Dear Israelite Brother  
Greetings in our Savior & Messiah:

Yes, it has been some time since I heard from you; however, we here at the Remnant of Israel are always glad to renew old acquaintances.

In answer to your questions:

- Yes, I still have some of Rupert's old book the "Yellow Peril" (\$40.00 each).
- I also have a number of my own book "Remnant Message to Modern Israel" which I wrote in 1970 (\$5.00 each), plus I have a number of the booklet "Tragic Story of Modern Israel" (\$2.00 each), which is the revised title I used in 1970, of I.C. Sultz's booklet (formerly known as the "Tragic Story of Gentile Israel").
- As for what the "G"s stand for in Rupert's name, I must admit that I don't know; nor do I know what the initials I.C. stand for in brother Sultz's name (he was Rupert's successor, and I took over as Director of the R.O.I. in 1969 after Sultz).
- No, there has been no further research (other than Richard Nickel's) as to Herbert Armstrong's utilizing and weaving Rupert's works into his own theology. As you are probably aware, after Armstrong's death several years ago, his "World Wide Church of God" more or less fell apart! Now, his "Plain Truth Magazine" is edited by a Jew named Thach, and Armstrong's whole system of articles has been radically changed!

[Mal. 3:10 , Amplified Bible]***

As it has been some time since we last corresponded, I don't recall whether you are acquainted with the articles "History of the Remnant of Israel" and "What is the Remnant of Israel?" so I am enclosing them in this letter.

As I mentioned earlier, it is always a pleasure and a privilege to hear from old acquaintances.

May the Holy One of Israel, the God (YHWH) of Abraham, Isaac and Jacob guide you in your efforts for Him!

Respectfully yours in the interest of Truth,

Dear sir,

It has been some years that I have written to you. I thought that I would renew our acquaintance.

I remember procuring several of GG Rupert's articles and booklets from you as well as his book The Yellow Peril. He was certainly a marvellous man.

I would like to know the following:

- Do you still sell any of his old literature, and if so the costs involved
- What do the "G"s stand for in his name. I heard the first initial stands for Glengarry
- Has there been any further research (other than Richard Nickel's) on Herbert Armstrong utilising his works and weaving them into his own theology?

All the very best and I hope to hear from you soon.

Dear Brother White,  
Greetings in our Savior, the Messiah:

It was indeed a pleasure to hear from you after all these years (approx. 8)! And I see by your address, that you have moved. I wasn't completely sure of your Box number, so I used your handwritten return address on the outside of the envelope.

Yes, it has been a while since we last corresponded. It is for certain that Almighty God's Remnant people should keep in touch more often, as we see the events of history being fulfilled faster every day!

As you are no doubt aware, in this last election, the American people came the closest in the history of our country to vote a Black man into a leading political office!

By the way, how did you find out about Rupert's works being reprinted? I appreciate your letting me know about this! You asked what the initials G.G. represent in Rupert's name??? I have been asked this question several times throughout the years (also the initials I.C. in Sultz's name), but have never found the answer!

I trust that I will be hearing from you more often, now that we have established contact again. It is always a pleasure and privilege to hear from fellow Identity believers, as I am convinced we definitely need one another's encouragement during these trying times!

May the Holy One of Israel, the God (Deity) of Abraham, Isaac and Jacob guide and direct your efforts for Him!

Respectfully yours in the interest of TRUTH,

Dear Brother White,  
Greetings in the Saviour:

Please excuse my delay in answering your good letter, but it seems there is never enough time to get everything done.

I was glad to hear that you received your copy of the "Yellow Peril" and that you are thrilled with it! As you are no doubt aware by now, there is a host of information in this book, for the intelligent Bible student to consider! In answer to your question, yes, I have several more copies of the "Yellow Peril" should anyone else be interested in purchasing copies.

As to whether Rupert published anything on the races of Genesis 10, I am not aware of it if he did. The only books by Rupert that I have, is the "Yellow Peril" and the "Gathering of the Nations to Armageddon". Neither of them discuss the races of Genesis 10, to my knowledge. I used to have a copy of "Time, Tradition and Truth" by Rupert; however, I foolishly loaned it to someone whom I thought would take good care of it, and I have never seen it since.

In reference to Rupert's "Bible Atlas" I have no idea where you could possibly locate one.

