### EXPLAINING FRONT PAGE PICTURE

In the foreground you see a portion of the east wall around the Old City, and to your right is the Golden gate, the Eastern gate, through which Yahshua (Jesus) passed riding upon an ass as prophesied by Zechariah chapter 9 verse 9, recorded also in Mathew 21: 4 to 9. Ezekiel said this gate would be closed and never opened, because the Lord passed through it (Ezekiel 44: 1 to 3). Note the Mohammedan cemetery surrounding the gate. This has kept it closed and no man has ever passed through.

## HOLDING BACK THE WINDS OF WAR Till The Sealing Work Is Finished

Rev. 7:1 and saw an angels standing at the four parts of the earth holding the four winds of the earth, that the wind should not blow on the earth nor on the sea, nor on any tree."

Wind is a symbol of war. When the Gentile age began, mentioned in Daniel 7: 2, Daniel saw in vision these same four winds of heaven striving upon the great sea, and four great beasts arose, one following the other. These beasts represent the four periods of Gentile rule over the earth after the Kingdom of Judah was taken over by the king of Babylon, represented by this first beast as it plainly says here. Notice that the four winds strove on the great sea.

The (sea) in both Daniel and Revelation is used as a symbol of people, nations and tongues. "The waters which thou sawest... are peoples, nations and tongues". — Revelation 17: 15.

Hence the winds that were turned loose then are now being held in (check) by the "United Nations". There are four angels that brought about these conditions by causing the formation of the U.N. for the very purpose of holding back war. Had it not been for this organization the (third) and (last) world war would have been on us before now.

The purpose in holding back this last stroke to destroy the Gentile nations, is for the (sealing) of the 144,000. Notice that there are twelve thousand sealed out of each of the 12 tribes of Israel. The tribe of Judah is mentioned first. The (seal) of God is being placed in the forehead

of his Kingdom here.

The prophet Isaiah said of this time: "Seal up the law among my disciples"; or place the seal back into the law. — Isaiah 8: 16.

The Catholic and Protestant churches all over the world have the Ten Commandments exhibited with the seal removed, which is found only in the 4th Commandment. They print this Commandment: "Remember to keep holy the Sabbath Day", and omit all of the balance of the Commandment.

We will give you here the comparison of the seal of the United States Government, and the seal of God.

### The seal of the United States

The seal of the United States, as in the foregoing diagram, gives the name of the first President, his office, and the territory over which he presides.

### The seal of Elohim

Elohim — Creator — Heaven and Earth.

The seal of God is the same. It gives the one in authority, His office and also the territory over which He presides. This seal is found in the law of God. A seal is inseparable from law. You remove the fourth Commandment from the ten, and there is no authority left in the code of law.

The heathen man worshipping his idol can claim that his god was the author of this ten Commandment law, and that he had no other god before his god. He can justify himself in his worship. But when you place the seal back into the law, then the heathen man is forced to surrender, because it says: "In six days the Lord made heaven and earth, and the sea and all that in them is."

Hence the seal by which the 144,000 are being sealed is the Ten Commandment law written in their hearts by the HOLY SPIRIT. The seal of that law is the Sabbath, now being placed back which was removed by ROME, and at this time of the increase of knowledge (Daniel 12: 4), was to be, and had been replaced. The descendants of the ten tribes scattered all over the world, many of whom have lost their tribal connection, love Jerusalem, and are accepting the Sabbath all over the world. Thus they are among this 144,000 being sealed, as they walk in the unfolding light of this enlightened time.

The third and last world war is being held back for a purpose. It says an angel comes from the (EAST) HAVING THE SEAL OF THE LIVING GOD, saying hurt not the earth or the sea till we have sealed the servants of God in their forehead. Coming from the east signifies (light) coming forth for this time.

This terrible destruction by the whirlwind of war is mentioned also in Jeremiah 25: 32, 33 when the slain will be from one end of the earth to the other, and not lamented or buried.

### THE SEAL OF GOD IN THE FOREHEAD

As the saved ones are being (sealed) with the seal of God in their foreheads, those traveling the broad way of the world, are receiving the mark of the beast in their foreheads. This angel saying with a "LOUD VOICE", having the seal of God, is spoken of also as the "Loud Voice

Angel" — in Revelation 14: 9, the third angel, who also gives the warning against beast worship, and receiving his mark in their foreheads and their hands, to drink of the wine of the wrath of God, the seven last plagues. — Rev. 15: 1, and 16: 1.

The Holy Spirit is the power that does the sealing of the pure (in heart). The Holy Spirit is not the seal, but it is the power by which the sealing is done. Just as the seal of state or nation is placed on a document to make it legal by the one who transacts the business, so is "The Seal of God" placed in the forehead, or (in the mind) of the person, by the Holy Spirit. The seal of state is placed on the document by a machine operated by the man. The seal is not the machine or the man, and so is also the seal of God something (different) from the Holy Spirit that does the work of sealing.

The REMNANT of Judah and Israel today especially those here in Israel are undergoing the change of heart pre-announced by Ezekiel in chapter 36: 24 to 27. Their hearts are being circumcised by the Holy Spirit and the "Commandments of God" written there. — Romans 2: 29.

Then, 1 Corinthians 7: 19 tells us that circumcision of the heart is keeping the Commandments of God. Hence the seal (the Sabbath Commandment), is being also placed there.

### JERUSALEM A CUP OF TREMBLING FOR ALL NATIONS

Read Zechariah 12th chapter. Jerusalem is a cup of trembling and a burdensome stone, and will be more so to all nations in a few months.

It is wonderful to live now, and to give out "Meat in due season". — Are you letting your light shine? Tell your neighbors about these things and warn them of what is now imminent. The MESSIAH is about to return. He stands at the door of your heart, and is speaking to you. — Revelation 3: 20. — Editor.

### HERE IS AN OPEN DOOR

The loving heavenly Father has provided here at Jerusalem an "OPEN DOOR", for all of those who wish to follow in the footsteps of the Master, and "Feed the Lambs and Sheep" over the world in many languages, and also to send forth to Israel the "TRUE RELIGION" of Abraham, Isaac and Jacob, as preached by the apostle Peter on Pentecost. Hundreds of thousands of silent messengers (tracts and booklets) are being printed on our two printing presses. That portion of your life represented in riches that the heavenly Father has helped you to gather will be used in this way for His glory. As the funds flow in the outgoing stream of tracts in 7 languages will flow out to Israel and to the world.

Pray about this and the Holy Spirit will direct every one of you. — Editor

# MIRACLES OF THE SIX DAY WAR

The Israel army that fought and captured Hebron, the old home of Abraham, and where he is buried with Sarah his wife, reports a man dressed in white, with a long white beard, standing all through the battle at the tombs of the patriarchs with his hands lifted to heaven. He refused to move or obey orders to take shelter amidst the fighting. After the battle was over he was not seen again.

— The late Israel Prime Minister: Mr. Levi Eshkol.

## Infidels Now Believe

There was a soldier among a group in the Sinai Peninsula, all of whom were entirely surrounded with Egyptian forces. They were taking cover behind sand bags, frightened and expecting to die, when an angel appeared dressed in white, with a long beard, in an open spot near them. They all saw him. He then disappeared. The Egyptians all fled in terror, and never fired another shot. He now believes in God, and knows that they were miraculously delivered.

The paratroop commander who led the capture of Hebron told pressmen of a seven-pound

mine they discovered at the entrance to the Cave of the Patriarchs (Ma'arat Ha'machpela), beside the wall of the building. They first tried to dismantle it — to prevent damage to the wall, then by firing at it from a distance, but nothing happened. Then they laid a long fuse. The fuse went off and the mine apparatus came apart but did not explode.

The tough paratroop officer said in a matter-of-fact voice: "This is the first time we know of a seven-pound mine not exploding under such conditions. The only thing we can attribute it to is the Shekhina (Divine Presence), because it was so close to the wall."

Returning soldiers reported a miraculous deliverance of an Israel platoon threatened destruction by a large group of Egyptian tanks approaching from two directions, when they were greatly outnumbered. Two soldiers reported seeing a man dressed in white, standing as if in the air with both arms outstretched. He brought one arm down toward the east, and fire fell from the sky and destroyed the tanks on that side, and when he brought his other arm down, fire fell likewise on the other group of tanks, and they were destroyed.

## WE HAVE A CHOICE

By Isaac N. Cramer

"God is a Spirit," so the Saviour said,  
And He is able to raise all the dead;  
Give all who believe Him eternal life,  
To make a nation without sin and strife.

