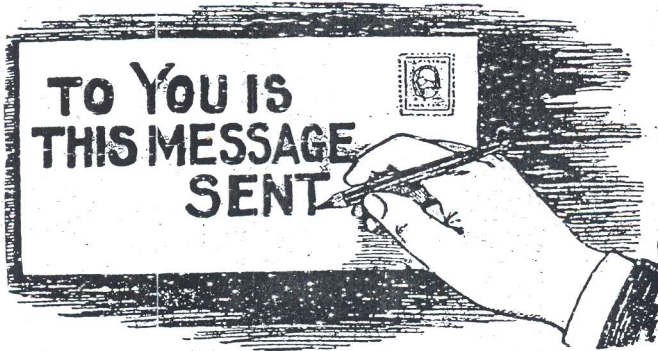

net. They now give us the 11th and 12th chapters of Daniel beginning with chapter 11, verse 2, the events in their order down to and including verse one of chapter 12 to the time of worldwide trouble now growing worse and worse. Note verse 4 that "The Time Of The End" would be known by the increase of knowledge and many running to and fro.

Note that this eleventh chapter was copied from the heavenly records which Gabriel and Michael had access to. It says: "I will shew thee that WHICH IS NOTED IN THE SCRIPTURES OF TRUTH." It was in this way transferred down here to us, but it was SEALED UP.

As the book of Revelation in almost its fullness concerns what will take place here in the latter days, these same two angels evidently have revealed it to us.

It is called "Revelation," and it says in verse one that it was sent and signified by an angel to his servant John who was also a Jew as Daniel was.

We are told that the book of Daniel was sealed until the "Time Of The End," as previously mentioned but when the book of Revelation was completed the angel said: "Seal not the sayings of the prophecy of this book." Chapter 22: 10. It was sealed in heaven, however, and no man could be found to open it. John wept much because he wanted the information con-

tained therein to be known. Chapter 5; Verse 4. It says: "The Lion of the tribe of Judas" prevailed and opened the book. Notice how wonderfully this agrees with the first verse of chapter one, that it was an angel also that revealed and made known the book of Revelation, and directed in the work of unsealing it; and also pronounced a blessing on all who read it, and kept the sayings within. Hence you who are now beginning this study of Revelation, are sure to have a blessing, that will be with you the rest of your days, and ~~and~~ give you a place with the redeemed, in the everlasting kingdom, right here on this earth, when this great King of kings reigns on Mt. Zion.

The writer of this last book in the Bible called "Revelation" was an outstanding Jew, one of our ancient prophets and sages. He has become renowned and most popular in our day because of these prophecies having come to pass in every detail, and especially in regard to the world conditions and political events now taking place.

Although having lived nearly two thousand years in the past, it has been discovered that this author pre-announced the great changes of human government in this period ruled by Gentile kings. Students of history are becoming more than enthusiastic over the precision and accuracy by which history responds to its prophecies, and this book is rightly named "Revelation," because of its wonderful revealing of future events thousands of years before they took place. It is therefore on this basis that his writings have become popular, and the events of the future from our day are fully established according to these enthusiasts in-as-much as not one prophecy of this prophet has failed. Therefore the future of our world is certain as thus pre-announced.

His prophecies pierce the gloom of present day world troubles, and open up the silver lining of the great beyond that instills hope and joy to those who read them.

Limited space forbids our going into lengthy detail with the explanation of each chapter and each verse but for the introduction we shall group together the first four chapters as they all pertain to the message to the seven con-

gregations of the true believers. It is good however, to note particularly verse three of chapter one, "Blessed is he that readeth and they that hear the words of the prophecy of this book, and keeping the saying that are written herein."

This means that there is a blessing awaiting you as one of the many readers, and hearers of the wonderful messages and pre-announcements of the future from that time which have come to pass with wonderful accuracy, and are now recorded by historians, or spread out before us in present world conditions, with only a very few awaiting the future to reveal. These are sure to come.

The angel said to this prophet: "Write the things which are and the things that shall come hereafter."

(Chapter 1, verse 19).

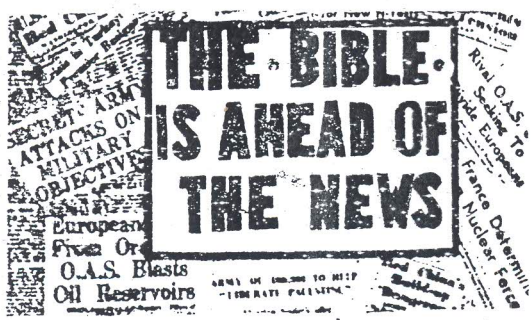

DEDICATION

Notice that the message in this entire book is sent to just seven congregations, while there were many more of the same faith scattered throughout Palestine and Asia. None of the congregations in Palestine are mentioned. These seven (seven denoting completeness) begin with Ephesus, and close with Laodicea, a miraculous truth noted in this divine arrangement. The word "Ephesus" means "Desirable" or lovely. It is the message to that period of the true faith which in its beginning was desirable and miraculously wonderful.

The next congregation at "Smyrna" represents the second period when Nero and Diocletian waged bloody persecutions on the faithful. This was the city where the chief industry was the raising of myrrh, aloes, and such things used to embalm and anoint the dead, and is suggestive of persecution and death. Read Chapter 2 verses 9 and 10 how exactly it fits this second period. The Diocletian persecutions lasted exactly 10 years, as verse 10 says "10 days" and we are told to take a day for a year in Bible prophecy.

The next was "Pergamos" the third period, the word meaning "High and Exalted." It was entering into the days when the western Bishops flirting with the civil affairs coveted high positions in the Empire. It represents that

period when "Church and State" were united. This was most wonderfully illustrated by giving the third message to the church at Pergamos. The message also fits it perfectly: "I know thy work, and where Satan's seat is... and thou hast not denied my name... in those days when 'Antipas' Anti Paps was a faithful martyr, who was slain among you where Satan dwelleth." That is those who were anti-Papists who were against the Pope and the exalted position he occupied.

The fourth period "Thyratira" the word meaning "A sacrifice of contritions," that which is nearest and dearest. The horrid persecutions from Rome. Reading the scriptures was forbidden, and thousands of Jews and Sabbath keeping followers of the Messiah were slain. It is as in deed a period well represented by giving this message to the congregation at Thyratira."

Notice chapter 2: 20 where a message is addressed to the faithful: "I have a few things against thee, because thou sufferest that woman zebel which calleth herself a prophetess to teach and to seduce my servants." This period is further represented in Rev. chap. 17 where the church is illustrated by a fallen woman or zebel.

Notice also that in every period the Spirit promised great spiritual blessings and reward to the overcomers, those who by the power of the Holy Spirit in their lives were able to separate from the world, overcome threats, persecution, and even death and stand firm, to be worthy and qualified to receive the crown of the eternal.

The next period is "Sardis," the word meaning "That which is Left." The instructions given to the angel for this period exactly fit the name "Sardis." — "Be watchful and strengthen the things that remain, that are ready to die." Verse 4: "I have a few names even in Sardis which have not defiled their garments, and they shall walk with me in white." Then the promise is given that their names will not be blotted out of the book of life.

Then comes the sixth period, the message to the sixth church or congregation of believers. — "Philadelphia." This word means "Brotherly Love." The one here speaking holds the key of

David and is going to sit on his throne. Notice how appropriate is the message, and how it fits this sixth period. This was the time when in the U.S.A the city of Philadelphia was established in the state of Pennsylvania by a man by the name of William Penn. It was established on this principle of "Brotherly Love," and the persecuted people in Europe were invited to this haven of liberty, and Democracy. There had been set before them an open door, that no man could shut. Note verses 7, 8. No man has

ever shut this door of "Religious Liberty," and never will do so. Both Catholicism and Communism are trying their best in a subtle way to do that very thing now, but it will never happen. Note verse 11 of chapter 3: "Behold I come quickly. Hold fast that no man take thy crown." This was an appropriate message, for the signs of the last days were beginning to come to pass, and the Messiah's coming was drawing near. There will always be an door open somewhere for freedom of religion.

