We Confront The Supreme Crisis of Human History

It is a call to the whole church in the whole world to turn simultaneously to God in prayer. God has always met a nation or a people on their knees.

By WILLARD H. POPE

It is doubtful if there ever has been a generation in history which has faced a year with such uncertainty as we face now. The progress made in the development and stockpiling of atomic and hydrogen weapons is changing the thinking of the world. The global destruction which threatens this generation is unparallel in the history of man.

The atomic bomb of today is 25 times as destructive as the bomb that levelled Hiroshima to the ground. To help you to understand more fully the crisis which the world faces let me give you some figures of the first atomic explosion at Alamogordo, New Mexico, on July 16, 1945.

This bomb was declared to be the equivalent of 20,000 tons of TNT. The tower used in exploding that experimental bomb was made on ten inch railroad rails, weighing 90 pounds to the square foot. Yet when that bomb exploded, it generated one million degrees of heat, and that steel tower was turned into a cloud of steam and was tossed seven miles into the air. Where the tower stood there was a hole in the ground six feet deep and almost a mile wide. For more than three miles in all directions the ground was boiled, fused and melted into glass.

HIROSHIMA, JAPAN

At 8 o'clock on the morning of August 8, 1945, the air raid signals were sounded over Hiroshima, Japan. A few moments later a city of 350,000 souls was levelled to the ground and set on fire by the terrific heat of the second atomic explosion.

Now for the first time we have released some idea of the progress that has been made in the development and stockpiling of this monstrous weapon of destruction since that time. Instead of our modern atomic bomb having the equivalent of 20,000 tons of TNT, it has the equivalent of 500,000 tons of TNT. And beyond that is the dread hydrogen bomb which has been declared the equivalent of millions of tons of TNT. This authentic information staggers the imagination...

SOUND AN ALARM IN ZION

The stern, stark realities facing the United States today are these, we are told on the most reliable authority that Russia is equipped to use this deadly destructive force on our centers of population at any moment — and this has been made possible by her agents in our government, her American spies and saboteurs...

According to "Intelligence Digest", one of the most authoritative sources of information, Russia is no longer devoting her efforts in stockpiling A and H bombs, but is concentrating her efforts on the development of the terrible Cobalt Bomb. This bomb is many times more destructive than the hydrogen bomb be-

cause of the intense radiation of cobalt, which makes it capable of rendering great sections of the earth utterly uninhabitable for many years.

In all her designs and efforts against the United States, Russia has been aided by her agents of International Communism working in U.S. State Department, U.S. laboratories and U.S. secret atomic war plants, and thousands of these agents of World Government are still at work and little is being done to safeguard the nation from this deadly peril.

DAY AND NIGHT PRAYER IS AMERICA'S DEFENSE

The question is asked: "Will Russia bomb the United States?" The answer is no that as soon as the Kremlin has developed her striking power sufficiently to stage a sneak attack such as Pearl Harbor — she will strike without a moment's delay.

Russia will sit in U.S. peace talks but Russia will continue her mad schemes of subterfuge, artifice, evasion, espionage and deception. She will continue to be helped by her Communistic and Socialistic allies in Europe and Asia, and by her Communistic agents planted in U.S. Government, Schools, Colleges, Churches, and in U.S. war plants, factories and newspapers across the country.

Russia will never change her plans for world domination. World revolution is the religion of International Communist and every Communist in the world is dedicated to its accomplishment. The United States is the only nation in the world that stands between her and her mad ambition to dominate the world.

THE MIDDLE EAST

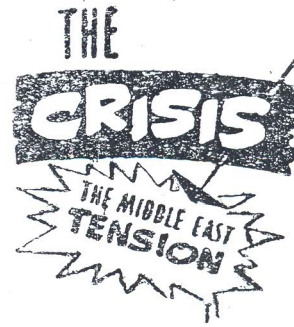

The months of the now past have greatly increased the already serious situation in the Middle East.

Readers will now see clearly the continuous and steady deterioration in the general picture of the Israel-Arab war, for such it is; and step by step our world of nations marches on to Armageddon.

Israel is now in the forefront of the nations as the familiar words of Ezekiel's prophecy, and those of Isaiah, Micah and Joel trace the pattern of the "line-up" which suddenly brings the Great "Assyrian" and his cohorts on the world stage to perform the LAST ACT prior to the return of the Christ.

The intervention of God, as we see in ch. 38:8 is near for we read in verse 18: "And it shall come to pass in that DAY, in the DAY when Gog shall come against the land of Israel, saith the Lord God, that my wrath and my jealousy shall arise, I have spoken in the fire of mine anger, verily in that DAY, there shall be a great shaking in the land of Israel".

The same story of Gog's downfall can be read in Isaiah ch. 10: 24-34. There is nothing in these two chapters, and other similar ones, to suggest that Jerusalem will fall to the invader or that Israel will go into another captivity.

Rather is the intervention just as sudden as the Russian storm-like happening.

Israel will continue her defense role which will anger ALL nations and bring their condemnation, because they do not understand; "they know not the thoughts of the Lord, neither understand they His counsel, for He shall gather them as sheaves into the floor". — Macah 4: 12.

And as we have noted in "Present Day Events" this issue, 5 years will have passed since 1967, and well might bring a most serious action by Israel, either on Jordan territory, or on Syria, or even on the Aswan Dam. But whatever it is, it will cause also the divine fulfilment of the words: "I will put hooks into thy jaws, and I will bring thee forth... against the mountains of Israel"... and "against those who have been gathered out of many people". — Ezekiel ch. 38: 4-8.

Reader, do you realize that this will affect you personally? Get in out of the storm.

WONDERFUL INDEED

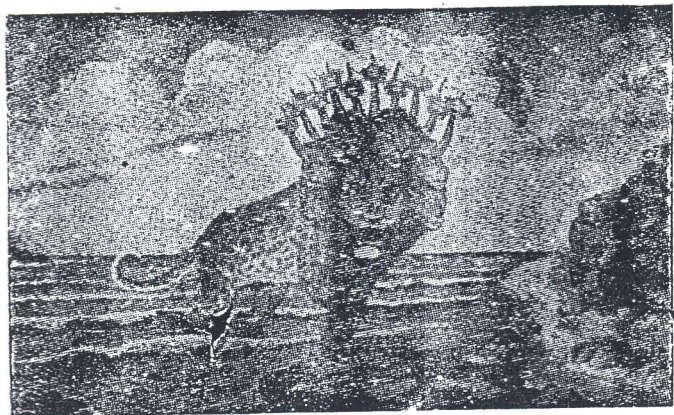

How amazing to be living now and to see the wonderful fulfillment of prophecy. Jerusalem a burdensome stone and CUP OF TREMBLING to all nations. — Zech. 12:2, 3.

THE BOOK OF REVELATION AND THE COMMON MARKET, WOUNDED HEAD HAS HEALED

Ever since the birth of the Common Market at Rome, many students of Bible Prophecy have been watching its growth and movements with the deepest concern. The book of Revelation very definitely pre-announces a ten nation formation in Europe, the healing of the wounded head of the Roman beast, set forth so clearly in Bible prophecy.

Many have thought that this "Common Market" would finally develop into this long expected "United States of Europe", with its seat at Rome, in preparation for the closing drama of Gentile times.

The visions given to this great Jew during his banished experiences on the Isle of Patmos, have all definitely come to pass excepting these

very last events. He said: "I saw one of his heads as it were wounded to death, and his deadly wound was healed and THE WHOLE WORLD wondered after the beast."

"And all that dwell upon the earth shall worship him whose names are not written in the book of life." — Revelation 13, verses 3 and 8.

We are plainly told that there are to be ten nations in this last and final drama of Gentile governments. And that "these ten horns on this beast, are ten kings that have received no kingdom as yet, but receive power as kings one hour with the beast." Then they make war on the Lamb, and all the called and chosen and faithful, but are destroyed. This is their final end. Daniel saw this in vision. He said he "beheld until the beast was given to the burning flame." — Daniel 7: 10, 11.

As there are now ten nations in the Common Market, having its birth at Rome, and the leading Gentile priests, clergemen, Bishops and Archbishops taking part in, and voting for it, surely gives this big European movement, the sure mark of the real healing of the deadly wound, which is to finally bring pressure and persecution on all who will not join in, and follow (or worship), as these religious dictators demand.