Therefore He said pray, that you may escape,  
The things that will come to punish all hate,  
Sin and corruption, indifference and pride,  
And people who choose to take Satan's side.

Then "Eternal Life", He promised to give  
To all who will learn by His Word to live;  
For He will cleanse them from error and sin,  
So, by His Spirit, He may dwell within.

Now this is the way that He will restore  
His "image" in man, as it was before  
Man lost that image, and forgot the Goal,  
For which he was made a real living soul.

Still man's Creator, the vict'ry has won  
Over the devil, through His divine Son;  
So men were redeemed by Him Who once gave  
His own precious blood believers to save.

Now we have a choice, to accept His Word,  
Until His Spirit within us is stirred,  
Or to reject Him, and His divine love,  
And saints by whom He will rule from above.

## WHY CHRISTIANS SHOULD PRAY ESPECIALLY FOR ISRAEL

1. — Because of the close relationship between Israel, God's purpose for Israel and the True Church.

— Isaiah 11: 10-12; Acts 2: 5, 11: 26-26, 13: 46-48; Romans 9: 1-5, 10: 1, 11: 11.

2. — Because of God's command, with special promises of blessing.

— Genesis 12: 3; Psalm 122: 6; Isaiah 62: 6-7.

3. — Because Israel is still beloved by God for the Father's sake.

— Romans 11: 28; Jeremiah 31: 3-9.

4. Because the Church cannot be complete without the elect remnant of Israel.

— Romans 11: 5; 1 Corinthians 12: 13; Galatians 3: 28.

5. — Because it is God's will that Israel shall be saved.

6. — Because of the present transition now going on among the whole House of Israel.

— Ezekiel 37: 1-14.

7. — Because of the Church's failure to realize her responsibility to evangelize the Jew. To the Jew first.

— Matthew 28: 19; Romans 11: 30, 32.

8. — Because of the Jew's imperative need.

— John 8: 12-24.

9. — Because of Israel's national awakening, with sorrow and distress, showing that their redemption draweth nigh.

— Daniel 12: 1; Matthew 24: 4-8; Luke 21: 24-31; (see Daniel 9: 1-27).

# RUSSIA'S INVASION OF ISRAEL

Ezekiel's Prophecy Chapter 38 About To Come To Pass

## RUSSIA'S TRUE MOTIVE

Gog is going on this military expedition, "to take a spoil, and to take a prey; to turn thine hand upon the desolate places that are NOW inhabited, and upon the people that are gathered out of the nations which have gotten cattle and goods, that dwell in the midst of the land". — Verse 12.

Four times God repeats Himself in declaring that Russia will come against His land and Israel His national people AFTER they have been brought back to their land, have become established as a nation and are prospering economically.

This prophecy is so plain that no one could possibly misunderstand its implications.

This "evil thought" being carried out is challenged by others interested in Israel and the Middle East. Russia and her allies are going to be opposed by other countries who will come to the aid of Israel. This aid will not be necessary, for God Himself is well able to defend them without soldiers, atomic bombs, poison gas or any other weapon. We shall see later that God will not permit these two opposing armies to set the battle in array. "Sheba and Dedan, and the merchants of Tarshish, with all the young lions thereof, shall say unto thee: Art thou come to take a spoil...?"

Here are two armies facing each other, one to attack and the other to defend. For this reason we maintain that this prophecy is not exclusively Armageddon, for at that future battle ALL NATIONS come against Jerusalem to battle. — Zech. 14: 13.

This fact makes it clear that Ezekiel 38 and 39 have a double fulfilment. The battle described in this chapter is distinct from Armageddon.

The motives which Russia will declare openly may be to defend the rights of the Arabs and to regain Palestine for them. They may openly claim they have no interest in taking the Near East for themselves. But in these prophetic utterances God brings to light her true objectives. It is the vast wealth of Palestine and all the Near East in which she is actually now interested.

It is the spoil, the prey, the silver and gold, the cattle and goods. She wants the wealth of the Dead Sea and the vast oil deposits. Russia would not dare to declare these as her objectives, but God who knows all things reaches into the minds of the men in the Kremlin and exposes the "evil thought" of Gog.

Jesus said: "There is nothing covered that shall not be revealed". When you see the armies of Russia and her allies gather against Israel, pay no attention to what the daily newscasters say are their objectives, for they will be lies — diplomatic lies. Russia's true motive can be found only in God's prophetic

Word.

## ISRAEL'S WOULD-BE DEFENDERS

As Russia assembles her military might for the kill, other nations will also send their troops into Israel. The inspired prophet tells us what countries these will be: "Sheba and Dedan, and the merchants of Tarshish (Britain) with all young lions" (all the Commonwealth countries). The rest of the verse reveals that these defenders of little Israel will be well aware of Russia's true motives and will publish them in the headlines and news of Western countries. This will be done to justify their military move in the eyes of the non-Communist world.

It is likely that the United States will also send an army to help defend Israel, for she is already supplying military hardware. It is quite evident that England and the United States will still be in control of the Mediterranean Sea and the Indian Ocean in order to land these troops and supplies on Israeli soil. These defensive preparations will have to be rushed from the time the decision is made by military leaders and heads of governments.

"And thou shalt come from thy place out of the NORTH PARTS, thou, and many people with thee, all of them riding upon horses, a great company, and a mighty army; and thou shalt come up against My people of Israel as a cloud to cover the land; it shall be in the LATER DAYS, and I will bring thee against My land, that the heathen may know Me, when I shall be sanctified in thee, O Gog, before their eyes." Thus saith the Lord God; Art thou he of whom I have spoken in old time by My servants the prophets of Israel, which prophesied in those days many years that I would bring thee against them?" — Verses 15-17.

There are several pointed statements in this chapter which we should carefully note.

- 1) God said: "I will" bring Russia against Israel.
- 2) This will happen when the Jews are back in the land of promise, gathered out of many lands from their world dispersion.
- 3) It will take place after Israel has become prosperous and has gotten cattle and goods, etc.
- 4) It will be in the "latter days", and "after many days", in the "latter years".
- 5) After more than fifty years of preparation the stage is now fully set for the fulfillment of this prophecy.
- 6) The aggressor will come out of the "north parts". Russia is in the extreme north, and occupies a large part of the continental land mass of Europe and Asia.

A tour of the land of Israel makes a student of prophecy know positively that all is ready

now for the fulfillment of this prophecy. Russia has now even threatened to destroy Israel.

### AS READERS SEE IT

I am a housewife concerned with the Mideast situation.

First, because I have teenage sons who will soon have a part in the service of their country, being stationed who knows where? Secondly, because of my awesome admiration for a people who have been tortured, persecuted, and forced to live like criminals. This is all because of a heritage and a dedication to a little country and to a God, who dates back thousands of years.

Yes, Israel, the 7,000 square miles that were given to the Jews back in the time of Moses and Joshua.

Not only do they want to live and worship God in this country they struggled so hard to possess, but they want to live here in peace.

The Jews have been scattered all over the four corners of the earth, living in ghettos, being massacred during the genocide murders of Hitler's dictatorship, struggling for survival, the one hope that lived in their hearts was someday returning to Palestine and becoming a nation. But because of the hatred and jealousy of the Arabs toward them this has been an impossibility. The Arabs, British, Germans, etc. can't understand their dedication to their homeland and to each other, whether fighting for what they believe in or in working and building their country economically and educationally. They took a barren, unfertile country with nothing but stagnated swamps, dry hills, rock and desert country tilled the fields that Arabs had done nothing with for 1,000 years and made it into a productive fertile land. They set up agricultural farms, schools, cultural system, hospitals, during the British rule, and the Arabs were always urged to profit from this, also.

All of this before they became a nation, made the Jews realize they were going to have to fight for the nation that was promised to them. Since then, the bitterness and hatred of the Arab toward the Israelites has become even worse.

This is because the Arabs and others in the past know that Israel's ingenuity and way of life can mean only success, and this they fear.

I hope the U.S. will help them in this present situation. They have helped themselves.

Mrs. Laqueta Lindsey.

### FROM HIS TAIL TO HIS SNOUT

By John T. Reagan

Ps. 84:11

Do you think, brother, that in God's great plan When He was prescribing the best food for man,

That He made a mistake in leaving the swine out for he was not good from his tail to his snout?

1 Cor. 3:17

Oh, the carcass of an old dead horse or a cow  
Don't get too rotten for a dirty old sow;  
Though we holler a lot about boils and gout,  
We eat Miss Piggy from her tail to her snout.

