HE CHANGED KENYA'S RELIGIOUS SCENE

Pastor Edward Macharia was laid to rest at his DFO home in the Elburgon area of Nakuru County here in Kenya on February 7, 2023.

He will be remembered as the person who first started subscribing to the teachings of the true Church of God in Jerusalem, Israel, that was then under the leadership of Elder Andrew N. Dugger (from 1953 to 1975).

Pastor Edward Macharia introduced other people to the doctrines of that Bible-based church who also spread them to their relatives and friends.

That resulted in the birth of the Jerusalem-based Church of God in Kenya in 1970 which now has thousands of members across the country operating under different administrative groups.

Pastor Edward Macharia can therefore be said to have changed the religious scene in the country by introducing to its citizens the true church that kept the commandments of God/Elohim and the teachings of Yahshua Messiah (Revelation 14:12).

He was instrumental in the formation and spread of the Messianic movement whose members are today found in almost every village and town in Kenya.

The story of how Pastor Edward Macharia stumbled on the beliefs and practices of the Jerusalem Church of God in the late 1950s will be appearing here on my page in the next couple of days, but you can in the meantime read about Elder Andrew N. Dugger in my book.