What follows is taken from a magazine, published recently in England:

This timely article was placed in our hands by a "Reporter" reader in England, but the name of the magazine we do not have. We will try to give it in other articles that will follow on this very important subject. The angel Gabriel assured us that the wise would understand these closing events of the age, and would not in any way worship the beast or receive his mark. Here is the article. Note carefully the part the Gentile churches are taking in the Common Market set up.

EUROPEAN UNITY

"The idea of Europe Unity is not new. It is age-old. Its roots lie deep in our continental Christian heritage. Constantine, first Christian emperor of Rome, fought with his new faith to uphold the classical ideal of many peoples under one law. Out of the Dark Ages, chaos a new Christian civilization arose, uniting Europe as a continent-wide community of worship and scholarship, Latin tongue and Christian culture. Charlemagne, godly prince and "Holy Roman Emperor", bridges classical and modern worlds with his remarkable vision of a Europe united under God.

The vision often faded. It never completely failed. Monastic orders, like the Benedictines, kept it alive with their practical mixture of holiness and hard work. Even while the Reformation was setting Protestant against Catholic, and nation against nation, European men of outstanding Christian stature like Erasmus of Rotterdam preserved the ideal. In our own day, in the aftermath of terrible wars, British Christians have led work for reconciliation. The charred Cross and open ruins at Coventry Cathedral have caught the imagination of once hostile peoples.

The new task is for Europe's Christians to join in building the spiritual foundations of a continent currently seeking its unity in narrowly secular and materialistic terms. Europe's Christian witness has in our day been sapped by doubt, eroded by atheism — and weakened by the irrelevance of so much institutional religion to the life of our dynamic continent.

A new surge of Christian idealism for Europe is desperately needed. Mere preoccupation with tariffs and quotas, regulations and dues, finance and investment, however necessary, reduces the whole enterprise to the level of a grocer's bill. Church leaders must awake us to the moral dimension.

The Provost of Coventry, Very Rev. H. C. N. Williams, has called for "a Europe of shared responsibility, shared culture, shared determination to protect human values of justice, truth and decency, and shared revulsion against the shoddy materialism and degrading permissiveness which is corrupting society."

"The real name of the Common Market is the European Economic Community. The Churches of Europe must also make a reality of that word "community"; Christian fellowship and ecumenism have a major part to play. Across-the-Channel parish-to-parish links between British congregations and those on the continent can make this unity real to the average man in the pew. Europe's Churches can learn much from each other.

"Study and action, witness and evangelism, shared by Christians of different nations and traditions, can be the future shape of Europe's "oikumene". For the continent to unite but its Churches to remain apart is unthinkable. Europe's Christians need each other — because Europe needs the Church, as a microcosm of unity brotherhood and true across-the-frontiers fellowship, and a prophetic voice calling our affluent continent to the service of a hungry world.

The Church must put true community, and the ideals of morality, into the Common Market.

MARK THE WORDS

"An outward-looking Church ought to be looking towards Europe. I am 100 per cent in favour of Britain honestly recognising that she belongs to Europe and ought to be much more closely a member of the European Community; the tremendous spiritual and cultural adventure that would follow from a real cross-fertilization of ideas... I believe that our Church ought to be thinking far more seriously than it is about a strengthening of all the ties which bind us to our fellow Christians in Europe, not for comfort but to make possible a constructive concern for the whole of suffering humanity."

Max Warren, Canon of Westminster, long-time distinguished General Secretary of the Church Missionary Society.

For the Record:

"When the vote was taken in the House of Lords on Britain's entry into Europe all eleven bishops present voted in favour of entry. They were the Archbishop of Canterbury and the Bishops of London, Winchester, Chester, Chichester, Hereford, Leicester, Lichfield, Peterborough, Rochester and Southwark." End of Magazine Article.

Remarks, — Note how inviting the foregoing article and how innocent it appears. Those who know nothing whatever about the book of Revelation, and are therefore living in darkness relative to what is soon to come to pass, will be caught.

Note carefully — "All that dwell upon the earth shall worship him (the beast after the deadly wound is healed), whose names are not written in the book of life." Verses 3 to 8.

These leaders mentioned above are Sunday keepers, and know nothing whatever about the book of Revelation. Not one of them are teaching the people "The Third Angel's Message" - Chapter 14: 9, or ever try to understand the meaning of the "beast" in Bible prophecy. All who follow ignorantly along the same broad road, fail to receive the Blessings promised in chapter one verse three of this last book of the Bible, and will therefore become worshippers of the beast.

Note prayerfully that those who do (not) worship the rising (ten) horned beast in Europe are few in number, — "Fear not little flock, for it is your Father's good pleasure to give you the kingdom." — Luke 12:32. They are the ones that "Keep the commandments of God, and have the testimony of Jesus, (the New Testament) — Revelation 12: 17. They are "those whose names are written in the book of life in heaven. — Rev. 13: 3 to 8, and they are also "The called, the chosen and the faithful" — Rev. 17: 12 to 14. — Editor.

WHEN TO WE NEED REVIVAL ?

- It is very evident that we need a revival:
- When it is easier to stay at home than to go to church.
- When it is easier to be critical than kind.
- When it is easier to read fiction than the Bible.
- When it is easier to shrink God-given opportunity than to do it.
- When it is easier to support the club than the church.
- When it is easier to sleep in church than stay awake.
- When it is easier to grumble than to praise.
- When it is easier to condemn souls than to pray for their salvation.
- When it is easier to hold grudges than to forgive.

These and other human tendencies are sure signs that a real, heaven-sent, heart-cleansing revival is needed.

"How can we have revival?" someone asked the great evangelist, Gypsy Smith.

The wise, old preacher replied: "Take a piece of chalk, and draw a circle on the floor. Then step inside the circle, and pray: "Lord, send a revival inside this circle".

Gypsy Smith was right. Your life and mine need a personal revival! Let us say with the Psalmist David: "Search me, O God, and know my heart: try me, and know my thoughts: And see if there be any wicked way in me, and lead me in the way everlasting". — Psalm 139: 23, 24.

When do we need revival? NOW! Wherever you are, whoever you are, bow your knee in humility, and cry unto God: "Send me a personal revival. — NOW !"

Deliverance In The Midnight Hour

Cry aloud and spare not. Lift up thy voice like a trumpet, and show My people their transgressions and the house of Jacob their sins." — Isaiah 58: 1.

If we are like the one-talent man that He tells about, and don't know HOW to use the money we have "buried" in the bank, and in safety deposit boxes — why then, do as the Lord says: "Thou oughtest therefore to have put MY money to the exchangers" (Matt. 25: 27, — not that it is "MY" money, — God's money, — not our, — we merely are stewards (1 Peter 4: 10) of the things we have. So Jesus says that we should put the money we have — to the "Exchangers" — to those who do know how to use it — and who will use it — not hoard it or misuse it!

We, here, certainly can USE vastly more money than is being received. We are one of God's "Exchangers" — USING money to get the Gospel out all over the world through Gospel tracts, etc. Therefore pray, and if the Lord lays this work on your heart — send whatever He shows you to send — that the Gospel may go out unhindered by lack of finances.

They are calling from all over the world for Gospel tracts and for ministers to be sent. The responsibility weighs heavily upon us. Day and night we think about them. So now we pass the burden on to you, who are able, by hoarded money and accumulated property to do something. It is now a matter between you and your God.

We are living in a crisis hour, when our time to work is just about to close. Funds are urgently needed, and we must have them for this soul saving work.

Are you offended because we preach to you the Gospel of Giving? If so, it is simply another indication that you are proud, selfish — unconcerned about the dying multitudes around you — and, remember, the Lord is going to remove such lukewarm professors out of His Church — except you REPENT — and NOW is the time for you to repent! — Rev. 3: 14-22. "Boast not thyself of tomorrow." — Prov. 27: 1.

You may be dead tomorrow — and you will have to tell God why you left that money and that house to your ungodly relatives — to help them further on towards the lake of fire prepared for the devil and his angels — and why you permitted the Gospel work to languish because of your lack of support!

