DANIEL AND REVELATION

CONTINUED from May 1971 Ad

CHAPTER 7

Verse one, "I saw four angels standing on the four parts of the earth holding the four winds of the earth, that the wind should not blow on the earth nor on the sea, nor on any tree."

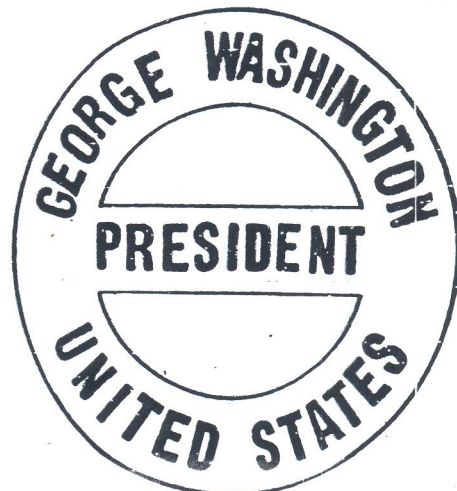

Wind is a symbol of war. When this Gentile age began, mentioned in Daniel 7: 2, Daniel saw in vision these same four winds of heaven striving upon the great sea, and four great beasts arose, one following the other. These beasts represent the four periods of Gentile rule over the earth after the Kingdom of Judah was taken over by the king of Babylon, represented by this first beast as it plainly says here. Notice that the four winds strove on the great sea.

The sea in both Daniel and Revelation is used as a symbol of people, nations and tongues. "The waters which thou sawest... are peoples, nations and tongues." — Rev. 17: 15.

Hence the winds that were turned loose then are now being held in check by the "United Nations." There are four angels that brought about these conditions by causing the formation of the U.N. for the very purpose of holding back war. Had it not been for this organization the third and last world war would have been on us before now.

The purpose in holding back this last stroke to destroy the Gentile nations, is for the sealing of the 144,000. Notice that there are twelve thousand sealed out of each of the 12 tribes of Israel. The tribe of Judah is mentioned first. The seal of God is being placed in the forehead of those who are to be saved, and form the nuclei of His Kingdom here.

The prophet Isaiah said of this time, "Seal up the law among my disciples," or place the seal back into the law. — Isaiah 8: 16.

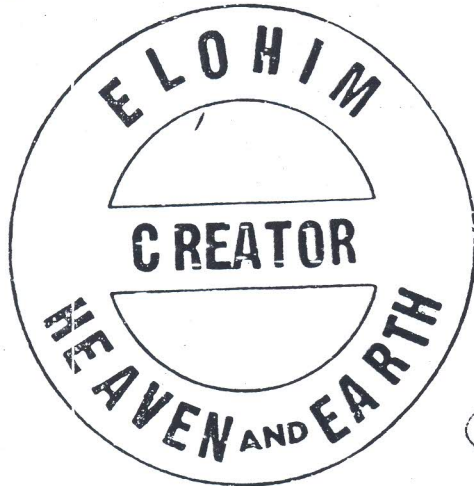

The Seal of the United States

The Catholic and Protestant churches all over the world have the Ten Commandments

exhibited with the seal removed, which is found only in the 4th commandment. They print this commandment: "Remember to keep holy the Sabbath Day," and omit all of the balance of the commandment.

We give you here the comparison of the seal of the United States Government, and the seal of God.

The seal of the United States, as in the foregoing diagram, gives the name of the first President, his office, and the territory over which he presides.

The Seal of Elohim

The seal of God, is the same. It gives the one in authority, His office and also the territory over which He presides. This seal is found in the law of God. A seal is inseparable from the law of God. A seal is inseparable from the law of God.

You remove the fourth commandment in the ten, and there is no authority left in the code of law.

The heathen man worshipping his idol can say that his god was the author of this ten commandment law, and that he had no other god before his god. He can justify himself in his worship. But when you place the seal back into the law, then the heathen man is forced to surrender, because it says, "In six days the Lord made heaven and earth, and the sea and all that in them is."

Hence the seal by which the 144,000 are being sealed is the Ten Commandment law, written in their hearts by the HOLY SPIRIT. The seal of that law is the Sabbath, now being placed back which was removed by ROME, and at this time of the increase of knowledge (Daniel 12: 4), was to be, and had been replaced. The descendants of the ten tribes scattered all over the world, many of whom have lost their tribal connection, possess love for Jerusalem and are accepting the Bible Sabbath. Thus they are among this 144,000 being sealed, as they walk in the unfolding light of this enlightened time.

The third and last world war is being held back for a purpose. It says an angel comes from the EAST HAVING THE SEAL OF THE LIVING GOD, saying hurt not the earth or the sea till we have sealed the servants of God in their forehead. Coming from the east signifies "light coming forth for this time."

This terrible destruction by the whirlwind of

war is mentioned also in Jeremiah 25: 32, 33 when the slain will be from one end of the earth to the other, and not lamented or buried.

THE SEAL OF GOD IN THE FOREHEAD

As the saved ones are being sealed with the seal of God in their foreheads, those traveling the broad way of the world, are receiving the mark of the beast in their foreheads. This angel saying with a "LOUD VOICE," having the seal of God, is spoken of also as the - "Loud Voice Angel" — in Revelation 14: 9, the third angel, who also gives the warning against beast worship, and receiving his mark in their foreheads and their hands, to drink of the wine of the wrath of God, the seven last plagues. — Rev. 15: 1, and 16: 1.

The Holy Spirit is the power that does the sealing, by placing the "Seal of God" in the foreheads of the pure in heart. The Holy Spirit is not the seal, but it is the power by which the sealing is done. Just as the seal of state or nation is placed on a document to make it legal by the one who transacts the business, so is "The Seal of God" placed (in) the forehead, or (in) the mind of the person, by the Holy Spirit. The seal of state is placed on the document by a machine operated by the man. The seal is not the machine or the man, and so is also the seal of God something different from the Holy Spirit that does the work of sealing.

The REMNANT of Judah and Israel today especially those here in Israel are undergoing the change of heart pre-announced by Ezekiel in chapter 36: 24 to 27. Their hearts are being circumcised by the Holy Spirit and the "Commandments of God" written there. — Romans 2: 29. Ephesians 1: 13-14

Then 1 Corinthians 7: 19 tells us that circumcision of the heart is keeping the commandments of God. Hence the seal (the Sabbath commandment), is being also placed there.

CHAPTERS 8 AND 9

Please read the seven plagues, and compare each one with the seven trumpets, and you will see that they are the same. Chapter 16 just gives us a brief summary of these seven last plagues, while the 8th and 9th chapters tells us more in detail about this short period.

The prophet Daniel speaks of this time in the following language, — "There shall be a time of trouble such as never was since there was a nation even to that same time, and at that time THY PEOPLE (Daniel's people), the Jews, shall be delivered, every one that shall be found written in the book." — Daniel 12: 11. This includes all gentiles adopted into the family of Abraham, according to Galatians 3: 27, 28, 29.

This book is the "Lamb's book of life" in heaven Rev. 20: 15. Notice also that in the very next verse (verse 2 of Daniel 12, it says many who sleep in the dust of the earth shall come forth. Hence we see that this is the same "Time Of Trouble" as mentioned in the Plagues, and Trumpets, for they wind up with the Judgement, and the end of this age.

1000 X 9 KEY
100000000

We shall not spend time or space in a detailed description of each of these trumpets and plagues, for the student can read them for himself, and compare them.

The second trumpet and second plague both turn the sea into blood water, just like that which happened along the Pacific coast of the U.S. a few years ago, and along the coast of Florida, U.S.A., when the state appealed to the national government to help them bury the dead fish piled in heaps all along the shore. Everyone in America remembers this unusual strange phenomena. The third plague and third trumpet affect the rivers and fountains of water, while the 4th plague and the 4th trumpet the heat of the sun. The fifth plague is poured out upon the seat of the Beast, which is Rome, and the fifth trumpet (chapter 9, verse 4), strikes only the people who do not have the seal of God in their foreheads.

Hence it also attacks the beast, and his worshippers who have his mark instead of the seal of God in their foreheads. Notice as previously stated these Trumpets and plagues come just (after) the sealing time, while the winds of war are being held in check. Chapter 7, verses 1 to 3.