Eze. 33:11

We couldn't eat the buzzard, we'd think it a crime

But how much more filthy is he than the swine  
That we make into pie, or we cook him with kraut

And eat him or die, from his tail to his snout?

Isa. 66:2-4

We cook him with cabbage or boil him with greens,

With his mangy old hide we season our beans;  
With his scabs and his boils within and without  
Sweet Piggy we eat from his tail to his snout.

Isa. 55:2

On filth they feast, while in stink-holes they lay

And still for their carcass our money we pay;  
The preacher, professor, or the judge on his bench;

Eat the carrion-eater, his filth, and his stench.

Eze. 22:26

In the filth you can see him clear up to his eyes.

His slimy old carcass all covered with flies;  
Most dead with cholera (due to butcher, no doubt)

We still think him good from tail to snout.

2 Cor. 6:17

We eat the old grunter, we eat the young shoat;

The fat that we fancied may be pus or bloat;  
It would smell as good, and as healthy no doubt  
As the hoofs and the hide, the tail and the snout.

Isa. 66:17

We may like him lean, or may like him best fat;

Just as well eat the dog, or else eat a cat;  
Just as well eat the buzzards, the owl or the bat,  
The lizzard or the snake, the mouse or the rat.

Rom. 12:1

Our most sensitive natures would almost run wild

If we handled the corpse of a man or a child,  
But we sit at our tables and cram down our throat.

With the greatest relish, — the corpse of a shoat.

Deut. 14:8

God made him a scavenger, He says he's unclean;

What other creature is as filthy and mean?  
If we eat his flesh, or touch his dead carcass  
With sin and disease it surely will mark us.

### WONDERFUL INDEED

How amazing to be living now and to see the wonderful fulfillment of prophecy. Jerusalem a burdensome stone and CUP OF TREMBLING to all nations — Zech. 12: 2, 3.

Note. — If you believe all the Bible says, read Isaiah 66: 15, 16, 17.

# Questions And Answers

## QUESTION. —

I see by "The Reporter" that you believe, after the Jews most of them come to Israel, others will be invited. Do you believe these others could be of the ten tribes of Israel? God has said He would save the tents of Judah first. — Zech. 12:7.

## ANSWER. —

Yes, I believe that people who love the Jews and Israel will be permitted to return here as immigrants, for undoubtedly they are either of the ten tribes, or descendants of Jews whose nationality has been purposely hidden because of persecution. Both Judah and Israel are to be here, and to live peaceably together according to the Bible. Then too, Gentile Sabbath keepers in danger of persecution because of their faith, will also be allowed to come here as a city or country of refuge, who want to come. The heavenly Father will arrange this in due time. The country is now open for Gentile farmers to establish a settlement, roads, etc., so they will be of no expense to the government. The government is overburdened now with their work of settling Jewish refugees without money or property, and cannot therefore, assume extra responsibilities.

## QUESTION. —

Where is the headquarters of the "Church of God" 7th Day in the United States? We notice in the History that it says the headquarters is in West Virginia. Is this true?

## ANSWER. —

When the first edition of the History of the True Church was printed over thirty five years ago, that was considered by both of the authors to be the headquarters. Since that time, however, in carrying out a resolution passed officially at a "General Conference" of that body, and also a resolution passed by the "General Conference" of the Church of God with headquarters in Missouri, to establish "World Headquarters" at Jerusalem, just as soon as conditions would permit that step was taken.

We regret that neither of these groups have thus far officially approved of the move which they had previously authorized to be done. We are still hoping however that both of them will yet do so.

All people everywhere who read and believe in the divine inspiration of the Holy Scriptures know this is the only place where the Creator has "chosen to place His Name", or made choice of for the headquarters of His remnant people. "The Daughter of Jerusalem", given the name "Church of God" just 12 times in the New Testament, and the "Daughter of Jerusalem" in 2 Kings 19: 21; Isa. 37: 22; Lamentations 2: 13, 15; Micah 4: 8; Zeph. 3: 14; Zech. 9: 9, and other places.

Where He placed His Name 1 Kings 14: 21; 2 Chronicles 12: 13, and Deut. 12: 3, 6, 10,

and 11.

## QUESTION. —

What proof do you have that the Jewish Calendar is one to follow at this time, in calculating the time for the Passover and other holidays of Israel? It is claimed by some that since the Jewish people did not accept their Messiah who came in fulfillment of more than 100 Old Testament scriptures, it is not prudent to follow their teaching relative to the time for the Passover.

## ANSWER. —

It was the system of calculation authorized by the Jews that the apostles followed for calculating the day of the first Pentecost after the resurrection Acts 1st and 2nd chapter.

In Acts 2: 1 it says: "When the day Pentecost was fully come", the holy Spirit fell. Here we have this calculation confirmed by the falling of the Holy Spirit. Then 24 years later Paul was following the Jewish system of calculation. — Acts 20: 16; also see 1 Cor. 16.  $\frac{1}{2}$  =

## QUESTION. —

What is the main doctrinal difference, if any between the Denver Church of God and the Jerusalem World Headquarters Church of God?

## ANSWER. —

One of the main points besides the Bible teaching on the headquarters of the remnant church for the last days being Jerusalem, they do not obey the very important teaching of our Saviour in Mark 10: 42 and 43, as follows "Jesus (Yahshua) called them into Him and said unto them: 'Ye know that them which exercise lordship over them, and their great one exercise authority upon them — but so shall it not be among you'".

## STOCKTON, Calif. —

Dear Elder Dugger,

Israel became a nation in 1948, victorious then and in each succeeding war, and will be victorious in this present war.

The Bible shows that the 250 million Russians and the 400 million Moslems and other allies cannot destroy Israel. The Bible clearly states that "Egypt will be a base kingdom and never more rule over the nations". — Eze. 29.

# Are You Hungering For Righteousness? Matthew 5:6

## Miracle Through the Medium of Prayer

The prophets and apostles practised praying three times each day. Daniel faced a bad law and a den of lions if he prayed (Daniel 6th chapter). Many today allow the busy cares of this life, and not a den of lions to stop them. Your power with heaven, and usefulness on earth, about the Father's business, solely depends on these intervals of prayer.

It is a law that operated, always in the same way, for your body really becomes magnetized with a divine and holy virtue broadcasted from heaven when you tarry before the Father in humble prayer of thanksgiving and praise.

Just before the crucifixion and following the prayer meeting in Gethsemane, our beloved Messiah said to his disciples: "Think not that I could not ask my Father, and He would send twelve legions of angels and deliver me". — Matt. 26: 53.

Angels are likewise summoned to our guidance and deliverance through prayer.

Besides the guardian angel that cares for each one of the elect children of the Father, other angels for special service and protection are acquired by prayer, for the power of angels is limited. Often one angel is helpless to protect us in time of grave danger when surrounded by many enemies, as in the case of the Messiah in Gethsemane.

We find the narrative recorded where the "Prince of the kingdom of Persia" withstood the angel Gabriel three weeks, and Gabriel was powerless to put over the important matter of business, until Michael came to assist him. — Daniel 10: 13.

Two angels had greater power than just one, and so in the case of the Messiah's deliverance from that angry mob it would have required 12 legions, 144,000, or at least Yahshua (Christ) could have secured that many for his deliverance but he said: "How then shall the scripture be fulfilled that thus it must be". — Matthew 26, Verse 54.

We find the angel performing great miracles for the righteous people all through both the Old and the New Testament in answer to their prayers. They constitute the invisible and more powerful portion of this one great family (Eph. 3: 14, 15), and for our brethren (Rev. 22: 8 and 9).

When the apostle Peter was in prison we find the "Church of God" Assembled in prayer for him, and witnessed his miraculous deliverance as recorded in Acts 12th chapter. It was the angels who came and rolled back the great stone from the door of the sepulcher, when the Messiah came forth from the dead. — Matt. 28: 2-4.

We speak of the prayer meeting being con-

ducted by the Church of God, which brought down these angels from heaven to release Peter, because all the churches in Judea at that time were Churches of God. — See I Thes. 2: 14.

In conforming to this "Law of the Spirit of Life", great deeds can be accomplished at this time, just as in former days, and they are being done here in Israel and in other parts of the world — Editor

## FLOW OF SOVIET JEWS CONTINUED DURING THE WAR

NEW YORK (JTA). — The flow of Soviet Jews to Israel "continued unabated during the last part of 1973, despite the war, bringing the total for 1973 to 35,000", officials of the Greater New York Conference on Soviet Jewry said at a press conference last week.