Now we come to the seventh and last period of this age, the message to the seventh "Congregation of the believers." Here it is, — "I know thy works, that thou art neither cold nor hot; I will spue thee out of my mouth."

Here we have an exact picture of the professed religious world in our days: "Neither cold nor hot," rich and increased with goods, saying they have need of nothing, a world seeking after wealth and pleasure, but self righteous, thinking they have need of nothing. The messenger says they are poor and blind and naked.

The instructions are buy of me (get the riches from above), buy of me gold tried in the fire that thou mayest be rich, and white raiment (purity), that thou mayest be clothed" . . . The Messiah stands at the door (the door of his mind, heart), He says: "I will come in to him, and sup with him, and he with me." Chapter 3: 14 to 20. This ends the seven church periods, taking us step by step over about 2000 years.

hearts today, to turn away from the worldly sins and pleasures. All who hear His voice have the promise that He will come in unto them, and sup with them, and they with Him. They will drink of the water of eternal life, escaping the terrible destruction soon to come upon this world. "As a snare shall it come upon the face of the whole earth." He says: "Behold I stand at the door and knock." He is trying right now to call you into a deeper and more useful, consecrated life, to help in saving others, as well

as David, asking that this divine power called the "Holy Spirit" will not be withdrawn from him. Only by its presence and power can we in our weak flesh and blood condition depart from wickedness, observe all of the ten commandments, to be worthy to be delivered and enter into the kingdom when our Messiah comes.

Summary of chapters 4 and 5

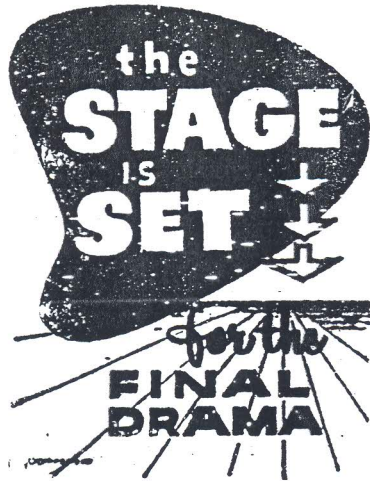

Chapter four, — These four and twenty elders are believed to be the 12 Patriarchs of the Old Testament, and the 12 apostles of the New Testament. This chapter deals with conditions here on earth which will follow verse 21 of chapter 3, the Kingdom set up here on the earth. This is confirmed in verse 10 of chapter 5.

A beast in Bible prophecy set forth in both Daniel and Revelation symbolizes a nation or earthly kingdom (Daniel 7: 17, 23), therefore these four beasts of chapter 4 symbolize the four most powerful earthly kingdoms or nations which will exist here on earth immediately following the establishing of "The Kingdom of Elohim," for which we have all been praying for nearly two thousand years, — "Thy kingdom come thy will be done in earth as it is in heaven" — Matt. 6: 9 to 18. The tares from among these nations will be rapidly gathered out, however (Matt. 13: 40, 41). That there will be nations left in the earth after the Messiah comes and is KING here at Jerusalem is further confirmed in Psalms 110, and in Rev. chapter 2: 27, 28, compared with Psalms 2: 6 to 9; Zechariah 14: 16, 17.

The four beasts, represent the four leading and most powerful nations left here after the Messiah comes. It will be noticed, however, that their nature has been considerably changed from the Ravenous carnivorous to the humble intelligent and harmless creatures except the one mentioned as the lion. It will be observed that four nations are now outstanding, and the "Big Four" quite often mentioned. This was also true during world war one, and world war two. There were four frequently mentioned in the world news. Now we still hear of the big four referring to the four strong nations. There are also to be four at the beginning of the kingdom.

He is to rule with a rod of iron, and with the strength of the lion. This nation will be composed of 144,000 having the "Father's name written in their forehead" and all the redeemed and adopted Gentiles from every nation, who have become Israel, or Abraham's seed.

Note the weakness of the other three beasts as compared to the Lion, vi. the Calf, — the one having the face of a man (intelligent), and

as to save yourself.

We are down in this seventh and last period of the world's history, when terrible things are just ahead for all who love the world more than the Creator, and are living in willful disobedience and sin. Now is the time to escape, while He still knocks at your door.

EXPLANATION

History tells us that John the author was sentenced to death by being cast into a tank of boiling oil, that he arose with the hot oil running down his face and off of his clothes, and felt no harm. As he gave forth powerful words concerning his faith a sweet aroma perfumed the air around the place. His enemies were converted accepting his teaching and were added to the faith.

Note the last portion of chapter one verse 19, that the whole book concerns the things which John has seen, those which were then and what was to come to pass thereafter. History has recorded these things as they came to pass, with astonishing accuracy from that time to the present thus establishing our faith that what is left for the future will not fail.

Special attention should be given to verses 7, 11, 17 and 62 the promise of eternal life with an entrance into the Kingdom is given only to the overcomer in each of these seven periods. That is, each one, in every period, must earnestly pray as David did for overcoming victory (Psalms 15), by the presence of the Holy Spirit, and seek help from heaven

the other like an Eagle. The "Lion of the tribe of Judah" (Rev. 5: 5), is to rule with a rod of iron, plainly stated in the following scriptures, Psalms 2: 6 to 12, — Revelation 2: 27, Psalms 110.

We quote these scriptures here as follows.

Psalms Two

THE PRESENT AND FUTURE

- 1. Why do the heathen rage, and the people imagine a vain thing?
- 2. The kings of the earth set themselves, and the rulers take counsel together, against the Lord, and against His anointed, saying,
- 3. Let us break their bands assunder, and cast away their cords from us.
- 4. He that sitteth in the heavens shall laugh: the Lord shall have them in derision.
- 5. Then shall he speak unto them in his wrath, and vex them in his sore displeasure.
- 6. Yet have I set my king upon my holy hill of Zion.
- 7. I will declare the decree: the Lord hath said unto me, thou art my Son; this day have I begotten thee.
- 8. Ask of me, and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession.
- 9. Thou shalt break them with a rod of iron; thou shalt dash them in pieces like a potter's vessel.
- 10. Be wise now therefore, O ye kings: be instructed, ye judges of the earth.
- 11. Serve the Lord with fear, and rejoice with trembling.
- 12. Kiss the Son, lest he be angry, and ye perish from the way, when his wrath is kindled but a little. Blessed are all they that put their trust in Him.

Here is Psalm 110 :

- (1) The Lord said unto my Lord, "Sit thou at my right hand, until I make thine enemies thy footstool."
- (2) "The Lord shall send the rod of thy strength out of Zion: rule thou in the midst of thine enemies.
- (3) Thy people shall be willing in the day of thy power, in the beauties of holiness from the womb of the morning: thou hast the dew of thy youth.
- (4) The Lord hath sworn, and will not repent. Thou art a priest for ever after the order of Malchizedek.
- (5) The Lord at thy right hand shall strike through kings in the day of his wrath.
- (6) He shall judge among the heathen, he shall fill the places with the dead bodies; he shall wound the heads over many countries.

He told the apostles that all things written in he Psalms concerning Him must be fulfilled. Luke 24: 44.

He is now our High Priest at the right hand of the Father's throne in heaven, but is soon to have his enemies at His footstool, Verses one and two above.

The beginning of chapter 4 speaks of a door being opened in heaven, and John was invited to come up there. He did so in a vision and was shown things to take place thereafter. Here we have the unsealing of the "Book of Revelation," the last writings by man when directly connected with heaven, and this closes the Bible, with the statement that nothing more was to be added. Chapter 11. verse 18.

The unsealing of this book was by "The Lion of the tribe of Judah, and it was Yahshua our Messiah who opened it up. Verse 2 of chapter 4 just after John was invited to come up to be shown what MUST TAKE PLACE HERE-AFTER. It says: "Immediately I was in the Spirit," and a throne was set in heaevn. There were four and twenty elders and four beasts seen in heaven, but these were concerning things that were to take place on earth. Verse 10, chapter 5. In chapter 12 the woman and the dragon were both seen in heaven, but the chapter concerns things that took place on the earth; the same as all of the book of Revelation.

