THE MAKING OF THE CALL

By Martin Makokha.

Wany people have asked what was the power and idea behind "The Call- A History of Church of God 7th Day in Kenya".

I grew up in The Church of God 7th Day and was well educated in the doctrines that the church stand for. I loved prophecy so much and was a teacher in prophecy for a

THE THIRD ANGEL'S MESSAGE

By Bro Ezekiel G. Ngogoyo

Third Angel's Message is the most fearful message ever given to the world.

Revelation 14:9-12

When Yahshua ascended to heaven, his followers started gathering together immediately, in one accord by supplications in prayers (Acts 1:14). The followers in the 1st century waited upon his return anytime as king of kings and had engaged Messiah on the issue prior to his ascension as affirmed in (Acts 1:6). His response made them to be in suspense as attested in verse 7 of the same chapter. Acts 1:7 "And he said unto them, it is not for you to know the times or the seasons, which the father put on his own power". Taking Messiah's word to be true, they knew it could be anytime and therefore they en-

The celebration of the new biblical year coincides with the release of the second issue of volume two of the "3rd Angel Messenger". Hence, we thank Flohim for another year and a new issue of the Magazine. We are also introducing a new input that will be frequenting the Magazine. The input is on health hence an allotment for the same, that is, "My Health Today". As I had engaged on the previous editor's note, it is time we brought our professionalism and expertise into Flohim's work. The aforementioned is penned down from a messianic perspective (Scripture based) in harmony with the professional and expertise requirements.

We thank the contributors for their zeal and sacrifice to forward their articles. 2 Kings 15: 7; Revelation 22:12. Apart from our usual contributors, we have new contributors whose articles were found to be in harmony with the "3rd Angel Messenger's" vision and mission and were therefore.

Most people are ashamed of our faith and given a platform to convey the message in an open air, they can't proclaim it courageously. I was touched and moved by our brethren in Kakamega. They had the audacity to go out to the people in public. Carrying a banner, they crossed the busy center inviting the public to their service. I wonder how many, especially in Nairobi can have that audacity. For the aforementioned reason, we decided to have that day's photo as this issue's cover picture. The "3rd Angel Messenger" was and has been given consent to use the same in its publication.

Time and platform can't allow much in the editor's note; hence I urge you to find for yourself what this issue entails. On behalf of the "3rd Angel Messenger" fraternity and myself, we wish Messianic believers and Jewish people a happy new year, a blessed Passover (Pesach) and a fruitful feast of unleavened bread.

Shalom!

Messiah as a Package...

By P. G. King'ori

Unlike Central and Rift valley regions, Nyanza is in dire need of the 3rd Angel Message. After the Kisii mission, we decided to have another mission in the same region, that is Nyanza, the Nyakach Mission. Nyakach mission turned to be different from other missions due to its locality, our host's home being very far from the first center we alighted. We had to use

Messianianism in the 21st Century

(Continued from page 1)

deavored to be prepared and ready for the kingdom to come. His followers, in the 1st century, were zealous knowing that His words were true as he had fulfilled the prophecy about him to the letter. Being conversant of him, the apostles, their families and those who had joined them, laboured tirelessly to proclaim the message entrusted to them without fear to all regardless of one's status in life.

As the centuries continued, there came up zealous followers who followed the footsteps of their predecessors (the apostles). From the second century, the zeal and energy continued and especially now in the gentile's regions. Any one conversant with the history of true religion can attest to the fact that in every century we had zealous people who stood for the true doctrine amidst of persecution and torture. The preceding centuries of the 21st, we learn from authentic history, the challenges they encountered and their accomplishments. It's amazing to hear a Messianic believer in this 21st century claiming that the challenges we face are more than in the preceding centuries. Unless one is not conversant with the scriptures, the 1st century also faced the same challenges, since the world at that time, was also enticing. We have an example of a believer in the 1st century who left back to the world because of its pleasures as Paul attests, 2nd Timothy 4:10

"For Demas hath forsaken me HAVING LOVED THIS PRESENT WORLD, and is departed unto Thessalonica, Crescens to Galatia, Titus unto Dalmatia" (Emphasis mine).

If the power made them overcomers, so will the power make us overcomers in this century.

The seven churches in Revelation are all advised to overcome, Ephesus (Revelation 2:1), Smyrna (Revelation 2:11), Pergamos (Revelation 2:17), Thyatira (Revelation 2:26), Sardis (Revelation 3:5), Philadelphia (Revelation 3:12) and Laodicea (Revelation 3:21). The aforementioned affirms that in every dispensation, there were challenges to be overcome by the Messianic believers. In the 21st century, Messianic believers tend to defend themselves by highlighting the advancement of technology as more of challenge in comparison with the preceding centuries. The Holy Spirit that descended on the apostles in the 1st century, is the same in the 21st century. If the power made them overcomers, so will the power make us overcomers in this century. 1st John 2:15 "Love not the world, neither the things that are in the world. If any man love the world, the love of the father is not in him". The first great commandment tells us to love Elohim with all our heart, and with all our soul, and with all our mind. This means, if one is truly a believer, the love towards Elohim

Messianism in the 21st Century

"What we feed, lives; what we starve, dies. If we feed ourselves with so much of the worldly pursuits and starve the spiritual pursuits..."

rich in us by suppressing the comforts and vanities of the passing world.

will surpass and supersede the love towards the world.

In the 21st century, the aim of a believer should be to please Elohim by using the advancement of technology rather than using the same for worldly pleasures. It is unfortunate that one can spend hundreds of hours on entertainment platforms and less in Spiritual nourishing platforms. For example, in the social platforms, we have many platforms that engage on Elohim's word but you will find most believers not visiting the platforms but instead visit other leisure based platforms. If we want to be emulated by our children, whatever we do then must be what we want them to reciprocate. If we show them the importance of serving Elohim through the platforms, the same will be reciprocated. If we show them the platforms are for entertainment the same will be reciprocated. Choices has consequences...hence it is paramount for us to be role models to our children and bring up a good generation.

During the dark ages, we hear of small children reciting parts of the Holy scriptures fluently without the help of the parents or guardians. Their attitude made it possible to pass over the message to others and eventually to us. **Colossians 3:16** "Let the word of Messiah dwell in you richly in all wisdom, teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Master". The phrase "let the word of Messiah dwell in you richly" best describes the dark ages believers. Since the world was literally against them, they found solace in the word of the Almighty. In this century, we are yet to get to that level and it is upon us to emulate them by letting the word be

What we feed, lives; what we starve, dies. If we feed ourselves with so much of the worldly pursuits and starve the spiritual pursuits, the same will be reflected and vice-versa. The promise in the scriptures is life to the righteous and death to the wicked (Romans 6:23). There is no fifty-fifty, its either Life eternally or death. It's our duty to make informed choices based on the scriptures. We shall all be judged by the scriptures (John 12:48). That make it paramount for an individual to live by the same. Elohim is no respect or of persons (Romans 2:11). We should not comfort ourselves by the challenges in the 21st century, by thinking, Elohim will regard us more than the preceding centuries. Mathew 12:41-42 "The men of Nineveh shall rise in judgement with this generation, and shall condemn it: because they repented at the preaching of Jonas: and behold, a greater than Jonas is here. The queen of the south shall rise up in judgement with this generation, and shall condemn it. For she came from the uttermost parts of the earth to hear the wisdom of Solomon and, behold, a greater than Solomon is here"