Stanley Lowell, chairman of the conference, and Malcolm Hoenlein, executive director, said that in major Soviet cities such as Moscow, Leningrad and Kiev, the number of people refused exit permits has increased sharply, as has the number of those seeking to emigrate.

In some cities, recent arrivals to Israel report, visa applicants had to wait as long as three and four days in line to file their papers. There is a general optimism, however, that emigration will continue to grow as the movement reaches new centres of Jewish population. The two men recently returned from a mission to Israel.

With regard to Soviet policy on emigration of Jews, the two officials said many visas are refused as a result of arbitrary decisions of local officials:

"Many people are now told that their emigration would pose a threat to the security of the state because they were exposed to secret materials. Few, if any, of the applicants had in fact been exposed to classified information or worked in security installations. Soviet Jews are now demanding that the government establish clear guidelines as to what constitutes secret work and how long such a status remains in effect. A special governmental commission is expected to begin work this week in Moscow to review the cases of those refused visas in the past".

## THE BANK ACCOUNT WORTHWHILE

"Lay not up for yourselves treasures upon earth where moth and rust doth corrupt, and where thieves break through and steal. But lay up for yourselves treasures in heaven where neither moth nor rust doth corrupt, and where thieves do not break through and steal." — These are the words of Yahshua as we have them recorded in Matthew 6: 19 to 21.

# GOOD HEALTH DEPARTMENT

Interesting Experience of Dr. John Richter

## THE HERB

My Father was a country physician of the conventional medical type. He also owned a drug store in the little North Dakota town of Fargo in which I was raised. He wanted me to be a medical doctor, just as he was; but, as it happened, I had worked, as a young man, for nine years in his drug store, and had had plenty of experience in the compounding of inorganic drugs. I had observed their effects on my Father's patients. He decided to send me to the Rush Medical College in Chicago, and he thought it strange when I showed no desire to fulfil his wishes.

However, I did go to Chicago, and soon got a position in a machine shop. Before the first winter was over, I had become acquainted with the so-called "movement cure", in which the general theory and practice of vegetarianism of the cooked-food type was incorporated. In my spare time I studied at the institute in which this health system was taught, finally graduated and received my diploma.

Since my father had been writing me for some time to come home, I decided I would. When I got there, I showed him my diploma. The first thing he said on seeing it was "quack", uttered emphatically and with disgust. Of course, nothing could have hurt me more than that. Yet I said: "Well, father, perhaps I will be good enough to drive your ponies". When I said that, I did not know what the final result of my taking over the coachman's job would be.

As we drove from place to place to see father's patients, he would tell me, perhaps: "We are going to see the French lady. She is suffering from rheumatism; has been in bed for three years; and is one of my charity patients. Of course, there is no cure for rheumatism: I just help her with liniment and make her comfortable".

Again he would say: "There is Janet Smith. She has epilepsy — six to twelve spells a day, and she will always have it — poor girl. She is another charity patient". And so on.

He had some fifteen or twenty patients, all with some supposedly incurable disease. One day an idea occurred to me. "Father, let me have all those cases you cannot cure, so that I will have some experience". He replied: "Very well, I shall ask the French lady if she is willing; also Janet Smith".

These two cases were then turned over to me. After a short time, he gave me all the other "incurables" to care for as well.

I thought I would surprise father with the results which I have obtained. The French woman, under my care, was out of bed before two weeks were up, and in six months ventured to walk all the way to our office.

Father had never seen her in street clothes. When she opened the office door, she saw fa-

ther sitting behind his desk, and me at the library table. He did not recognize her by her appearance, but the moment she spoke he knew her. He greeted her and looked over toward me. She turned, came over to me, and kissed me; and father dropped his head. I walked out, leaving them there to converse together.

Two weeks later, father went out alone with the ponies, and saw someone who looked like Janet Smith going along unassisted. At first he could not trust his eyes, but he drove up closer and realized that they had not deceived him. He called out: "Are you on your way home? Get into the buggy and I'll take you there", motioning toward the seat. "You must tell me all about yourself". And she told him all that had happened. Father thought: "How amazing. These two people are well. I am going to look over the whole list of chronics and see if they're all well." Sure enough, he found they were all improved practically beyond recognition, some of them having even resumed their old trades.

After he had made this trip of inspection, father came into the office, where he found me sitting. He walked up to me, slapped me heavily on the shoulder. I thought I had done something terrible for which he was about to reprove me. But he only said: "My son I shall never call you 'quack' again". Then he told me about his experience of checking on all of his incurables he had turned over to me.

## THE HERB, MAN'S GOD GIVEN MEDICINE

From an Israeli Naturalist

I am like Mr. Toad, the earth worm and the God-given herb meant for man's medicine. I do not prefer to dwell on land, poisoned with chemical fertilizer and sprays. Probably some of you men experimenting in building soil back to its health have noticed that the herbs used by our fathers and grandfathers do not grow on this poisoned soil.

Along with natural and organic food for better health, man also needs the medicine intended for him according to Genesis one and twenty nine. When mother earth is restored to her healthy state as she was in the beginning she will not only produce life giving food, but will also bring forth herbs intended for our medicine.

This medicine is needed to clean our blood streams, our intestines, stomach, bowels, etc. to strengthen our mind. Every medicine man needs is found growing and drying up over our land because it is not used according to Jeremiah 12 and 4. The land mourns and herbs wither away because it is not used. But we will not be in perfect health until man goes back to the medicine intended for him.

We take the fruit from our trees to feed our hungry mouths, not realizing that the leaves

# LIFE IN ISRAEL

By EFFIE DUGGER

Shalom!

May the blessing of peace and true faith abide with you all. We can be like faithful Abraham of old who looked for a city to come "whose builder and maker is God". — Hebrews 11:10.

It is a step in the direction of peace to see the disengagement and drawing back of Israel and Egyptian forces from the Canal. If it is not real peace, it is at least a "peace effort". Prime Minister Golda Meir last night warned that: "We must not for a moment lull ourselves into believing that our wish for peace is a real peace already".

"It would be very sad indeed if we let our armed strength and our spirits weaken because we mistake our genuine hope for peace as being reality. No one can assure that there will not be another war".

She also added that a strong economy and a progressive social policy were part of Israel's strength. She said that another source is the realization that we are not alone in this world.

Psalm 46 gives the assurance that Israel is not alone too. "God is our refuge and strength, a very present help in trouble... God is in the midst of her; she shall not be moved! God shall help her; and that right early". — Verses one and five.

My husband has been very sick but is recovering nicely now. He is sure that through the prayers of believers here and abroad that his life has been spared. He says the Father and His Son are the best doctors.

There was a big snow storm about three weeks ago. About 8 inches of snow fell in one night, then rain and snow fell alternately for several days accompanied by a cold wind. Unknown to the rest of us my husband climbed up on the roof to fix some leaks up there. He could not stand up on the slippery roof so he crawled around and soon became very wet and cold.

He became very sick with a bad cold in his lungs. It turned out to be pneumonia. His fever was very high for more than a week. Now three weeks later the temperature has fallen below normal but is gradually coming back up. He sits up some and still directs the office work. He is beginning to eat a little at a time.

The March paper is coming out soon and the Calendars. We have many helpers, young and older people. Our son and son-in-law are invaluable helpers also their wives. We are trying to finish sending out the annual receipts so altogether we are thankful for all the helpers. Some of the young men are going to repair the roof. They like to climb up among the treetops.

Now on February 3rd the sun is shining brightly and warming things up. If it continues to shine we hope Grandpa (as the helpers call my husband) will soon be out taking care of

his bees and build them up so they can bring in lots of honey. We eat it in the comb.

The new government will soon be formed. Mrs. Golda Meir has been asked to bring it together. May she be blessed with health and wisdom to carry on as usual.

There is plenty of food of all kinds here. Of course the price of things has gone up. Oil also has gone up. We may have to have all wood stoves or put up with the weather.

When we first came here 22 years ago no one had heating stoves; the people who lived in this house where the ceilings are 13 feet high never used heating stoves.

Bro. Shoemaker is in the Philippines now but may go from there to India and other places. If world conditions allow it he hopes to come back here too. We feel that this is truly the ending time when the Gospel work is drawing to a close but there is plenty to be done.

— Shalom.

Dear Chosen People,

My eyes are very much on Israel, the beautiful. I pray for all of you and for many to come to Christ at a time like this. If only our ministers would open their eyes and ears to the Messianic Jews they would know the real word of God and its meaning.

I am so thankful that in a strange way I got in touch with you. You are the best to explain the word. It is direct, being the tame Olive Tree. It is easy to understand we all should go to you people "Israel" for instruction.