(Continued in Next Issue.)
"Opening The Seals"

GATHER MY SAINTS TOGETHER, THOSE THAT HAVE MADE A COVENANT WITH ME BY SACRIFICE. PS. 50: 5

Here is a command to gather His saints together. Who are His saints? Let the Bible answer. Here it is :

"Here is the patience and FAITH of the SAINTS, here are they that keep the Commandments of God and the FAITH of Jesus." Rev. 14: 12 also Rev. 12: 17.

These are the people now scattered all over the earth to be gathered together as one people. They make up the REMNANT church against whom at the end the Devil is particularly wroth and makes war. Rev. 12: 17. There are many groups of these loving people, but they do not as a rule fellowship one with the other. The command is that they shall be gathered as one people in the time of the end, just before the judgement by fire which will test every man's work.

The Word says, "Out of Zion the perfection of beauty God hath shined. Our God shall come and shall not keep silent. A fire shall devour before Him, and it shall be very tempestuous round about Him. He shall call to the heavens above, and to the earth that He may judge His people. Gather MY SAINTS TOGETHER unto Me. Those that have made a covenant

LET US TAKE ANOTHER LOOK AT THE SABBATH QUESTION

Many people in many lands are reinvestigating the important question as to the correct day to observe for the Sabbath. It is the blessed Holy Spirit bringing this about in this Ending Time period when Gabriel told Daniel that knowledge was to be increased at the "Time of the End." — Daniel 12: 4.

Many loving pious people have in the past observed Sunday for the Sabbath honestly believing the day had been scripturally changed, and that was the right Sabbath for Christians to observe. These people will be among the saved ones because darkness covered the world emanating from Babylon, and Rome, but now knowledge has been wonderfully increased in every line of science. Printing presses running by electricity, and turning off millions of Bibles in every language, and also histories of the past through which prophecies are understood, and the sealed book of Daniel opened (Daniel 12: 4).

The beast power unmasked, and the true source of the change of the Sabbath revealed. The warning to the entire world against the BEAST, and his mark. The call to "COME OUT OF BABYLON," is the very last message to go forth, and it has gone, and is going to be finished to every nation on earth in every language. — Rev. 14: 9, and 18: 4.

No one will escape this message of light.

"If we walk in the light as He is in the light we have fellowship one with the other, and the blood of Christ cleanseth from all sin." — 1 John 1: 7.

But if we do not walk in the light, then our sins are not forgiven.

There was a period of beast rule, known in all history as "The Dark Ages." The Bible speaks of this "Time of ignorance that God winked at," but now commandeth all man everywhere to repent." — Acts 17: 30.

The heavenly Father does not hold people responsible for their errors when they had no chance to hear or know about the TRUTH. "But now He commands" them to REPENT.

Furthermore we are commanded to "Love the Truth," with a solemn warning that if we do not possess "A love for the Truth," we will be given over to strong delusion, and made to believe a lie and be damned. 2 Thes. 2: 10, 11. Truth is what sets us apart from the world. — "Sanctify them through thy truth, thy Word is truth." — St. John 17: 17. The word "Sanctify" means to be set apart, and the true Sabbath truly makes a division between

us and the world, and sets us apart from it.

Many people keep Sunday because they believe the Messiah "Christ," rose from the dead on that day, but all who have made an investigation of this subject because they possessed "This Love for the Truth," will tell you that it is a grave error, a deception emanating from Rome, to "Deceive if possible the very elect."

First. The only sign our Messiah gave that he was really the true Messiah was that he would be in the earth "Three Days and Three Nights." — Matt. 12: 38 to 40. This is a mathematical impossibility with the common belief that Good Friday was the day of His crucifixion, and Easter Sunday the day of the Resurrection. Not one scripture in the Bible tells us He was resurrected on the first day of the week. Different visits were made to the tomb on that day but every time we are told that He was not there. The first visit made, was "In the end of the Sabbath, when the stone was rolled from the tomb and when He was resurrected. See Matt. 28: 1 to 6. That was when the resurrection actually took place. The days scripturally end at Sunset. Genesis first chapter, and Lev. 23: 32, etc., etc.

Therefore this first visit, made just to see the sepulchre, was before sunset. The Holy Spirit said it was in the end of the Sabbath as it was dawning (Greek 'Epifisco') or drawing on towards the first day of the week.

Notice the Holy Spirit in giving us this account which was in the period after the resurrection called it "The Sabbath," and the day following just the "First Day of the Week, and that is its title, but the day before in fifty places in the New Testament is called "The Sabbath."

As many of you readers, no doubt have been honestly observing "Sunday" because you were taught it was the day of the resurrection, now since you have this light from the Holy Scriptures, and see that the resurrection actually occurred the day before, it is now time to change over and keep the correct day of the resurrection, the day that all of the apostles, and patriarch, and prophets of the past kept. Also the day that our beloved Messiah made it His practice to keep. — Luke 4: 16. He says: "I am the light of the world. He that followeth Me shall not walk in darkness but shall have the light of life." — St. John 8: 12.

LIFE IN ISRAEL

Shalom!

Greetings of peace and love. This first day of June finds our living room alive with busy little workers. Our children from twelve years old and up and two of Bro. Schlenkers children are busy assembling the June Reporter and some other helpers are wrapping the Reporter up with a Messenger for mailing. We had hoped to get it out sooner but several things interfered. Gradually things are getting caught up. The children are a big help and Andy is getting the printing work back on good footing.

This is the time of year for Bonfires. We burned the dry grass around the bee-hives and also around the edges of the garden so as to protect the fruit trees from sudden devastation, but still there was a danger from numerous fires around and we had to stand guard with the hose on several occasions.

Then the heat wave came. It was said to be the worst since 1927. In the valley this side of Tel Aviv the temperature was 46 C. which is about 112 F. Up here it was about 102 F. Brush fires kept the Fire Department busy for a few days. We also had a few skirmishes with more fire so we decided to clean out all the dry grass and weeds and be done with it. We had neglected it and it was a wilderness but when the weeds were cleared away then numerous green plants could be seen trying to grow.

There was lots of Swiss Chard, one was 4 ft. high. Then there were Jerusalem Artichokes which grow very tall and have pretty yellow blossoms in the fall and the roots are edible. Also there were plants of Salsify, Borage, Fennel, Rue, Mint, Asparagus, Alfalfa, Snuapdragons, Daisies, Marigold and Sabra Cactus.

Besides the above there are Hollyhocks, Geraniums of different colors, Lemon balm, Summer Lilac, Perennial Morning Glories, and trees of Peach, Apple, Plum and one each of Fig and Mustard. How did they all get there? Just a little seed dropped here and there or a slip of a tree etc., during the last 18 years. We both like to till the soil but do not have the time to do it properly now.

We have had many visitors during the last month. There was Bro. E. Smith of England who left about 1 month ago after his second visit here; Elder and Sister Taine of Australia and another Bro. and his wife from Australia. Their name was Adler. Bro. Taine is a Jewish Minister who was spared from death in a Concentration Camp and has been carrying the

good news of Salvation ever since. Also Bro. and Sister Anderson Myers of Gan Yavne were with us a few days and many others. Besides those visitors from afar there has been many local people who have sought shelter under our roof. We would no doubt be as welcome in their homes if we were in their locality, and needed shelter.

All tourists, which we see, marvel how the people of Israel have caused this land to blossom and bring forth fruit. Who loves this land? Is it the people who are building it up so it can be a home for many others who will come, or is it the terrorists who blow up houses and destroy people?

Israel continues to build houses for thousands of immigrants who are expected to come. And all of this building is going on in spite of war threats from every side.

Jerusalem itself is a marvel to see as it spreads over the rugged mountains to the west. Who but people who love the land would try to build in such impossible places? And to see how it is beautified also with trees and flowering shrubs makes one realize how they love the land. It is a fulfillment of Zech. 2: 2, "Jerusalem shall be inhabited as towns without walls."