We are lukewarm, at ease in Zion (Amos 6: 1) — remember that the Lord commands us to "BE ZEALOUS therefore, and REPENT" (Rev. 3: 16-19). We are doomed if we don't. Are we preaching the Gospel of Giving — are we depending on Him? "GIVE, and it shall be given to you" (Luke 6: 38). "Blessed is he, who ever shall not be offended in Me" (Matt. 11: 12). "One thing thou lackest... Sell whatsoever

ASTONISHING

the midnight hour
IS NEAR

thou hast, and give to the poor... and follow Me". — Mark 10: 21.

Paul preached the Gospel of Giving. To quote one passage: "SEE that ye ABOUND in this grace (the grace of giving) also". — (2 Cor. 8: 1-24).

SEND FREELY FOR PAPERS

We thank God for the sacrificial gifts that many of God's people are sending in to this work of His, both here and over the world, and we urge all to send freely for the papers — for yourself — or to distribute, regardless of whether you can send any offering at all or not.

We never remove anyone's name from the mailing list simply because they have not to send, if we know they are getting it and they want it. But, God helping us, we want to be faithful to the souls of those who, like the One-talent man (Matt. 25: 24-30), do have unused money, or ability, or possessions, in these critical, crisis hours.

We are commanded to preach the truth, and to warn them for HIM.

Oh, to be ALARMED, AROUSED, STIRRED — because of the things that are coming on the earth — because of our own responsibility concerning present conditions in the church and in the world! Oh, to be AWAKENED from our deadly sluggishness, our sleepiness, our inactivity — in view of a world ripening for judgment! Oh, to remember Calvary!

Oh, to WAIT upon the Lord in the quiet hours of the night, and of the early morning — that we may be STRONG to do exploits in His glorious service! — Isa. 40: 29-31; Daniel 11: 32.

PRAYER IN CRISIS HISTORY BREAK OFF THY SINS BY RIGHTEOUSNESS

America could be saved if every minister of the Gospel would dare to stand in the

and call the nation to repentance.

"Except the Lord keep the city, the watchman waketh but in vain." — Psalm 127: 1. Before God, this nation has little conception of the extreme danger that hangs over it. God can stop Russian aggression but He will not stop Russia as long as He needs her as an instrument of His wrath and righteousness against the nations that have forgotten God.

O Mr. President! O Mr. Secretary of State! O men of our Legislative Halls! O Ministers of our churches and leaders of America's spiritual life — put your ear to the ground of history and listen to the marching feet of the nations of the past — God let Babylon and Syria take His people captive when they forgot Him and repented not at the warning of His prophets.

O America, a national crisis is not military but spiritual! Like Jacob we are at the brook Jabbok. The enemy is on the other side — powerful, godless, relentless and brutal.

Like Jacob, as a nation, we must lay hold upon God. We must wrestle with Him in righteousness and never let Him go (Gen. 32: 26) until He blesses us and turns the enemy back. — Abridged; — Sel.

OBITUARY

Our dear mother, Mrs. Ida Tilley, departed this life March 19th, 1972. She was born in Alabama to a large family of Johny Williams. She was the mother of 7 boys and 2 girls. In 1941 she moved from Okla to Oregon. Then in 1957 she moved to Israel, where she lived when she departed this life. She was loved by all who ever knew her. She is resting in a little quiet cemetery in Gan Yavne, Israel, to await the call of our life giver. May we all be ready to meet her.

Gladys Fauth

Sister Tilley has been a long time member of the "Family of Elohim", the group spoken of 12 times in the New Testament as "the Church of God", the family of Elohim. She was a faithful member until death. We look forward to meet her in the resurrection of the faithful near at hand. — Editor.

DANIEL AND REVELATION

Now we have printed another twelve thousand of the book of Daniel together with the book of Revelation, in the Hebrew and twelve thousand in the English. We are sure that Gabriel and Michael through whom these great prophecies were given will be pleased for us, unitedly to give them to the "Chosen People" from whom they have been withheld all of these years.

GOOD HEALTH DEPARTMENT

Your body is its own healer and when properly treated it will heal itself of every sickness. In fact out side of contagious diseases, and accident, you should always be in health. This was, and still is, the will and purpose of our Creator Who so miraculously made us that our bodies will stand up under a lot of abuse. But finally it will give up when through lack of wisdom and knowledge we continue to put into our stomachs unnatural man made foods that appeal to our taste but lack many vital elements the body must have to live.

When you accidentally cut your hand or any portion of your flesh you are not alarmed about it being permanent damage, for you know it will heal itself, and be as it was before. The same is true of any other portion of your body.

Every internal organ is its own healer if given a chance. Every organ is provided with what we might properly call brains of its own. By this marvelous safety device that organ is protected, and will desperately fight for its survival. For instance poisons are with held from the blood stream and form themselves into what they call "Gall stones". Thus your life is saved from the damage, of wrong eating, and over eating, etc.

When all foods taken into our stomachs have been cooked, there are vital elements that the fire completely destroys, and thus the organs of our bodies are robbed of what the heavenly Father intended for us to have. A diet of all cooked foods is one of the primary causes of overeating. That hunger remains which you try vainly to satisfy by eating more and more food, cooked food.

The Creator did not expect people to put fire to most everything we eat. Back in the days when people were healthy without doctors and hospitals, the food was mostly raw consisting of fruits, herbs, nuts(green food, etc.

Over forty years ago I knew a man in Iowa by the name of I. N. Kramer, a wondreful man, an old time minister of the "Church of God". At sixty he was a sickly person and many did not expect him to live many more years. He made a change of diet, stopped eating meat and greasy foods, began eating more fruit, and made a practice of taking four to six tablespoons full of Kellogs flaky bran every morning. This with the fruit kept his bowel movements regular after cleansing himself with the use of enemas. I visited him every few years afterwards, and on his 95th birthday, walked with him over his farm, after he had in the same forenoon set out over 200 sweet potato plants. He lived and enjoyed life until almost 100. — Editor.

A Testimony from Australia

Several months ago I received one of your

magazines which had an article on health questions, and they vitally concerned me. I thought to myself "well this man is different than others. He would follow God's plans more fully, so I'll follow his instructions as best I can". That I did, truly my friend and brother I can thank you from the depths of my heart. Today at 55 I am a new man and feel 30 years younger than I did three months ago.

Your articles were on the questions of Constipation and it's cure. You put it plainly. I was a walking cesspool of rubbish". I went on a diet of fruits and vegetables after 45 years of eating meat. I am a widower and live with my sister, who is a widow.

I was able to use the enema treatment as you suggested, and after three days of almost continuous use, finally cleaned me up, made me a new man.

Well I now feel wonderful. Many thanks to you and your paper. Now I am extremely interested in your messages from Jerusalem and read all I can for I believe you have truth.

Your obedient and devoted follower,
M. Logue

MONEY IS BAD FOR YOUR HEALTH

Money is truly dirty — according to a report by two monetary-minded physicians in the Journal of the American Medical Association.

The medical sleuths borrowed 62 pennies, 38 nickels, 27 dimes, 33 quarters and fifty papers bills of small denomination, with no discrimination as to the age, sex, colour, or religion of the lender, so that the results would be unbiased. They then cultured the coins and bills.

They discovered that 13 per cent of the coins and 42 per cent of the bills were contaminated by potentially disease-causing bacteria. Pennies, nickels and small denomination paper bills were more often contaminated than larger coins bills — a logical consequence of the frequent handling of small coins and bills.

The investigators — Dr. Berel L. Abrams and Norton G. Waterman, of the Department of Surgery at the University of Louisville School of Medicine — offered six tongue-in-cheek "Rules to Stay Sterile By":

"Keep your money in the bank.

"If you must carry money, carry only large bills, preferably the \$50 and \$100 denominations.

"Don't make change.

"Keep your hands out of your pockets. (We have no suggestions as to where else you might keep them.)

"Get rid of your money rapidly. (This isn't much of a problem for most of us.)

"Campaign against piggy banks. (Particularly for children. They will be contaminated soon enough anyway.)"

Questions And Answers

QUESTION :

How is the best way for a person who is not religious and who never cares to go to hear about the Bible, or read it, to become interested?

ANSWER :

When two or three people will agree to fast and pray for that person, for a certain period, say three days, having faith without wavering, there will be results. There are few people who are willing to make this sacrifice, and self denial, but it will work.