Thank you for everything that you sent to us, receiving news from Israel is like breathing pure air for a change.

I wrote to one of the names for us to be baptized; we are waiting for his answer; I cannot but hope to be baptized from one of your qualified men.

Thank you, Mr. Dugger, good health to you, your dear wife and family.

Courage and strength to all; fear not: the Lord is surely with you;

Leaving you with  
many kind thoughts,  
The Le Brun family

# Extracts From Readers Letters

BROOKLYN, N.Y. —

A personal letter to all the members and friends of the Church of God 7th Day.

I am very much interested in your welfare and you must be a regular attendant at your religious service. Never mind the weather, hard parking or other appointments, all you need is the desire, for it is only by your attendance that you can implement all of the above items. Don't fool yourself by all sorts of excuses, it is an absolute must.

In Brooklyn we have one of the finest little congregations in this country. Our very great pastor is always a source of inspiration.

*pB:* Pastor Reid started this work <sup>74</sup>four years ago <sup>70</sup>with seven people, and although there has been so many ups and downs the great God piloted him through.

Praise God so because of that I sing unto the Lord a new song; for He hath done marvellous things. His right hand, and His holy arms, hath gotten him the victory. I can recite countless tragedies that prevent people from attending services, so believe me as surely as night follows day I am looking forward for you all to attend services every week.

Respectfully yours,  
Church member, Brooklyn,

KANSAS, U.S.A. —

Dear Elder Dugger,

Your book on "The True History of the True Religion" is priceless. How I have wished in the past years that I could find something like it, something that told the truth about the history of the Church of Elohim.

I have made enough mistakes and believed enough errors in religion so far to last a lifetime, but I know for certain that your book and your work are the truth and hope to ever more fully make that truth my own as I study the word of Elohim to show myself approved to

Thank you again.

HAITSDALE, N.Y.

Dear Elder Dugger,

Greeting from Mt. Vernon in the precious Name of Yahshua.

Our group is the little flock we fear not, we are going on, we have a wonderful way of Atonement.

Please pray for us, we want to lift a standard for our Lord. Many of us had to work with people who were not of this faith, through this it made it hard for the brethren to meet for the praying that the Lord will make a way out for those who are willing to keep his studies, his laws, and his testimonies.

Please pray for us that the Lord will add more brethren to the church.

Pastor A. Ried

KENYA, Africa. —

Dear Brother,

Greetings in our Saviour's Name. Praise the Lord. I was so delighted to receive my Diploma and thank God for this course.

How thankful I am to hear of the mighty hands of the Lord protecting you from evil and continue to pray that He will richly bless you as you carry on the good work.

I have been so pleased with the Israel Bible School and words cannot express how I enjoyed this course which makes the Bible so plain, and understandable. What amazed me is that you asked the questions and gave scriptures which explain them. This is a different course from any I have ever seen.

We have just finished our yearly camp meeting in which I took part in teaching "The Crucifixion and What Was Abolished by Christ". The result was amazing because it is a new teaching and we had fifty-two souls who made a decision and are baptized in Jesus Name.

I thank all the staff of the Corresponding Bible School for their good work. May the Lord bless you all.

Dear Brother,

I have received Lesson No. 1 of your Bible Course and had returned the Test Card but up-to-date there is no receipt of my Test Card and the following lessons. Your Bible Course is the most desired Bible Course I have ever had.

CALIFORNIA, U.S. —

Dear Elder Dugger,

Greetings in our Saviour's Name to you and the little flock in Jerusalem, the city which shall be called the City of Truth. — Zech. 8.

The eyes of the nations are on the Middle East, not knowing what is next. They are more concerned about the energy crisis which we are all facing, rationing of gas, fuel and oil. The struggle between Arab and the Jews has forced all countries to suffer, and this is only the beginning of tribulation. — Luke 21: 25-36

The last event which will take place soon watch the U.N. Nations take over, the battle of Jerusalem called Jehoshaphat. — Zech. 14 1-5.

This will be the time when our Messiah come back to defeat the U.N. and begin His reign. — Joel 3: 13-21.

# The Only Plan For Gentile Salvation

There is but one way for Gentiles to be saved and enter into the promises of heaven, and that is the way laid down in the Scriptures. Most of them, however, do not like the plan, and preachers are afraid to preach it.

How many clergymen do you ever hear preach the gospel from the 3rd chapter of Galatians as Paul preached it? The 16th verse reads in part: "Now to Abraham and his (seed) were the promises made". — Everyone who reads the Bible knows that his literal seed to whom the promises were made embraced just the twelve tribes of Israel, through his son Isaac.

This promise is especially found in the 12th and 13th chapters of Genesis 12: 1 to 6, the brief history is given of how and why he came to this land, the land of Canaan.

In verse 7 it reads: "The Lord spake unto Abraham and said: "Unto thy (seed) will I give this land". Then in chapter 13: 14 it reads: "And the Lord said to Abraham after that Lot was separated from Him, lift up now thine eyes and look from the place whither thou art, northward, southward, eastward, and westward for all the land which thou seest to thee will I give it and to thy (seed) after thee (forever)".

Then in chapter 15: 18, the Lord said: "Unto thy (seed) have I given this land from the river of Egypt unto the great river (Euphrates)". This promise is repeated to Abraham's son Isaac in chapter 26, verses 3-5; and the reason for giving it was also stated as follows: "Because that Abraham observed my voice and kept my charge, my commandments, my statutes and my laws".

About all modern pastors and clergymen will tell you that there were no Commandments before being given to Moses at Sinai. Not knowing the scriptures they err from the truth. These were the same commandments Israel broke when Moses corrected them, even before he reached Sinai. — Exodus 16: 25 to 28.

## The Only Plan for Gentiles

In order for Gentiles to become (heirs) with Abraham and inheritors of this (earth) forever (Matt. 5: 5), is to become (adopted) children into the family of Abraham. The scripture in affirmation of this truth is also found in the same chapter of Gal. 3: 16, where we are told that the "Promises are made to Abraham and his (seed)".

The conclusion of this chapter reads: "There is neither Jew nor Greek, there is neither male nor female, for ye are all one in Christ. And if ye be Christ's then are ye Abraham's seed, and heirs according to the promise". — Verses 28, 29.

This is speaking of the very same promise introduced in verse 16 of this chapter as given above.

The Gentiles are inheritors of these promises through Christ. This verse reads in full: "Now to Abraham and (his) (seed) were the promises made. He saith not, and to the seed of (many), but as of (one), and to thy (seed) which is Christ". Then the further explanation is given in the concluding of this chapter as quoted above. Gentiles are inheritors only through Christ, and it says: "If ye be Christ's then are ye Abraham's seed".

This is what modern Protestant and Catholic clergymen are (against.) Most of them do not like Abraham's (seed), and would be ashamed to be classed with them as Jews or Israelites. Isaiah says of the Jews: "Their (seed) shall be known among the Gentiles, and their (offspring) among the people, all that see them shall acknowledge them that they are the (seed) which the Lord hath blessed". — Isaiah 61: 9.

## The Adoption of Gentiles also Compared to Grafting of Fruit

We find also in the Gospel according to Romans 11th chapter that Israel is compared to the tame olive tree and Gentiles to a wild olive tree. It says branches were broken off of the Jewish tree that the Gentiles might be grafted in; BUT NOTICE CAREFULLY, the Gentile branches are grafted in contrary to nature (verse 24).

This is a very important point, that is often overlooked. For example when a lemon branch is grafted into an orange tree, according to nature it bears lemons on the orange tree. This is according to nature in all kinds of graftings. The bud or branch put into another tree bears fruit that exactly corresponds to the tree from which the bud or branch was taken. This is according to nature and no man can change it.

The Gentile branches, however, are grafted in contrary to nature (Romans 11: 24). Hence the lemon branch put into an orange tree will not bear lemons anymore, but the fruit from it will look just like the fruit from the orange tree.

Therefore when Gentiles are grafted into the Abraham family they no longer resemble Gentiles, (but they appear as Jews,) and the world in general will recognize them as Jews and speak of them as Jews just the same as they would call the fruit from the lemon branch oranges and not recognize it as lemons.

These Gentiles have no right to consider themselves Gentiles any longer. They are now Israelites and were once Gentiles, but this grafting process through Christ has changed their very nature, and their appearance also.

The sign of this change is clearly made known in Exo. 31: 15 to 18. It reads: "The children of Israel (which Gentiles are after adoption) shall keep the Sabbath to observe the Sabbath

throughout their generation for a perpetual covenant. It is a sign between Me and the Children of Israel forever".