At present, attention is centered on the amount of military involvement of Russia in Egypt. Israel feels that already the Soviets have stepped up the war along the Canal. The U.S.A. is also watching very closely to determine if some degree of arms limitations can be helpful to keep war from "escalating" in the Middle East. No decisions about Phantoms will be arrived at until the "Soviet Stand" is determined.

Certainly we are living in stirring times. All the remedies for Earth ills can be found only in the Book of Books. Search and see. "O give thanks unto the Lord, for He is good. For His mercy endureth forever." Ps. 106: 1.

Shalom.

PLEASE DO NOT LET ME DIE

Please do not let me die, but pass me on to a friend. If you have no relative or friend who you think would give me a welcome, then place a stamp on me, and mail me back home. There are always many calls for back issues. — THANKS!

WONDERFUL. INDEED

How amazing to be living now and to see the wonderful fulfillment of prophecy. Jerusalem a burdensome stone and CUP OF TREMBLING to all nations. — Zech. 12:2, 3.

GOOD HEALTH DEPARTMENT

Dear Brother Hiatt:

Knowing that your folks are friends to a good cause, may I relate two or three instances from our own experience in which the doctors had given up treatment because they did not know the answers?

Two years ago, a 63-year-old patient was brought to our home for general care. She had a spot of gangrene on her hip about the size of a grapefruit. When I asked the doctor in charge what he thought of cutting it away, his emphatic answer was, "No. You know what a diabetic is like. I said no more but quietly went to work, and this is what was done.

The area was boiled out with peroxide. Then a poultice of ground flax seed and charcoal was applied. This was prepared as follows: 2 parts flax seed to 1 part powdered charcoal. The flax seed is first boiled in water until mucilaginous, then removed from the heat and the charcoal added. The poultice was applied in direct contact with the wound. The routine established was peroxide, the fresh poultice, twice daily for two weeks, when the gangrene sloughed out leaving a huge hole at the bottom of which the bone was visible.

Much encouraged by the obviously improved tone of the flesh, the same treatment and routine were continued. At the end of two months the whole thing had healed nicely.

In the meantime, nothing was said to the doctor. Then, after complete healing had taken place, we asked the doctor if he recalled the gangrene the patient had. He said yes, and we went in to examine it. I told him what had been done for it, and he just looked and said nothing.

Here is another and quite different case. The patient came for general care, the doctors having sent him home to die. Instructions to his family were simply to keep him clean, and from hurting himself. If allowed, he would walk at random. His arms and legs moved continually! if offered food, he would turn head and clench his teeth. He gave no sign of recognizing his wife and daughter. Aged 73, weight 90 pounds; tongue bright red as in malnutrition. Restrainers were necessary on hands and feet when in bed.

"Why, you poor little old man," I thought, "I am going to see what I can do for you!" I really made a "concoction." Into the liquidizer went warm water, powdered alfalfa, water cress, parsley, black strap molasses, wheat germ and powdered soya milk; and the mixture was whipped up to make a pint. During the first week, this formula was fed twice daily through stomach feeding tube. The first three days of

the second week, various fruit juices alternated with water were administered through the nasal tube. During the remainder of his second week, the former feeding plans were resumed.

After this second week, the patient would eat and drink with a bit of coaxing, without the tubes. After the third week, recognition was restored and he knew his wife and daughter. The latter wept in her joy, saying, "Oh, Daddy, we thought we would never see you like this again." Throughout the fourth week, no urging was necessary to induce him to take food and drink. He would eat anything that was set before him. At the end of the fourth week, his family took him home. They followed the suggestions given, and the old gentleman gained thirty pounds in four months.

BEE STINGS

Dear Brother Hiatt:

Verifying the statement of D.M.G. of San Bernadino... damp earth gives instant relief, for bee stings. Wish to say that it really works. In the mountains of Pennsylvania where I was brought up, that was the one remedy for insect stings. More than once I had occasion to wet some dirt with saliva and apply. I always got relief, and no after-effects.

Sincerely, A.N.S., Ohio

HISTORY OF THE TRUE CHURCH

Anyone in the U.S.A. wanting a copy of the above mentioned history book by A.N. Dugger, Editor of the "Mt. Zion Reporter" may order from P.O.Box 111 Lawrenceville, Ill. 62439. The book is 318 pages, and costs \$5.00 per copy.

Fighting Against Jerusalem

"When the Lord shall build up Zion He will appear in His glory." Psalms 102: 16.

"And this shall be the plague wherewith the Lord will smite all the people that have fought against Jerusalem. Their flesh shall consume away while they stand upon their feet and their eyes shall consume away in their holes and their tongue shall consume away in their mouth."

Zechariah 14: 12.

ZION is being rebuilt. Hundreds of tourists are now traveling over Israel every day admiring the beauty of the land so long desolate and forsaken. They marvel at the beauty of Jerusalem situated on Mt. Zion. Truly Zion has been rebuilt, and soon our Messiah is to come in glory.

"He chose not the tribe of Ephraim, but chose the tribe of Judah, the Mt. Zion which he loved." — Psalms 78: 67, 68.

The Jews have returned here now from more than 84 different countries, and are still returning several thousand every month by ship and plane.

"For God will save Zion and build the cities of Judah that they may dwell there and have it in possession." — Psalms 69: 35.

This is exactly what He is doing to-day, and great and mighty miracles have happened during the past few years, confirming this fact before the world.

JERUSALEM CHOSEN AGAIN

"Cry yet saying thus saith the Lord of Hosts, my cities through prosperity shall yet be spread abroad, and the Lord shall yet comfort Zion, and shall yet choose Jerusalem." — Zechariah 1: 17.

Praise His great Name that He has permitted a few of His called out chosen people even from among the Gentiles to live at this time, and witness these things which are now coming to pass.

"And the Lord shall yet inherit Judah His portion in the Holy Land and shall choose Jerusalem (again.) Be silent O all flesh before the Lord for He is raised up out of His Holy Habitation." — Zechariah 2: 12, 13.

Fighting Against Jerusalem

In-as-much as the Creator has built up Zion, and has chosen Jerusalem again with Judah His portion dwelling here "at the Kings gate," He has pronounced a terrible Judgment upon all who fight against Jerusalem. Their flesh is to consume away while they stand upon their feet, their eyes will consume away in their holes

and their tongue will consume away in their mouth. Zech. 14: 12.

This extreme punishment is not to be visited only upon the people of the armies that fight against Jerusalem, but upon ALL WHO FIGHT in any way.

There are many ways to fight against Jerusalem, besides actually being here in person and engaging in this coming battle. All who speak slightly of Jerusalem and take their stand against His work that is going on here and try to turn people away from having any part in it are truly fighting against Jerusalem, and placing themselves in a very dangerous position. We are fearful of their future for these judgments are sure to come exactly as declared in this scripture.

Dear reader, we are positively living in the time when the Heavenly Father has chosen Jerusalem again. Then why should not all of His people fall in line and also choose Jerusalem as a place to center their love and affections?

"If I forget thee O Jerusalem let my right hand forget her cunning; If I do not remember thee let my tongue cleave to the roof of my mouth; If I prefer not Jerusalem ABOVE my chief Joy." — Psalms 137: 5, 6.

Great things are in store for Jerusalem and as the Heavenly Father hath chosen Her for Himself, it should be the city of our chief joy, and will be to all who are planning to live here for ever.

"Out of Zion the perfection of Holiness God hath shined... He shall call to the heavens from above, and to the earth that he may judge his people. Gather my saints together unto Me. Those that have made a covenant with Me by sacrifice." — Psalms 50: 2, 4, 5.

"Our God shall come and shall not keep silent. A fire shall devour before Him, and it shall be very tempestuous round about Him. He shall call to the heavens from above, and to the earth that He may judge his people. Gather my saints together unto me. Those that have made a covenant with me by sacrifice." — Psalms 50: 2 to 5.

