Christians are like steel,  
 When they loose their temper  
 They are useless.

Wherever you see persecution, there is  
 more than a probability that truth is on the  
 persecuted side.

Ideals are tuning forks. Sound them often to  
 bring your life up to standard pitch.

CEDAR RAPIDS, IOWA

Dear Brethren and Readers of the Fel-  
 lowship Herald, greetings;

Since our last report, we feel that  
 our work for the Lord here in Cedar  
 Rapids, and surrounding territory has  
 prospered in the Lord. We know that  
 He has promised that if we would sow  
 the good seed, that He would give the  
 increase. His word will not return to  
 him void.

One project that we have, which we  
 feel is bringing forth fruit for the Lord  
 is our Radio program. We have a pro-  
 gram that is heard each Sunday morn-  
 ing from 8:30 to 8:45 on station KXIC  
 800 on the dial at Iowa City, Iowa.  
 Anyone living in this territory, we in-  
 vite you to listen to this program.  
 Then too, we feel that our regular  
 services give us spiritual guidance,  
 and that the heavenly Father is very  
 near to us. We just thank and praise  
 Him for all the good blessings which  
 He gives us.

Our last all day meeting (we have  
 our all day meeting the first Sabbath  
 in each month) we were happy to have  
 with us several visiting brethren, some  
 from Muscatine, some from Nichols,  
 Iowa, and some from Moline, Ill.  
 Brother Ivan Goddard brought us the  
 message in the morning, and then after

AROUND THE WORLD

a nice basket lunch which was served  
 in the basement, we had our afternoon  
 worship which several different ones  
 took part in.

May the good Lord help us to strive  
 to do more for Him in the future than  
 we have in the past. In other words we  
 should all try to be a better Christian  
 every day. And if we do this the work  
 of the Lord will not go lacking.

We here in Cedar Rapids, miss our  
 young folks who have gone out to make  
 a home of their own, or gone out on  
 their own to make their own way in the  
 world. Although we miss them we feel  
 sure that wherever they go they will  
 let their light shine so that others will  
 know that they are serving our heavenly  
 Father.

May our heavenly Father bless all  
 is our prayer.  
 P. S. Our Radio speaker is Elder W.  
 T. McMicken.

MOUNT CARMEL

Greetings brethren everywhere:

It seems time is slipping right on  
 by. Here it is the first of a new month  
 again, Spring is right around the corner.

I have a great burden this morning.  
 I would like for everyone to remember

In Loving Memory

FRANK H.  
DENNISON

Frank H. Dennison, Watonga, Okla., was born December 12, 1888 and passed to his rest February 16, 1968.

Funeral services were conducted by Frank M. Walker in Keller Funeral Chapel, Watonga, Okla. February 19, at 2:30 p.m. and he was laid to rest in the I. O. O. F. Cemetery to await the resurrection of the coming of Christ Jesus. He is survived by his wife Ada L. Dennison; one daughter Helen Le-Noir, Silver Spring, Md., a son Sam. M. of Philadelphia Pa., another son, Ward L. of Watonga, Okla, also other relatives and many friends.

He was born in Clark County, Mo., but had resided in Watonga, Okla. area for years. He was a devoted student of the Bible and current events, and believed with his dear wife that Jesus is coming soon and that our hope is in the resurrection at that time. May the Lord comfort those that mourn.

#### MY DAY

This is my day. God has given me this day to use as I will. I can waste it... or use it for good. What I do today is very important, because I'm exchanging a day of my life for it. When tomorrow comes, this day will be gone forever, leaving something in its place. May God, who gave me this day, also give me the wisdom to know how to live it... to be directed to add good to it... not evil. May the life which He also gave me be well spent this day.

#### THIS MOTHER HAS A FAMILY OF VETERANS

Sister Barnes, 72, gained recognition when she recently was initiated into the Harrisburg chapter of American War Mothers. She is believed to be the nation's only AWM member with 10 veteran sons, according to Ruth Griffith, state president of the organization.