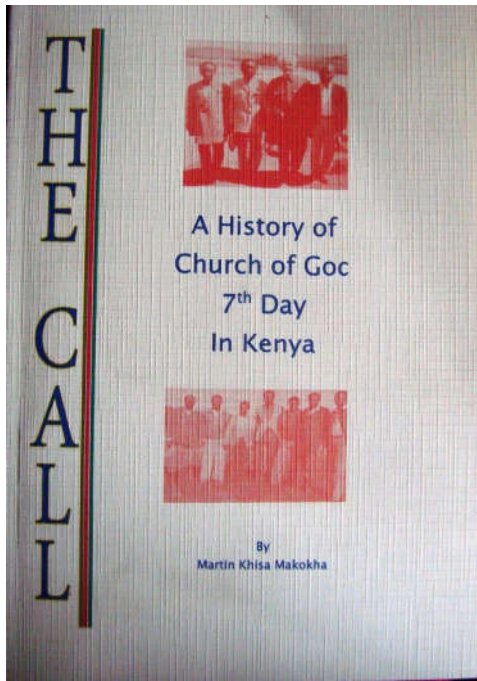

In every dispensation, there arose people who stood for the undefiled faith as attested in the chapter 11 of Hebrews. It is high time we brought ourselves to sobriety and stand for the undefiled faith by living righteously and conveying the same to the unbelievers. Romans 13:11 "And that, knowing the time, that now it is high time to awake out of sleep. For now, our salvation is nearer than we believed". The aforementioned was penned down in the 1st century, if the time was "nearer" then, how about in the 21st century? 1st Thessalonians 5:6 "Therefore let us not sleep, as do others: but let us watch and be sober for they that sleep, sleep in the night: and they that be drunken are drunken in the night".

It is the highest time we walked as children of the light. May Elohim give us what is needed to light our paths.

Shalom.

number of years. But my worry was how to tell Sunday Keepers that their mother was in Rev.17. A harlot who gives birth to many harlots (pagan churches). How would this be true if Daughter of Zion (Rev.12) has also (in real life situation) given birth to many daughters?

I have no doubt that Yahshua Messiah established His own church. I have no doubt that this church is somewhere in this world. I have no doubt that this church keeps the Ten Commandments and faith of Yahshua Messiah.

Now the question is, "where is this church in today's world?" Thus, the need to establish the genesis of all Sabbath keeping churches in Kenya.

In this effort, we have toured and fellowshiped with a number of indigenous (African based) Sabbath keeping churches/congregation.

In Nyanza, Central and Western Kenya, most of these indigenous Sabbath keeping churches rely mostly on the Old Testament. Most of them allow polygamous marriages, they have their specific prophets who reveal to them the past and future, their leaders adore priestly clothes according to their designs, they believe in the cross and carry it all over. You will hear some calling themselves Israel and try-

ing to equate Old Testament happenings to them.

These indigenous groups mostly arose from the opposition Africans had to the white men. They were pro-African struggle for independence and some even radicalized members against white men.

Seventh Day Adventist is a single major Sabbath keeping church that has stood the test of time despite minor divisions. S.D.A arrived in Kenya in 1901 and settled in Gendia (Kendu Bay). They have spread to other parts of the country but mostly rooted in Nyanza.

S.D.A though keeps the Sabbath, they've with time watered down some of the things that were dear to the founders (Ellen G. White and her husband James White). Save the Commandments and faith of Yahshua Messiah, they add the "spirit of prophecy" (Mrs. White's visions) to their tents of faith. You can't be an Adventist unless you believe in the visions of Mrs. White. Time and space may not allow to peel off these visions for most of them are against the Holy Scriptures.

Talk of Church of God 7th Day and you would be surprised to note that there are over 40 splits that sprout from this single group.

In Kenya, Church of God 7th Day found its way in 1958 when a tract "Israel Watchman" was picked by a casual labourer in St. Paul's Theological College (Limuru) prayer hall.

Trying to cover a history that began in 1958 wasn't a joke. That's why a friend on

hearing am planning to write a history of Church of God 7th Day, dismissed it. How will it happen with most of the key players either dead or too old to remember anything?

Indeed, it wasn't a walk in a park. Most of the first-generation elders having exited the scene. It wasn't going to be easy to get real facts from the second and third generation players.

Biases are a million plus one! Something straight forward like "How many ministers (elders) did Elder Shoemaker ordain (appoint)?" We received four different answers from four different factions. Some said fourteen, some sixteen, some seventeen and some nineteen!! Elder Dugger in his history book clearly says they were sixteen and indeed they were only sixteen.

Writing of something that happened four decades ago with no enough reference material? That is what we were up to in The Call.

The Jew factor is very important in the Church in Kenya. The word from Jerusalem (Isaiah 2:2-4, Micah 4:1-4). This meant that as historians we must develop some links with Jerusalem and the late Elder Dugger's family. Information from Jerusalem was a blow to what Kenyan Church had hold dear to them "The word from Jerusalem" At first I dangled with the idea of omitting the Jerusalem intel from The Call. But later realized that its better we give the truth and nothing but the truth despite the outcome.

The Call wasn't to criticize any member of the body of Messiah. Some players threatened unspecified actions against me, some even revoked the "never touch the anointed". I respect all elders of The Church of God 7th Day irrespective of the faction and would not at all write/speak against any. But the truth should come out and set us (Church of God 7th Day) free.

A letter to the LAODECEANS...

By **Ngaruiya Kiarie**

Shalom to all my beloved brethren. Accept my warm greetings in the Name Of YASHUAH, Grace and peace to you from Him who is, who was and who is to come, and from the seven spirits who are before His Throne and from YASHUAH MESSIAH, the faithful witness, the firstborn of the dead and ruler of Kings on earth, by whom we were freed from the power of darkness by His precious blood and made us humble servants of ELOHIM. To Him be the glory, honor and dominion for ever and ever AMEIN.

As a poor servant of Messiah, I join my brothers in the vineyard of our heavenly father to encourage the true remnants who hold the seven lamps of LAODECEAN church period.

1st Thessalonians 5:11.

I BELIEVE

As we entered the last period of the church history in 18th century, our faithful Father who holds this period through His beloved son according to Rev 1:12–20 gave us the seventh angel to help us lift the lamp up which was handed down from the Philadelphia period. The spirit of YASHUAH has truly struggled to fulfil this and we are glad and joyful to ELOHIM for his faithfulness. Although this is the poorest period of which the poor members don't know that they are poor, blind, naked, miserable and even wretched as per Rev 3. This "luke-warmness" proves that the power of fire (That of the spirit) has been maintained in a very low standard. Our nakedness is being seen by all through our actions and deeds (2nd Timothy 3:5).

A DEVINE LAMENT

Now we have come to the last part of Laodicea period. Our heavenly Father has reached the time of judgement Rev 3:16, because you are lukewarm and neither COLD nor HOT "I WILL SPEW YOU" out of my mouth. Dear brethren do you know

that the spirit of ELOHIM has already started spitting so many souls?? This truly is a divine lament.

BUT WHO?

In 1st John 2:15 we read, "do not love the world or the things of this world, if anyone loves the world, love for the Father is not in him. For all that is in the world the lust of the flesh, the lust of the eyes and the pride of this life is not of the Father but of this world". As the return of our savior YASHUAH has delayed for too long, our souls have already remembered what we left behind.

So many messianic believers have forgotten to be the bride of the lamb and are running after the innermost lusts of the world, yes! To please their eyes, flesh and liken their lives to those who are in the world (Isaiah 59:1–15) that's where the church is, spots and blemishes day by day, seen by all, now, are we truly the bride of MESSIAH? Due to all these evil actions, the spirit of ELOHIM has become angry, sorry to say so, and has turned to be our enemy (Isaiah 63:10). The lamps of many have gone out and our Father in heaven being totally

tired, has spat so many out of His mouth and they have been drawn back to the dark world (Isaiah 8:22).

WHERE ARE THE REMNANTS?

In Romans 11:5 we read, "even so at the present time, there is a remnant according to the election of grace". Through all ages and generations, even when the wickedness had gone to the highest order, there was Noah, Lot, Job, Daniel and many other faithful heroes who lived and died for Messiah, wherever you are, are you one?? If you are, raise up high your lamp, fill it with as much oil as possible, lay aside every burden and every sin that easily besets, and let us run a winning race that is set before us with patience. Make sure your robe is clean, fit to meet our bridegroom, who is on his way coming (Rev 19:7-9).