Here is a command for the Elders to gather his saints together. Where could they be gathered together as one people better than to teach them to make a choice of Jerusalem, as their headquarters city, as the Creator has chosen."

They cannot be gathered as one people as

He has commanded, when they are gathered into different sects, and different groups, which creates variance and destroys the love they must have, one for the other, in order to be the Father's children.

"By this shall all men know that ye are My disciples if ye have love one to another." — St. John 13: 35.

Instead of fighting against Jerusalem, and denying that the Father has now chosen this city again, gather your people together under the banner of Jerusalem. Call His people out of Babylon. This is the final and last message. — Rev. 18: 4.

When the whole world is witnessing such startling and amazing events surrounding Jerusalem, there are "multitudes, multitudes in the valley of decision, for the day of the Lord is near in the valley of decision." — Joel 3: 14.

Evangelists, pastors and missionaries throughout the world must be wielding their influence to get people to make the right decision, in this time of all times a world filled with violence and false prophets. Do not fight against Jerusalem, but turn the hearts of the people Zionward, and not towards Rome, then you will not only merit, but will receive the blessings to all who bless Israel, instead of the curses and plagues to come upon all who fight against Jerusalem.

Let the various groups of the Church of God who qualify according to Revelation 12: 17 send their representative here with the instruction that we are to have our meetings together here and fellowships as one, for an example to others over the world.

This will destroy contention and strife that we are sorry exists in some places over the world among them.

With such variance they will NOT enter the kingdom, as clearly stated in Gal. 5: 20, where variance is classed with murder.

Nonessential points of doctrine besides that mentioned in Rev. 12: 17 can lie dormant in fellowship gatherings and all worship in meetings together, and they can be studied privately in groups with the understanding that it is all to be done in an humble spirit of love, long suffering and forbearance. — Let us all pray for this, and ask for the Holy Spirit to lead, and the Creator to have His way with us, as set forth in the Word. THE BANK ACCOUNT WORTHWHILE

"Lay not up for yourselves treasures upon earth where moth and rust doth corrupt, and where thieves break through and steal. But lay up for yourselves treasures in heaven where neither moth nor rust doth corrupt, and where thieves do not break through and steal." — These are the words of Yahshua as we have them recorded in Matthew 6:19 to 21.

ANSWER TO QUESTIONS TO OUR READERS

Some questions were asked on page 6 of the May issue of the Report concerning apparent contradictions in the Bible.

There are positively no contradictions because the Bible was given to us through the Holy Spirit and when rightly divided there is perfect harmony.

Question No. 1 was concerning the two following scriptures:

"For not the hearers of the law are just before God but the doers shall be justified." — Rom. 2:13, and whosoever of you are justified by the law are fallen from Grace." — Gal. 5: 4.

This later verse is clearly speaking of the law of Moses written in a book, containing over a hundred commandments, while the text in Romans above is speaking of the ten commandment law, written by the finger of God on tables of stone, and it says He added no more.

Question No. 2, finds its answer and perfect harmony in this same manner of rightly dividing the scriptures, as we are commanded in 2 Timothy 2: 15.

LET US ALL BE ONE

In times like these, all variance and divisions among Sabbath-keepers should be forgotten. All trouble forgiven, and all groups fellowship together, for they are the Father's children if in harmony with Rev. 12:17, and Eph. 3:14 and 15. — Editor

Extracts From Readers Letters

WASHINGTON. —

Elder and Sister Dugger :

Shalom in the Name of our Blessed Saviour and Yahyah our heavenly Father.

How wonderful it is to be living in these last days when we can see the prophecies being fulfilled almost every day.

Not long now till Israel can sing : "Arise, shine, for thy light is come and the glory of the LORD (Yahshua) is risen upon thee." Isa. 60: 1.

Everything shows that the day is dawning. Three Prominent News Items show plainly that Michel is "Standing up" for the children of His people."

1. The great victory of Israel over the Egyptians in June 1967.

2. The failure of the Arab Summit Conference when President Nasser walked out of the Conference to show his displeasure at Saudi Arabian and Kuwaiti refusal to give him all he aid he wants in the conflict with Israel, and

3. When the Israelis successfully took and sailed away with the five gun-boats remaining in France — being the completion of the 12 which Israel has bought from France before de Gaulle went out of power.

They sailed away before Xmas. day before daylight; a mighty storm came on the waters so that the boats following to capture them could not breast the waves and had to turn back. This flotilla of boats, built for Israel at which had been sold to a Norwegian Company were off-shore oil drilling purposes. The departure of the boats, manned by Israel crews, as a complete surprise. But newsmen investigating in Cherbourg found indications that French Officials knew in advance that the boats would be leaving and did nothing to stop them." End of quote.

So there are three indications that Michel, since for Israel is standing up for Israel as he did in days of yore. See Daniel 12: 1.

So many prophecies are being fulfilled now at we can. Look up and rejoice for our redemption draweth nigh.

Cora Faster Kelley.

YUGOSLAVIA. —

Dear Brother and Sister Dugger,
Greetings in the Name of the Holy One of Israel.

We the Brethren of the Windward District of this Kisac, Yougoslavia, are moving slowly but surely to victory in the work of the Lord. I am thankful for the tracts, the Mount Zion Reporter and the Calendar. We had unleavened

bread for the Passover and the Lord's Supper. Praise His Name.

Your in the Faith,
Yano Forday.

TENNESSEE. —

Elder Dugger and Family

I thank God for your Ministry from Jerusalem through "The Mount Zion Reporter." I am reading my first issue now and enjoying it so much. I feel it's a great privilege to receive news direct from "God's Holy Land." A friend, Mrs. Mary Morgan, made me acquainted with the Reporter. Thank the Lord for it. I want to learn more about the things of God and things that are to be expected at His coming. I am striving to be ready at His appearance.

Mrs. Lucille Pryor.

TEXAS. —

Dear Bro. and Sister Dugger,

Enclosed is an offering for the work of the Lord.

Please send your Mt. Zion Reporter to :

I am so thankful to find the Israel truth is going into all the world. Your magazine has been a great blessing to me.

Your Sister in Christ
Erlyne Lindsey.

CALIFORNIA. —

Dear Brother and Sister Dugger,

Well, it looks as if the commies are getting what they want. Most of the universities are closing ahead of schedule.

When one sees how fast things are happening, I don't see how anyone can fail to see that the end of this age is very close at hand. For me, I will be so glad to see an end to all this terrible strife.

May God's Blessings always be with you.

With Christian love to all,
Virginia Boling.

ALABAMA. —

Dear Brother Dugger,

The Mount Zion Reporter has opened my eyes to the truth. It has been requested of me by my brother to write to you and ask you to send the Mount Zion Reporter to him. He gave me five dollars to send you.

Remember me in your prayers.

Sincerely yours,
Clayton Elliott.

Questions And Answers

Question. — Is the time of Jacob's trouble (Jeremiah 31: 4 to 7), still ahead of us, and as some claim, is it the wiping out of the Jews gathered in the Holy Land?

Answer. — The time of Jacob's trouble definitely commenced with "World War No. One" in Russia, followed by the horrible pogroms and massacres in Poland. Men, women and children were slaughtered by the thousands in both Russia and Poland. Then the "Holocaust" in Germany, the massacre and destruction of six million Jews was the 2nd during World War No. 2. Surely this period since peace has been taken from the earth, has been a serious time for Jacob. His descendents are the ones who have suffered by massacre and repeated threats of extermination. World War No. One was the beginning of what is known in the scriptures as the "Consumation," that is the consuming of Gentile nations by repeated wars, as we approach "The End of Gentile Times." Luke 21: 24 and Romans 11: 25.

The "Consumation" was pre-announced to begin 1914 by both Moses and Daniel. My father had this figured out and written in his old Bible he gave to me the year 1902 before his death.

We have been passing through the "Time of Jacob's Trouble," since and it has surely been a terrible period for the Jews. All of them here are grieved and stunned by these terrible Pogroms of Massacre of their loved ones. They will have further distress in all the nations, especially in the U.S.A. Israel is their haven, and there they are promised deliverance by the Almighty. If you desire to know why, send for the tract "Israel Is Here To Stay," free.