Note as previously given where the seal of God (Elohim) is explained, as being similar to the seal of the United States. It is either the seal of God or mark of the beast. The seal of God embraces the Father's Name as you will clearly see. Now notice Revelation chapter 14: verse 1 where it speaks of the 144,000 having the "Father's Name written in their foreheads. Those who are destroyed by these terrible judgments are those who have the mark of the beast in their foreheads. Chapter 14: 9. While those delivered have the seal of God. Chapter 9: 4. In Psalms 91 when speaking of deliverance it says: "A thousand shall fall at thy side and ten thousand at thy right hand, but it shall not come nigh unto thee, for He will give His angels charge over thee," etc. verses 7 to 14. In verse 14 it says: I will set him on high because he hath known My Name. Here it is again, the seal of God in the forehead, which is the mind, the thinking part of the person. They know the Father's Name. They have His Name (in) their forehead.

Notice that the sixth plague is poured out upon the River Euphrates and the waters are dried up that the ways of the kings of the east are prepared. Chapter 16: 12. These kings include the hordes of China over 700,000,000 million, and India with her millions, etc.

Now notice chapter 9, verses 13, 14 that this 6th trumpet also concerns especially the river Euphrates, and that "two hundred thousand thousand" are in the battle. This is two million soldiers. Again we find them to be parallel one with the other, and also descriptive of the very last events of the age as it pertains to man's punishment and destruction. This terrible time of trouble such as was not since there was a nation, has come to its end. Daniel 12: 1 and we are at the resurrection of the dead.

Verse 2.

The 7th plague: "And the seventh angel poured out his vial into the air, and there came a great voice out of the temple of heaven saying it is done, and there were voices and thunderings and lightning," etc. Chapter 16: 17, 18.

Notice the similarity of the plagues here and the trumpets, — "And the seventh angel sounded, and there were great voices in heaven saying the kingdoms of this world are become the kingdoms of our Lord and His Christ, and He shall reign forever and ever." This brings us into the Kingdom, and the four and twenty elders are again brought to view. Verse 16.

The fifth trumpet chapter 9, opens, what it called, the bottomless pit, and great swarms of locusts come forth to punish those who have not "The Seal of God" in their forehead. Verse 4. One of the plagues in Egypt before Israel was delivered is described as millions of frogs, created by the Almighty to punish the Egyptians. They were raked up in heaps and made the land stink. Exodus 8:14. These (locusts), however are not like anything known to us now, but are far more terrible.

The fifth plague we notice is poured out on the seat of the beast, and his kingdom is full of darkness. This is the beast that comes out of the "Bottomless Pit." Rev. 17: 8. just before his kingdom ends. This trumpet, and plague each speak of the bottomless pit.

The Sixth trumpet opens by loosing "The four angels bound in the river Euphrates," and "The number of the army was Two hundred thousand thousand." (200 million verse 16.)

The seventh plague also deals with the river Euphrates. Chapter 16: 12 to 14 when the armies of the whole world are gathered for battle, as previously mentioned. As a result of the events covered by the sixth trumpet, and the 6th plague, the third part of men are slain, verse 18. They cover this — "Time of trouble such as never was since there was a nation, spoken of also by Daniel which just precedes the resurrection and deliverance of all who are written in the book of life. Daniel 12: 1 to 4.

It has been previously explained that a day in the Bible prophecy stands for one year, and also how wonderfully this has been fulfilled by passing events, to which history most accurately has responded. Therefore it seems proper to dwell a moment on the time period here in chapter 9: 15, — "An hour and a day and a month and a year." or 391 days, which terminate with the loosing of angels bound in the River Euphrates (In the middle East) that we are hearing so much about in these turbulent times. It is impossible to pin point this time period, because this last war has not yet commenced. Dating backward from our day, however, 391 years, we reach the period of fifteen to sixteen hundred C.E. known as A.D. This is the time of the beginning of the Reformation, or when what is known in history as, "The Holy Roman Empire" commenced to break up.

The great reformers Martin Luther, Calyin, Knox and the Wesleys, repudiating the authority of Rome, started the movement of Democracy

and Religious Liberty by which the Roman beast was finally bound, but now the deadly wound has been healed. Rome is exercising her universal authority again which leads to the final drama recorded in these chapters, Armageddon, the slaying of the (third) part of men. Revelation.

CHAPTER 10 ^{9:15-verse 18 =} _{zecharia 13:18,19}

1. And I saw another mighty angel come down from heaven, clothed with a cloud: and a rainbow was upon his head, and his face was as it were the sun, and his feet as pillars of fire:
2. And he had in his hand a little book open: and he set his right foot upon the sea, and his left foot on the earth,
3. And cried with a loud voice, as when a lion roareth: and when he had cried, seven thunders uttered their voices.
4. And when the seven thunders had uttered their voices, I was about to write: and I heard a voice from heaven saying unto me, Seal up those things which the seven thunders uttered, and write them not.
5. And the angel which I saw stand upon the sea and upon the earth lifted up his hand to heaven,
6. And swore by him that liveth for ever and ever, who created heaven, and the things that therein are, and the earth, and the things that therein are, and the sea, and the things which are therein, that there should be time no longer:
7. But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.
8. And the voice which I heard from heaven spake unto me again, and said, Go and take the little book which is open in the hand of the angel which standeth upon the sea and upon the earth.
9. And I went unto the angel, and said unto him, Give me the little book. And he said unto me, Take it, and eat it up: and it shall make thy belly bitter, but it shall be in thy mouth sweet as honey.
10. And I took the little book out of the angel's hand, and ate it up; and it was in my mouth sweet as honey: and as soon as I had eaten it, my belly was bitter.
11. And he said unto me, Thou must prophesy again before many peoples, and nations, and tongues, and kings.

EXPLANATION

This chapter concerns the "Seven Thunders," which were sealed and John was not permitted to write their contents. The little book, however, was given to John to eat.

John evidently was weary from writing, and the last events given to him in vision seemed to have brought his writings almost to an end. Therefore he was shown by the little book that he had more to write.

A voice from heaven told him to go and take the little book open in the hands of the angel. He took the book and ate it. It was to his mouth sweet as honey, but became bitter.

Then the voice said to him, - "Thou must

prophesy again before many people, nations, tongues and kings." This little book, was evidently the "Book of Daniel." The first part was sweet to him. first six chapters reveal great miracles, from heaven in deliverance etc. Daniel delivered from the den of lions: the three Hebrew men delivered in the fiery furnace and Daniel exalted and given a high place in the kingdom etc. but chapter seven was bitter. It revealed four beasts representing four earthly kingdoms, and then the papal power to wear out the saints of the Most High for a very long period of time (1260) years. This was bitter to him.

The voice from heaven, in conjunction with the contents of the little book, let John know that there was more for him to write, - "Thou must prophesy again," it said, and as we proceed in further chapters of Revelation we will find the contents of the Book of Daniel repeated. This adds further evidence that the little book given to John was the book of Daniel.

THE BANK ACCOUNT WORTHWHILE

"Lay not up for yourselves treasures upon earth where moth and rust doth corrupt, and where thieves break through and steal. But lay up for yourselves treasures in heaven where neither moth nor rust doth corrupt, and where thieves do not break through and steal." — These are the words of Yahshua as we have them recorded in Matthew 6:19 to 21.

PLEASE DO NOT FORGET!

Your entrance into the Kingdom will be blocked, and the door closed against you for: judging and condemning one-another. (Luke 6:37). For carrying a reproach against your neighbor (Psalms 15:1 to 3). For smiting (knocking) your fellow-servant. (Matt. 24:49). For hatred, variance, wrath or strife. (Gal. 5:20, 21).

THAT ALL PEOPLES OF THE EARTH MAY KNOW

OPEN STATEMENT BY RABBI Z. Y. KOOK
 Son of the Late Chief Rabbi of Eretz Yisrael,
 Avraham Yitzhak Kook

"THAT ALL the PEOPLES of the EARTH
 MAY KNOW"...

(Joshua 4: 24)

A. All this land is ours, absolutely, belonging to all of us; it is non-transferable to others, even in part. "It is an inheritance to us from our forefathers." — (Talmud, Tractate Avoda Zara 53, b), — as guaranteed by the word of God, whose sovereignty extends over each generation: **To our father Abraham:** "Unto thy seed will I give this land." — (Gen. 12: 7). "To thee will I give it and to thy seed forever." — (ibid. 13:15), — "Arise, walk through the land... for unto thee will I give it" (ibid. 13: 17), "Unto thy seed have I given this land" (ibid. 15: 18), "I will give unto thee and to thy seed... all the land (ibid. 17: 8); **to our father Isaac:** "And to thy seed I will give all these lands" (ibid. 26: 3); **to our father Jacob:** "The land... to thee I will give it and to thy seed (ibid. 28: 13), "The land... to thee I will give it and to thy seed will I give the land" (ibid. 32: 12); **to the Children of Israel:** "And I will give it to you for an heritage" (Exodus 6: 9); "I will give it unto your seed and they shall inherit it forever" (ibid. 32: 13).