And finally, brethren, I love you all, he that is unjust let him be unjust, and he which is filthy let him be filthy still and he which is righteous let him be righteous still. The grace of our Master YASHUAH HA MASHYAH be with you all.

AMEIN.

Yours bro in Faith,

NGARUIYA KIARIE

The Third Angel's Message

(Continued from page 1)

By Bro Ezekiel G. Ngogoyo

mark on his forehead or on his hand, he himself shall also drink of the wine of the wrath of Elohim, which is poured out full strength into the cup of His indignation. He shall be tormented with fire and brimstone in the presence of the holy angels and in the presence of the Lamb. And the smoke of their torment ascends forever and ever; and they have no rest day or night, who worship the beast and his image, and whoever receives the mark of his name." Here is the patience of the saints; here are those who keep the commandments of Elohim and the faith of Yahshua (Revelation 14:9-12 NKJV).

The last two angels spoke of the glory of the heavenly kingdom and the throne of judgment with the message of everlasting gospels to the whole world and for the salvation, while the later angel message is proclaiming the fall of the earthly kingdoms to the hands of our Master Yahshua The

Messiah respectively. These later angel's messages have been dispensed all over the world.

The Third Angel's Message is the final message of warning to the world. It is filled with power and deep spiritual truths. It is the last message with hope of escaping the wrath of Elohim to those who shall hear and do. It is a message with a remedy to the people of the world. This strong message is appealing to everyone to come out of beast worship, being the remedy to the people. **Revelation 18:4**

The rest of the angels are coming with the tools to harvest the earth, those who shall not have headed to the third angel shall be cast in fire. As its significance came to be understood, the symbolism of the entire book of Revelation was unfolded.

Consider these elements of the Third Angel's Message:

1. The Message warns against the worship of the Beast or its image.

Accepting the authority of the counterfeit religious system instead of Elohim's authority is the same as worshiping the Beast system rather than Elohim. Accepting the first-day Sabbath (**Sunday**) means accepting of the authority of the Beast in the place of the authority of Elohim. As the Beast obtains his authority from the Dragon (**Revelation 13:2**), acknowledgment of that authority is worship of the Dragon, Satan himself. **Revelation 13:4 NKJV** explains:

So they worshiped the dragon who gave authority to the beast;

(Continue reading.....next page)

The warning messengers in their task.

Leaving their homes and walking long distances and travelling far to take the message is not unusual to these men of Elohim.

(Continue reading.....from previous page)

and they worshiped the beast, saying, "Who is like the beast? Who is able to make war with him?"

Read Revelation 13:18 to be sure of the truth about the beast, for it is a man. His number is 666.

To worship the counterfeit system, one must not only accept its authority but follow its principles. For example, end teaches that in Messiah all are free to do as they please. Babylon teaches that the law of Elohim was nailed on the cross. This false doctrine of the beast teaches that we are only under grace and we do not need Elohim's commandments any more. Another mark of false doctrine teaches that every meat is clean, this is contrary to the true doctrine of the clean and unclean animal in **Leviticus 11:1-8**

Her priests have violated My law and profaned My holy things; they have put no difference between the holy and unholy, nor have they made known the difference between the unclean and the clean; and they have hidden their eyes from My Sabbaths, so that I am profaned among them (Ezekiel 22:26).

Those that are in Yahshua Messiah, on the other hand, will align themselves with the principles of The Messiah (**Romans 12:1-2**). They will strive for holiness and stay away from things that separate them from Messiah (Messiah):

Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? And what communion has light with darkness? And what concord has Messiah with Belial?

...Wherefore, come out from among them, and be ye separate, saith Elohim and touch not the unclean thing; and I will receive you. And will be a Father unto you, and ye shall be My sons and daughters, saith the Elohim Almighty. Having therefore these promises, dearly beloved, let us cleanse ourselves from

all filthiness of the flesh and spirit, perfecting holiness in the fear of Elohim (2 Corinthians 6:14-15, 17-18; 7:1).

The whole lifestyle of believers in Yahshua must reflect this relationship. Babylon is in enmity with Elohim, and teaches a doctrine of compromise, but compromise with sin is impossible. Every person seeking the heavenly kingdom, all people of all religious orientation or background, genuine people seeking for eternal salvation **MUST** be triggered by this article to truly learn the truth about the beast so that they can escape from his (the beast) traps. Could you be worshiping the beast and following him without your knowledge. You should no longer live in your ignorance, as ignorance has no defense. This article is to awaken you to your sixth sense of instinct as to how to practically save your life from the wrath of Elohim.

During the time of ignorance, Elohim overlooked, but now that you are aware of these surprising facts, He (Elohim) commands you to repent. **Acts 3:17, Acts 17:30.**

2. It is a Message of separation from Babylon and its principles.

The Third Angel's Message puts our relationship with The Messiah in its right perspective. It is a message that brings about lifestyle changes necessary for those who want to stand in the presence of a holy Elohim.

Separating from the world does not mean retiring to solitary confinement. We are to labor in the world as Yahshua labored, but we are not to be trapped by the ways of the world. It will take courage for us to stand for truth, but we know that The Messiah has overcome the world. The world and other church leaders will hate me for this truth, but it is not unusual to be hated for the truth **John 15:19. 16:33** The Bible tells us the

consequences of following Babylon and conforming to the worldly systems.

The same shall drink of the wine of the wrath of Elohim, which is poured out without mixture into the cup of His indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels and in the presence of the Lamb (Revelation 14:10).

When Revelation says "poured out without mixture" it means not watered down. This wrath of Elohim will contain no mercy or grace:

Anyone who has rejected Moses' law dies without mercy on the testimony of two or three witnesses. Of how much worse punishment, do you suppose, will he be thought worthy who has trampled the Son of Elohim underfoot, counted the blood of the covenant by which he was sanctified a common thing, and insulted the Spirit of grace? For we know Him who said, "Vengeance is Mine, I will repay" says Elohim. And again, "Elohim will judge His people." It is a fearful thing to fall into the hands of the living Elohim (Hebrews 10:28-31 NKJV).

In ancient Israel, the enemies of Elohim were to be totally destroyed (Deuteronomy 7:2; 20:16-18). The false prophets that led Israel astray were to be executed without mercy (Deuteronomy 13:7-10). This typology is applicable also to the enemy of Elohim in the last days.

But to those who are self-seeking and do not obey the truth, but obey unrighteousness—indignation and wrath, tribulation and anguish, on every soul of man who does evil, of the Jew first and also of the Greek; but glory, honor, and peace to everyone who works what is good, to the Jew first and also to the Greek. For there is no partiality with Elohim (Romans 2:8-11 NKJV).

We can see the Third Angel's Message coming to fruition today. Spiritualism is making inroads into the Messianic Church, the Papacy is making stealthy but rapid progress towards global control, and the observances of the Catholic Church are being enforced by civil authority. It is crucial that Elohim's people cling to the truth and do not become overtaken by these happenings. The new world order is a sign of the fulfillments of the final episodes of the beast exercising its power.

**

Little Horn

3. Elohim's people need not fear the judgment in this Message

We cannot receive a more emphatic warning than the one we find in the Third Angel's Message. Elohim wants everyone to know the result of following the Deceiver's rationale. Elohim wants everyone to choose Him and His grace.

Some Messianites do not want to face the coming reality of the prophecy of **Revelation Chapter 13**.

"And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy, . . . and all the world wondered after the beast . . . as many as would not worship the image of the beast should be killed. And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name."

"Question: Vicarius Filii Dei? What does this mean? Is it a phrase referring to the pope or priest? I have heard that it is inscribed on the pope's hat, or something. Just curious to know what is it."