QUESTION :

We know people who believe, and also attend church when convenient, but otherwise seem to be worldly, and luke-warm. What is the cause of this, and the remedy?

ANSWER :

When the daily customs of these people are investigated you will find them very slack in prayer. Perhaps they ask the blessing at the table before or following the meals and that will be all.

They are like the car battery with the generator disconnected. Their light has gone out. They must make a change. Set up the family altar. Read a chapter in the Bible and have prayer every morning at the beginning of the day. THEN people should go by themselves alone, and praise and thank the Creator for His many blessings, and ask Him in the name of Yahshua (Jesus) for the holy Spirit, for more of the Spirit. Everyone should read Luke 11: 9 to 13, every day, until they believe it, and can practice it.

The holy Spirit, that divine virtue, or power from above, is what people need today worse than money, new cars, new homes, or anything else in this world. The devil gives people a self-righteous and satisfied mind, making them think they are safe and all right, when many are luke-warm and separated from heaven.

"There is a way that seemeth right unto a man, but the end thereof are the ways of death." — Proverbs 14: 12 and 16: 25.

QUESTION :

What is the first step for a sinner to take to get into a saved condition so the angels will watch over him through these perilous times, and then to enter the Kingdom?

ANSWER :

Follow the instructions of Peter's Pentecost sermon (Acts 2: 38). "Repent and be baptized in the name of Jesus Christ (Yahshua ha-Meshiah (Hebrew), and you shall receive the gift of the holy Spirit.

The holy Spirit will lead people into truth if they want the truth. When David sinned, he dressed himself in sack cloth, the cheapest cloth known. Then he rolled himself in ashes, and shed tears for his sin. To repent means much

more than most people know or feel. It takes real "Godly sorrow" for a genuine repentance. Then the immersion, a burial in the water. Persons sprinkled have never been baptized. It is only a sham and counterfeit. Not mentioned once in the Bible. Note Romans 6: 1 to 4; Acts 8: 37, 38.

QUESTION :

What does (fear) of the Lord mean?

ANSWER :

We are: "To love the Lord thy God with all thy heart" (Matt. 22: 37). Then we are also told that "this is the love of God that we keep His commandments". — 1 John 5: 3.

Our relation with the heavenly Father is the same as it is with children to their earthly father and mother. Children love their father and mother yet they (fear) the results of disobeying them. They know or should know that punishment comes when they do wrong. It is just the same with all of us, while we love our heavenly Father, yet we (fear) the chastisement, and final punishment from Him if disobedient.

QUESTION :

Do the Jews in Israel end their day at sunset or at midnight?

ANSWER :

The nation Israel follows the Bible, and ends their day at sunset. Beginning the day at midnight is another change made by Rome because she would not have anything in common with the Jews. At the beginning of creation we are told that the evening and the morning was the first day, and so on through the creation week.

Also in Leviticus 23: 32 it says they kept the Sabbath "from evening to evening".

QUESTION :

We read of excavations in Israel, why and how are cities buried?

ANSWER :

This country has long been one of repeated wars. It has been a coveted prize of all warring nations, one against the other. As the four universal empires gained possession of the world, this country was one of their main objectives. Cities were surrounded and destroyed, and the houses leveled to the ground. They were rebuilt on the ruins of the old city, to be again destroyed by the next conqueror. In this way cities were buried and now several levels are found by the excavator.

In Deuteronomy 28: 24 it says: "The Lord shall make the rain of thy land powder and dust, from heaven shall it come down upon thee until thou be destroyed."

This was one of the judgments upon this land during its long period of desolation. Rains were withheld, and great sand storms repeat-

The True Religion

The seven last plagues described in chapter 16 are imminent. They come at the close of Gentile times, and we are in that period hence this is the message for our day, "Come out of her, MY PEOPLE."

In this chapter the coming Messiah is spoken of as the Bridegroom. The engagement to this "Daughter of Jerusalem" is recorded in II Corinthians 11: 2, 3. His wife is now making herself ready, and is clothed upon with fine "linen" clean and white, for the fine linen is the righteousness of the saints." — Revelation 19: 7, 8.

The people of the true religion, or the "True Church" of whom the Creator is the Father", are scattered all over the world. Many have come out of the harlot church, the "Daughter of Babylon" and also her daughter churches". — Revelation 17: 5.

Now the mother and her daughters are banding together in one great worldly federation, known as "the World Federation of Churches" including even Communism, while the "Remnant" of the seed of the "Daughter of Jerusalem", known by their creed, "the Commandments of God, and the Testimony of Jesus" (Revelation 12: 17), are joining up with Jerusalem. They are finding their rightful place, as this "Bride of Christ" makes herself ready. They are becoming a part of "Israel", and recognizing their place, in these closing days of Gentile times. The beloved Master said of them, and of this time: "Fear not little flock, it is you Father's good pleasure to give you the Kingdom." — Luke 12: 32.

The heavenly Father knows who they are. Their names are written on the "Lamb's Book of Life, in heaven (Rev. 20: 15), and they are still the "Daughter of Jerusalem".

This is the true religion. The history of these people has never been lost. They have existed right along with the Jews, and have been killed and persecuted together, as the "History of The True Religion," shows. It has been republished here at Jerusalem and is being sent out from here to this special called out people all over the world.

"Blow ye the trumpet in Zion, and sound an Alarm in My Holy Mountain. Let all the inhabitants tremble, for the Day of the Lord cometh. It is nigh at hand." — Joel 2: 1.

There is a set time, for the return of Divine favour to Zion. Please read Psalam 102: 13-16; Malachi 3: 1, 5, 6, 7; Ezekiel 16: 60-63; Jeremiah 31: 31-37; Isaiah 40: 1-2.

True Christianity makes no claim of being in antagonism to ancient Judaism. Quite to the contrary, it claims that "holy men of old (Jews) spoke and wrote as they were moved by the holy spirit."

True not false Christianity, instead of being split off from Judaism, was the natural outcome and proper development of it — the fulfilment of the promises of God upon which the

The Apostle shows this matter most distinctly in his letter to the Romans (chapter 11), where he pictures the Jewish nation as the olive tree whose root was the Abrahamic promise, and whose branches were the people of Israel. He pictures true Gentile believers as the fuller development of this tree.

They are grafted into the Jewish tree CONTRARY to nature (verse 24). Therefore the Gentile graft resembles the Jew, and will be spoken of as a Jew or judaiser.

Regardless of all vain philosophies and human traditions and speculations, Faith triumphs over reason by accepting the revelation of the God of reason: the SCOPE of the DIVINE PLAN is as wide as redemption; its SCIENCE the most exact; and its PHILOSOPHY the most profound.

During the nineteenth and twentieth centuries, observes Rabbi Kohler, Dr. Berkowitz, and others, there has been a gradual opening of the New Testament to the Jews — not willingly upon the part of the rabbis, but by force of circumstances, the growth of intelligence and the fact that the best people of the world have drawn their inspirations from it. It was this same force of circumstances that compelled the granting to Roman Catholics residing in the United States liberty to own and to read the Bible.

Sure Promises To Abraham

God promised to Abraham both a heavenly seed and an earthly seed (Genesis 22: 17, 18); the heavenly seed is mentioned exclusively to Isaac (Genesis 26: 24); the earthly seed is mentioned exclusively to Jacob (Gen. 28: 14). God has not let go of fleshly Israel from that time to this (Gen. 28: 15), over thirty centuries; and as surely as it is here written He will accomplish for them the promised blessing and will yet make them a further blessing to all nations.

"The Land Is Mine!"

God has great blessings of favour in store for Israel through a "New Covenant" under the glorious reign of the glorified Messiah — its "better Mediator" than Moses. God promised that LAND to Abraham, whom He is preparing to bring back in resurrection to receive it. He is now keeping His promise to Abraham which He made to him so long ago. And Abraham is "heir of the world", "father of many nations" — extending to all who will exercise the faith and obedience of Abraham, thus becoming "Israelites indeed", children of Abraham in truth. — Genesis 17: 15; Romans 4: 13, 17-18.