To copy the chapters you requested in "Gathering of the Nations" the cost would be 10¢ per page (single side), or 20¢ per page (double side), plus postage. As I do not have "The Teocracy of Israel" I cannot copy it for you.

In regard to the "Gamaliel School for Bible Students" I have no information on it. No, Mrs Sultz is not living. She died a few months before her husband. In regard to Rupert on the subject of Christ, I think you will find that he believed the Son of God to be a personage.

Yes, I would be most interested in the paper you have written on "Who is the Angel of the Lord?"

Respectfully,

*H. F. Walker*

Dear Brother White,  
Greetings in the Saviour:

Yes, indeed it has been a while since I have heard from you, as I last wrote to you 11/25/81. Yes, it is possible to photocopy the preface, introduction and contents section of the few books of Rupert's which I have in my library!

You mentioned that you wrote the "Good Things Co." about the races of Genesis 10. In checking the last letter I wrote you, I do not find any record of mentioning such an address. However, I did mention that it may be worth your while to contact Richard Nickles at "Giving and Sharing" 7105 NE 107th Ave., Vancouver, WA 98662.

In regard to how many local congregations Elder Rupert's Seventh Day Church of God (Independent) had at its peak, and where, the article "History of the Remnant of Israel" (which I believe you have) gives all of the information on Rupert of which I am aware! As I mentioned earlier, Richard Nickles may be able to give you more information!!

As for any old, or former members of Rupert's church, to my knowledge, Elder Sultz and his wife (who was Rupert's daughter) were the last ones, and they passed away 2 years after I became Director of the REMNANT OF ISRAEL in 1968. As I mentioned in my last letter to you, the REMNANT funds are rather low, as I am (to my knowledge) the only remaining advocate of Rupert's entire REMNANT Message to Modern Israel (White Race)! However, I will get the photocopying you requested as soon as possible!

Richard Nickles is the most knowledgeable person I know concerning G.G. Rupert; however, the last time I talked to him (2 years ago), he was a member of the Seventh Day Church of God; however, he had (at that time) no knowledge of the fact that Rupert believed Israel to be White, until I brought it to his attention!

Respectfully yours for TRUTH,

  
Pastor W.J. Walker, Director  
REMNANT OF ISRAEL.

P.S. if you do not have the article "History of the Remnant of Israel" let me know, & I will send it to you.

Dear Brother White,  
Greetings in the Saviour:

Please excuse the delay in answering your last letter, as I have had a rush of requests for our Remnant articles, and it has really kept me hopping to keep up with them! Of course there would be no problem, except the Remnant funds are nearly depleted while attempting to keep up with the cost of printing enough articles to fill all the requests!!

Enclosed is the article you requested on the "Jehovah's Witnesses". Yes, Elder Rupert published several books during his time, explaining the history, heritage, prophecy, etc., of Israel's descendants, along with a history of the other nations around them; however, his books are rare and out-of-print.

Just before Brother Sultz (Rupert's successor) passed away, he sent me his set of Rupert's "Inspired History of the Nations" (3 volumes), plus a number of Rupert's "Yellow Peril". As I have several of the "Yellow Peril" I am offering them to those who are interested at one copy for a donation of \$20.00 to help further the work to which Elder Rupert dedicated his life—the heralding of Almighty God's Remnant Message to His people "Modern Israel" (White Race) in these latter times!

Yes, you are correct, Elder Rupert believed a particular church (Independent Church of God 7th Day) was the "true church". However, I believe that if he were alive today when the knowledge of the Scriptures is being increased to those who are hungering and thirsting for the Facts of Scripture Truth, he would realize that there is no such thing as a "true church"!

In reply to your question about the followers of Rupert, etc., I sent you a copy of the "History of the Remnant of Israel" which should give you a brief account of, and answer many of your questions about the REMNANT OF ISRAEL from its inception until today!

In reply to your question as to what the book "Remnant Message to Modern Israel" is about, it is a collection of all the articles printed in the "Remnant of Israel" paper which I published during my first two years as Director of the REMNANT OF ISRAEL.

Thank you for the address of the "Christian Identity Ministry" in Victoria, Australia. When I get the time, I will write and see what they have to say.

Page Two:

Yes, I am acquainted with pastor Emry's "America's Promise" in Phoenix, Arizona; although I have never met him.