Answer: (From father Reginald Martin) ... "Vicarius Filii Dei means Vicar [or representative] of the Son of Elohim, a term scholars believe first appears in a document known as the Donation of Constantine, dated to the eight or ninth century. This is an apt description of the Pope, who is frequently referred to as the Vicar of Messiah, and, at present, probably only the most bitterly anti-Catholic individuals would take offense at the title." (Our Sunday Visitor, The Catholic Answer, 24th Nov. 2011 - <http://www.osv.com/TCANav/TCAQuestionoftheDay/Nov21252011/tabid/8480/Default.aspx>)

Now if you convert the name "Vicarius Filii Dei" into Roman numerals, and add them up, you will come to 666. This is the number of the beast and more specifically, the number of A MAN!

All people of the world, Messianites, Muslims, Hindu, Buddhists, Atheists or even pagans, they are all affected by these world kingdoms and therefore all need to have an insight about these 'beast' Daniel 2.

Revelation 13:1-3,15-17. This is a frightening prophecy indeed. It predicts that a coalition of religious and political powers

will align under the leadership of the Anti-Christ beast to cast the world into a boiling Caldron of affliction. There will be a great time of trouble unlike the earth has ever seen before (Daniel 12:1).

The Scripture injunction we should heed most is that which warns us against worshipping the beast. Consider these sobering facts. All who worship the beast will forfeit the precious experience of eternal life with Yahshua in a glorious new world (Revelation 13:8). They will be inflicted with the extremely painful and fearsome seven last plagues (Revelation 16:2). And finally, they will suffer utter destruction in the fires of hell (Revelation 14:9-11). Without question, we do not want to be found worshipping the beast in

Taking a break after a successful outreach mission in Kisii 2016. These men are out to convey the message of salvation to all people of the world.

the days to come.

Although helpful, mere knowledge of the beast's identity will not guarantee escape. Judas knew Yahshua as the Messiah, yet he betrayed Him. Similarly, many of those who understand last-day prophecies will ultimately find themselves on the side of the beast. Knowledge definitely isn't enough.

If people repent baptize them by immersion in the name of Yahshua.

All inhabitants of earth will be divided into one of two camps before the end those who worship the beast and those who worship the Creator. Creature worship versus Creator worship will be the issue to divide the world. Everyone will have to make a choice regarding whom they will worship. How will the whole earth be brought to make this choice between the creature and the Creator? The Bible predicts a time when the beast will gain immense political influence. From this position of authority, he will force people to worship him. Those who refuse will be economically boycotted and eventually sentenced to death.

“And he had power to . . . Cause that as many as would not worship the image of the beast should be killed. And he causeth all . . . to receive a mark . . . that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name” (**Revelation 13:15-17**).

“And I saw another angel fly in the midst of heaven,

having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people, saying with a loud voice, Fear Elohim, and give glory to him; for the hour of his judgment is come: and worship him that made heaven, and earth, and the sea, and the fountains of waters. . . . And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, The same shall drink of the wine of the wrath of Elohim” (**Revelation 14:6-10**).

The way to follow is a personal informed, conscious and deliberate choice. To the reader of this article, it is in your own interest to know the true commandments of Elohim, those found in the bible and not perpetrated by man. They will let you walk in the righteousness of the Almighty **Luke 1:6**. Let us not follow fables and laws of men **Titus 1:13-14, 1 Timothy 6:5**

The Ten Commandments:

EXODUS 20: 1-17.

[Note: YHWH is transliterated from the Hebrew יהוה, which is the NAME of our heavenly Father, the Elohim of Abraham, Isaac and Jacob.]

And Elohim spoke all these words:

²“I am YHWH your Elohim, who brought you out of Egypt, out of the land of slavery.

³“You shall have no other gods before me.

⁴“You shall not make for yourself an image in the form of anything in heaven above or on the earth beneath or in the waters below. ⁵You shall not bow down to them or worship them; for I, YHWH your Elohim, am a jealous Elohim, punishing the children for

the sin of the parents to the third and fourth generation of those who hate me, ⁶ but showing love to a thousand generations of those who love me and keep my commandments.

⁷“You shall not misuse the name of YHWH your Elohim, for YHWH will not hold anyone guiltless who misuses his name.

⁸“Remember the Sabbath day by keeping it holy. ⁹Six days you shall labor and do all your work, ¹⁰but the seventh day is a Sabbath to YHWH your Elohim. On it you shall not do any work, neither you, nor your son or daughter, nor your male or female servant, nor your animals, nor any foreigner residing in your towns. ¹¹For in six days YHWH made the heavens and the earth, the sea, and all that is in them, but he rested on the seventh day. Therefore YHWH blessed the Sabbath day and made it holy.

¹²“Honor your father and your mother, so that you may live long in the land YHWH your Elohim is giving you.

¹³“You shall not murder.

¹⁴“You shall not commit adultery.

¹⁵“You shall not steal.

¹⁶“You shall not give false testimony against your neighbor.

¹⁷“You shall not covet your neighbor’s house. You shall not covet your neighbor’s wife, or his male or female servant, his ox or donkey, or anything that belongs to your neighbor.”

A Catechical version of the altered Ten Commandments is not the true replica in the bible. The table below speaks these adulterations openly.

strange gods before me.

You shall not take the name of the LORD your God in vain.

Remember to keep holy the LORD'S Day Honor your father and your mother.

You shall not kill.

You shall not commit adultery.

You shall not steal.

You shall not bear false witness against your neighbor.

You shall not covet your neighbor's wife.

You shall not covet your neighbor's goods.

You need to observe keenly that, the catechical version has perniciously omitted what he referred to as *the second commandment*— “You shall not make for yourself a graven image, or any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth” (Exodus 20:4)—in order to keep the Catholic faithful in darkness as to the truth that they should not have statues in their churches.

The Catholic Church believe they have the right to change Elohim's law, but it is ludicrous to think that mortal man can change the laws of the Creator of this universe. These are laws which Elohim personally wrote in stone a copy of His original set of the Ten Commandments that remain unchanged in the heavenly sanctuary which John saw in Revelation.

Which law/command was changed completely?

It is the 4th commandment of Sabbath. This was changed from Saturday to Sunday. But the true Sabbath remains Saturday. Howev-

This table compares and contrasts the true Ten Commandments and the adulterated version:

Bible Ten commandments		Adulterated ten commandments	
1st	I am YHWH thy Elohim, which have brought thee out of the land of Egypt, out of the house of bondage. Thou shalt have no other gods before me.	1st	I am the LORD thy God. Thou shalt have no strange gods before Me.
2nd	Exodus 20:4-6 You shall not make for yourself an idol in the form of anything in heaven above or on the earth beneath or in the waters below. You shall not bow down to them or worship them; for I, your Elohim, am a jealous Elohim, punishing the children for the sin of the fathers to the third and fourth generation of those who hate me, but showing love to a thousand generations of those who love me and keep my Commandments.		Deleted. (There is idolatry in the Papal system so the second Commandment has been deleted or sometimes it has been absorbed into the first. All remaining Commandments are therefore shifted along one count.)
3rd	Thou shalt not take the name of YHWH thy Elohim in vain; for YHWH will not hold him guiltless that taketh his name in vain.	2nd	Thou shalt not take the name of the LORD thy God in vain.
4th	Remember the sabbath day, to keep it holy. Six days shalt thou labour, and do all thy work: But the seventh day is the sabbath of YHWH your Elohim: in it you shall not do any work, you, nor your son, nor your daughter, your manservant, nor your maidservant, nor your cattle, nor your stranger that is within your gates: For in six days YHWH made heaven and earth, the sea, and all that in them is, and rested the seventh day: wherefore YHWH blessed the sabbath day, and hallowed it.	3rd	Remember to keep holy the LORD'S day. (The Sabbath is the fourth Commandment by normal count. The day to be kept is no longer mentioned since they changed the Sabbath to Sunday.) (Note that Elohim had more to say about the fourth Commandment than all others and with good reason. It is very important.)
5th	Honour thy father and thy mother: that thy days may be long upon the land which YHWH thy Elohim giveth thee.	4th	Honour thy father and thy mother.
6th	Thou shalt not kill.	5th	Thou shalt not kill.
7th	Thou shalt not commit adultery.	6th	Thou shalt not commit adultery.
8th	Thou shalt not steal.	7th	Thou shalt not steal.
9th	Thou shalt not bear false witness against thy neighbour.	8th	Thou shalt not bear false witness against thy neighbour.
10th	Thou shalt not covet thy neighbour's house, thou shalt not covet thy neighbour's wife, nor his manservant, nor his maidservant, nor his ox, nor his ass, nor any thing that is thy neighbour's.	9th	Thou shalt not covet thy neighbour's wife. (The Tenth Commandment is split into two to get back to Ten Commandments.)
		10th	Thou shalt not covet thy neighbour's goods.

er, there is no any biblical reference authorizing the change of Elohim's Commandments. Read an article on www.Sabbath_bible_prophecy.com. See also these questions and answers.