We have come to the time when the promises given in the Word of God are about to take hold upon the people of Israel and fire their hearts as never before. The very foundation of their national character is laid in their religion which with the one addition of accepting their Messiah, born in Bethlehem, now taking place, is going to stir them as a nation as nothing else

NOT UNDER LAW BUT UNDER GRACE

(Continued from page 14)

or justification, but we must come boldly to the throne of grace through faith in the blood shed on Calvary. We are ALL accounted under sin, and a careful observance of the commandments of God henceforth will not give pardon or justification, any more than the murderer bound over to pay the penalty for law violation, can get pardon by law observance. It takes something separate and apart from that. It requires a pardon from the Governor to obtain freedom, and so with us, we must come to God through Christ, and through faith receive forgiveness, pardon, and justification, but not for the purpose of law violation, but obedience unto righteousness (Rom. 6:15-18). Sin is the transgression of the law. See also James, 1st chapter, and especially chapter 2: 8-11. Also 1 John 5:3,4; Rev. 14:12, 22:14.

The ten commandments are also spoken of in James, 2nd chapter, and elsewhere in the Scriptures, as the law of liberty, because their violation forfeits liberty. Every criminal confined in the penitentiaries of our land has lost his liberty because of having violated one of the ten commandments. Jesus declares: "Ye shall know the truth, and the truth shall make you free" (John 8:32) — not free to become violent and do as you please, but free from sin and death, with a full guarantee of liberty forever.

The great cause for wrongly wresting Paul's writings and claiming the ten commandments to be abolished is that the fourth one declares the seventh day to be the Sabbath of the Lord, while the world keeps the first day.

We praise the Lord, however, that thousands of honest souls all over the world are walking out in the light, being forgiven of all sin through Christ, and observing all of God's commandments, to be worthy of eternal life. — Rev. 14:12 and 22:14.

THE MOST DEADLY WEAPON

NS: I am more deadly than the screaming shell from a howitzer; I run without killing. I tear down homes; I break hearts and wreck lives. I have no respect for truth or justice, no mercy for the defenseless. You will find me in the pews of the pious and the haunts of the unholy. I am wily, cunning, malicious and I gather strength with age. I make my way where greed, mistrust and dishonor are known. I feed on good and bad alike. My victims are as numerous as the sands of the sea and often as innocent. I never forgive and seldom forget. My name is GOSSIP. — *MURPHY, MURCONE*

THE EARTH A PEACEFUL HABITATION

"The wolf also shall dwell with the lamb, and the leopard shall lie down with the kid, and the calf and the young lion and the fatling together and a little child shall lead them." And the cow and the bear shall feed; their young ones shall lie down together, and the lion shall eat straw like the ox." — Isaiah 11:6, 7.

THE REMNANT CHURCH

Revelation 12. — "The Dragon making war against the — REMNANT" of her seed. This is the last portion, a small part, and just like the original Church, as it was in the days of the Apostles, and for several hundred years after them. In fact a Remnant, as our "History of the Church proves," has always existed, and now through them the "Third Angel's Message" — (Rev. 14:8), is being given to the whole world, with the call to: "Come out of her (the harlot woman: Rev. 17), my people. (Rev. 18:4), which is just before this apostate system and false "World Religion, World Council of Churches" is totally destroyed. Remember the Master says of this time: "Fear not little flock, for it is your Father's good pleasure to GIVE you the Kingdom." — (Luke 12:32).

The "World Council of Churches, Protestantism, and Catholicism", with sun-worshipping churches never hold up the "Commandments of God", as the great standard of righteousness, but notice that this "Remnant," Keep the "Commandments of God", and also have the testimonies of Yahshua — (Jesus), the New Testament, Sunday laws, "Blue Laws," are now being passed, and old Sunday Laws resurrected in the U.S.A., while in other parts of the world, the Remnant is being threatened, and intimidated. Remember the admonition: "Hold fast till I come".

MAKING YOUR WILL

Our beloved Messiah has many true disciples today, whom the heavenly Father has blessed with an accumulation of property and wealth of earthly material; the greater portion of this should go back to Him when they are called away. It can be used here in giving out the gospel of salvation, and in this way their lives, or their work on earth for the Father will go right on.

Even if this is a late hour, we are commanded to occupy till he comes. Luke 19:12 to 13. If He should come before your property is thus put to work, or even before you are called away, you will be rewarded for this act of faithful stewardship.

Make your will to "The Mount Zion Reporter", to be used in the gospel work, Jerusalem, Israel. This should be done properly before an attorney.

LIFE IN ISRAEL

By EFFIE DUGGER

Shalom!

We send greetings of peace to all "The Reporter" readers all over the world. The time has come for me to jot down a report of a few happenings during the last month, as seen from a busy house-wives point of view.

We were especially pleased to have Sr. Tina Joebel of Switzerland with us during the Passover season. She is well known for her efforts to spread the Gospel first in Australia and later in India. She still is Mother to many homeless children in India. She maintains a home and school for them. We have known her for many years, having met her when she was attending an ulpan here to learn the Hebrew language.

Her testimony is inspiring when she tells how she has been given up to die numerous times but still she is active in the work she is called to do.

Bro. and Sr. Taine of Australia occupied rooms in the guest house for a few days. He is a Jewish brother who suffered in a concentration camp where all of his family was killed. He was a believer so he made a vow that if his life was spared he would preach the Gospel as long as he lived. He is faithful to his vow. We were happy to have him preach one Sabbath at the Meeting House. We do not ask people to tell us their church affiliation before they preach. We accept them on a profession of faith.

Also Bro. Dobles of Australia preached one Sabbath. He has a special gift for praying for the sick. His daughter, who assists him in his ministry, was with him. She sings beautifully. Bro. Wallace preached one Sabbath also. We are happy to maintain fellowship with him and his group also whenever possible.

We have only three visitors at the guest house now, one is Evangeline Widen, of U.S., and her two friends from South Africa. They are all vegetarians. They have made contact with some of the vegetarians from Amirim.

We are vegetarians also, in practice, but not for any religious reasons. I do not do much cooking so that might be one reason for our stand. It would be unthinkable to eat meat in its raw state, ha! We do very well on a diet of raw vegetables or fruit. We always have yogurt, bread and avocados on hand, also eggs in case of visitors arriving. On Friday I do some cooking for Sabbath.

My husband fixes avocados with lemon and honey. I fix them sometimes with grated raw onion and a little celery salt. Sometimes I blend them with fresh greens, it makes a nice green sauce with a few seedless raisens. Sometimes I just mash avocados and sprinkle a little soy sauce on.

It is nice that the weather turned a little

warmer during the last few weeks. The last day or two a "sharav" tried to come in from the desert but it did not succeed. A "sharav" is a heat wave. Strong winds came up and pushed it back. We thought that perhaps the wind discouraged a swarm of locusts from coming in too. It even rained some on May first.

This is the evening after May Day. Some keep it as a labour festival here. Some stores remained open and carried on as usual. We had much office work to do. Our son Andy had help to load my big refrigerator into the car and took it to town to have it fixed and brought it back in the evening. He and Dennis also moved some furniture in to the Guest House. We had a chance to buy some needed furniture cheap. It will be ready for Gordon and Naomi and their eleven children. They expect to come early in July. They have had some trouble getting birth certificates for two of the children. We are so thankful for the interest and help of those who made it possible for them to come.

Bro. and Sr. Theo. McGill of Oregon brought another group of tourists from the States. These were old-time friends of ours whom we were happy to meet again. They were here in Jerusalem just four days. You can imagine they were busy days because there are so many things to see. We and others who knew them from former days managed to visit them at their hotel each night and on Sabbath several of them attended meeting.

Elder Raymond Moldenhour, who was one of the group, preached for us. It is so nice to meet old time friends and renew associations of former days, especially with ones whom we feel are lovers of the truth as we are.

We have a common message to give the world. The message is: "Come out of her My people", for all nations have drunk the wine of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies. And I heard another voice from heaven, saying, Come out of her My people, that ye be not partakers of her sins, and that ye receive not of her plagues". — Rev. 18: 4.

A woman is a type of a religious set-up. There are two women mentioned in the Bible in numerous places. The true woman is usually called "Daughter of Zion" or "Daughter of Jerusalem". The false woman mentioned in the verse quoted from Revelation 18: 4 is described in the next verse: "For her sins have reached unto heaven and God hath remembered her iniquities". She is called Daughter of Babylon.

Will the ten nations give their power and

Not Under Law But Under Grace

"For sin shall not have dominion over you: for ye are not under the law, but under grace." — Romans 6: 14.

