Dear Brethern:

Grace and Peace from God our Father be with you.

During my stay in Guatemala, I was made aware of the pressing financial need of our Church workers in Central America. There is a minister who is in urgent need of our help in order to continue full-time gospel work in Honduras.

Brother Esteban Garcia is the minister to whom I am referring. He and his family are from Guatemala, but he volunteered a year ago to do missionary work in Honduras. The Guatemalan church has been paying his salary and the work in Honduras is doing nicely. However, Brother Garcia has the problem of having to leave Honduras every 3 or 4 months for Guatemala in order that his visa allow him to remain living in Honduras.

Of course this is a tremendous expense. He is wanting to arrange permanent resident papers that will allow him to remain in Honduras. The cost of this legal work will amount to \$300.00.

I believe that it would be a great blessing for the Bloomington Church to raise this amount and help keep this brother preaching the gospel in Honduras. The Guatemalan church is unable to meet this expense and as yet there are not enough brethern in Honduras to bear this financial strain. To be sure, it would be a sacrifice for us as well, but I believe this man and the work of God in Honduras merit our response of sacrifice.

I am asking you to help meet this financial need with a special donation. When you give your offering indicate your desire to help toward this cause by writing on the envelope "help for Honduras" or give it to me personally. In either case make it liberal and soon. If we can raise this amount in 3 months the brethern in Honduras will greatly appreciate our goodwill.

There is little doubt that God has blessed us abundantly in many ways. Let us respond to this call for help and channel our blessings to be multiplied into greater blessings for those less privileged than we.

A fellow-laborer,

Elder Noah H. Camero