This perpetual covenant is spoken of elsewhere as continuing for one thousand generations, and forever.

The Gentile branches grafted into the family of Abraham become "Jews inwardly". — Romans 2: 27-29.

The Scripture reads: "He is a Jew which is one inwardly, and "circumcision is that of the heart". Then in 1 Cor. 7: 19 it reads: "Circumcision is keeping the commandments of God". The modern Sunday observing pastors and clergymen, however, will tell you that the Commandments of God were abolished, nailed to the cross. Therefore they do not possess this heart circumcision, neither do they claim to be the children of Abraham or Israel. We do not see how they can therefore be inheritors of the promise made to Abraham and his seed, later extended to this whole world by the gospel assurance given in the sermon on the mount: "Blessed are the meek for they shall inherit the earth." — Matt. 5: 5 - Editor. ### WHO WE ARE

A good many of our readers wish to know just who we are here in Jerusalem and what mission or organization we represent. For their benefit and many new readers we wish to explain again that we have no earthly denomination or organization back of this work here. The only one we try to represent and to work with in harmony is the one in heaven, with our beloved Messiah known as Jesus in the English, but in the Hebrew Yahshua, as the supreme head over all.

We call ourselves in English by the name "Church of God" mentioned just 12 times in the New Testament. It is also called "Congregation of Elohim", "Family of Elohim", and "Body of Christ". We represent the "Messianic Jews" in Israel.

These are Jews who believe in Yahshua as their Messiah born in Bethlehem, and claim Him as the lamb whose blood was shed on calvary for the remission of sin. We believe in the Old Testament as well as the New, built upon the foundation of "the apostles and prophets with Jesus Christ (Yahshua ha Meshia", as the chief corner stone. In Whom all the building fitly framed together groweth unto an holy Temple in the Lord". — Psalms 118: 22; Ephesians 2: 20, 21.

We have been scattered over the world with the Jews for more than 200 years, keeping the Sabbath with them but believing in Yahshua (Jesus) as our Messiah and Saviour. — Editor.

### RABBIS IN ISRAEL ARE HAVING DREAMS AND VISIONS

Wednesday November 21st, another Rabbi in Jerusalem, with tears coming down his face told his congregation that he was given a vision of the crucifixion, and that Yahshua was their Messiah who shed his blood for their sins. The next day (all) the women came to the synagogue dressed in black, with tears mourning for their Messiah.

This is the beginning of the fulfilment of Zechariah 12: 9, 10, a prophecy definitely foreshadowing right now when the nations are attempting to destroy Jerusalem. — Editor.

## THE FALSE PEACE AND SAFETY CRY

"But of the times and the seasons, brethren, ye have no need that I write unto you.

For yourselves know perfectly that the day of the Lord so cometh as a thief in the night.

For when they shall say: Peace and safety, then sudden destruction cometh upon them, as travail upon a woman with child — and they shall not escape. (1 Thessalonians 5:1-4)

But ye, brethren, are not in darkness, that that day should overtake you as a thief.

A world-wide peace cry went forth before the 1st and the 2nd World Wars and as the 3rd World War is due we may expect the same now.

"Behold their valiant ones shall cry without the ambassadors of peace shall weep bitterly; the highways lay waste; the wayfaring man ceaseth; he hath broken the covenant".

"Look upon Zion the city of our solemnities. Thine eyes shall see Jerusalem a quiet habitation, a tabernacle that shall not be taken down, not one of the stakes thereof shall ever be removed, neither shall any of the cords thereof be broken". — Isaiah 33: 7, 8, 20, 21.

"For the indignation of the Lord is upon all nations, and His fury upon all their armies: He hath utterly destroyed them, He hath delivered them to the slaughter."

"Their slain also shall be cast out, and their stink shall come up out of their carcasses, and the mountains shall be melted with their blood". — Isaiah 34: 2, 3.

### MANY OF THE PEOPLE BECAME JEWS

During the days of Queen Esther we are told that many people of the land became Jews. — Esther 8: 17.

This was the result of their witnessing again, the miraculous intervening hand from Heaven in behalf of the Jews, then scattered over the one hundred and twenty seven provinces of the Babylonian Empire. The failure of Haman in their destruction, and the triumph of the Jews over their enemies, put fear into the hearts of the people, and a realization of a supernatural being, in the heavens, ruling in the kingdoms of men.

The same effect is being witnessed today and many people are again learning that the Jews still hold a special place in the divine purpose of the Creator. They are choosing Jerusalem, and the primitive religion, as it was in the days of the apostles. They are becoming "Messianic Jews", believing in the Messiah born in Bethlehem, sacrificed on calvary, buried, resurrected, ascended to heaven and now soon to return as King of kings and Lord of lords. — Rev. 11: 15.

They are also making choice of the Sabbath as their day of rest, blessed by the Creator at creation, instead of the day of the Sun, born in Babylon, and adopted by Rome.

Many readers of "The Mount Zion Reporter" are making this question a personal study, walking in the light, and rejoicing over this new found truth.

Praise His Name.

As in the days of Queen Esther many people over the world are becoming Jews. — Editor.

BANDON, Ore. —

Dear Brother,

Enclosed find our checks for some more tithes.

From what I hear and see things are happening concerning last day prophecy. Nixon went to China and someone thinks it was a good move for peace. He talked with the Russians and a reporter tells what wonderful accomplishment it was for peace. Now our U.S. U.N. Ambassador tells what a unique situation the Arab and Israeli war offers for the U.S. to get right in and get a cease fire and peace. Guess they don't know or care that this is God's doing and come what may God's purpose will be accomplished.

With the exception of U.S. no nation in the world would give back to a beaten enemy what the victor had taken and that is what the world is trying to dictate that Israel do. The U.S. did give back Japan. The Japs wouldn't have done it. Neither was U.S.A. in danger of being driven into the sea and annihilated as the Arab fully intend doing to Israel.

Of the last we feel God won't allow it but as Israel is not, as a nation, made up of Godly saints, it has all the human fears and feels the place they must look for a helping hand is at the end of their arms.

### CARELESSNESS

How careless and slothful some are who write to us and their name and address looks like chicken tracks or worse. Many do not even give their country and the only way we know where they are is by the stamp, and often someone has removed it. We hate to have to just throw some letters in the waste basket, but that is all we can do. If you don't hear from us this may be the reason.

### THE MOST DEADLY WEAPON

I am more deadly than the screaming shell from a howitzer; I run without killing. I tear down homes; I break hearts and wreck lives. I have no respect for truth or justice, no mercy for the defenseless. You will find me in the pews of the pious and the haunts of the unholy. I am wily, cunning, malicious and I gather strength with age. I make my way where greed, mistrust and dishonor are known. I feed on good and bad alike. My victims are as numerous as the sands of the sea and often as innocent. I never forgive and seldom forget. My name is GOSSIP.

## 500 ORTHODOX AMERICAN RABBIS MEETING HERE

A group of 500 American and Canadian members of the Orthodox Rabbinical Council of America will open a 10-day conference in Israel tomorrow.

It will convene officially at Hechal Shlomo in Jerusalem on Thursday evening to discuss "the Significance of the Yom Kippur War". The rabbis hope to find ways of mobilizing their congregations to help Israel.

## ISRAEL CONTESTS P.O.W. REPORT

PARIS. — The Israel Embassy has contested a report in last week's issue of "Paris Match" that Israeli prisoners in Syria are being well treated.

In a statement being published in today's issue of the weekly, the embassy said that 42 prisoners had been murdered, some after being tortured. One body found near the Houchnieh cross roads had had the eyes gouged out.

A captured Syrian prisoner reported that he saw six Israeli prisoners killed by Syrian soldiers stamping on their heads with their boots, the statement said.

A Moroccan prisoner was found with a sack containing parts of the bodies of Israel soldiers to take home as souvenirs.

The statement pointed out that the fact that a "Paris Match" reporter was able to interview seven Israeli prisoners in good health "does not detract from the dramatic reality. We have reason to believe that the Israeli prisoners numbered between 110 to 120."

## SECURITY FORCES BLOW UP 3 HOUSES

Security forces on Friday blew up three houses in Janin village near Nablus because of their owners' involvement in recent sabotage incidents in the district.

Over the weekend a number of persons were arrested in the Nablus area in connection with a series of sabotage acts following the October war. The most recent were sabotage of the telephone lines in Nablus on Saturday, cutting the town off from the rest of the West Bank for several hours, and the placing of an explosive charge on a bus parked in Nablus. The bus was about to leave the station when the charge went off. Damage was described as minor.