The Lord declares: "By grace are ye saved, through faith, and that not of yourselves: it is the gift of God". — Eph. 2: 8. The one who attempts to receive salvation through works is deceived, coming short of the calling through Christ.

"Not of works, lest any man should boast." — Eph. 2:9. Salvation being of so great consequence, it is impossible to earn it; but God declares it to be a free gift, only to those who are worthy. The great need today is for men and women everywhere to serve their God in a way well pleasing to Him, that they may receive the wonderful gift of eternal life. Christ says: "Watch and pray always that ye may be accounted WORTHY". — Luke 21: 36. It necessitates earnest and fervent prayer to God. Unless people pray for divine help, they cannot stand aloof from the world of pleasure and sin, and live that life pleasing to the Father in heaven. We must remain connected by heaven's radio to that power system above, so divine virtue can flow into us, giving heavenly strength to overcome, power to resist evil and possess love in our hearts to find real joy of service, and obedience to divine precepts. Instead of seeking an easy way and finding excuses for walking with the world let us seek earnestly for God's holy presence, giving us an overcoming life.

Peter says of Paul's writings: "In all of these epistles, speaking in them of these things; in which are some things hard to be understood, which they that are unlearned and unstable wrest, as they do also THE OTHER SCRIPTURES, unto their own destruction". — 2 Peter 3: 15-16.

Dear one, will YOU not take warning, and examine yourself, to see if you may not be "wresting" the writings of our beloved Paul to your own destruction. Paul says: "Ye are not under the law, but under grace." Are you wresting this to mean that you do not need to keep the commandments in this age?

Paul says: "For sin shall not have dominion over you: for ye are not under the law, but under grace. What then? Shall we sin, because we are not under the law, but under grace? God forbid. Know ye not, that to whom ye yield yourselves servants to OBEY, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness?" — Rom. 6: 14-16. So, dear reader, let us no longer wrest Paul's writings to our own destruction: Let us no longer yield ourselves to law violation, but to obedience through faith. "Being then made free from sin, ye become the servants of righteousness." "But now being made free from sin, and become servants of God, ye have your fruit unto holiness, and the end everlasting life. For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord." — Rom. 6: 18, 22, 23.

The first verse of the next chapter of Romans, viz. 7: 1, shows conclusively that the law of God was not abolished, but at that time (66 A.D.) was binding. It says: Know ye not, brethren, for I speak to them that know the law, how that the law (not did have, but) hath dominion over a man as long as he liveth," 66 A.D., therefore it has today. Verse 7 mentions one commandment of the ten, showing it is the ten commandments to which God here refers. Then the conclusion of the first part of this chapter, whatever some may wrongly wrest it to mean, is summed up in verse 12, as follows: "WHEREFORE the law IS holy, and the commandment holy, and just, and good". In verse 22, He says: "For I delight in the law of God after the inward man".

Again the Lord defines sin by saying: "Whoever com-

mitteth sin transgresseth also the law, for sin is the transgression of the law". — 1 John 3: 4.

In the old dispensation people were justified by the works of the sacrificial law. They brought an offering for their sin, and had a blood atonement made, but now in the gospel dispensation, we are not justified by the works of any law, but by faith in the blood that was shed on Calvary. There can be no justification (pardon) granted in this age by the works of any law; a diligent observance of every one of the ten commandments will not give us a decree of pardon for breaking them. Pardon and forgiveness of sin comes through repentance and asking the Father for it in prayer. May God have mercy, and give you spiritual discernment from this time forward, seeing that He has thus granted you favour by putting this message into your hands.

AN ILLUSTRATION

When a man violates the civil law of our state by committing first degree murder, and is convicted of the crime, he is sentenced to either life imprisonment or death. His liberty is taken away and at once he comes under the power of the law that forbids the taking of human life. He is bound over to the executioner or prison authorities to pay the penalty for his crime. There is now but one recourse: there is but one way of escape. He may be given a decree of pardon by the Governor of the state, and if so, his liberty is granted. This man is set free, and no longer remains under the condemnation of the law that forbade murder, but he is under the grace or favour of the Governor. The Governor has issued him a pardon for his sin and he is free. He has his liberty, but he is not free to again break the civil law without fear of its consequence and the penalty being again enforced. He now stands "not under the law but under grace". Grace means favour, and the Governor has granted him the great favour of life, releasing him from the condemnation of paying the penalty, which is death.

APPLICATION

The Lord says: "ALL have sinned, and come short of the glory of God". — Rom. 3: 23. Also: "The wages of sin is death". — Rom. 6: 23. Therefore, everyone stands in the position before God, corresponding to the foregoing figures, for ALL have sinned. Then the penalty of death hangs upon every soul. We are ALL bound over to the executioner to pay the penalty of death. There is but one recourse; there is but one hope of release, and that is to have issued to us a decree of pardon, from Christ. He stands in the position toward us as did the Governor toward the criminal, and He is the One who had the power to set free, and release us from the penalty of death. Those who believe in the power of the blood of Christ to forgive and grant pardon to them for their sins, come humbly beseeching that mercy may be extended and pardon granted. It is done, it is freely forgiven, to the truly repentant sinner, and while this sets us from the condemnation already on every head. It takes something outside and separate from this. It requires an acceptance of the blood of the Christ and by faith in this great transaction we ask for, and receive our pardon or justification. Not by works, but by grace are ye saved through faith. But this does not grant us a privilege of law violation which is sin.

Neither can we today be justified or pardoned as in the old dispensation by offering up animal sacrifices. The work of this ordinance law will no longer grant pardon

100 PROJECTS

And the growth will continue. Last year, 100 expansion projects were approved in M.E.E. involving a proposed investment of IL300 m. One of the big and still expanding industries is food, where project approvals totalled IL320 m., including IL100 m. for fruit and vegetable products, IL43 m. for dairy products, IL 36 m. for abattoirs and meat products, and IL32 m. for cold storage installations. The Ministry spokesman stresses that a not insignificant portion of these placements goes to improve the level of hygiene and sanitation in food production.

He adds: "In former years we used to get many complaints about the quality of Israel's processed foodstuffs; the situation has now improved radically."

PLASTICS GROWTH

Plastics have grown since 1967 by an average of 25 per cent a year. Today, 250 firms employing 4,000 workers have a turnover of IL340 m. Exports were \$8 m. last year and are planned to reach \$20 m. by 1975. Investment needed in the five years 1971-75 is IL400 m., which should increase output by IL310 m. (including IL80 m. of raw materials). Investments in 1972 are predicted to total IL72 m.

The furniture industry has started to produce sophisticated goods and exports will be \$3.5 m. this year. Printing and publishing is making big strides. Exports doubled in one year, from \$5.9 m. in 1970 to \$10.5 m. in 1971, and are expected to double again (to \$22 m.) by 1975. A lot of printing work is done for foreign publishers, some of whom (like Weidenfeld and Nicholson) have opened offices in Israel. Output in this industry is shooting up, from IL125 m. in 1965 to IL310 m. by 1975.

304 SOVIET JEWS ASK RIGHT TO EMIGRATE

MOSCOW (AP). — More than 300 Jews from throughout the Soviet Union have addressed an appeal to American and European Jewish communities as part of a reported effort to deliver one million signatures to President Nixon before his Moscow summit meeting.

The appeal, made available to Western cor-

respondents yesterday, also was addressed to the U.N. Commission on Human Rights. Jewish sources said the letter and accompanying sheets, with 304 signatures, have been smuggled out of the country and sent to Israel's U.N. Representative, Mr. Yosef Tekoah.

They said the appeal is designed to be included in a petition at a "Day of Solidarity with Soviet Jewry" at U.N. Headquarters in New York on May 3. The sources added the organizers of the Solidarity Day expect to collect one million signatures for President Nixon, to persuade him to discuss the Soviet Jewish problem when he meets with the Kremlin leadership next month. Mr. Nixon is due here on May 22 for a week-long visit.

Last year, following a series of militant Jewish demonstrations here and growing criticism abroad, the Soviet Government permitted more than 13,000 Jews to leave for Israel, compared with about 1,000 in previous years.