Therefore, once and for all, it is clear and absolute that there are no "Arab territories" or "Arab lands" here, but only the lands of Israel, the eternal heritage of our forefathers to which others have come and upon which they have built without our permission and in our absence; but we have never abandoned the heritage of our forefathers, nor have we severed our ties with it. We have continually maintained all the bonds of our consciousness with it and the strength of our vehement protest against its cruel and arbitrary occupation by others. Similarly, we have been commanded as to our liberation of it; so we shall never abandon nor sever our connection with it.

Also it is known in Arab oral tradition and in their (Koran) that we are to return in the latter days to our ancestral homeland. This is further confirmed in the proceedings of the League of Nations at the conclusion of the First World War, and in a statement by Lloyd George in my possession, that all this land, to the fullest extent to its Biblical boundaries, belongs under the sovereignty of the People of Israel.

B. Returning in our times by Divine command to the land of our forefathers, land of our life and of our sanctity, "For the appointed time is come" (Psalms 102: 14) and "the end is revealed" (Talmud, Tractate Sanhedrin 98; Kuzari 5: 27); Or Hahayim on Leviticus 25: 25); Yeshuot Malko Yore Daya No. 66),

we have not wrested any sovereignty from the Arabs who inhabited the land in its desolation, for they had none; rather, we have resettled our land temporarily, and with the consent and with the decision of the nations of the world to whom this land had been entrusted for that purpose.

Inspired by their cultural enlightenment, they publicly confessed recognition to the righteousness of our sovereign relationship to the land.

Also, those Arabs native to the land know and acknowledge the incontestable fact that we have not usurped any governmental control from their hands, as admitted in a document in my possession.

It is common knowledge that we did not drive the Arabs from their settlements here in our ancestral homeland, the land of our prophecy and of our prophets, land of our kingdom and of our kings, the pinnacle of our Holy Temple and focus of our influence on all mankind, but rather that they, of their own accord, whether from exaggerated fears and self-caused confusion or from political design to spread distortions, creating "refugee camps" to play upon the sympathies of the world, both distant and near, fled and abandoned many of their local settlements.

We, on the other hand, have continued and are continuing to build and to be built through the awesome wonders of the Lord, Who from His Temple gives strength and fortitude to His people, blessed be the Lord, in the holy labour of reconstructing our nation and our homeland, our (Tora) and our moral culture, in righteousness and justice, for the restoration of the eternal values implicit in our national identity, and for the re-establishment of the Presence of God and of Israel in Zion.

"The Lord of Heaven and Earth is with us; the God of Jacob is our stronghold" (Psalms 46: 12). "We shall not retreat from Thee. Thou shalt bestow upon us as a rebirth of life and we shall proclaim Thy Will, Lord of Heaven and Earth, cause Thy Face to shine, and we shall be saved (Psalms 80: 19, 20).

MIRACLES OF THE SIX DAY WAR

These invisible hosts of heaven not seen by mortal man, again visited the Israelites when threatened with destruction by the Egyptians. The following news appeared in the June 26th issue of — "The Jerusalem Post," Israel's daily English newspaper, as follows, —

— Hundreds of trucks and armoured vehicles broke down without getting anywhere near the battlefield.

A high percentage of Egyptian fighter planes are known to have been mechanically unprepared for battle when war began. The Egyptian radar warning system appears to have broken down completely. In Cairo alerts were sounded after Israeli planes had attacked airfields and flown home. On several occasions the "all-clear" was given while Israeli aircraft were approaching target.

Troops returning from the Sinai front spoke of a failure of military strategists and communications. Whole regiments were surrounded when their flanks were exposed by unco-ordinated retreats.

Egyptian army headquarters had little control of their forces once the battle had begun. Columns of trucks and tanks were abandoned for lack of fuel supplies. Discipline often broke and collapsed in the face of the Israeli assault. One Colonel whose vehicle broke down was ignored by army drivers when he tried to flag down alternative transport.

Egypt had some of its crack troops in the Sinai desert, veterans of the Yemen campaign. Most of these units were destroyed.

The same paper reports that two thousand million dollars of Russian military equipment, consisting of tanks, small arms and ammunition by the tons scattered all over the Sinai Peninsula is being gathered and assembled for the use of Israel. Two train loads of poison gas was also found on the Peninsula and captured.

Israel has again been miraculously saved and delivered from her enemies, by that wonderful Intervening hand of the Almighty who has delivered her repeatedly in times past, and WHO still promises as follows: — "Hear the word of the Lord all ye nations, and declare it in the isles afar off, and say: He that scattered Israel will gather him and keep him, as a shepherd doeth his flock. The Lord hath redeemed Jacob and ransomed him from the hand of him that is stronger than he. Therefore they shall come and sing in the heights of Zion, shall flow together for the goodness of the Lord, for wheat and wine and for oil." — Jeremiah 31:10 to 13.

"All of them that devoured thee shall be devoured, and all thine adversaries every one of them shall go into captivity, and they that spoiled thee shall be a spoil, and all they that prey upon thee will I give for a prey." — Jeremiah 30:16, and 17.

A WONDERFUL MIRACLE

Newspapers and magazines throughout the world that are not Pro-Rome, or Pro-Communitic, have reported the long threatened Israel-Arab war, as amazing, and astonishing. Never before in the history of war-fare in recent times, has there ever been such a lightning victory by so few against so many. It was not Israel fighting against the millions of surrounding Egyptians, Jordanians, Syrians, etc., but also against Russia, with hundreds of her officers in charge of hundreds of millions of dollars worth of the most modern war armament.

The world in general knows that Russia was back of the movement to wipe Israel off of the map, and now

she smarts with loss and defeat with the remainder of her allies. Truly Russia has been turned back, and "hooks put into her jaws". — Ezek. 38:4. Life Magazine has devoted most of one issue to this miraculous event of modern time, and says: "Israel's victory on five fronts in a short sixty hours, is absolutely astonishing".

In all of the news magazines, and newspapers, we do not find anything attributing the astonishing events of June 5th., 6th., and 7th., to divine intervention or giving the Creator credit for having again fought for Israel, as in ancient times. There is so much Infidelity, Modernism, and unbelief now, that to give the Almighty any credit, would be extremely unpopular, to an unbelieving world, and especially to the 400 million Communists who believe that "God is Dead".

Many miracles, however, did happen which agree perfectly with the Biblical narratives of ancient times when our mighty God, and Creator of heaven and earth, fought for ancient Israel. These miraculous happenings are being circulated all over Israel, however, they did not get publicity through secular newspapers.

BE CAREFUL WHAT YOU SAY

In speaking of a person's faults,
Pray don't forget your own;
Remember those with homes of glass
Should seldom throw a stone.
If we have nothing else to do
But talk of those who sin,
Tis better we commence at home,
And from that point begin.

We have no right to judge a man
Until he's fairly tried;
Should we not like his company,
We know the world is wide,
Some may have faults — and who has not?
The old as well as the young;
Perhaps we may, for aught we know
Have fifty to their one.

Then let us all, when we begin
To slander friend or foe,
Think of the harm one word may do
To those we little know.
Remember curses sometimes like
Our chickens "roost at home"
Don't speak of others' faults until
We have none of our own.

Questions And Answers

Question. —

How old is the world since Adam?

Answer. —

The Editor read the Old Testament through many years ago, in search of the answer of this question. Beginning with Adam his age was written down when Cain was born. Then his age when his first son was born, and so on and on. Then next the flood, then after the flood, writing down the ages of the men when their first son was born. Then coming to the Judges, the length of time each ruled. Then the Kings, but we found a missing link in both lines of Kings through the Israel line, and through the Judah line. It does not tell how long one king reigned in each line. Therefore no one knows or can tell the exact age since Adam.

The age can be traced accurately to Christ with the foregoing exceptions. Some kings reigned fifty years, and some only five or ten years, so it is a guess how long these kings reigned.

The world, however, is very near six thousand years, lacking possibly five or ten years.

Question. —

Will this world all be on fire at once when the judgement day comes, and if so where will the animals come from mentioned in Isaiah 11th chapter that the children will lead, etc.