There were no injuries.

The number of persons detained was not disclosed.

Remarks. — This is the way Israel has kept down, and almost put to an end terrorist activity in Israel. They even blow up the houses of anyone who it is proven knew anyone who was a terrorist, and did not report it to the police.

## ISRAEL BEAMS POWERFUL RADIO BROADCASTS TO ARAB STATES

TEL AVIV (WUP). — Israel has inaugurated the most powerful medium wave radio transmitter in the Middle East in the hope of bringing the message of peace and good will to the Arab masses, it was announced here this week. The new 1,200 kilowatt transmitter is being used to send out Arabic-language programs to all the Arab states, particularly Egypt, Jordan and Syria.

## NEW PLAGUE OVER EGYPT

UNITED NATIONS (WUP). — Water, which is looked upon by most nations as a blessing has become a curse to Egypt, according to a feature article which appeared in the June issue of "World Health", the official magazine of the World Health Organization.

The article, entitled "An Enemy in the Nile", discloses that "about every second person in the country" is afflicted by the "debilitating parasitic disease" known as "schistosomiasis" which attacks "when people working or playing in the canals expose their bodies to water harboring the microscopic larvae of the disease."

## RUSSIA BACK DOWN ON MIDEAST MOVE AFTER KISSINGER'S WARNING

WASHINGTON. — Secretary of State Henry A. Kissinger warned the Soviet Union Thursday against a unilateral decision to put Russian troops into the Middle East. Within hours, the Kremlin backed away from intervention.

## WHERE IS GOSHEN?

BEERSHEBA. — Israeli soldiers have mistakenly moved the land of Goshen 50 kilometres eastward under the impression the area they are holding on the western bank of the Suez Canal is the historic grazing area assigned to the patriarch Jacob and his family.

This is the opinion of Prof. Yehuda Elitzur, whose lecture on the subject at Yeshivot Alon Shevut, in the Etzion Bloc, has been printed and mailed to students serving in the IDF.

Prof. Elitzur said that, according to Genesis, Goshen is described as "the best part of the land" (of Egypt). But the area held by Israeli troops west of the Suez Canal is basically an arid zone, he said, whose present fertility is due to the existence of the artificial fresh-water canal.

According to Prof. Elitzur, the Israeli forces are now situated in the area in which the Israelites camped prior to their crossing of the Red Sea. — Itim.

## FRENCH ARMS EXPORTS UP BY \$625 M.

PARIS (INA). — Most French arms exported in 1973 went to Arab countries, according

official statistics made public here.

The annual government report shows a sharp increase in the sale of French arms abroad, with 3 billion francs (\$652 million) increase over 1972's total.

Aeronautics registered the greatest increase with a total of 4,500 francs (\$978 million) and the report indicates that the biggest buyers were the Arab nations. Saudi Arabia, for example, is reported to have purchased many Mirage combat jets.

All the Arab countries excepting the belligerents, Egypt, Jordan and Syria which France has put under embargo, purchased ground to ground anti-tank missiles from France in 1973.

As for naval or electronic ground weapons, whose sales totalled 2,500 million francs (\$543 million), in 1973, Saudi Arabia was France's biggest customer with its purchase of tanks and artillery.

### ARABS 1974 OIL INCOME TO BE \$45,000 M.

BEIRUT (UPI). — The Arab oil producing nations of the Persian Gulf will earn from oil exports in 1974 a sum equalling the monetary reserves of the U.S., Western Europe and Japan together, an Arab oil expert said yesterday.

Suheil Saadawi, former secretary-general of the Organization of Arab Petroleum Exporting Countries (OAPEC), said in an interview published in the Beirut newspaper "Al Anwar", the income would total \$45,000 m.

Saadawi said Saudi Arabia alone could count on \$30,000 m.

He said the new price level for Persian Gulf crude — \$11.65 per barrel — also would lead to price increase in other oil producing states.

### IDI AMIN CABLES DAYAN

TEL AVIV. — Officials dismissed as "ridiculous" a cable received yesterday by Defence Minister Moshe Dayan from Uganda's President, Idi Amin, predicting the "liberation of Palestine" before the end of 1975.

The 718-word telegram arrived at the Defence Ministry 12 hours after it was sent by ordinary cable from Kampala.

President Amin said he sent the cable at the request of a suicide organization comprising volunteers throughout the world who had pledged to die for the Arab cause.

"You are aware of my dream predicting the liberation of Palestine before the end of 1975. If you do not comply with my advice, Palestine will be liberated by force", he wrote.

"This is advance warning which I feel compelled to give to save the lives of innocent Israelis", President Amin said.

Defence Ministry officials said Mr. Dayan has no intention of replying to the cable, which he did not consider serious.

Last year, President Amin sent a similar cable to Mr. Dayan as "one soldier to another". It arrived two days after being dispatched.

Uganda broke off ties with Israel nearly two years ago.

### POPE BIDS FOR VOICE IN FATE OF JERUSALEM

VATICAN CITY (UPI). — Pope Paul VI wrote in a private memo before making his 1964 pilgrimage to the Holy Land that he hoped the visit would reawaken Roman Catholic desire to "guardianship" over its most sacred shrines, the official Vatican newspaper said at the weekend.

"L'Osservatore Romano", marking the 10th anniversary of the pilgrimage, published the text of the hitherto unknown notes which it said the Pontiff wrote by hand on September 21, 1963, three months after he was elected spiritual leader of 600 million Roman Catholics.

Coming during the current Middle East Peace Conference in Geneva, the disclosure served to underline the Pope's strong determination for a voice on the future of Jerusalem and the Holy Places, Vatican sources said.

### Describes Aim

Describing the aims and character of his intended pilgrimage, which was not announced to the world until two months later, the Pope wrote:

"Such a visit would have to be for the aim of rendering honour to Jesus Christ, our Lord, in the land that his coming to the world has made holy and worthy of veneration and of guardianship on the part of Christians.

"Subordinated purpose of such pilgrimage is the moral defence of those Holy Places. It is the reawakening of Catholic interest for the guardianship that the Catholic Church cannot evade to desire for them and to exercise there" the notes said.

### 661,600 VISITORS CAME IN 1973

December tourism figures show 40,700 arrivals compared with 44,500 in December 1972, according to the Central Bureau of Statistics. The number brought to 661,000 the total number of foreign visitors last year — down from 727,500 in 1972.

### 14 MILLION JEWS IN THE WORLD

NEW YORK (INA). — The world Jewish population is estimated at 14,370,650, according to the American Jewish Year Book, the 1973 edition of which has just been published. There are approximately 6,000,000 Jews in the United States, more than in any other country.

These estimates were compiled by Leon Shapiro, Associate Professor of Russian and Soviet Jewish History at Rutgers University, who compiled the overseas demographic data, and Alvin Chenwin, Supervisor of the Statistics Unit, of the Council of Jewish Federations and Welfare Funds, who assembled the U.S. figures.

### The Soviet Union

After the United States, countries with the largest Jewish populations are: Israel, 2,723,000; Soviet Union, 2,648,000; France, 550,000; Argentina, 500,000; Great Britain, 410,000; and Canada, 305,000.

Jewish population figures for other countries with more than 5,000 Jews are as follows: Brazil, 150,000; Hungary, 80,000; Uruguay, 50,000; Mexico, 40,000; Italy, 35,000; Germany, 32,000; Holland and Chile, 30,000 each; Venezuela, 15,000; Colombia, 13,000; Greece, 6,500; Denmark, 6,000; Peru, 5,300; Ireland, 4,000.

51 per cent Fifty-one per cent of World Jewry is located in North, Central and South America; 28 per cent in Europe, 19 per cent in Asia; 1.5 per cent in Africa; and 0.5 per cent in Australia and New Zeland.

In the United States, the Jewish proportion of the total resident population remains at 2.94 per cent.

**FIGHT FOR SOVIET JEWS**

TEL AVIV. — American Jewry will not give up the fight for the right of Soviet Jews to emigrate to Israel, according to Stanley Lowell and Malcolm Hoenlein, chairman and executive director, respectively, of the Greater New York Conference on Soviet Jewry. The two are here on a week's visit to make contact with recent immigrants from Russia.

**55 HOTELS USED BY IMMIGRANTS**

Of the 55,000 immigrant who arrived last year, some 35,000 are living in temporary quarters rented for them by the Jewish Agency, an official said in Jerusalem this week.

Yirmiyahu Eshed, director of absorption services in the Agency's Immigration Department, said 15,444 immigrants were being housed in 55 hotels serving as absorption centres and old age homes, and 20,000 in rented flats.