"Question - Which is the Sabbath day?
"Answer - Saturday is the Sabbath day."
"Question - Why do we observe Sunday instead of Saturday?

"Answer - We observe Sunday instead of Saturday because the Catholic Church, in the Council of Laodicea (A.D. 364), transferred the solemnity from Saturday to Sunday." — Peter Geiermann, C.S.S.R., *The Convert's Catechism of Catholic Doctrine*, p. 50, 3rd edition, 1957.

Whose Day of Worship is Sunday?

"It is well to remind the Presbyterians, Baptists, Methodists, and all other Christians, that the Bible does not support them anywhere in their observance of Sunday. Sunday is an institution of the Roman Catholic Church, and those who observe the day observe a commandment of the Catholic Church." — Priest Brady, in an address reported in *The News, Elizabeth, New Jersey*, March 18, 1903

"They [the Protestants] deem it their duty to keep the Sunday holy. Why? Because the Catholic Church tells them to do so. They have no other reason. The observance of Sunday thus comes to be an ecclesiastical law entirely distinct from the divine law of Sabbath observance. The author of the Sunday law is the Catholic Church." — *Ecclesiastical Review*, February 1914.

Who Do We Reverence by Keeping Sunday Holy?

"It was the Catholic church which has transferred this rest to Sunday in remembrance of the resurrection of our Master. Therefore the observance of Sunday by the Protestants is an homage they pay, in spite of themselves, to the authority of the (Catholic) church." — *Monsignor Louis Segur, Plain Talk About the Protestantism of To-*

day, p. 213.

"I have repeatedly offered \$1,000 to anyone who can prove to me from the Bible alone that I am bound to keep Sunday holy. There is no such law in the Bible. It is a law of the holy Catholic Church alone. The Bible says, 'Remember the Sabbath day to keep it holy.' The Catholic Church says: 'No. By my divine power I abolish the Sabbath day and command you to keep holy the first day of the week.' And lo! The entire civilized world bows down in a reverent obedience to the command of the holy Catholic Church." — *father T. Enright, C.S.S.R. of the Redemptorial College, Kansas City, in a lecture at Hartford, Kansas, February 18, 1884, printed in History of the Sabbath*, p. 802.

My plea to the readers of this article is to hold on the truth. Flee from the false doctrines that have changed and have indeed altered the biblical truth. There have been many genuine, well-meaning Christians who have read this page and have either disagreed and or been offended with the truths presented here. Again, I apologize for those who have been offended as no offence was ever intended in any way in this article. It is in the interest of the innocent and genuine believers who are really seeking the truth which their selfish clergies cannot reveal to them. These truths were as big a shock to me as well when I first discovered it. I also became deeply grieved because many loved ones are languishing for in deceit and darkness, being blinded by the gods of this world. It is only my desire to share Biblical truth and get as many people into the kingdom of Yahshua as possible. As would The Messiah, I desire that not one should perish as I also love all people from all denominations and walks of life to know and indeed come into the everlasting joy and light. Do not condemn me for putting open this naked truth, and if you must condemn me you first need to consider that these are quota-

tions from your own priest, clergies and bishops that you respect in your Church, and who stands in front of you at the pulpit on Sundays. When you have a conscious mind, be prayerfully that Elohim shall guide you to the whole truth in the Bible. I pray that you shall hear the message in this article. 1 John 4:6. You will be an enemy to many who do not want to hear this truth Galatians 4:16. The spirit of Elohim tell you the truth, if the people of Elohim have His spirit they will hearken to this message John 16:13

“Even if the Pope were Satan incarnate, we ought not to rise up our heads against him, but calmly lie down to rest on his bosom. He who rebels against our Father is condemned to death, for that which we do to him we do to Christians: we honor Christ if we honor the Pope; we dishonor Christ if we dishonor the Pope. I know very well that many defend themselves by boasting: “They are so corrupt, and work all manner of evil!” But God has commanded that, even if the priests, the pastors, and Christs-on-earth were incarnate devils, we be obedient and subject to them, not for their sakes, but for the sake of God, and out of obedience to Him.” — *St. Catherine of Siena, SCS, p. 201-202, p. 222, (quoted in Apostolic Digest, by Michael Malone, Book 5: “The Book of Obedience”, Chapter 1: “There is No Salvation without Personal Submission to the Pope”).*

Please don't be angry or condemn me for these unbiblical quotes above, as they were NOT written by me but by the renowned Christian Churches. Kindly carry out your research from the catholic libraries, their journals and their historical records and speeches from their famous bishops and give credit to this article for shading some light on what you have been clinging on without knowledge.

To whom is this last message?

The third angel's message is to all mankind. It is still valid to the people who are already in the true Church but still holds on religious dogmas that are not biblically binding. Dogmas that are a set up of personal constitutions and beliefs so that to bind your small factions to ourselves. These are coercive rules, regulations and protocols that are not documented in the bible. Flee out of her my people. **Revelation 18:4.** Take positively this outcry from this article to flee from the wrath of the Almighty **Luke 3:7,** true the article finally has warned you to indeed flee

from HIS wrath.

It is sad to hear of promiscuity, adultery, hypocrites, hatred, theft and all forms of mischief and unrighteousness in the Church (The Church of Elohim) while we are busy telling people to come out of Babylon, yet we are in the deepest bosom of these vices. But Lo, come out of all these my people, come also out of Sunday worship, come out of paganism, come out of gayism, come out of sorcery. I strongly appeal to fellow Messianic, come out of fanaticism, side-shows and let us serve our master and accomplish the heavy task of working in His vineyard, pulling many out of the sinful world, **Jude 1:23.** I would be happy if this article can pull some people from the coming fire, the angels in heaven would be much happier as they convene a meeting of ceremony and joy for even one soul that repents, **Luke 15:10**

This message impacts and affects each mankind. It is sad to be in a burning fire while condemning and telling people to repent and come out of the idol worship. It is devastating to learn that many Church members from various factions are also losing the battle to Satan's deceptive devices, being indulged to the worldly pleasures, being worshippers of idols, of men, getting deeply entangled in the worldly affairs and being worse than the unbelievers.