Answer. —

The Lord has told us through the apostle Peter considerable concerning this burning day which he says is a thousand years (2 Peter 3: 7-8). He says, "Whereby the world that then was being overflowed with water perished, but the heavens and earth which are now by the SAME WORD, are kept in store, reserved unto fire against the day of judgement and perdition of ungodly men." In-as-much, as Sodom and Gomorrah are set forth as examples of those that afterwards would live ungodly (2 Peter 2: 6), we may be assured that destruction will come by fire, upon wicked cities scattered over the world as on Sodom, in many (districts) during the 1000 years. It will be like the island in the Pacific where the Hydrogen bomb was exploded a few months ago. Eye witnesses said the island took on fire and burned for six hours in a red glow, and burned until the waters came over it. It was the same way with Sodom and Gomorrah. They sank into the salt water of the Dead Sea, where they are now excavating carved stones, portions of these buildings.

The prophet Isaiah gives us a wonderful description of this time. Read all of chapter 24, where cities are destroyed and confusion and

ple left like the gleanings of the grapes when the vintage is done. That they will lift up their voices and sing for the majesty of the Lord, and will glorify the Lord in the fires, even the name of God of Israel (verses 14, 15). The earth will be utterly thrown down because of the wickedness upon it, and that the "Lord of hosts will reign in Mount Zion and in Jerusalem, and before his ancients gloriously."

Question. —

What about the holidays in Israel? Is it right to observe (them)? Some say it is and some tell us that we should (not) remember them.

Answer. —

It seems very strange that any of the one family of which our Creator is the FATHER, would teach that we should forget his mighty miracles on these days, performed especially for this same family.

Suppose one of your children was drowning and someone on the shore would plunge into the water and save your child. Would you soon forget this great deed, and want to cease to remember the person who saved your loved one? Would you teach your other children to forget this good deed? This is exactly the situation. All of the holidays of Israel commemorate some miracle, that our Father has done for this great family, all of whom are our Brothers and Sisters, as we have the same Father. Why forget these miracles? The Gentiles, I am sorry to say, have forgotten, but Israel has (not). If you are Christ's child you are one of Israel, and should remember these days in loving honor and respect to the Almighty.

Question. —

How are we to keep them?

Answer. —

On some of them we are told to afflict our soul, that is to fast. On some we are told to rest, or keep for the Creator the same as a Sabbath.

LIFE IN ISRAEL

By EFFIE DUGGER

Shalom!

Greetings of peace to all who are awaiting the time when a King will reign from sea to sea and the world will learn righteousness. When Nation will not fight against Nation and they will not learn war anymore. We are thankful for the measure of peace that exists at this time also.

Pleasant spring weather has come now. Just after Passover the air was filled with powdery dust for a while and many people had a hard time breathing, then a cold wind from the west drove the dust back and it rained off and on for more than a week. More rain fell during that period than had fallen in any similar length of time during the last fifty years old-timers said.

There must have been a reason for it. Perhaps it came to drive back a hoard of locusts or something. It came at the exact time of the latter rain and people were thankful.

When the latter rain is plentiful it furnishes lots of bee pasture for the bees because the wild flowers bloom longer. The bees especially like the wild mustard and mallow. The eucalyptus trees furnish bee pasture too.

Mr. Rogers came at an unlikely time to establish peace in the Middle East since Egypt had joined in league with Syria and Libya, two sworn enemies of Israel.

However after his short stay here he said that prospects for peace in the Middle East were improved. He also said that there seemed to be agreement on both sides:

1. That the waterway should be opened.
2. It would be operated by Egypt.
3. There should be some withdrawal by Israel forces now stationed on the Canal's East Bank.
4. Fighting should not be resumed.

U.S. officials say that he seems to have impressed on the Israeli leadership the urgency with which the U.S. views a Middle East settlement.

My page is supposed to tell of life in Israel. How the people around us act or speak, or how news affects their lives or ours would not be out of order. From what I see and hear, Israel longs for peace, just and lasting peace for everyone. We must pray that somehow it will come.

There has been a steady stream of visitors to our home. A Sister from South Africa is visiting Israel for the fifth time. She usually goes from here to Europe or America. She is 80 years old but still feels that she must travel and witness wherever she goes. She speaks Russian, French and English. A minister from Czechoslovakia is stopping at the Guest House too. He speaks German also so he feels quite at home among our group.

Bro. Hughes, a minister from England, stayed in our home for a while. He fitted in very well and helped in many ways.

Bro. Shoemaker is with us again until he

learns which direction he will be called to go next. Being Jewish, he feels that Israel is his home but his work is to go into places where he is called.

Perhaps I should mention the Butler family. They recently came from America. They have 5 little children. They have located at Gan Yavne. They attend services here when it is possible. Another Jewish man and his family have come from the United States. We are glad to welcome them back.

A young married couple is caring for the Guest House now. There is Prayer at the Guest House on Friday evenings. On the regular prayer services here on Wednesday nights we especially take care of the many requests.

We are thankful for your prayers for us that we can keep on the firing line and not give way to old age or anything. The weeks just slip by in a hurry, there are so many interesting things to do.

Shalom.

We are receiving a good many letters from different countries, asking for permission to reprint our tracts, books and papers in other languages. This is to let you know that full liberty and permission is granted to anyone anywhere to reprint, anything they receive from us at Jerusalem.

SALEM ORE. —

Dear Brother Dugger,

I have always believed that Saturday was the right Sabbath that we should keep. But I could not find any one that taught the right Gospel, until last Saturday.

The Lord kept speaking to me and saying, go and seek. And I kept asking and looking. And praise the Lord He led me to a group of people who are having services in the Basement of a Church right here in Salem. A Bro. Clark, a coloured brother, and they teach the whole Bible.

I was so starved for the whole truth and praise God, the spirit witnessed in a mighty way. It all begin when I begin to read one of your "Reporters".

So now I am looking forward to receiving more. As I guess by now you have got my letter and offering I sent about 2 weeks ago. So may God richly bless you and Sister Dugger in your work there.

As we know time is running out for all of us.

We will be praying for you.

Sincerely in Christ,
Mrs. Bonnie Patterson.

TRINIDAD. —

Dear Brother Dugger,

Greetings in the wonderful name of our Lord and Saviour Jesus Christ. I hope all is well with you in Israel. I read of the celebration in Israel of the 23rd year of independence, and saw the picture of the Phantom jets as they flew overhead in salute. And as I write it strikes me very forcibly that Israel has a greater one above, who is the Captain of all those powerful ministering spirits sent forth to protect and deliver His people.

Remember the portion of the Good Book, when Israel was sadly outnumbered by its enemies and the prophet's servant was fearful. The prophet prayed and said, Lord open this man's eyes that he may see, and the Lord answered his prayer and the young man saw horsemen and chariots of fire round about Israel, so that those that were for Israel were greater than those that were against.

Love to you and yours
and all the brethren,
A. E. Sabine

My testimony

It was about January 1958 I received the call to serve the Lord. Having experienced a full thirty years of hardship, tribulation and failure I decided that there is no success in a life without Christ, therefore I surrendered my life to Him, took up my cross and began to walk in the steps of my Saviour. During this time it seems that the light of the true church was not present in my community. I accepted that which was available at the time and was baptized at the nearest Sabbath keeping church.

From thence I built a sanctuary in my home where I studied the Bible with much prayer, and discovered many points in the doctrine of my church which were not in harmony with the truth. Being zealous I admonished my brethren concerning these errors and for this reason I was persecuted to the extent that I was forced to withdraw from the assembly more than once.

Finally I decided that these could not be the true people of God. I prayed asking the Lord to show me the people who love Him and I was led to the church of God which is about a stone throw away.

I entered the Church of God the early part of 1968 and sad to say, found similar conditions. I never turned back because I knew the Lord was leading me.

This branch of the Church of God had lost the way because of neglecting Jerusalem. There was division and all manner of disputings among its members. I tarried with them until they agreed to return to Jerusalem.

Two of the errors of my first church I should like to mention here are:

- (1) The Passover taken four times a year;
- (2) The millinnium to be spent in heaven. —

Praise to Jehovah my face is turned to Jerusalem where I hope to spend eternity with Jesus (Yahshua) as King.

INVEST IN STOCK THAT NEVER FAILS

The world monetary system is very uncertain today, and a tremendous change is eminent. Many people are loosing on their investments in stocks and bonds, investments in land etc.