Question. — What about the "Rock of Petra," where is it?

Answer. — We believe you refer to the "City of Petra," about 100 miles southeast of Jerusalem, a small city, built into the rock, a natural fortress of ancient time. It is all vacated now, however, being surrounded by desert, located in the Arab country of Jordan.

Question. — When will Russia attack Israel, according to Ezekiel 38th chapter? Will it be 20 years before the Messiah returns?

Answer. — We are told in this chapter verse 8 that this will be "In the latter years," and it is to be after the people of Israel are gathered here following the desolation period.

Conditions here are now arranged exactly

as the prophet describes them when Russia with her great company is to attack Israel. This chapter definitely refers to Russia, but no one can tell exactly when she will make this drive. It might take place any time. The recent peace settlement between Turkey and Russia is a sign that this long threatened event is near at hand. The result is also announced in the closing verses of this chapter.

Question. — I understand that you are teaching the Kingdom of God is already set up, and Israel is the beginning of this Kingdom. Is this true?

Answer. — I am wondering how you got such a misunderstanding. It was not from reading our papers or tracts I am sure. Israel being gathered here, and the work going on is only setting the stage, and preparing the way for this greatest of all events in the history of this world: the coming down from heaven of a mighty KING escorted by thousands of angels. Then is when the kingdom is set up right here at Jerusalem. Note Revelation 11: 15, also Daniel 2: 44, 45, and many more scriptures just as clear and definite.

Question. — Where in the Bible do we find "Hanukka" spoken of or "Feast of Lights," as mentioned in your publications. I fail to find it.

Answer. — The word "Hanukka" is the Hebrew word of "Dedication." The feast of "dedication" is spoken of in St. John 10: 22. It pertains to the cleansing of the sanctuary by Judas Maccabees, after its pollution by Antiochus Epiphanes who sacrificed a pig on the altar, following his successful conquest of Palestine. After just 2,300 evening and morning sacrifices had been omitted, the Sanctuary was cleansed following the brilliant victory of Judas Maccabees over Nicanor the Syrian general. These events occurred between 175 B.C. and 161 B.C. See I Maccabees 4: 52-59. *See Judah!*

This event of such great concern to the Jews of that period, has ever since been commemorated, and it is called also the "Feast of Lights," because following the cleansing of the Sanctuary, oil was scarce for the lamps, everything was in a forsaken condition, but a miracle was performed and the Sanctuary was beautifully lighted in this way. This miracle continued until they were able to obtain sufficient oil.

It might be well to note that in Daniel 8:
(Continued on page 14)

3 Ad

26 it refers to this period as "Evening and Morning," the two sacrifices, one in the morning and one in the evening that were always conducted in the Sanctuary. This prophecy of the 2,300 days has no definite starting place in the scriptures to justify its end in 1844 with judgment beginning in the heavenly sanctuary. This has been over 120 years ago, and remember too that the scriptures tell us that the living and the dead are judged at "His Appearing." 2 Tim. 4: 1. —

PHANTOMS AND HELICOPTERS TO ISRAEL

We wish to remind our readers of the special article on page 7 of the May Reporter by Rabbi Shvili: "A Message From Zion To The American People." This was followed by the Editor's comment that we had air mailed. this excellent article in letter form to all the Senators and Representatives and to fifty U.S. Governors, and you dear readers were asked to pray with us that this would turn many hearts of these Congressmen to favour Israel.

Prayers Answered

These prayers were answered. Praise be to the Almighty. Seventy one U.S. Senators drew up a petition for sending Phantom Jet Planes and Helicopters to Israel, for congressmen to sign. In this petition they quoted from our letter, "The Sons of Light and the Sons of Darkness." Now Israel is to be supplied with planes for her defense. This letter with your mutual prayers has born fruit for Israel, for which we praise the Heavenly Father.

Editor.

WARNING

The Holy Scriptures places a great responsibility upon all people to whom this true light of the gospel has been taken, that each one will deny himself or herself, to send it on to others.

You are an ambassador called of heaven to give out the light, and warn your fellowmen of pending judgment and reward. You have been called out of Babylon, and are one of heaven's WATCHMEN:

"If the watchman see the sword come and blow not the trumpet and the people be not warned. If the sword come and take any person from among them he is taken away in his iniquity, but his blood will I require at the watchman's hand."

— Ezekiel 33: 6.

HISTORY OF THE TRUE CHURCH

Anyone in the U.S.A. wanting a copy of the above mentioned history book by A.N. Dugger, Editor of the "Mt. Zion Reporter", may order from P.O.Box 111 Lawrenceville, Ill. 62439. The book is 318 pages, and costs \$5.00 per copy.

The Editor and Mrs. Dugger have just enjoyed a visit from Elder and Sister Ralph Bullock from Hong Kong, China, passing this way in route home from Honolulu, Hawaii. He delivered a good message at Church on Sabbath followed in the afternoon by an excellent testimony from his wife on her experiences in Africa, where she spent three years, as a missionary before they were married.

Elder Bullock publishes a paper in Hong Kong in English and is doing a good work in that part of the world.

Elder C. L. Thompson from the Millyard Church in London, England, spent a few weeks with us and delivered several excellent messages at the Church. We have all enjoyed his being here with us, and also appreciate his efficient help in the work at the publishing house. This Millyard Church is the oldest Sabbath keeping congregation with unbroken meeting in the world, dating back about three hundred years. My wife and I held meetings with these brethren about five months, 38 years ago. — Editor.

GREAT OPPORTUNITIES IN JERUSALEM

There are people in Israel from 84 different countries. Practically every country in the world is represented in Israel. Thus we are closely surrounded here with the greatest opportunities afforded in any place in the world, to contact these people and send articles to be published in their leading papers, in every one of these nations, on the great outstanding truths of the Bible, with the solemn warning messages of pending Judgment and the only way to escape. For these we would have to pray.

PLEASE PRAY WITH US THAT THE HEAVENLY FATHER WILL LAY THIS IMPORTANT MATTER UPON THE HEARTS OF PEOPLE WITH ACCUMULATED PROPERTY, STOCKS and BONDS TO TURN IT LOOSE, AND SEND IT OVER HERE FOR THIS WORK, or come themselves and oversee its use in this closing work, which is to be done swiftly. "A quick work is to be done in the earth." Romans 9: 28. Millions should be spent this way, instead of being hoarded up. James 5th chapter.

THE REPORTER SPEAKS

Please do not bury me in your home somewhere. My MESSAGE about Jerusalem and our SOON COMING KING is not finished. I do not want to die, but must call at home after home yet to visit many good people like you. Gaza Grenade Injures Four

Gaza. — Four persons were injured when a hand grenade was thrown at an Israeli army fuel tanker in Gaza's Medina Square. The driver was unhurt and there was no damage to the tanker.

The missile fell behind the tanker, injuring three local youths, aged about 17, and one adult about 37. The injured were taken to Shif-fah Hospital in Gaza.

Safe Landing Device At Lydda

Lydda Airport has installed one of the most technologically advanced systems capable of landing planes in all weather, it was announced last week.

The new system, called ILS (Instrument Landing System) and installed at a cost of IL1 m., was manufactured by an English firm, STC. The Ministry of Transport spokesman noted that the new system, can land planes in the dense fog.

Two Israel Army Patrols Crossed The Lebanese Border

Tel Aviv. — Two Israel Army patrols, with four tanks, crossed the Lebanese border on a "police operation" in the same area where terrorists ambushed the school's bus last Friday, a senior staff officer told military correspondents here last night. But he denied Beirut's claims that there had been any battles or any Israeli losses and said the Lebanese version of the incident was exaggerated out of all proportion.

Mother Of 100 Holds Reunion

Kvutzat Schiller. — At a dramatic meeting at her home here last week, Mrs. Lena Kichler-Zilberman held a reunion with her 100 children — the 100 children she saved during the Nazi holocaust and brought to Israel.