I am afraid that when I come again my Elohim will humble me before you, and I will be grieved over many who have sinned earlier and have not repented of the impurity, sexual sin and debauchery in which they have indulged. **2 Corinthians 12:21.**

Even more sins linger in our Churches just as it were in Corinth, yet we are not sad about it. It is actually reported that there is sexual immorality among you, and of a kind that is not tolerated even among pagans, for a man has his father's wife. ²And you are arrogant! Ought you not rather to mourn? Let him who has done this be removed from among you. **1 Corinthians 5:1.** However sins of hatred and malice are much more grievous and deeply rooted even in the Church, more than immorality. No sin is preferable than another or weightier than another, harsh punishment prevails if we do not repent **James 2:11.**

(Continued from the previous page)

This true revelation that the third angels message is speaking even to the people already in the Church purporting to be of the kingdom. It reflects the highest defiling of the Ten Commandments, indeed all the commandments because if one defiles one, he has defiled all the rest. **James 2:21.**

There are apparently so many people who have run into free masonry, witchcraft, sorcery, astrology and gaming of all sort to make money and to get rich. It is apparent that many more people could have fallen prey to these activities. The people in Church may not be an exception or exempted, as many struggle to make ends meet; they fall into the traps of Satan. False prophets have risen to deceive even the righteous **Mathew 24:24**

We need not live a permissive lifestyle like many people who have no hope of eternal life. They have no any other life to live; they feel they would lose a lot if they lack everything they need to have today. Let us flee from worldly pleasures. Let the Church of Elohim be a perfect model to our youth, mentoring them towards the fear of the Almighty, let our Churches be a perfect emulator of the way of our Master. It becomes easier to preach to the people of the world with a positive reference to our church, our people and indeed our leaders. We cannot afford any longer to preach water but take wine. Come out of all this my people.

This article is in pursuit of strengthening the message of the third angel in warning people of the coming destruction and wrath of Elohim. To inform the people of the world that the modern religious master plan of worldwide church council and the new world order is an ongoing fulfillment of the final plans of the world in **refreshing the Sunday law.**

This article is in pursuit of strengthening our outreach mission preachers in pursuing the same message to enable the people who hearken to this plea to come out of the wailing Babylon and the world economic, social political and religious order. To accept fervently like the Ethiopian eunuch, the true repentance and baptism **Acts 8:36.**

This article is to enlighten the faithful, who are indeed seeking for the eternal kingdom of Yahshua in an honest way but are blinded by their clergies and they have been running short of this truth as they remain royal to their churches and blindly would have otherwise fallen into the pit of fire to come. They now have a chance to save their lives during the big harvest of our Master Yahshua.

This article is to refer you to the true and legitimate commandments of Elohim found in **Exodus 20.** To enable you flee from the counterfeit laws scribed by man to form a basis of pride and to boast of their power and supremacy. This will help you get out of those unspiritual binding creeds and rules that are meant for personal edification but not in honor of Elohim.

This article has a conscious appeal to all people of the world to now flee from their unprofitable and false religious beliefs, run away from the faults in their religious set ups and come to the True religion and the word of truth from the Bible, and the Bible alone.

This article is yet meant to warn and indeed make the earnest call as it attempts to bring back sanity in the house of Elohim, where sins

and acts of unrighteousness have abound. To ask all people affected to flee away from all these vices. It is an eye opener to you and all those who shall read it.

TO YOU ALL, THE MESSAGE IS WRITEN, 'FLEE' OUT OF THESE MY PEOPLE.

This article is timely and is part of the third angel's message in dispensing the outcry to the people who are indeed pursuing the genuine eternal life, who have no any other selfish agenda in pursuing the work of our Master. Stop a while and think about this truth, carry out personal research, confirm this truth and make an unfamiliar step in pursuing the

truth in the bible. https://worldtocome.org/the_truth_about_Christmas_and_other_popular_holidays.

True steps and action were taken by those who listen to the truth in the bible. True and unfamiliar actions of repentance were taken by tax collectors. Genuine concerns were manifested by the people whose entire family was baptized after learning and knowing the truth, some abandoned their comfort zones for the sake of the truth. Some took courageous steps and choose to die rather than offend the truth. Some sold their properties to pursue eternal life. Other famous scholars swallowed their pride and humbled themselves for the sake of the heavenly kingdom. Saul, later Paul was a learned person but swallowed his academics and his high position and followed the true gospel. Some famous people were converted after reading such an article as you are reading today. Some people were pastors and advocates to the false worship but today they are great ambassadors of the truth after abandoning their former errands. These I consider them as true kingdom seekers. Some courageous men who were formerly full minister in their churches after learning this bitter truth left their hefty salaries and allowances to serve the true Master. It is indeed costly even for you to abandon your comfort zone if you do not have a true calling from Elohim. The persistent call by our Master and Master Yahshua to come out of the beast characterized by all the elements outlined above (elements of false worship and doctrine)

This article unfortunately will be a witness that you had a significant amount of truth that could save you from Elohim's wrath. If only you take the first step to abandon the false religious dogmas that will lead you to hell. **Come out of her, my people**". You are loved by Elohim (Elohim), if you have the opportunity to read and gather this same truth. This article is now a testimony that the truth has been revealed to you. For the first time that you have found a document that tells you what you do, and what the consequences are for your actions. What even a genuine friend may not be courageous to tell you. This article is true friend of yours; a true friend is one who tells you what you would not want to hear. If you are a thief, you would not like anyone to tell you so, BUT a true friend will be courageous to warn you from stealing, he would even whisper to you as a friend. This article has whispered to you and

sometimes given you a positive and loving shout pleading; 'come out of her my people'. This article is truly a friend to you; it might be telling you what you would not want to hear.

You might have been in your Church, blindly following your Church's Creed, but did not know your destiny, flee from that Creed if it falls short of the truth.

You might have been in your faction, doing unrighteous things, in the dark, this article pleads to you to flee from those things. This is not the time to lure others to your faction, they are already on track, BUT the good job is to bring those who are languishing in sins and those that are being wasted by their blind religious leaders into the everlasting hope and kingdom.

This article has now set you free to ask your clergy a question in regard to these truths, am certainly sure you may not get a very warm reception with your many questions as many church clergies know some truth about this subject. But you have all permission to inquire more from the author of this article. This article however is **not intended to challenge your pastors, bishops and deacons in your church, but to give you a personalized package of the truth for your benefit, and the benefit of those you will give this article**. I recommend that you share with people you love, and those you have a concern about the final destiny after this old world is no more.

It is in the spirit of love for all mankind that I write this article, to enable each true seeker of the heavenly kingdom, whether already amongst the various Messianic factions or still in Sunday worship, Muslim, Buddhists, atheists and any other religious orientation, to have access to the bible truth and receive the true

ministration of the Holy spirit in leading us all to our Father (Elohim) and the truth about the final destiny of this world at the end of the reign of this last kingdom of Rome(The fourth beast) Daniel 7:7, Revelation 13:18.

I give credit where it deserves to the brethren who are doing great work in evangelizing the world, moving from one part of the world to another, leaving behind their families, using their money and sacrificing their time at the expense of other activities, getting time to write articles and positively engaging other brethren in carrying out a perfect mission to accomplish the third angel's message. I appreciate the initiator of this magazine Peter G Kingori, in providing a good avenue where people like me and the rest can lead their hand in doing this tedious and laborious work of writing, credit to Martin Makokha, Solomon Macharia, Lawrence Mugambi, our loving brother Njogu Mureithi who does the final alignments and edits and ensures everything effort is well show cased in the magazine. May our Almighty strengthen you as this is a big sacrifice given the kind of world we are living and the busy schedules, tiresome days and world full of many obstacles. May our heavenly Father continue to be gracious unto you that you shall not lack all you need in HIS work. I pray that we may have people who shall consume this well prepared and cooked meal. It would be useless for brethrens to use their quality time in this write-up but no consumer of this saving message, though the greatest task is to cast the seeds in the gardens for our Master. We are casting the same different ways.

Kindly also pass this article and the magazine to many other who you think are genuine seekers of the kingdom. Distribute this magazine or any part of the literature freely to others by softcopy or print and have a hard copy of the same. May our heavenly Father fill you with his Holy Spirit to bring you to the whole truth. Reference to difficult Jewish names can be found in <http://www.hebrew4christians.com/Names of G-d>.

The Poor, our Duty towards them

By Lawrence Mugambi.

Shalom,

Praise be to Elohim for His care and providence. I therefore take this opportunity

to write about the poor in the society.

Well, as Yahshua told the disciples, "For you have the poor always with you"; Matthew 26:11, we will always have the poor among us. It is a great challenge whether we remember them and do them good as Yahshua instructed us, "...and whenever you will you may do them good," Mark 14:7.