ISRAEL STRAWBERRIES STILL IN DEMAND IN EUROPEAN MARKETS

TEL AVIV. — Israeli strawberries are still being sold on European markets, even though the strawberry export season ended officially last week. Export shipments continue to go out, it is learned.

Exports of strawberries this year reached 2,800 tons, compared to 2,200 tons last year. The expected earnings are \$3.5 m., compared to \$2.5 m. last year.

Next year Agrexo plans to expand the use of polyethylene-covered containers in the export of strawberries, after experimental shipments have shown that the strawberries remain fresher this way.

BIG RISE FOR CHEMICAL EXPORTS

Exports of Makhteshim and Agan, the chemical companies affiliated to the Koor concern, are expected to reach \$15 m. in 1972, as compared with \$11 m. in 1971.

The greater half of these exports is directed to Europe and the Near East, but expansion has been biggest in the African markets, which accounted for 17.5 per cent of the two companies' exports in 1970 and for 26 per cent in the past year. Hopeful starts have been made also in exports to North and Latin America, and to Australia.

The total turnover of Koor Chemicals Ltd., the concern's chemical division, amounted to IL105 m. in 1971 and is expected to rise to IL155 m. in the current year. The company employs a labour force of 1,100.

IMMIGRATION UP IN 1972 BY 54 PER CENT

Immigration to Israel during the first quarter of this year increased by 54 per cent over last year's corresponding period — from 8,500 to

13,000 — the Central Bureau of Statistics' spokesman announced recently.

A breakdown shows that of the 13,000 who arrived between January 1 and March 31, 9,600 came as immigrants and 3,400 as "potential" immigrants (temporary residents). During the same period last year, 5,000 came registered as temporary residents.

The spokesman also said that this year some 900 temporary residents had changed their status to immigrants, as compared with 670 last year.

EILAT TO GET 900 NEW FLATS

EILAT. — Work will begin on the construction of 900 housing units in Eilat this year. This was announced here by Mr. Yosef Sharon, Director-General of the Housing Ministry.

It was smiles all around after a long and stormy meeting between Mayor Asher Azar, the City Council (all of whom recently threatened to resign because of the town's acute housing shortage), representatives of the Ministry, led by Mr. Sharon, and Shikun Ovdim, the Histadrut building company, led by its general manager, Mr. Avraham Ofer, M.K.

Mr. Sharon gave details of the new building programme designed to provide a speedy solution to the town's urgent housing needs, as follows:

- 350 flats, ranging from 65 sq.m. for young couples to 98 sq.m., to be built by the Housing Ministry.
- 150 units to be built by private contractors on terms acceptable to the Ministry.
- 200 units for young couples to be built by Shikun Ovdim.
- 200 luxury flats, also by Shikun Ovdim.

BOUMEDIENNE: CAIRO MUST ACT TOUGHER

CAIRO (Reuter). — President Houari Boumedienne of Algeria has called on Egypt to adopt a tougher line in the confrontation with Israel.

The Algerian leader said in an interview with the Cairo weekly magazine "Al Moussawar" that "Egypt must adopt the same policy, as that of Vietnam. Perhaps political flexibility was the main line from 1967 to 1969, but now, five years later, this is no longer acceptable".

Relations between Egypt and Algeria have been cool in the past due to Algeria's stand on how Egypt should lead the fight against Israel, but links have been strengthened following a recent visit to Algeria by Egyptian Foreign Minister Dr. Murad Ghaleb.

President Boumedienne said the U.S. "must be made to feel that its interests are in real danger".

ISRAELI YOUTH NAMED WORLD BIBLE CHAMPION

A 16-year-old boy from Bnei Brak, Avner Matzrafi, yesterday became World Youth Bible Champion for 1972. Matzrafi, a student at the Jabelim machine got 46 of the possible 48

points in the Ninth World Bible Quiz for Jewish youth at Jerusalem's Beit Ha'am.

Second place in the Independence Day event was taken by another Israeli (Ilana Biton, 16, of Moshav Shokeda (41 points). Third place went to David Barchfeld, 13, of Belgium (30 points).

Twenty youths from 14 countries participated.

Former Premier David Ben-Gurion, president of the Israel Bible Study Society, greeted the contestants, telling them that Israel needs "at least five million more Jews".

Prizes were awarded by Education Minister Yigal Allon. Each of the three winners got IL1,000 study grants and book credits

Aluf Sharon, according to the Brazilian News Agency, expressed satisfaction with the results of the meeting, which he called "friendly and useful". The meeting involved discussion of an arms deal between Israel and Brazil, with Israel reported to be offering Brazil Mystere jets.

WANTED TERRORIST CAPTURED IN HEBRON DISTRICT

Security forces have caught a wanted terrorist near Idna, a village in the Hebron district, the army spokesman announced Tuesday.

At about 7 p.m. Wednesday a security patrol encountered the terrorist, Yussef Mahmud Dib, alias Abu Riad, at a spot west of Idna. In the exchange of fire, which took place, the terrorist was injured and caught.

The prisoner later confessed to having taken part in numerous acts of terrorism, including the planting of a mine near Tel Marisha, on Passover of last year, causing the death of four army officers.

SOVIET JEWS ARRIVE

LOD AIRPORT. — A large group of Soviet Jewish immigrants arrived here yesterday morning aboard an El Al flight from Vienna. Most of the newcomers are from Zzernozitz, Kovno, Riga and several Georgian cities.

IMMIGRATION UP 57 PER CENT IN 1972

Immigration in the first three months of 1972 showed an increase of 57 per cent over the same period last year, Mr. Hillel Ashkenazi, Director-General of the Absorption Ministry, said last

Speaking in the Local Newspaper in Jerusalem, he said that 13,000 immigrants arrived during the months January-March, compared with 8,300 in the same months last year. The increase comes primarily from Russia.

Immigration from Western Europe had declined, and from North American was the same as last year.

Of the 13,000, some 40 per cent were directed to development towns, and 33 per cent to the coastal plain. Only five per cent went to Jerusalem, according to Mr. Ashkenazi.

VERY IMPORTANT

When changing your address, BE SURE to give your old address so we will know what state or where to find your name to remove it, to make the change. This is very important. Otherwise in many cases, the paper will continue to go to your old address.

TO THOSE PLANNING TO COME TO ISRAEL

It is necessary, for all who plan to come here as temporary or permanent residents to obtain their visas in the country from which they come. Unless they have temporary residence visas they are not permitted to obtain work here. Tourists cannot work and take the jobs away from the thousands of incoming immigrants who need work.

We are praying for, and working towards having a tract of land for "Reporter" readers who want to come to settle on. This seems to be on the way, and will be announced through "The Reporter" when it is available. — Editor.

JERUSALEM, THE CAPITAL OF ISRAEL

This city and country belonged to the twelve tribes of Israel (and they lived here for over thirteen hundred years. They were driven out by the Romans the year 70 A.D., and have been scattered over the earth ever since. The "League of Nations" embracing over fifty signatures gave the country back to the Jews in the year 1922.

Surely Jerusalem, as their Capital city, belongs to them.

FINED IL1,000 FOR RUNNING RED LIGHT

TEL AVIV. — The owners of a car which was photographed by an automatic camera as it ran a red light were fined IL 1,000 yesterday.

Traffic Judge Zvi Nussblatt decided on a high fine because the owners, the Ilan-Gatt Company of Tel Aviv, would not disclose the name of the driver who committed the offence. (The automatic camera takes a picture of the car and its licence number only.)

ISRAEL GETS 50 M. LOAN FROM U.S.

A meeting that was half-business, half-ceremony, held in the offices of Tefahot Mortgage Bank yesterday, celebrated what Mr. Stanley Baruch, director of the Office of Housing in A.I.D. (the U.S. Agency for International De-

velopment) called "the biggest housing loan ever made by one country to another."

The loan, issued to Israel, comes to \$50 m., of which half has already been received. The Israelis made it known at yesterday's meeting that Finance Minister Pinhas Sapir intends to approach A.I.D. for a second loan, this time of \$100 m. Use of the two loans, it is proposed, will be spread as follows:

1971/72, first loan: \$ 25 m. Total \$25 m.

1972/73, first loan: \$25 m.; second loan: \$25 m. Total \$50 m.

1973/74, second loan: \$50 m. Total \$50 m.

1974/75, second loan: \$25 m. Total \$25 m.