There is one sure investment in a special kind of stock, that will never go down. Those who invest are sure to win, great dividends in the end. Your money invested in Israel will be registered in heaven as a memorial for you. This is what the angel told Cornelius. — Acts 10: 3,4. It is the same with you.

Money invested here will bring in dividends of many precious souls for the KINGDOM. An orphans home is needed here. Also a home for the aged. Many would come who have "Social security", and old age pensions, to live here in Jerusalem, and await the coming of our great KING. They will be in a spiritual environment, taught to pray and to receive the birth of the Spirit etc. Also a school is needed here where the young people can come and take a full course of study in finishing their education, and where they can and will receive Spiritual values not obtained elsewhere.

Twenty-five to fifty thousand dollars, or even less can establish any one of these. We advise you to come and bring your money and invest it yourself, and trust the Almighty, Who never fails, to raise up someone to take charge of it for you under your supervision. Any one of these three institutions will be the means to "Turn many to righteousness, and the one who makes the investment has the promise of shining forth as the "Stars forever and ever." — Daniel 12. 3.

Dear reader, please pray with us here, that the Holy Spirit will lay these needs upon the hearts of people whom the Father has blessed with money so they could do such a work.

THE HOLY SPIRIT

When the apostle Paul went to Ephesus he found some people there who had been baptized, but did not know there was any Holy Ghost. Acts 19: 1, 2. We fear there are many, even today, who do not know about the presence, the power, and blessings of the Holy Spirit. This power from heaven will be given to everyone who asks the Father for it. Jesus (Hebrew "Yahshua"), said "Ask and it shall be given you, seek and ye shall find, knock and it shall be opened unto you." Luke 11: 9. Then he says in verse 13: "If ye being evil know how to give good gifts unto your children, how much more shall your heavenly Father give the Holy Spirit to them that ask Him."

"Blessed are they that do hunger and thirst after righteousness, for they shall be filled."

— Matt. 5: 6. *Good*

WHEN THE FIRST MONTH BEGINS

In Deut. 16:9 we are told how to tell the 1st. month of the year, here at Jerusalem.

Why did the Creator tell Moses to begin this period of seven weeks from the time they put the sickle to the corn or barley. If He were not able to arrange the seasons in such a manner as to keep them in order. Surely He would not have commanded Israel, through Moses, to do something that would not always work, and would later bring confusion to his chosen people. The months then were 30 days each, and did not alternate perfectly with the moon. Therefore it was necessary for the Almighty to provide a way to tell when the New Year began.

The present Jewish calendar was arranged at a later date when there was lacking five and a fraction days to keep the Passover and other holy periods from rotating through the entire year. We know the Almighty who "Changes not," Who is the same "yesterday, today and forever," has power to cause the barley harvest to come every year at the same time, to definitely tells us when the first month begins. - Editor

GOOD HEALTH DEPARTMENT

FOR THAT "SWEET TOOTH"

CLEDA REEVE

Most everyone, it seems, has what we call a "sweet tooth." The desire for sweets is a cultivated appetite largely, and associated with privilege. People "reward" a child with candy, ice cream, cakes, cookies and such, for eating the plainer foods. When they reach the age of making their own money, say, on a paper route, what is it spent for? Sweets. When teenagers are given lunch money what does it go for? Coke, candy, doughnuts, and such. Why is this? One acquaintance of mine said, "If you crave something, that is what you should have." I didn't agree. For instance, she craved coffee, candy and cigarettes. Actually, when anyone craves something, it is a symptom of "hidden hungers." The truly well nourished person does not crave false, empty, so-called "foods." The alcoholic and the smoker are, according to some tests, trying to satisfy a hidden hunger for minerals, vitamin, enzyme rich natural foods.

Sweets have a place to fill in our nutrition — natural sweets, that is. Some of these are unheated honey, real maple syrup, dates, dried and fresh fruits. All health-conscious people know that honey is an excellent sweet, if it is not ruined by heating. (Health food stores carry unheated honey.) Maple syrup is delicious but costly. Dates are one of the world's wonder foods. Arabs have known for centuries that they could cross a desert and survive healthfully for many days on dates and water. This delicious fruit gives quick energy, and is a proved blood builder. It has good satiety (feelfull) value. If you can get fresh, unsprayed dates, fine. If not, buy the others, but they are rich, eat sparingly.

And now we come to sweet fruits. The dried fruits are the sweetest. When we eat them, we must drink extra amounts of water. Among the dried fruits, the lowly prune is a princess in disguise. For years people have thought of the prune as ordinary. We are going to reveal the true "princess" value of this fruit, which is available the year around and is within the budget limit of most families.

The prune contains a large amount of natural sugar — the mono-saccharides — the type of sugar that is most easily absorbed by the human body. Wise people buy the delicious raw prepared-for-eating-out-of-hand prunes, on a trip, or when a meal is missed. The temper of the whole family is sweetened, and patience is possible, when a prune or date is eaten to bridge the time delay. Don't expect children to be happy and co-operative and quiet when their bodies are screaming inside for proper nutrition. On the other hand, we don't load them up with sweets JUST before a meal, either.

When going on a shopping trip, take along a handful of stuffed dates and prunes. Prepare them by grinding fine some nuts and raisins, mixing with a little orange juice and honey, and stuffing the cavities. You can avoid "shopper's headache" and you will not crave the empty, artificial, harmful "treats" that tempt one on every hand when away from home. You will say, "These dates and prunes and nuts are SO delicious — why didn't I do this before?"

When leaving on a trip, fix up a box of these goodies and the children won't be begging to stop at every wayside stand for hamburgers, candies and sugary drinks.

REMARKS. — It is well known that Leukemia, the incurable blood cancer disease, Appendicitis and other fatal diseases, are caused by a constant eating of candy. Many get into the fatal habit of having a sack of hard candy sitting where they work, and keep a piece in their mouth constantly. This bad habit can be formed the same as the liquor, or tobacco habit, and brings serious trouble to you more quickly.

The Bible is not silent concerning this danger, "When thou sittest to eat with a ruler consider dilligently what is set before you... Be not desirous of his dainties, for they are deceitful meat." — Proverbs 23: 1, 3.

The house of feasting is the end of all men. — Ecclesiastes 7: 2.

Millions of tables today are furnished like "KINGS TABLES", with rich tasty, highly seasoned foods, and sweet dainties. This causes overeating and feasting, forbidden in the Holy Scriptures. — Jeremiah 16: 8, etc.

The only people benefited by such unwise practice are the Doctors, Hospitals and Undertakers.

THE RUSSIAN INVASION AND THE SIGN OF HIS COMING

Russia's attempt to invade Israel and force her to give up the Old City of Jerusalem is imminent. It is near at hand. Ezekiel 38th chapter. Ezekiel said when this happens "All men on the face of the earth will shake at His presence." verse 20. This surely will be the sign of His coming. In Revelation 6: last few verses, we are told a little more about this world shocking event, when these shaky men will flee to the mountains and cry for them to hide them from His presence. These godless Russian leaders and others of the same craft will get their sin sealed eyes open but too late to repent. When "The Wrath of God" comes the plagues begin to fall, no man is able to enter into the temple in heaven and have his sins forgiven. Rev. 15: 8. Now is the time to pray and get right with heaven.

PHILIPPINES. —

Dear Elder A. N. Dugger,

Our work here in the Philippines is moving little by little, even though our finances are very limited. When I was receiving a little from two dear ones in U.S. it was good. One of our evangelist had to stop, as I cannot afford to support his family. So I am hoping that you can find a way to write some of our brethren in America to give a little help for me here in the Philippines so I can give also some to our helpers to continue to support their families while they are in the field.

Thank you. I remain your co-worker here for the Lord's work.

Yours, the least brother,

L. G. Cabardo, Overseer.

Remarks. — Elder Cabardo is our overseer there and if anyone can, and will take him as their proxy and send tithes to him each month write us and we will send his address. You can either send it here to us to send on each month, or direct to him as you desire.

MINNESOTA. —

Dear Elder and Sister Dugger,

I believe all believers should listen to each other and study and search our Bible prayfully and accept the truth as our Heavenly Father (Y. H. V. H.) gives it to us. HE has more truth to give us as we prepare ourselves to receive it. We should study and if we see we have made a mistake, be humble enough to try to admit it and try with HIS help to correct it. I see so many things now that I didn't see when I was younger.

I am praying that you and all of your helpers and all who are helping to teach the people to love and obey their Creator will prosper and He will set up HIS KINGDOM soon. HE will use human beings in the process.