It is always disheartening when a brother or a sister who is poor and none is ready to give him or her any kind of help. One would feel like that there is no love simply because none would care and one would eventually feel like there is no hope... Soon or later, one would feel like there is no true belief and will be bitter towards everything and everyone.

No one chose to be poor or rich, "But thou shalt remember the Master thy Elohim: for it is he that giveth thee power to get wealth...." Deuteronomy 8:18. Therefore, we should not let the poor alone and when we are able we should give them support.

The apostles despite being poor themselves they couldn't let the poor unattended. That is why they had to choose seven deacons to take care of the widows; "And in those days, when the number of the disciples was multiplied, there arose a murmuring of the Grecians against the Hebrews, because their widows were neglected in the daily ministration. Then the twelve called the multitude of the disciples unto them, and said, it is not reason that we should leave the word of Elohim, and serve tables. Wherefore, brethren, look ye out among you seven men of honest report, full of the Holy Spirit and wisdom, whom we may appoint over this business." Acts 6:1-3. Is this not what we should think about the poor among us as a church?

I feel that non-believers do quite a lot for the poor of which it is quite a big challenge to us. I think that we should be in forefront to show much kindness to the poor. When the early church took care of the poor, there was an increase in the number of believers, "...and the number of the disciples multiplied in Jerusalem greatly..." Acts 6:7.

It is evident that there were poor believers in Jerusalem and

gentiles who were believers offered their help; "Now concerning the collection for the saints, as I have given order to the churches of Galatia, even so do ye. Upon the first day of the week let every one of you lay by him in store, as Elohim hath prospered him, that there be no gatherings when I come. And when I come, whomsoever ye shall approve by your letters, them will I send to bring your liberality unto Jerusalem." 1 Corinthians 16:1-3.

Elohim has promised us that if we remember the poor He will also remember us in the time of the trouble.

"Blessed is he that considereth the poor: the Master will deliver him in time of trouble. The Master will preserve him, and keep him alive; and he shall be blessed upon the earth: and thou wilt not deliver him unto the will of his enemies. The Master will strengthen him upon the bed of languishing: thou wilt make all his bed in his sickness," Psalm 41:1-3. Helping the poor is like lending

to Elohim. For sure Elohim cannot forget the kind deed; **"He that hath pity upon the poor lendeth unto the Master; and that which he hath given will He pay him again,"** Proverbs 19:17.

One may be good in keeping the commandments but that's not just enough. "Good Master, what good thing shall I do, that I may have eternal life? And he said unto him, Why callest thou me good? There is none good but one, that is, Elohim: but if thou wilt enter into life, keep the commandments...The young man saith unto him, all these things have I kept from my youth up: what lack I yet? Yahshua said unto him, **if thou wilt be perfect, go and sell that thou hast, and give to the poor, and thou shalt have treasure in heaven: and come and follow me. But when the young man heard that saying, he went away sorrowful: for he had great possessions."** Matthew 19:16-22. James 1:27, **"Pure religion and undefiled before Elohim and the Father is this, to visit the fatherless and widows in their affliction, and to keep himself unspotted from the world."**

Elohim will never hear those who turn deaf ear to the poor. Just imagine how many times you have turned down someone who really needed help? **"Whoso stoppeth his ears at the cry of the poor, he also shall cry himself, but shall not be heard,"** Proverbs 21:13. This kind of fast is what Elohim would consider, **"Is not this the fast that I have chosen? . . . Is it not to deal thy bread to the hungry, and that thou bring the poor that are cast out to thy house? when thou seest the naked, that thou cover him; and that thou hide not thyself from thine own flesh?"** Isaiah 58:6, 7.

Let's note that when we offer assistance to the poor or

the needy, we are doing it to Yahshua. **"For I was an hungered, and ye gave Me meat: I was thirsty, and ye gave Me drink: I was a stranger, and ye took Me in: naked, and ye clothed Me: I was sick, and ye visited Me: I was in prison, and ye came unto me,And the King shall answer and say unto them, Verily I say unto you, **Inasmuch as ye have done it unto one of the least of these My brethren, ye have done it unto Me,Then shall He answer them, saying, Verily I say unto you, **Inasmuch as ye did it not to one of the least of these, ye did it not to Me,**"** Matthew 25:35-45.**

Let's be like the apostle Paul who was ever ready to help the poor. Remember he was just a tent maker. The small he earned from his work he didn't find it difficult to share with the poor. **"And when James, Cephas, and John, who seemed to be pillars, perceived the grace that was given unto me, they gave to me and Barnabas the right hands of fellowship; that we should go unto the heathen, and they unto the circumcision. **Only they would that we should remember the poor; the same which I also was forward to do."**** Galatians 2:9-10

We should also be mindful of the fact that there are also the poor in spirit. We also should be ready to give meat in due season. Let's continue to preach the gospel and always try to show act of kindness to the needful saints and also those who are non-believers. **"As we have therefore opportunity, let us do good unto all men, especially unto them who are of the household of faith."** Galatians 6:10

motorbikes to near his home, after which, again we walked since there was no motorbike's road due to the hilly nature of the place. Our host resides in interior of Nyakach. On arrival, we could clearly see Lake Victoria (the 2nd largest fresh water lake in the world and the largest in Africa continent) just some kilometers from our host's home. Due to the area's rocky nature there are a lot of snakes. Actually, before we left, I had personally encountered one, along a path we used to access the center for the open-air meeting.

The setting was of a village. This means that anything going on especially with loudspeakers would be easily noticed by the villagers, who would want to know what could be happening. We used two strategies to convey the message since the center was far from our host's home. First, we decided to engage his neighbors who on hearing that we were around, came to welcome us. Secondly, we used to walk to the center for the open-air meeting. Since we were almost twenty in number, it was easy for us to carry the instruments to the center, to and fro, for the same instruments were useful for that home engagement. It was a long distance but no one complained since all of us were aware of the mission and expected reward on the day of Yahshua Messiah and not from a human.

On arriving at the center, we had a good welcome from the locals and in fact boda-boda riders allowed us to use their parking area as our open-air field. As the message was being conveyed, they sent some to engage us and urge us to have the message interpreted to their local language. Our host became the interpreter and the message was conveyed. After the first day's engagement, we asked them to join us for the subsequent days until our departure. Normally, when we visit an area for the 3rd Angel message, we usually have many messengers on board, each engaging a topic to the fullest. For example, if we are teaching the commandments, we expound from the first commandment to the tenth commandment. As for prophecy, we reinforce with the Bible chart. When there arise many topics to be engaged on, we try to make sure we prioritize by the need of the area.

On Sabbath, we got visitors from the neighbor-

ing homes from different churches in the locality. We took the opportunity to feed both the believers and nonbelievers. As it is said "Killing two birds with one stone". It was a single platform and being on Sabbath the believers needed to be nourished and at the same time the nonbelievers to be taught about our faith. Elohim equipped each person who was allotted a lesson/teaching. We had our lunch at 15:00 hours. It is during the lunch break that nonbelievers asked questions and we realized that some had never heard this message.

It is painful to see people thirstily for the message but can't be quenched due to lack of messengers. No wonder the Scripture states that "the harvest is plenty but workers are few". In our country, we have a lot of Messianic believers in comparison with other neighbouring countries. Unfortunately, in our country, we have been unable to reach all the corners, not because we don't have the machinery and expertise but we just have our priorities wrong and concentrated on the minor issues rather than pursuing our reasons of being in Faith.

In John 15:1..., we find that anyone who is unfruitful will be cut off. This calls for an individual examination to oneself and make positive decision on his/her spiritual life. It's not that we have much time or resources than the others but we sacrifice since nothing comes easily, you have to guide your inheritance with all energy. In fact, if all Messianic believers were busy in Elohim's vineyard, we wouldn't be having the sideshows and supremacy battles, since all energies would be directed to the vineyard for positive work. May Elohim help us to understand his will because in Mathew 7:21, it is only those who do his will that will be allowed into the coming kingdom.