The Harrisburg woman is the mother of 12 children—two of them are girls. "All of my sons, except one, volunteered for the service."

It seems unusual that Mrs. Barnes had 10 veteran sons. But then, it's unusual that she had any sons.

"I lost my first baby when he was 17 days old," she recalls. "After that the doctors told me I couldn't have any more children. I sure fooled them."

Now that the children are grown, the

Please pray for Milan Church and Mount Carmel that we may be found faithful, when Jesus comes in the Clouds of glory.

Better still, let's pray for each and everyone who is striving to serve God everywhere.

#### ALL DAY FELLOWSHIP MEETING IN RICHLAND, WASHINGTON

Greetings to all once again from Meridian. It was the privilege of several of us locally to attend the Afternoon Fellowship Meeting held at the Richland Church, Sabbath, February 17. This was held also in connection with the wedding of Mark and Susan Boyd. It was truly a blessing to again fellowship with many of our brethren in the Washington State area. God could truly be felt as we worshipped Him together. The meeting was somewhat different than usual in that each one of the ministers and leaders of their respective churches and areas delivered a short five minute sermonette. As one of the leaders remarked, "How much can truly be accomplished in five minutes is quite remarkable." Each one of the short talks were of edification and spiritual growth. In this way the brethren not only were edified, but also received a taste of each one of the respective minister's thoughts and personal work. The local churches represented were: Spokane, Everett, Tacoma, Yakima, Wenatchee, Toppenish and Richland, Washington, and Meridian, Nampa and Caldwell, Idaho. After the afternoon fellowship meeting a pot-luck dinner was held in the church dining room. When we attend a meeting such as this it makes

us ever so much more thankful for other brethren who are laboring for the same accomplishments. Let us keep each one in the center of our prayers. There are many brethren who are not so fortunate as to worship with other brethren. These need your special prayers. It is true that we can be Christians whether there are others of like faith around or not, but many times local brethren need special prayer that they will go on with God as there are no others around to encourage them. Let us all remember, however, that God and His Son Jesus Christ, are our personal friends, and they are there to comfort and bring us through all trials and problems. Let us all Praise our Father much more in the future.

Your's in Him,  
Roger Z. Blankinship

#### HOME MISSIONARY REPORT FOR JANUARY-FEBRUARY

During the month I traveled to Shawnee, Oklahoma to visit with Sister Florence Hendershott, whom I had met at Wagoner, Oklahoma during the meetings there. We had a good visit there; discussing overall church policies and the work of the Free Churches of God; as well as some doctrinal questions.

Within the month, I also traveled to Rolla, Missouri where I had fellowship with Elder Terry Manley. In addition, we called on a minister friend of his who has apparently accepted the truth of the Sabbath as well as other related Church of God doctrines. This young man was responsible for starting a congregation and had been pastoring it

we answered a call from an interested group of people in a nearby town, Urdan et al. We visited this people and studied with them the Word of God. I had a standing invitation for future visits and studies with these dear souls.

During the past three weeks of this month I have distributed many copies of our literature of different kinds with much care and prayer. Be assured none of our fine tracts will be wasted. Many of these people are now asking for more copies, but I have no more stock in my office, so I would request you to be kind enough to forward more packages containing literature. We are so badly in need of gospel tracts, magazines, etc. to be distributed in this part of the world. This will be of much blessings to many people who get an opportunity to read His words. We have won several souls to Christ through these printed pages.

On the past end of this month, I am grateful to report to you that two faithful members of our church here had passed on or went to the grave. I have attended both their funeral services and had gave their relatives with much comfort through the use of the Holy Bible.

Last Sabbath we dedicated one child to Jesus. I have a short sermon concerning this occasion. I had explained to the audience that Jesus was dedicated first, that is when He was still a small child, then He was baptized at the age of 30.