Sincerely yours in His Name,

Mrs. Vivien E. Flatten.

Dear brother in Christ,

"Greetings according to — Third John: Verse Two, Amen."

Hallelujah — Praise God. Last night I read your booklet who are the MESSIANIC JEWS of ISRAEL — and received a great blessing from the reading of it. So much so that I desired to write to you a letter for some information regarding the booklet — first of all: How can I obtain additional copies? Are they available here in the U.S.A.?

There are many "JOB" printing establishments here in Chicago who I could have them print for me as many thousand as I would so desire. Therefore, I ask of you, please grant to me the permission to have several thousand

(Just as they are) printed with this added to the bottom of the back of the booklet — thus: additional copies may be obtained by writing to this address.

Christian greetings from,

Walter G. Schwanke.

Note. — Permission has been granted to him.

TEXAS, U.S.A. —

Greetings Elder and Sister Dugger,

The day of miracles is not past. Recently my son who was going in the way of the world and was enlisted in the naval military forces of this country had a change of heart and desired to be released that he might learn the ways of the true and almighty living God and to walk in the foot steps of the Master. Desire for worldly gain, etc. left him.

Many prayers among believers went up in his behalf. He has been miraculously discharged from the navy.

Praise our Heavenly Father for his goodness, for his mercy endureth forever and for answering our prayers.

Sister Bessie Jones.

TENNESSEE. —

Dear Elder and Mrs. Dugger,

We are getting along real well here. Vincent gets stronger day by day and we really enjoying living in Tennessee.

We have good weather yet. The hot days have gone but it is not cold. No frost yet.

May God bless your work there.

Sincerely in Christ's Name,

Ada Ward.

SOUTH AFRICA. —

What happened a long time ago, when I was still very young.

I had a feeling that the Lord will come but not knowing how, until I came across a passage in the Book of Isaiah, chapter 63 in the 3rd. verse it goes like this:

"I have trodden the winepress alone and of the people there was none with me."

At the time I was in a sitting position, I felt it in my heart, there and then I stood up and made a vow that I will be on the Lord's side thinking that the Lord will come at that time, when I was still young, but He did not come.

Now at this time what is happening shows that it is near. I feel like fulfilling my vows fighting on the Lord's side personally though I'm old, so I wish to see the religious work proceeding by contributing.

Your brother in faith,

Benjamin Gunguluza.

MEMORIES OF PAST EXPERIENCES IN THE GOSPEL WORK

By THE EDITOR

As we jot down old memories of past experiences, for some reason our mind is dwelling on the eventful winter of 1918 just following the close of world war one, when the epidemic of "Spanish Influenza" was sweeping over the U.S.A. taking its toll of several million dead. I picked up the daily paper on the train while in route to Michigan answering a call for revival meetings by Brother and Sister Sterdivant near Bangor, Mich., and first read about the beginning of the epidemic starting in the Eastern part of the country. In about three weeks at the conclusion of our series of meetings, and organizing a church with Bro. and Sis. Guide Hart, Bro. and Sis. Sterdivant as leading officers and charter members, the "Flu" as it was called had reached Michigan.

Returning to our office duties at the "Bible" Advocate" office in Stanberry, Missouri, for a week or so checking up, and setting things in order for a much longer evangelistic tour answering a number of urgent calls in the west, I was soon on my way again. My mother was then living alone at Bassett, Nebraska, where also my Brother, A. F. Dugger, and my Sister, Mrs. Paul Carpenter, lived, and the Carpenter family. The youngest daughter Effie was attending a high school, and serving as pianist at the Methodist church.

Bassett being in route to Oregon, where we had been called by Brother J. W. Osborn, for an evangelistic effort, I stopped there for only a few days, to visit my mother, as well as the Carpenters, having been corresponding with Effie for about five years, since she had been a very charming pupil during two terms of school I had taught near my old home stead, 20 miles south of Bassett. Brother and Sister Carpenter lived close neighbours on the homestead where mother and I had lived for several years after Father's death, the year 1910.

As mentioned prviously in these "Memories", my Brother Alexander F. and I had each homesteaded 640 acres of land, adjoining, making two sections through an act of Congressman, Kin-kaid, permitting this large tract of land to be homesteaded. As it was a cattle country, with much natural hay, we raised cattle. By teaching school every winter I was able to save up, and purchase another 640 acres joining on the west, making me 1,280 acres of land. I had it quite well improved, with a natural artesian well flowing constantly with the best pure water. It had been put down at a depth of several hundred feet by big cattlemen in that district before my acquiring the land.

Having been taught by my parents when a small boy to always pay tithes (a tenth of all income, Malachi 3: 8-11; Lev. 27: 30, 32;

the Niobraria River north of Bassett, where Father's farm was located, I learned to find joy in this little service for the Master in giving the tenth, void of a selfish heart. I am sure this was the crowning secret of that "Intervening Hand" that lead me to obtain such a large body of land, and joining that of Brother and Sister Carpenter's homestead, thus leading that I met Effie, my wife, and have been so wonderfully blessed with one son and three daughters, all good religious children, always such a comfort to us, and all have wonderful companions and children.

After Father's death, and the unusual spiritual experience, on a dark night of that light from heaven shinning around me, and then moving to the direction of Jerusalem previously narrated in these "Memories", I disposed of all my worldly possessions, cattle, horses and land, and answered the call from the executive board to edit the Bible Advocate at Stanberry, Missouri, of which my Father had previously been the Editor. The prices of land in that district and in those days was low, the same as live stock, but I was able to clear up five thousand dollars, a portion of which was used enabling me in part to pay the way of myself and family, in the year 1932, to Jerusalem. This, however, gave rise to false reports among enemies for the Gospel sake, that I had misappropriated church funds for the trip, although another person was Treasurer and handled the church money.

During my short visit at Bassett of only a few days while traveling westward, the minister of the Methodist church, where Effie was pianist, would often ask me to fill his appointments on Sunday while he held services in the country. This was the little town of my birth, near where I was raised, therefore acquaintance was quite general over the surrounding country. My Brother Alexander had also served as county superintendent of schools for several terms.

My speaking at the Methodist church, however, gave the opportunity to meet many church-going people and paved the way for a later effort there, during which 130 were baptized and a church was set in order where they built a nice church house.

Going on to Oregon, we began the series of meetings in Cecil, where Brother Osborn had lived for many years and had rented a large hall.

The "Flu" epidemic at this time had spread all over the central and eastern part of the nation, with thousands dying, and it had also struck the west.

This meeting was closed owing to the "Flu" as all public gathering were forbidden.

EXPORT RISE

Gross visible exports were \$97 m. in March, an increase of 17 per cent over March, 1970, according to the Central Bureau of Statistics. Foreign sales during the first quarter of the year totalled \$ 255 m., as against \$ 215 m. in the corresponding period of last year.

Two laggard branches in 1970 show improvement: citrus sales were \$ 68 m. in January-March, a 30 per cent increase! while diamonds were up by \$ 8 m. to \$ 62 m. Industrial exports other than diamonds rose by 18 per cent to \$ 102 m.

50,000 VISITORS FOR THE FESTIVITIES

Fifty thousand tourists and pilgrims arrived for Pessah, Easter and Independence Day; this is double the number who came in the same period last year, the Tourism Ministry spokesman reported.

Despite earlier fears that there would not be sufficient accommodation for them the spokesman reports that the joint Ministry-Hotels Association accommodation committees are solving most of the problems. He also denied that there was any fear that tourists have to sleep in the fields and noted that the Ministry has organized an "emergency ration" of hundreds of extra rooms for those tourists who arrive without prior bookings.

Last week 170 flights arrived, and hundreds more are coming, the spokesman reports.

Some 2,000 tourists are arriving at Lod Airport each day on jam-packed flights. El Al alone brought 8,000 tourists last week and this week expects to bring in another 14,000. In addition to its regular schedule El Al is also operating over 880 special flights.

NEW DOCTORS

14 new doctors, mainly recent immigrants, have been employed by Kupat Holim clinics in Jerusalem over the past year. The new doctors have helped to alleviate the drastic shortage of general practitioners in the Capital, which forced Kupat Holim to close three clinics last year.

ETNA ERUPTION IN FOURTH WEEK

CATANIA, Sicily (AP). — Volcanic Mt. Etna's worst eruption since 1950 went into its fourth week yesterday with undiminished lava flow and increased explosive violence.