We left having done our part and all glory and honor be Elohim's for the success of the Nyakach mission. When leaving we visited Lake Victoria and even went inside the Lake. Most of us had never been to the lake Victoria prior to the Nyakach mission. It was an opportunity of its kind and we spent a few minutes to see the beauty of Elohim's creation. Messiah as a package continues...

what is love?

By Blessed Priest

What is Love? Is it a feeling, desire, action, character or just a word? Is it evident or must one express it by words?

Well our understanding of Love has totally been corrupted by the way we found things been done by those who came before us and the media of today. No wonder when we read 1 Corinthians 13 we can't relate to it as its sound totally different from what we ideally know.

The truth is, Love is but different from what we know and think it to be. It is in a broad perspective and definition what 1 Corinthians 13 explains.

Let's expound;

1. By Definition Love is said to be an intense feeling of deep affection. Whereas this may be true not to mention that there are various types of Love, Eros, Agape, Philia, Ludus, Pragma, Storge or Philautia, Love has indeed been misconstrued.

2. Most of us mistake Love for romance, selfishness, lust or infatuation. Our Love, even the brotherly love, is usually not real but conditional and dependent of what we will get from those we do love, and if it's not reciprocated we become bitter, mad or even hate.

This has even affected most men's relationship with Elohim as we come with a selfish thought of doing his commands for our own gain thus claiming for our blessings and when this delays to happen, we get mad and walk away or give up; Our real love to Elohim should be intended to glorify Him and establish a strong bond/relationship with Him (A good master good servant bond). This is what Abraham, Samuel, David, Daniel, Our Messiah and dear Apostles fully deed and understood.

3. If you sincerely Love someone, you will be honest with them, uplift their spirit, respect them and deeply care for them. You will aim at understanding them

and support them. At times, you will make sacrifices, willingly for them and be happy with self. This is what Elohim and Yahshua did for all mankind. This is what good parents and siblings do for their fellow family members; this is what true brotherhood is all about.

4. You cannot love if you don't love yourself. Unfortunately, most of us don't love ourselves but we are simply Selfish; we want it all for ourselves. We claim to love but ideally it is what the other party has that we love; fame, recognition, their appreciation, money, wisdom, beauty, family name, status, spiritual gifts etc... This is selfishness and it is what makes us angry when our "love" isn't reciprocated, envious when we see others been recognized, having good relationships, jobs, spiritual gifts, blessings and we bad mouth them. We feel good when we gossip and talk about peoples' weakness as it makes us feel more superior. This friend is selfishness and is how most of us are.

5. Self-Love starts with self-assessment; Knowing who you are, your purpose of life, maintaining the good in you and getting rid of the evil in you. It's about self-improvement and working towards reducing your weakness.

i. By my definition, Evil is all and everything that man has or does that is;

- a. Against original course of nature or creation.
- b. Hurts or damages fellow creation.
- c. Reduces the value of self or other creation.

6. Once you separate selfishness from self-love, your eyes will surely open and you will stop living and doing or "loving" the way you found people living or loving....

The Ahaa moment kicks in and you realize Loving;

- a. someone is meant to improve them more than what you will gain from them.
- b. is about deeply caring about someone.

c. is not based on what they have that attracts you ... but also considers how happy you will make them. You will think of how accommodative you can be to them.

d. That any sacrifice is a self-choice and cannot be claimed in future. We must also appreciate any sacrifice done for us and reciprocate with fruits of a loving heart the make the sacrifice count to S/He initially loved us. Be it Elohim or Man. John 15:15—16.

e. When you love, or get loved, you aim at being in sync...whether its friendship love, Adonai's love, spouse love ...it is about bonding to be one instead of insisting on individual agendas.

f. And you never Fall in Love but gradually grow in Love. If you fall in Love, you will one day fall out of Love, but if you grow in Love...it shall exist even when you are gone...1 Corinthians 13:13.

g. Love is Charity... It is about giving and not necessary about receiving.

7. *So what is Love then? By my definition, it is the ability to consciously and deeply care for someone or something having taken time to understand self and s/he or it... Love starts with friendship and its more of actions than talking or saying ... Love is by deeds and actions and not by lips. Aside from the various definitions that exists... Love is what 1 Corinthians 13 defines it to be.*

It is what the world is lacking, its absence is the cause of all pain and human suffering and most likely it's why you are unhappy.

Your Brother
Blessed P.

My Health Today...

Food Poisoning

We all love food. Tasty delicious meals excite every heart. However, this same food that we dearly cherish can be disastrous when contaminated. For the “My Health Today” corner, I thought it necessary to share a few tips on food poisoning that may be helpful.

What is food poisoning? It is any form of stomach discomfort caused by an infectious agent that contaminates food. Mostly, it will present as diarrhea, with or without vomiting and/or pain. Other symptoms include headache, fever (high body temperature) and bloating. The diarrhea can be watery, bloody or oily. Watery diarrhea is the most common.

How common is it? Food poisoning is very common. Almost everyone has ever experienced a stomach upset in their lifetime resulting from food poisoning.

Causes? Most commonly, food poisoning is caused by bacteria. Other rare causes include viruses (especially in children under five years), fungi, protozoans especially amoeba (causes bloody diarrhea) and intestinal parasites (worms).

Prevention? Normally, the main entry point is through food (including water and any other thing we ingest through our mouths). It is therefore important to ensure that what we eat is first clean, then handled with clean hands and utensils.

So,

Our drinking water need to be clean no matter its source. We are fond of drinking water without thinking much about its source but bear in mind that some deadly diseases like cholera can be transmitted by just a cup of water contaminated with cholera-causing (*Vibrio Cholerae*) bacteria. There are two simple ways of cleaning water: boiling (100 degrees or more for like 3 minutes) and using water cleaning chemicals (such as water guard).

Our food should equally be clean. Those eaten raw including fruits should be washed thoroughly

food poisoning

with clean water. Those requiring cooking should be cooked adequately to remove any contaminating agents. Do not eat any food that has gone bad/expired. For Sabbath, it is prudent to cook dry foods (I tend to think that manna was a dry food)

Our utensils should be washed with clean water and soap. This also includes periodic washing of our water holding containers.

Our hands should always be clean before handling food. A technique called *social hand wash* is best in ensuring no infectious agent left on our hands. This should also hold true after visiting the toilets.

er fluid is required to treat most of these cases. One can add salt and sugar or rather use oral rehydration salts (ORS). If it doesn't clear within 24 hours, it is then advisable to seek medical attention from a clinical or medical officer.

Since there are other causes of diarrhea, vomiting and stomachache, the medical personnel will then direct you on what to do next.

As I conclude, a little infection is good. It strengthens the immune system. This explains why children get more outbreaks and episodes of diarrhea compared to adults. Their immune system is normally not exposed to some organisms. So, don't worry much if a child keep getting diarrhea. Just control it by taking the kid to a medical facility for medical care and thank Elohim, because the kid is developing strong immunity against some of these infective agents. Just don't let them be overpowered by dehydration.

It is my hope that this will serve to be of help to you.

(3 John 1:2 [KJV])

Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth.

Toilets should be clean. They should always remain covered to keep off flies. In as much as possible, don't allow flies to inhabit the house. Cleanliness works best to keep off flies.

Always communicate these simple steps to those around you. It is only working as a unit to prevent food poisoning that works.

Just in case you are not in control of these safety measures and you suspect you've food poisoning, you need not worry unless the diarrhea, vomiting or pain is excessive, or the diarrhea looks like the water used to clean rice (a symptom of cholera), or it is accompanied by blood. Most often than not, any other Diarrhea and stomach upset will clear by itself. Depending on the causative agent, some will start in less than six hours, some between twelve hours to three days and others even past five days, after taking contaminated food. The biggest and important problem to solve is dehydration (excessive loss of water from the body). Only water or any oth-