Mrs. Kichler-Zilberman, who was proclaimed Israel Mother of the Year in 1962 for her book "My Hundred Children," smuggled "her hundred" over the Polish border to Czechoslovakia and later to France, where she put them aboard ships bound for Israel. Many of them were on the Exodus and lived at Kvutzat Schiller for their first years in Israel.

Soviets: "Must Teach Israel A Lesson"

New York (Reuter). — The Soviet Union has taken over virtually all of Egypt's defences and by September 1 plans to have 480 missiles in place, manned by 15,000 Russian military personnel, according to "Newsweek" magazine.

"May some small part of the love which we

bear for our sons, and for peace, be imbibed by our enemies, so that, even while the searing pain of our bereavement remains, the people of Israel may yet come to dwell in its homeland in peace and tranquillity."

Premier Golda Meir thus concluded her eulogy at the Mount Herzl Military Cemetery in Jerusalem last Sunday afternoon.

"Soviet Jews Want To Emigrate"

New York (INA). — "The New York Times" reported yesterday that six Moscow Jews, avowedly Zionists, have declared in an open letter that "thousands upon thousands" of Soviet Jews wish to leave the country to be reunited with relatives in Israel. The letter — a copy of which has been brought to the U.S. by travellers — is in reply to articles in "Pravda" and "Izvestia" contending that by and large there was no desire among Soviet Jews to emigrate.

Gaza Pylon Sabotaged

Gaza. — An electric pylon was blown up at about 8 p.m. last week in the Sedjaiye Quarter, next to the old cemetery. An electric power-failure ensued, and Gaza was thrown into darkness.

Professor Marvin Eugene Wolfgang Said

"It's amazing how little crime and social disorganization exists in Israel. And it's just as amazing how peaceful the country is — for a country in a state of war." This is the opinion of Professor Marvin Eugene Wolfgang, Director of the Centre of Criminology and Criminal Law at the University of Pennsylvania. He is visiting Israel as guest of Professor Shlomo Shoham, head of the Institute of Criminology and Criminal Law at Tel Aviv University.

NEWS FROM ISRAEL

Soviet Said Controlling Some Egyptian Airfields

Aviation Week, the American flight magazine, said in an article on the Middle East yesterday that the Soviets have taken full control of three airfields in Egypt. The magazine also states that the Russians have established 80 S.A.-3 anti-aircraft missile sites "which pose a serious threat to Israel aircraft on low flying missions." This was reported by Kol Yisrael last night.

According to Aviation Week there are over 15,000 Soviet military men stationed in Egypt plus another 5,000 civilian advisers.

Rothschild Will Invest \$1.1 Million In Israel Corporation

Baron Edmond de Rothschild last week disclosed that the Istrop Investment Company, which he heads, will invest \$1,100,000 in the Israel Corporation. Istrop, a partner in the old Eilat-Haifa oil pipeline company, now owns the Israel General Bank.

According to a Finance Ministry spokesman, the Istrop investment will bring to \$25m. the total raised by Israel Corporation thus far.

Golan Onions To Europe

Settlements on the Golan Heights will export some 250 tons of onions to markets in Europe from next week. The total quantity of onions to be exported from Israel during 1970 is expected to be around 10,000 tons, as compared to only 6,500 tons last year.

Last week green pepper exports for the season began and over 300 tons were exported as compared to 120 tons over the same period last year. Farmers here are expecting to send a total of 4,500 tons of peppers abroad this year. Last year the total export figure was less than half of that.

Israeli melons are being exported at the rate of over 25 tons a week. Prices for this particular fruit have dropped recently, but are still higher than those received last year. Total melon exports are expected to be around 1,700 tons (as compared to 1,580 tons last year) valued at \$540,000. Limited amounts of watermelons are also being shipped abroad at present and the Ministry of Agriculture expects to export six times last year's quantity.

Kfar Ruppin Back To Work

Afula. — Enemy shelling has inflicted serious damage of Kfar Ruppin. Six times in three consecutive nights the Beisan Valley Kibbutz was subjected to mortar fire, but no one

was hurt.

Children Bus Bombed

The Arabs threw bazookas.

There was a big explosion and the bus turned over on the grass and everybody aboard was crying and so was I, a little, because everybody was hurt and some died."

His teacher, Yona Nagar, 22, thought even at hospital that they had hit a mine. She said: "There was a big flash of fire and the children started screaming. Some shouted, 'My eyes, my hands, my head.' It was terrible."

Inside the bus, schoolbags, children's games, plastic beads, a ball of wool and lunch bags lay on the floor covered with blood. On the seats near the center exit door where bazooka shells had penetrated, the book "The Ugly Duckling" lay abandoned. An exercise book lay on the floor with the words "Leshana Tova" (for a happy new year) written on the first page. Children's shoes and sandals, all burnt by the heat of the explosion, lay on the floor.

Common Grave In Jerusalem

"Haa'reth" (non-party) comments that the interment on past Tuesday of the Swissair disaster victims in a communal grave in Jerusalem has not only imprinted the sign of Cain on the terrorists' brow, but should also be a reminder to Israel and world Jewry of their common destiny in the eyes of the world, it should be a danger signal.

"The Bloodbaths on the battlefield bare no resemblance to the slaughter of 47 innocent victims by terrorists, who turned air travel into a death trap," the paper writes.

140 Attacks

It was not long ago that we buried the victims of Kiryat Shmona. Since January, more than 140 acts of aggression were carried out from Lebanon. Twenty of our citizens have fallen victim to this aggression, and 59 were wounded.

At the initiative of the Government of Lebanon, the Security Council was convened. Instead of condemning the murderers and the authorities which give them cover, it condemned us — for having exercised our right of self-defence.

Meir: Israel Must Deal With World's Second Power

"Israel has not only to face the enemy on her borders, but also has to deal with the

second greatest power in the world which constantly supplies the Arab leaders with an unlimited supply of arms to be used against us," said Prime Minister Golda Meir, addressing the Israel Medical Congress which opened in Jerusalem last night.

Concerning reports that Israel was not elastic enough in its quest for peace the Prime Minister said that "Israel cannot and will not be elastic on questions concerning its independence and its right to live in peace with its neighbours."

Egyptians Get 100 New Migs

Paris. — "Le Monde" reported last week that the Soviet Union has equipped the Egyptian Air Force with about 100 new Mig-21s specially designed for lowered ground attack.

The paper said the aircraft, which are designated Mig-21H and Mig-21M, are unsuited to operate as interceptors because of the effectiveness of Israel's radar detection network. Western intelligence had sighted the planes recently on Egyptian airfields.

The new Migs carry a heavier weapon load under their wings than previous Mig-21s in the Egyptian Air Force inventory. This is composed of bombs, air-to-ground rockets and extra fuel tanks.

Planes Batter Jordan, Iraki Guns

Tel Aviv. — Israel planes last week bombed Iraqi and Jordanian artillery positions facing the Jordan and Beisan valleys. The attack, one of the heaviest of its kind, lasted for more than 3 and half hours and left the Gilead mountain plateau, on which most of the batteries were entrenched, engulfed in a fast spreading brush fire.

Nasser: Need Soviet Pilots, Technicians

Washington (AP). — Egypt has asked the Soviet Union for more sophisticated military hardware and for more technicians to handle them. President Abdul Nasser said in an interview.

"We learned in 1967 that we must not be conceited and think we know everything. So now we need to learn and the Russians are our teachers," the Egyptian leader said in a copyrighted interview in a U.S. News and World Report

"So long as the war lasts, we will need Russian technicians here... There was a time when I wrote a letter every week to (Soviet Communist Party chief Leonid) Brezhnev. We desperately needed their help, their weapons, their technicians, and we said so," Nasser added.

Egypt needed the Russians to man the Sam-3

missiles and to fly the Migs because "we were simply not equipped to fight that kind of warfare," Nasser explained.