Molten rock pouring almost four kilometres down the slope of Europe's tallest volcano wrecked two more pylons of the Etna cableway. Four of the 12 pylons supporting the cableway up to the 3 330-metre high cone now have been

destroyed.

Observers reported that in the past 24 hours the explosions of Etna's eruption, hurling flaming rock 300 metres into the air, had become three to four times more violent than last week.

CRUCIAL SUMMER, SAYS ALLON

VANCOUVER, British Columbia (AP). — Deputy Prime Minister Yigal Allon said last Sunday that both sides in the continuing Middle East conflict are approaching a "crucial" summer.

While he did not expand in detail, the Minister said that Israel is concentrating on speeding up the strengthening of all its resources — political, economic and military — so that it will "be strong in order to deter an enemy from resuming fighting, and in order to make it clear that peace can be established; peace with honour to the Arabs and with security to the Israelis."

IMMIGRANTS ASK JERUSALEM HOUSING

Jerusalem would have a larger Jewish population if there was no housing shortage in the Capital. This was stated by Mr. Uzi Narkiss, Director-General of the Jewish Agency's Aliya Department, who was speaking in Jerusalem this week. Mr. Narkiss said that many new immigrants, on arrival in Israel, asked that they be allowed to settle in Jerusalem, but due to the housing shortage in the city, it was impossible to comply with many of the requests.

Mr. Narkiss said that most of the immigrants who arrived in Israel last year were between 25 and 40, while one-third of all immigrants were young, unmarried persons.

According to Grisha Feigin, the former Red Army major who emigrated recently, who also spoke at the meeting, thus far some 60,000 Soviet Jews have applied for exit visas. Most of those who have applied have been fired from their jobs, he said.

NEWCOMERS TOLD OF JERUSALEM BATTLE

More than 100 new immigrants who had spent time in prison in various lands of distress for Zionist activities last week gathered near the Western Wall to hear Aluf ((Res.) Uzi Narkiss describe the capture of the Old City four years ago by troops under his command.

He said that there was a miracle involved — not in the battle itself — but in the fact that King Hussein was impelled to open fire in Jerusalem on the first morning of the war. If he had held his hand, Israeli troops would have been on the Suez Canal and on the Golan Heights but the Old City would still be under Arab control.

DEAD SEA ROAD OPEN

The Ein Fashkha-Ein Gedi road running for 31 kms. along the Dead Sea shore will finally be opened this morning. No official opening ceremony marked the long-awaited occasion, but Labour Minister Yosef Almogi, who is responsible for the Public Works Department which built the road, was one of the first people to drive along it.

Work on the road began in 1968, and was supposed to be completed within less than two years. However, the date for completion of the job was deferred a number of times.

EGYPT, RUSSIA READY TO DROP PEACE EFFORTS: U.K. REPORTER

LONDON (Reuter). — The Soviet Union and Egypt are preparing to abandon hopes of a peace settlement in the Middle East, and are thus getting ready for war against Israel, the "Daily Telegraph's" Cairo correspondent reported recently.

Quoting diplomatic sources in Cairo, John Bulloch reported that September was the crucial time for such a move, when the proposed mediation between Egypt, Libya and Syria takes effect.

Mr. Bulloch said that one factor which influenced this opinion was the method by which Russia had built up its arms supply to Egypt. The airlift of Mig planes, as opposed to the normal seabound route, was not considered to be an urgent reason, so that an alternative explanation was that the Russians wanted Egypt's air power to be a surprise for Israel.

IMMIGRANTS ARRIVE

LOD AIRPORT. — A group of Soviet Jewish immigrants arrived here Thursday night. The newcomers, who reached here on a special flight from Vienna, came from Riga, Vilna, Chernowitz, Lemberg, Leningrad and Georgia. They were sent to immigrant absorption centres throughout the country.

N.Y. IS TOO ROUGH EVEN FOR ITS OWN POLICEMEN

New York's Mayor John Lindsay has been shocked to discover where New York policemen are in their off-duty hours. At least one-third of the patrol force of 31,500 escapes from the city as fast as it can — out to neat mortgaged homes in the greenery of the outer suburbs — because these guardians of the law feel that the city in New York has become too lawless for their families.

ANCIENT GRAVES FOUND IN QUARRY

AFULA. — Just when the stone quarry of Ein Alfa, in the Jezreel Valley is making news because it ruins the landscape, its continued operation has led to the discovery of three sets of tombs dating back to the first and second centuries of the Mishna. One room cut into the rock has been cleared and six burial niches were found in it. Several

oil lamps identify the graves as Jewish. Glass and two intact clay vessels were also found. The graves contained the bones of 60 persons, men, women and children.

33,000 AT FLOWER SHOW

HAIFA. — Despite the "sharav" thousands of visitors passed through the International Flower Show, bringing the number up to 33,000.

BIBLE CONFERENCE OPENS IN CAPITAL

The 19th National Bible Conference opened at Beit Ha'am in Jerusalem last week. The conference, which continued for four days, was attended by President Shazar, Foreign Minister Abba Eban, Welfare Minister Michael Hazani, well known rabbis and hundreds of invited guests.

Former Premier David Ben-Gurion was unable to attend due to illness and sent a congratulatory message.

FOUR TERRORISTS KILLED, 4 TAKEN IN GOLAN CLASH

TEL AVIV. — Four marauders were shot dead and four others taken prisoner by an army patrol in the Golan Heights last Monday, the army spokesman revealed here yesterday evening.

The eight-man gang, an e-Sa'eka, Syrian-controlled terrorist unit, was challenged during the morning hours in a wood, near Husniye, in the central sector of the Golan Heights.

Following a brief exchange, at about 10 o'clock in the morning, three of the gang members were killed outright. Four survivors trooped out from behind the trees with their hands raised. A fifth man tried an old ruse and under the pretense of raising his hands actually attempted to lob a handgrenade at the patrol. He was caught in the act and shot dead.

ISRAEL MILITARY POSITION MUCH STRONGER THAN EVER

PLANELOAD OF SOVIET JEWS 8TH IN MONTH

LOD AIRPORT. — Another plane-load of Jewish immigrants arrived from Russia at dawn last week — the eighth plane reported to have arrived in Israel via Vienna in the past four weeks.

Several of the new arrivals told reporters about the tremendous hardships they had been subjected to in the Soviet Union after they had applied to leave the country. One man said that his mother's telephone had been cut by the authorities after she had granted a telephone interview to Kol Yisrael.

BIG NEW SOVIET AIRLIFT OF MEN, ARMS TO EGYPT

LONDON (AP). — Western authorities here last night declared a big airlift of Soviet men and arms to Egypt is under way, with a build-up of missile power suspected.

Word of the new Soviet airlift came from diplomats whose governments are represented in Cairo. They said increased air shipments were first detected about seven to 10 days ago.

Informations gave these details of western observations:

— Soviet military personnel in Egypt increased by about 2,000 men. This was in addition to a 1970 manpower build-up, which the authoritative British Institute for Strategic Studies said brought total Soviet military and technical strength up to about 16,000 men.

— Deliveries of new Soviet jet fighters have been stepped up along with amphibious trucks and other equipment. The institute reckoned that Soviet pilots last December were manning up to 150 Mig-21J jets in six controlled airfields.

NEW SOVIET WEAPONS IN EGYPT — "New York Times"

NEW YORK (INA). — The "New York Times" reported recently from Cairo that "a new wave of weapons and military equipment deliveries from the Soviet Union has reached Egypt in the last few weeks."

ISRAELIS TAKE TOP 3 SPOTS IN YOUTH BIBLE QUIZ

The Eighth World Youth Bible Quiz was held in Beit Ha'am in Jerusalem, with most of the top prizes going, as last year, to Israeli teenagers.

First placed was 16-year-old Israel Vachropolis 47 1/2 points out of a possible 50. He was followed by two other Israelis, Efrat Rosenblitt with 44 1/2 points and Haviv Amar with 42 1/2.

The Quiz was presided over by David Ben-Gurion, and held under the patronage of the Prime Minister. Mrs. Meir said in her address that although the I.D.F. is stronger than ever before, the foundation of Israel's strength is spiritual. She emphasized that all the 28 teenage representatives from 18 countries "have won really." But, in fact, the only foreign com-
16-year-old Rafael

Lerner of the U.S., who came fourth with 37 1/2 points.

In the audience were Aluf-Mishne Baruch Levy, the Commander of Gadna; Mayor Teddy Kollek and senior representatives of the Tora Education Department of the Jewish Agency.