Oh yes, thank you for the leaflet on "G.G. Rupert: Preacher of the Laws of God". As Richard Nickels has made an extensive study on Elder Rupert, it may be worth your while to write him concerning your interest in Rupert's books. I love

I have met Richard Nickels personally, and have found him to be well-versed on most of Rupert's teachings. However, being a member of the Church of God Seventh Day, Nickels has not yet accepted the Identity Message! His main interest in Rupert's teachings is the Sabbath, the Law, Feast Days, etc.!!

Also enclosed are two more articles from the list you requested—"The Satanic Beast 666 System" and "Pagan Sunday Or Lord's Holy Day?" May the Holy One of Israel guide and direct your efforts for Him!

Respectfully yours for Truth,

Dear Brother White  
Greetings in the Saviour:

Enclosed is a receipt for \$7.00 (thank you). Also enclosed is the copy of the "Tragic Story of Modern Israel" I evidently failed to send the last time.

Thank you for your interest in our Remnant Literature. It is always a privilege to contact someone who is eager to study.

No, I do not mind your request for a large amount of our literature; however, as we work on a donation basis, I must apologize for not being able to send all of the articles you requested at once! The cost of printing the articles is quite expensive, so with your permission, I will send a few of them at a time, each time I write to you!!

Brother, I am enclosing our Remnant Letter to Identity believers, should you be interested in helping us to herald Almighty <sup>God's</sup> Remnant Message to His people in these latter times! As we would like to enlarge our contact with Identity and Sabbath friends in Australia, I thought perhaps you would be interested in aiding us to become more acquainted with our Australian Brethren!!

I will keep track of the articles you have requested, and check them off as I send them to you.

~~\_\_\_\_\_~~ Satan's agents are determined to "mongrelize" and destroy Modern Israel [White Race] through "integration and intermarriage"!!

In regard to G.G. Rupert's "Inspired History of the Nations" volumes, I have a copy of each volume (plus several volumes of the "Yellow Peril").

In relation to your question <sup>on</sup> the Identity races of Genesis 10, I would like to ask you to turn with me to the 6th chapter of Genesis:

"Noah found grace (favor) in the eyes of the Lord....Noah was a just and righteous man; blameless in his evil generation; Noah walked in habitual fellowship with God" [Gen. 6:8-9 Amplified Bible].

The Almighty chose Noah (one of the descendants of Adam) to be His spokesman in the new age after the Flood, and commanded Noah and his sons (Shem, Ham, and Japheth) to be fruitful and multiply" [Gen. 9:7].

"Behold, I establish My covenant or pledge with you and with your descendants after

Page Two:

you....I will establish My covenant or pledge with you, that never again shall all flesh be cut off by the waters of a flood....This is the token of the covenant (solemn pledge) which I make between Me and you...." [Gen. 9:9,11,12].

The "churches" or "religious Babylon" would have you believe the ridiculous notion that the curse placed upon Ham and his descendants was that their "fair white skin" was suddenly "turned black"! Ask yourself, where does the Bible uphold any such teaching?

Now, carefully study Genesis 10:6-20, and you will discover that the "sons of Ham" disobeyed Almighty God's "Law of segregation" and "intermarried" with the "heathen (colored) races" (Babylonians, Hittites, Jebusites, Amorites, Gargashites, etc.)!

Today, we see the sad results of a "mongrel people" who are neither white nor black! Their skin ranges from light to dark brown; therefore, they have become a people with no pure heritage at all!! Thus they have been "born out of wedlock"!!!

"A person begotten out of wedlock shall not enter into the assembly of the Lord...." [Dt. 23:2]. Now drop down to the 17th verse:

"There shall be no cult prostitute of the daughters of Israel, neither shall there be a cult prostitute of the sons of Israel" [Dt. 23:17].

The "descendants of Ham" were "cut off" from their heritage, because they intermarried with the "heathen (colored) nations"! In like manner today, when a white son or daughter of the "descendants of Almighty God's people Israel" has sexual relations with, or marries anyone of a colored race (Negro, Oriental, etc.), that white (Israelite) son or daughter is immediately "cut off" from their Divine Inheritance!!

You mentioned that you were interested in literature on the "specific tribe" of Genesis 49. I presume you are referring to the "tribe of Ephraim and Manasseh"! Turn with me to the 49th chapter of Genesis:

"Reuben, you are my first-born, my might and the beginning (the first fruits) of my manly strength and vigor; your birthright gave you the pre-eminence in dignity and the pre-eminence in power. But unstable and boiling over like water you shall not excel and have the pre-eminence of the first-born, because you went to your father's bed; you defiled it" [Gen. 49:3-4].