He said he foresaw no difficulties in providing temporary housing to new immigrants in the next few months, provided the supply of permanent housing increases.

**"PRAVDA" FEARS JACKSON WILL BE NEXT PRESIDENT**

MOSCOW (AP). — "Pravda", the Soviet Communist Party newspaper, warned its readers yesterday that Senator Henry Jackson, "an anti-Soviet and friend of the Zionists", may be elected President in 1976.

The article was an unmistakable warning of possible trouble for Communist Party Chief Leonid Brezhnev's policy of detente with the U.S.

"Pravda" longtime Washington correspondent, Seregi Vihnevsky, said the Democrat from Washington is backed by "a sinister coalition of military manufacturers, Pentagon hawks, Zionist and trade union bureaucrats."

"The Lord GAVE THE WORD; great (an abundant number) was the company of those that PUBLISHED IT". — Psalms 68:11.

He was a welfare worker, using his truck to pick up clothing and furniture for the Dorcas Society of our Adventist brethren.

He was preceded in death by a son in infancy, four sisters, and one brother.

Converted at a very young age, Brother Hawbaker was a righteous man, and will be sadly missed by the 7th Day Church of God, his friends, and the community in which he lived.

In the very few minutes we have left, I would like for us to look at the frailty of man the change that must take place, and finally the eternal reward, and eternal joy of the Saints of God.

As the dead cannot hear, the lesson then is to the living.

To you who survive, may this lesson be a source of joy, his life a source of inspiration, and may the joys of heaven rest with you as you make your pilgrimage here on earth.

As his pastor, I shall miss him very much.

But la up for yourselves treasures in heaven whe: neither moth nor rust doth corrupt, and whe: thieves do not break through and steal." - These are the words of Yahshua as we hav them recorded in Matthew 6: 19 to 21.

# The Creator Placed His Name At Jerusalem

## In What Way Does this Effect Us?

There is just (one place) on this (earth) that the Heavenly Father has chosen to (place) His Name, and His Name is Holy! "Hallowed Be Thy Name". This is a sentence all praying people use over and over in the prayer the beloved Master taught us to pray. — Matt. chap. 6, verse 9.

In the 20th chapter of Exodus, where the Father recorded the Ten Commandments, He speaks of His Name. "In all places where I record my Name I will come unto thee and I will bless thee". — Exo. 20: 24.

Then He speaks again of the place where He records His Name thus: "But if ye turn unto Me and keep My Commandments, and do them, though there were of you cast unto the uttermost parts of heaven, yet will I gather them from thence and will bring them unto the place that I have chosen to set my Name!" — Nehemiah 1: 9.

## Where He Set His Name

"Rehoboam was one and forty years old when he began to reign, and he reigned seventeen years in Jerusalem, the city which the Lord did choose of all the tribes of Israel to put His Name there". — 1 Kings 14: 21. Also 2 Chro. 12:13.

## His Command

"Into the place where the Lord our God shall choose out of all your tribes to place His Name there, even unto the habitation shall ye seek and shall ye come. And thither ye shall bring your burnt offerings and your sacrifices — (offerings — and your tithe and heave offerings of your hand and your vows, firstlings of your herds and your flocks". — Deut. 12: 5, 6, 10, 11.

## His Name Is (in) Jerusalem

The Creator is called more than one hundred different Names. Many of them are the names of ancient heathen God's, and we know this is not well pleasing to Him. The Father and the Son each have a Name.

We read in Prov.: "What is His Name and what is His Son's Name, if thou canst tell?" — Proverbs 30: 4.

The Father's Name is found in the word: "Jerusalem", as it is spelled (in) the Hebrew it is pronounced "Yah-ru-sha-la-yim". The first part of this word has the abbreviated Name found in Psalms 68: 4 as follows: "Extol Him that rideth upon the heavens by His Name (Yah) and rejoice before Him". In the first part of this verse where the word: "God" appears, it is the Hebrew word in the text from which the English is translated.

It is far more honorable to speak of our loving Creator as: "Our Father", the same as His

Son did while here on earth. It would not be honoring our earthly father to call him by his surname, neither is it proper to so speak of the Heavenly Father. The Jews in Israel teach the children in school the Father's Name in the Hebrew, but they do not speak it, in order not to use it in vain, for it is very Holy. They write the Name and then erase it. Some Rabbis speak it only once a year in the synagogues.

The place the Father has chosen to set "His Holy Name" is in Jerusalem, as set forth in these texts, and others.

Since the (Old) City of Jerusalem is (now) in the hands of Israel, Gentile times are in reality past. We may expect a scattering few of Gentiles here and there to yet come out of Babylon, but it will rapidly grow less and less. Gentiles are being gathered in bundles, organizations, and headed for Rome.

Local pastors in Gentile lands must pray for, and feed their flocks, strengthening that which remains and under their care. The command to "feed the Church of God" never was so important and urgent, and these pastors must be well supported with your tithes and offerings, for these men are needed now worse than ever.

Those who have come out and taken their stand for Israel and Jerusalem, also for the true Sabbath which is to be a sign forever, must be strengthened and fed, especially the young people. Hence the pastors of all of these groups must be cared for and supported with tithes, but those living in isolation, should send it to Jerusalem, where the Creator has placed His Name. It is to this old center, (now) revived again, where He has given His command in the above, and where He has opened, and is yet opening great doors wide for its use.

There is a great work here to be finished and it is to be a quick work. — Romans 9: 27 and 28. — Editor.

## The Tithe Holy unto the Creator

"Bring ye all the tithe into the storehouse that there may be meat in mine house, and prove Me now saith the Lord of hosts, if I will not open the windows of Heaven, and pour you out a blessing that there shall not be room enough to receive it." — Malachi 3: 10.

## The Reporter To Every Nation On Earth

This magazine goes to the head government officials of over one hundred countries of the world. As the spot light of the world is now on Jerusalem and Israel, this magazine from Jerusalem will have their attention.

If Israel remains a democracy with religious liberty and freedom granted to all faiths, the world will know and understand by this magazine.

The writer was Editor of a religious magazine in the United States of America for eighteen years, and now since coming here and printing this magazine at Jerusalem for over twenty years, has enjoyed the very same liberty, in every way just as we did in the U.S.

We are informed by our attorneys that there is no law in Israel by which a missionary can be expelled. There is one certain person in authority, however, who it is said does put missionaries out, and prevent others from returning who leave the country for a time. This we are told is done quietly and through the hands of some near associates. If such a work is being carried on behind the curtain, which is bringing reproach on Israel among the nations and causing inquiries to be made in this crisis period for Israel, it is the duty of our Congress (the Knesset) to remove such an officer and save the nation of being thus marked and reproached. This very serious matter is going to be investigated and reported which we hope will be untrue.

The Constitution of our country is based on the foundation of religious liberty, and we do not anticipate any change-over through the influence and threats of a few radical Orthodox in our midst. — Editor.

## GOOD HEALTH

(Continued From Page 9)

and bark also contain something we need and must have, to be healed of our diseases, according to Ezekiel forty seven and twelve: It says the fruit thereof shall be for meat, and the leaf thereof for medicine.

We feed our car gasoline to make it run. It's food, we apply oil water brake fluid, air, lights, etc., as necessities to make it operate right. We clean it with cleaning fluids inside and out. It must have all these or it will skip pop and smoke, and so will man if he does not have all his cleaning fluids given to him by use of the God-given herbs and leaves of trees for medicine.

## ISRAEL

You do not need the nations of Africa.

You do not need the nations of Europe.

You do not need the UNITED STATES OF AMERICA.

What you need is to put your hand in the hand of the man of Galilee. He is still alive and clothed from above with mighty power and He will guide you safely through. — Editor.

## THE BIBLE HOME INSTRUCTOR

This is a very rare book from Jerusalem, Israel. (Printed in Hebrew and in English) and should be in every home to teach people just what the Bible says on all sacred subjects of interest. In this time of so much confusion, and so many different opinions on prophecy and doctrine, this book is badly needed in the home, church and schools.

It is not man's opinion on these vital subjects, but a gathering together in one place of all the texts of Scripture, from the thirty-six holy men who gave us the Bible as they were moved by the Holy Spirit.

By using the index you can quickly find the subject you are interested in.

Then you will find questions relating to it, which are answered by printing the scripture for you, giving book, chapter and verse.

There are over 500 pages with about 200 pictures illustrating the subjects.

Price: \$5.00 each. For 6 or more in one order, half price. Why not order six and sell them or give them away as the Spirit leads.
