

we believe.

THAT GOD HAS A MESSAGE FOR OUR TIMES which is Vital! Urgent! Powerful! and that God is moving His people to a-c-t-i-o-n!

THAT THERE IS STILL POWER IN THE GOSPEL when it is carried positively by men and women devoted with the spirit of sacrifice, of work, of powerful prayer.

THAT THERE IS TO BE A SPECIAL HARVEST of souls, before Jesus comes, from among hearts that are seeking for the simple gospel of Jesus Christ.

THAT THE GOSPEL OF CHRIST deserves only the best presentation in this age as in other ages, and that it is God's will that we have good PREPARATION for each task.

THAT WE ARE OBEYING GOD when we go into the harvest field prepared, trained and equipped - and that the saving of souls from the darkness of eternity is dependent upon how well we do our part.

THAT GOD'S PEOPLE HAVE NEVER BEEN DEFEATED and do not now face defeat, because they mean business with God and are accepting His call seriously.

THAT CHRIST IS THE HEAD OF THE MISSIONARY MOVEMENT, That Satan is the advance leader of the opposition. That we shall defeat him!

Rev. 12:9-11.

MINISTERIAL DEPARTMENT

More dedicated lives is the challenge of our times. Better equipped and with growing vision and conviction - the ministry of the Church of God has a great field, ripe to HARVEST.
RADIO - as a means of contact has enormous potential, and is being successfully developed.

PUBLISHING DEPARTMENT Christian Magazines - Gospel Literature

The advent of the printing press has been the means of fulfillment of prophecy. Taking words out of the air and making them visible upon the printed page has been the perfect method of taking the Bible with its gospel around the world. The printed page is the mortar between the bricks - that binds the work when all other contact is lacking.

EDUCATIONAL DEPARTMENT Springvale Academy - Midwest Bible College

Half-knowledge is worse than ignorance. Knowledge advances by steps, not by leaps. It must teach a man to think, and to use wisdom, or it has done nothing. Out of our schools - COMES OUR VERY FUTURE!

SABBATH SCHOOL DEPARTMENT

The Sabbath School is a development of the instructions given in 1 Timothy 4:13. Timothy was taught at home as a child by many hours spent in learning about God. The S. S. teaches all age levels, and trained TEACHERS of the Word are key personnel in God's field of service.

YOUNG PEOPLE'S DEPARTMENT

Our young people is our index of tomorrow. "Faithful Youth Challengers" has been chosen as their name as well as their Christian philosophy - to be faithful in their youth and God's men and women of tomorrow. Plans are being laid for the coming year of youth activity.

FOREIGN MISSIONS DEPARTMENT

Our love has a broken wing if it cannot fly across the sea. To reach that field means maintaining mission stations with home-trained missionaries. Again the challenge - the call for dedicated men and women who will "GO" and for those dedicated at home to support them. Missions are now established in the British West Indies, Africa, India, Philippine Islands, and Mexico.

HOME MISSIONS DEPARTMENT

The Missionary impulse in every Christian heart is Christ-inspired. Informal witnessing, group witnessing, missionary expansion programs, membership instructions and home missionary training - that is HOME MISSIONS.