Jordanian Army Chief Visiting Cairo

Cairo (UPI). — The Commander in Chief of the Jordanian armed forces, Maj.-Gen. Nasser Ben Jamil, flew here last week from Amman for a short visit to Egypt.

He was met at the airport by Defence Minister Lt.-Gen. Moihammed Fawzi. No reason was given for his visit.

Nablus Warned To Surrender Arms

Nablus. — Local inhabitants were over the week-end called upon once again to surrender whatever weapons they possess. During a four-week period of grace, no action will be taken against people who turn in their arms.

All weapons were called in shortly after the war, and it is a criminal offence to possess unlicensed guns.

Agricultural Exports Total \$103.5 m.

Israel's agricultural exports of fresh produce, from the beginning of the season through the end of April, reached \$110 m. as compared with \$103.5m. in the same period a year earlier, it was announced by the Ministry of Agriculture.

Citrus exports during the period totalled \$88,200,000 compared with \$85,300,000 a year ago. Exports of vegetables also increased — from \$3.2 million last year to \$4.8 million this year.

Claims He was Tortured in Israel Prison — But Was Never Inside

Jenin. — A man who testified in Amman last week before a special U.N. commission to having been tortured in an Israel jail, in fact was never inside one.

Taysir Nabulsi, formerly of Jenin (now living in Jordan), was the last witness to appear in Jordan before the U.N. commission investigating the situation of the Arabs in the territories administered by Israel. He told the commission that he had been in charge of education in Jenin before the Six Day War. When the town was taken in 1967, he was asked to hand over all his files and documents. When he refused, he was arrested. In jail, Nabulsi testified, he was severely beaten, several of his teeth were knocked out, some fingernails were torn off and he was repeatedly given electric shock in sensitive parts of the body.

Army personnel and education officials hearing of this statement might not have paid much attention — except that they still have

clear memories of Nabulsi and of his obsequious conduct toward the Army authorities in Jenin. He once went so far, it was remembered, as to ask permission for himself and his wife to wait on Defence Minister Moshe Dayan at the dinner table during one of the latter's visits to Samaria.

Army men remembered that after the Israel entry into Jenin, Nabulsi came forward to offer his cooperation and turned over all documents and files in his charge. Several weeks later he changed his mind, and one day the education officer (Seren Yosef Mukammel) found him soliciting teachers' signatures to a collective complaint against the Israelis' presence. Since he was doing so in a Government office during office hours, he was asked to stop. When he refused, he was arrested on order of the Military Governor and brought to the latter's office.

After waiting a while for the arrival of the prison commandant, he changed his mind and asked to be released against a written undertaking not to engage in politics. The Governor let him go, and some time later Nabulsi was promoted to the rank of education inspector in the Nablus area. It was while he was serving in that capacity that he asked for (and was granted) permission to wait on the Defence Minister at lunch as a mark of his loyalty to the authorities.

Nabulsi changed his mind again shortly afterwards and helped organize pupils' strikes, whereupon the Military Governor expelled him to Jordan. He was sent to the other side without ever having seen the inside of an Israel jail.

U.S. Reform Rabbis Meeting In Jerusalem

Tel Aviv. — The first assembly in Israel of the Central Conference of American Rabbis — the American Reform Movement — was opened in Jerusalem last week for five days. Attending was 360 Reform Rabbis. This was the 71st annual convention.

Tourists Buy \$2.2 m. Worth Of Jewellery

Tourists bought \$2.2 m. worth of jewellery in Israel last year, which almost equals the earnings in foreign currency which exports of jewellery brought into the country last year, the Deputy Minister of Tourism, Mr. Yehuda Sha'ari, stated. He was speaking at the official opening of the jewellery exhibition currently at the Dan Carmel Hotel in Haifa.

Beersheba Budget

Beersheba. — The Municipality here voted in its budget for the 1970-71 financial year.

The total figure will be slightly under IL32.5 m. as compared to IL23 m. last year. The Municipality hopes to raise IL23,622,000 by taxation and other means and expects the Government to cover the remaining IL9 m. deficit.

The budget has yet to be approved by the Ministry of the Interior.

Eban Denounces Soviet Incitement

Foreign Minister Abba Eban last week made the Government's strongest denunciation to date of Soviet incitement and slander against the State of Israel and the Russian Jewish community.

Delivering a Cabinet statement in the Knesset, with Premier Golda Meir in attendance, the Foreign Minister declared that while Soviet hostility against Israel was mounting at the expense of Middle East peace, the pressure on Soviet Jewry was increasing too, with freedom of conscience and sanctity of faith as its victims.

Terrorist Shells Graze Sleeping Kibbutzniks

Afula. — A young couple at Ma'oz Haim and their guest had a hairbreadth escape last week when a mortar shell passed within 10 centimetres of their heads and exploded some 20 metres from the house in which they lay asleep.

The kibbutz was attacked with mortars and bazookas by terrorists at about one o'clock in the morning. They had infiltrated across the Jordan river and set up an improvised position about 100 metres west of the river, which is less than a kilometre from the kibbutz perimeter.

One of three homes hit in the attack was of Yiftah and Illa Ofek who had a guest, Nadav Lifshitz, sleeping in. The shell penetrated the outer wall, two inner walls and exited through the wall on the opposite side, exploding about 20 metres away. Several buildings in the settlement were hit and slightly damaged, mainly by shrapnel.

Kibbutz guards returned fire in the direction of the attack, and army artillery pounded terrorist positions across the river.

New Value Found For Sun's Energy

Melbourne (AP). — Two American physicists have calculated a new value for one of the most important constants in physics — the energy coming from the sun. The science writer for the "Melbourne Herald" predicted that the discovery would cause a revolution in the physics world. Colleagues of the scientists rate the new "solar constant" as one of the great successes in physics.

PEACE ONLY WHEN EGYPT DROPS GOAL OF DESTROYING ISRAEL : B-G

By Bryan Arthur

BONN. —

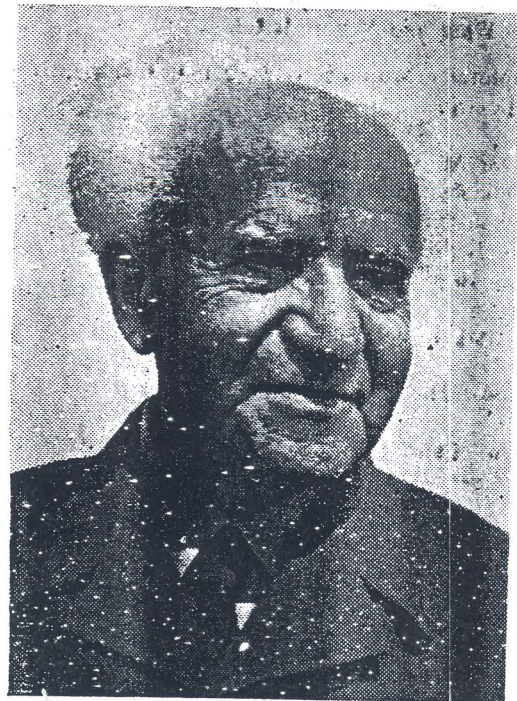

Former Prime Minister David Ben-Gurion believes a real chance for peace in the Middle East will come only when Egypt realizes it must turn from its goal of destroying Israel and solve its basic domestic problems in education, health and economy.

In an interview published in the German weekly "Publik," Mr. Ben-Gurion said Egyptian intellectuals among military officers and students would one day recognize this. But at present "I see no prospect for peace because in Egypt there is a man at the top who could not care less about the fate of his own state."

Under these conditions, he said, he favours holding onto the occupied areas. Only if there was a real possibility for immediate peace would he give them up, with the exception of Jerusalem and the Golan Heights.

Asked if he was satisfied with the State of Israel today, he replied he was if the word "today" was removed, but he added he is "disappointed" with the Zionist movement.

"Until the founding of the State the Zionists had the alibi that they could not immigrate,

David Ben-Gurion, Ex Prime Minister.

but now that they have a State, what do they do? Do they come?"

(From "Jerusalem Post")