EACH CHURCH IT'S OWN SOVEREIGN

The Saviour Speaks

"Ye know that they which are accounted to rule over the Gentiles, exercise lordship over them, and their great ones exercise AUTHORITY, but so shall it NOT BE AMONG YOU." — Mark 10: 42, 43.

LET US ALL BE ONE

At a time like this, all variance and divisions among Sabbath keepers should be forgotten. All trouble forgiven, and all groups fellowship together, for they are the Father's children if in harmony with Rev. 12: 17 and Eph. 3: 14, and 15.

FIGHTING AGAINST JERUSALEM

From letters we are receiving of late, there is quite a campaign going on in the U.S. trying to stop people from sending any money over here, and thus they are fighting against Jerusalem, the most fertile and needy spot in the world now for the gospel. Zechariah 14: 12 tells us the sad fate of all who fight against Jerusalem. This, not only includes soldiers in carnal warfare, but those also in spiritual warfare, whose heart is set against Jerusalem.

PLEASE, DO NOT FORGET!

Your entrance into the Kingdom will be blocked and the door closed against you for: judging and condemning one-another. (Luke 6: 37). For carrying a reproach against your neighbor (Psa. 15: 1-3). For smiting (knocking) your fellow-servant. (Matt. 24:49). For hatred, variance, wrath or strife. (Gal. 5: 20, 21).

SADAT: BATTLE WILL GO FURTHER THAN LIBERATING TERRITORIES

Egyptian President Anwar Sadat said this week that the battle with Israel will not be confined to "liberating" the occupied territories but will "extend beyond liberation" to confront the Zionist plan to expand (from) the Nile to Euphrates."

Sadat accused the U.S. of conducting a campaign to cast doubts on relations between Egypt and the Soviet Union, stressing that Moscow and Cairo were coordinating their policies on a "friendly and common" basis. The Soviet Union was standing by Egypt "politically, economically and militarily", he said.

EXPLOSIVE CHARGE IN RAMAT AVIV CAR

TEL AVIV. — An explosive charge went off at 11 o'clock last night in a car parked in the Neve Aviv section of Ramat Aviv.

There were no injuries reported.

The explosion occurred at about 11 p.m. in the back of a Buick parked under the building at 36 YehYuYda Hanassi, arousing the whole area. Firemen rushed to the scene and put out the blaze which resulted.

A preliminary police investigation on the spot revealed that the explosion was due to a charge placed in the car. Windows in the building were shattered by the blast.

The car's owner, Mordechai No'am, a 48-year-old diamond dealer, said that he had spent the earlier part of yesterday in East Jerusalem.

Police are continuing to investigate.

U.S. MARKETING CHAINS GOING FOR ISRAELI PRODUCTS

American marketing chains are more aware than ever before of the possibilities of introducing Israeli products into the U.S. market, two leading U.S. marketing chain executives stated in Tel Aviv yesterday.

Mr. Krammel predicted that purchases from Israel would continue to increase, noting that total purchases by the A.M.C. chain in Israel rose from \$350,000 in 1969 (F.O.B.) to \$1,250 m. in 1971 (F.O.B.). He attributed this growth to the fact that A.M.C. opened a special purchasing office of its own in Israel in 1970.

Mr. Platt, whose A.D.G. marketing chain is owned by approximately 100 department stores — including Lord and Taylor of New York — remarked that it bought almost \$1 m. worth of Israeli goods in 1971.

2ND MINE EXPLOSION VICTIM DIES

BEERSHEBA. — The second victim of the mine, which exploded under the wheels of a civilian pick-up truck near Kibbutz Ein Hashlosha on Sunday last week, died of his injuries at Beersheba Hospital during the night. He was Zvi Belta, 42, of Ramat Gan.

Another civilian, Natan Tefet, of Rehovot, was killed instantly.

FAMILY REUNITED AT LOD — AFTER 27 YEARS

LOD AIRPORT. — An Israeli couple and their son — who were separated 27 years ago in Uzbekistan when the parents were sent to jail for Zionist activities — were tearfully reunited yesterday at Lod Airport.

The son, Arnold Finger, with his wife and two children, were among the large group of immigrants who arrived here by El Al yesterday morning from Vienna. Waiting for them was his aged mother, an Israeli resident for some years.

The story as told to "Itim", began in Uzbekistan 27 years ago when Arnold Finger was one year old. The Soviet authorities jailed his parents for Zionist activities and their son was sent to an orphanage. By the time his parents were released, he was gone — adopted by another couple.

The boy's mother was released first and immigrated to Israel. A few years later, her husband was freed, came to Israel and the couple was reunited. In 1964, the father returned to the Soviet Union to look for his son. He found him, serving as a seaman in the merchant marine.

Arnold decided that he, too, would emigrate to Israel. It took nearly eight years for the final reunion to take place — in the crowded passenger hall at Lod Airport.

ISRAEL EXPORTS EXPANDS

The year 1971 was a triumphant one for Israel's exports. It had taken the 22 years since the foundation of the State of Israel to attain the sum of foreign earning achieved in 1970 (\$1,366 m.). During the subsequent twelve months, that figure was increased by one-quarter, to reach \$1.713 million.

The increase registered in 1971 alone (\$347 m.) exceeded Israel's total exports in 1960, which came to \$336.3 m.

Textiles and clothing has grown by 17-18 per cent a year. Exports rose by 40.6 per cent in 1970 and 32.3 per cent in 1971, and the rise this year is expected to be 34.8 per cent. A measure of the extent to which the investment involves mechanization is shown by the statistics of employment. Labour in the textile industry will have increased in the three-year period (including predictions for the current year) by less than 20 per cent, although output will have grown by 60 per cent, and exports by 150 per cent.

The biggest export growth is envisaged in the massive engineering branch — metals, electricals and electronics (M.E.E.). Practically all the important enterprises in this sector are in a phase of growth. Metals Week, held in 1970, showed what a technological revolution has been accomplished since the Six Day War, largely with the help of American companies which have created subsidiaries in partnership with local enterprises. In 1971, output rose by IL505 m. or over 15 per cent. The number of workers increased by almost 8,500 to 91,350.

strength to this ungodly set-up? Yes the ten nations are being set up. The enticement is the Common Market set-up. (Worldly gain.) It is current news right now. Read the 17th chapter of Revelation and you will understand what is coming. And the plagues will follow. Yes, it says that in them is filled up the wrath of God.

There are righteous people in that set-up or there would be no sense in trying to get them out. It is a present-day message. We ask that your may accompany the message.

THE KINGDOM MESSAGE TO ISRAEL

Our beloved and long looked for Messiah will not come until this message is finished to Israel. He said: "This gospel of the kingdom shall be preached in all the world for a witness to all nations. Then shall the end come". — Matt. 24: 14.

Israel is the last nation.

During the last four to six weeks brethren have taken almost one hundred thousand gospel tracts out in Israel, mostly to the small towns, two thousand New Testaments and fifteen hundred Bibles with both Testaments, and they have been greeted with an unusually warm and friendly welcome excepting when they entered one Orthodox "moshav". Even there they found some friends.

Besides this, however, from fifty to one hundred cards and letters come in daily for Bibles which are being supplied by mail, mostly by Bro. Hizak and his workers.

As this work goes on, Satan has been stirred up, to more openly enter the battle. The May 3rd issue of the daily "Jerusalem Post" published the following from the Jewish Defense League of Israel:

The Israel branch of the "Jewish Defense League" will ask the Knesset to enact a law forbidding religious missionaries to work among Jews in Israel... The league secretary warned that if the Knesset did not act, his organization would take it into their own hands, and harass missionaries — "until either league members or the missionaries do not remain in the country." End of quote.

Remarks. — Israel was founded on the principle of Democracy, granting religious liberty, and she has followed this strictly. Therefore we may not expect any action by the Knesset, to the contrary, but expect a big offensive by the "League", as they fight this losing battle against the ALMIGHTY.

Dear reader, please pray much as you enter this kingdom battle with us. — Editor.

edly swept over it. We visited the old city of Mizpah, six miles north of Jerusalem, where they were digging it out of pure sand. It was burried twenty feet deep with just sand from heaven as it rained down upon it. This city had fallen into Sodomy, and immorality, much like the Gentile cities are today.