ANOTHER PLANELOAD OF SOVIET JEWS HERE

LOD AIRPORT. — Another large group of immigrants from the Soviet Union arrived Early Wednesday morning last week. By dawn, all the new immigrants were packed off to flats and absorption centres — to celebrate Independence Day in their new homes.

In Beersheba, a former Russian Jew now living in Israel received an Independence Day greetings telegram from an acquaintance in Russia: a Jewish scientist named Bori Rabinowitz who worked at a science institute in Sverdlovsk. Mr. Rabinowitz apparently doubted whether his telegram would get through, for he sent two, which arrived within two hours of each other.

Rabonowitz applied for an exit visa to Israel seven months ago. He was subsequently dismissed from his post and is now unemployed.

According to UPI in Moscow, 1,300 Jews were allowed to emigrate to Israel in April, more than in any month since the formation of the State of Israel in 1948. The report quoted diplomatic sources.

The sources said the April exodus brought total Jewish emigration in 1971 to 1,525.

HOUSES OF 3 GAZA TERRORISTS DEMOLISHED

GAZA. — Three more houses in the Zeitun Quarter here that served as hiding places for arms and ammunition were destroyed by security forces on Wednesday last week. The structures had also been used as living quarters by terrorists who were seized earlier this year.

About ten houses belonging to active terrorists have been demolished so far this week.

FIVE KILLED IN JERUSALEM TAXI CRASH

Five Jerusalem Arabs were killed on Friday night last week when the taxi they were travelling in crashed head-on into a stone wall in East Jerusalem. The taxi driver was seriously injured and is being treated at the Government Hospice Hospital in the Old City.

POPE ASSURES OF BRIGHTER FUTURE VATICAN CITY (Reuter).

— Pope Paul yesterday assured mankind that a new and better human civilization was certain to come despite present wars, revolutions and the threat of worse ahead.

This was his confident Easter message of hope read from the balcony of St. Peter's Basilica to a vast crowd of some 200,000 Romans, pilgrims and tourists gathered in the square below.

"The great ideas which are the guiding light of the modern world shall not be put out," he said. "The unity of the world shall be achieved."

EGYPTIAN CAUGHT WITH LOOT FROM TOULOUSE! BANK ROBBERY

TOULOUSE, France (Reuter). — Police yesterday recovered the entire 420,000-franc (\$76,000) hauled from a spectacular bank hold-up here after arresting two men in connection with the raid.

The money was found east of here at the ancient Roman city of Nîmes as police arrested a Paris decorator of Egyptian origin whose name was given by police as Orthanios.

Some of the haul was found in the arrested man's pocket; the rest in his car.

THE TOMB OF LAZARUS

Bethany, a village in the Judean Hills, is the scene of many events in the New Testament

Easter is the season of resurrection, and in the whole gamut of Christian folklore, one of the most fascinating accounts is that of the resurrection of Lazarus after he had been dead for four days. Lazarus lived in Bethany with his sisters, Martha and Mary. They were a closely knit family, friends and admirers of Jesus, and their home was one of the few where he felt welcome and at ease, and free to come and go without formality.

This village in the Judean hills was the scene of many New Testament stories. Here Jesus frequently visited Martha and Mary and their brother; here he feasted at the home of Simon the Leper (who was said to have been cured by Jesus), and here the incident of Mary and the precious ointment took place.

Most striking are the events related in chapter 11 of the Gospel of St. John, telling how Lazarus died and was buried, and how he was restored to life.

Today the Arab village of el-Azariya, its name is probably derived from Lazarus, whose tomb is shown beneath the local mosque. Some 5 kilometres from Jerusalem on the highway to Jericho, it is distinguished by a huge ruined wall rising from the hill-top on your left as you come from the Capital, and by two impressive churches. On your left, below the ruined wall claimed to be part of the house of Simon the Leper, is the white polished stone Franciscan Sanctuary of St. Lazarus, with a cupola and a square belfry, while further along the road, on the right, is the silver-domed Greek Orthodox church built only a few years ago.

To reach the Franciscan sanctuary, make your way through the surrounding garden and up the stepped path to a courtyard with remnants of Byzantine mosaic pavements and massive, square pillars of which some were plastered and painted. A few sections are protected by metal covers to preserve the colours.

LOD AIRPORT. — A large group of immigrants from the Soviet Union arrived yesterday on a special flight from Vienna.

MORE TERROR SABOTAGE IN JORDAN

Terrorist sabotage continued in Jordan yesterday for the fifth day as Egyptian efforts to convene a pan-Arab conference to discuss the Jordanian-terrorist conflict failed to achieve anything.

A Jordanian Government spokesman said that the terrorists had blown up bridges, culverts and railway lines. The terrorists had also fired on army positions and laid mines, killing one soldier and wounding three.

The spokesman said that the terrorists had also kidnapped a soldier after attempting to kidnap two retired officers in a village near the northern city of Irbid.

The terrorists had earlier blown up an oil line to Jordan's only refinery, near Zarkia, but this was repaired several hours later and the oil supply was restored on Friday night.

Yesterday's sabotage acts marked the ninth day of violence, with the terrorists and several Arab Governments charging that the Jordanian Army was "liquidating" the terrorist movement.

CONSOLATION TO ISRAEL!

You will gain the victory.

A WELSHMAN IN ISRAEL

Having just returned from a visit to Israel at the invitation of Elder Dugger, editor of the "Mt. Zion Reporter", Jerusalem, I would like to take this opportunity to correct a misunderstanding that might be used to the devil's advantage.

For over two weeks I have lived with Brother Dugger and his family only to discover that these people have given their lives a living sacrifice to God, which the Bible says: is only a reasonable service. These loving Christians have a love for lost souls that is very rare in these days of unbelief. Whilst the Christian Churches are becoming Synagogues of satan, the Word of God is going out from Jerusalem as a mighty sword, and God has promised that His Word shall not return unto Him void. The harvest will soon be passed and only those labourers who are working in the harvest fields will reap at harvest time. I would emphasize most strongly that the "Mt. Zion Reporter" which is being sent out to all parts of the world was founded and is published in Jerusalem by A. N. Dugger and has no connection with Seventh Day Adventists. These loving souls keep Saturday as the Sabbath but this has nothing to do with Seventh Day Adventism.

Perilous times are upon this present evil world, men shall be lovers of pleasures more than lovers of God (2 Tim. 3: 1 to 4).

This refers to Christians, and not to worldly people who have no love at all towards God, who is searching out those who shall be accounted worthy to obtain the world to come and the resurrection from the dead.

To all readers of the "Mt. Zion Reporter" I would say use your riches NOW that the Gospel of Christ shall not be hindered, because

God's terrible judgments are almost upon the world because of sin and unbelief.

God's great prophet, Isaiah, warns the world of impending disaster: "Behold the day of the LORD cometh both with wrath and fierce anger, to lay the land desolate: and he shall destroy the sinners thereof out of it." ... "Therefore I will shake the heavens, and the earth shall remove out of her place, in the wrath of the LORD of hosts, and in the day of his fierce anger." — Isaiah 13: 9, 13.

"In that day a man shall cast his idols of silver and his idols of gold, which they made each one for himself to worship, to the moles and to the bats." — Isaiah 2: 20.

Be wise dear readers, use your money NOW for the salvation of souls and God promises you shall have treasures in heaven.

The prophet JOEL also warns us that the day of the LORD is great and very terrible, and who can abide it. — Joel 2: 11.

This will be a great day for those who have been BORN AGAIN, but a terrible day for the unsaved. May the living Christ dwell richly in our hearts, so that the devil, who is working overtime to prevent money being used for the salvation of souls will be defeated in his purpose.

Maybe you cannot preach, or have little money to give to the Lord's work, but we can ALL PRAY for the work here. "Therefore let us not sleep as others do; but let us watch and be sober." — 1 Thes. 5: 6.

"Blessed is that servant whom his lord when he cometh shall find so doing." — Luke 12: 42-44.

IN MEMORY OF MY DAD

Mr. C. O. Neuman

Dearest father, how I miss you,
No one can ever take your place.
For there's an empty spot in my heart
That time can never erase.
Your busy hands are folded
Your heavenly crown has been won.
The Heavenly Father decided your work
On earth was done.

I miss your voice,
I'll miss your bright and cheerful smile.
But such comfort to know we will
Meet in God's Kingdom after a while.
That you are not lost to me
And my love will always remain
For I know that some of these days
I'll be meeting you again.

Lovingly dedicated to the memory of my father C. O. Neuman, who departed this life.
