

Music is a glorious ministry to the Lord. Come and enjoy the blessing of association with the CHOIR. Be a blessing to others by singing with this group.

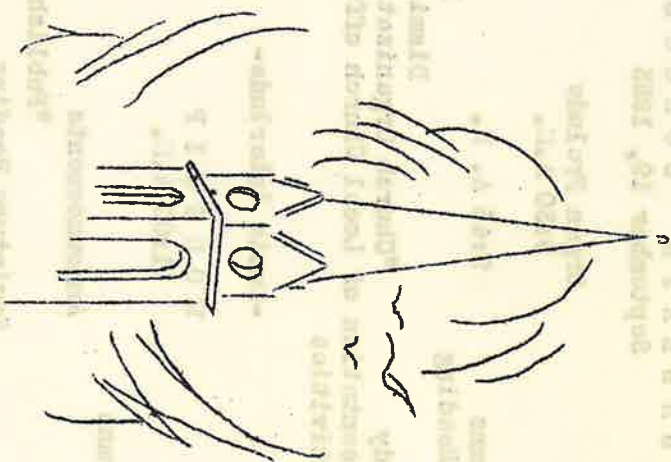

"This is only a beginning. There is the far greater glory of the final goal, as we come into His immediate presence, literally face to face."

-Organ Postlude-

Kindly enter these portals built by loving hands  
with a spirit of worship and meditation. Visiting, unnecessary talking or other distractions may interfere with another's worship. Let us not offend in word or manner.

Leave the house of the Lord with joy and refilling of God's spirit, with a friendly smile for brother and sister. During the music postlude, leave quietly and greet your Pastor. Meet friends outside so that good order can continue to prevail. "Let all things be done in...order" our Lord commands.

WELCOME BACK TO:

Eld. Carl Stacy and family who have returned to work in this area. Their faithful stewardship has been deeply missed. We shall enjoy working together again.

Eld. and Sister Otto Haerber who have returned from a four year residency in Denver, Colorado. It is good to have them back. Their active Christian life will lend much to the work here.

From the above, it looks as if people just have to come back to Los Angeles, once they have lived here! Eld. Clayton Faubion and family will be missed by this group. We wish them God's blessing in other fields of duty to which they have been assigned.