As you will recall in Genesis 35:22, Reuben, (who was the eldest of Jacob's 12 sons, and therefore entitled to the birthright, which would make him successor to his father's family or tribe, was to inherit a "double portion" of his father's estate, but he forfeited his inheritance by his "adultrous actions" with his father's concubine! Thus Jacob adopted Joseph's two sons "Ephraim and Manasseh" giving them each a portion of Reuben's "double portion"!! In this way, the tribe of Reuben was divided between "Ephraim and Manasseh" giving them each inheritance to the tribe of Reuben!!!

Enclosed is some literature on "Ephraim and Manasseh" in relation to Modern Israel [White Race] today! If this is not what you were referring to when you mentioned the

Page Three:

tribe of Genesis 49, please let me know!!

In regard to your question about how the Jehovah Witnesses broke with the S.D.A., The book "Remnant Message to Modern Israel" (page 8-9) contains this information! Also, our article on "The Notes on Jehovah's Witnesses" contains this information (along with many other documented facts taken from old J.W. literature researched by myself)!!

As for the Christadelphians and their association with the church of God in the 1800's, I don't have any information on them!

I read "Dankenburg's account" that the Assyrians anciently migrated to Germany! No, I do not agree with those who teach that the Germans are Assyrians!! Not all of British Israelism teaches that the Germans are descendants of Assyria!!!

Of course, there are numerous "off-shoot groups" (such as Herbert Armstrong's dismantled Wide World Church of God) that teach the "false doctrine" of the Germans being Assyrians!

In regard to your question about literature on the "types" if you are referring to the Identity of the 12 tribes of Israel in comparison to the White Nations today, see the following list:

Ephraim.....	United States
Manasseh.....	Great Britain (United Kingdom)
Zebulon.....	France
✓ Issachar.....	Finland
Asher.....	Sweden
Gad.....	Italy
Simeon.....	Spain
Naphtali.....	Norway
Reuben.....	Holland
✓ Dan.....	Denmark
✓ Benjamin.....	Iceland
✓ Judah.....	Germany

Brother, it is always a pleasure to hear from you! May the Holy One of Israel guide and direct your efforts for Him!!

Dear Israelite Friend,  
Greetings in the Saviour:

Thank you for your good letter from Australia! We are always pleased to hear from our Israelite kinsmen from your area!!

Yes, you evidently sent your first letter to our former Branch Office of the REMNANT OF ISRAEL in Spirit Lake, Iowa, which is no longer with us.

You enquired as to purchasing Elder G.G. Rupert's old books, which of course cannot be obtained on the open market today. As the REMNANT OF ISRAEL today is a continuation of Elder Rupert's work in the "Israel Identity Message" we have several copies of his noted book "Yellow Peril" in our Remnant Library, which we are willing to sell for \$20.00 per copy. I realize this may seem like a large amount; however, they are very rare books which cannot be obtained anywhere else (to our knowledge)! As for his other books, I have one extra copy of the "Gathering of the Nations to Armageddon". If you know of anyone who has an extra copy of Rupert's "Theocracy of Israel", "Time Tradition and Truth" the "Statutes of God" I would be willing to trade with him.

Enclosed is a copy of I.C. Sultz's booklet which was formerly entitled "Tragic Story of Gentile Israel"! Before Brother Sultz passed away, he gave me permission to revise his booklet, and to change the name to "Tragic Story of Modern Israel".

As you may already be aware, Brother Sultz married Elder Rupert's daughter, thus he became Rupert's successor as head of the REMNANT OF ISRAEL! Today, I am Brother Sultz's successor as Director of the REMNANT OF ISRAEL!!

As for Elder Rupert's "Independent Church of God Seventh Day" it gradually disappeared after his death! Some of the members drifted into the other branches of the Church of God Seventh Day, plus Herbert Armstrong's Worldwide Church of God!!

For your convenience, I am enclosing our article entitled "History of the Remnant of Israel" and the article "What is the Remnant of Israel?" Also enclosed is our "Subject List" of the various articles the Remnant has available! May the Holy One of Israel guide and direct your efforts for Him!!