I hope that you brethren in America will not neglect to assist us financially and Spiritually while carrying the great work in this vineyard. The people are giving more honest heed to our message now for they can see the situation of the world is becoming worst since the start of the Vietnam War and the

Middle East Crisis.

I will continue in the service of the Master. May God ever bless the work and help it go on. So do your best, that the work will not stop in this part of the globe.

I remain yours sincerely  
in His Service,  
Teofilo A. Donal

#### REVIVAL REPORT

Elder Richard Cress is holding revival services at the Meridian Church at this writing, March 3-9. Last night, Wednesday the Lord visited us in a very special way. Many tears flowed, many were refreshed and at least one was converted. Prayer was made for several. Sister Linda McCutchen received a real touch from God.

Each year the college is supposed to have a revival. The Local Church is paying the expenses of Brother Cress' travel.

At 6:30 each evening Brother Cress conducts a class in soul winning or personal witnessing. It is held in the college.

Tuesday we took Brother Cress to visit the Brethren at Emmett, Idaho as well as some in Boise.

Brother Cress has discussed the work in the South and the plans for the coming summer. We are all anticipating the blessings of God, both in the camp meetings and the work in general.

"DO THIS IN  
REMEMBRANCE  
OF ME"

The date for the Lord's Supper will be Thursday, April 11, after sundown.

night of the week. These broadcasts began the middle of February and our prayers go up to God that His Spirit will use this source to call many to repentance.

In addition to the radio outreach here in Fort Smith, Brother Barnard Franklin of Birmingham and I, have contracted for and started a program on Sundays over WLPH- (1480 kc) AM in Birmingham, Alabama at 8:00 a.m. All of our Fellowship Herald listeners in that area will want to be listening to these broadcasts and planning for the Birmingham Meetings which will be conducted in May of this year. Be praying for those meetings and if you reside elsewhere, but have friends or relatives in Birmingham be sure to apprise them of the radio program there and the forthcoming meetings. Too, send me their names and addresses so I can contact them prior to these meetings.

God continues to move mightily by His Spirit, and He has blessed us on the local scene with a new zeal and vision. Do pray for us often as we labor in the ripened harvest fields of God's work.

Yours in His Service,  
Richard G Cress

#### MEMPHIS, TENNESSEE

Dear Brethren:

Greetings to you from Tennessee:

We have certainly enjoyed the recent reports from the ministers and in the HERALD. We certainly believe that the Saviour is calling men into His work of the ministry in these closing days of time. I trust that each of us will seek to do the will of the Father, when providence may afford us opportunity. We here in Memphis area have been praying that the great Head of the

Church will endow each of us with all needful grace, and crown our labors with abundant success as souls are brought to Christ.

On Sabbath, February 10th, we were happy to baptize three brothers into Christ Jesus and we have others awaiting baptism. The service was marked by the wonderful presence of the Holy Spirit as we sang, praised the Lord and laid hands on the candidates for the baptism of the Holy Spirit. We also held a healing service and the meeting concluded with wonderful testimonies and songs of praise. We counted it a high light in our congregation and we can say truthfully that our Sabbath services have been marked more and more by the presence of the Spirit. Like all new congregations, we have had our share of problems, and yet we stand in amazement at the blessings and spiritual growth of the membership. We have had our share of sickness this winter and most all are back in services and we are in hopes that we will continue to build up as spring comes up.

We still have plans for a Gospel meeting after Lord's Supper time. Our young people are giving the final touch to their plans for our AGAPE (love feast) which will be held at the church edifice on Sabbath night, March 30th. They have invited young people from the Baptist and Pentecostal churches to help provide the special music. The theme will be "Such Love" and it will direct our thoughts to the "agape" or divine love that caused the Father to send His only begotten son into the world. It will be a time of social and spiritual fellowship. Brother and Sister Tom McFarland, our newly weds will direct the program.

We are also making plans for our Mid-Summer Assembly which will be
