

Let's All Pull Together

Having been led by the spirit of God to accept our Lord Jesus as Saviour, and having been baptized into the fellowship of the brethren, of God and the heavenly host, we have desired by His spirit to walk together in true Christian love, as He has commanded. *John 10:16; 13:34-35.*

Through the influence of this same Holy Spirit of God and by the very precepts of the New Testament, we are determined to walk together in the love of Christ, and to so honor His name. We aim to work only for the advancement of a united church and its salvation program; to maintain its order, its worship privileges, its ordinances; to strive for increasing Christian grace and spirituality; to unite in sending forth a common, saving message; to maintain family worship; to educate our children religiously; to be just in our dealings with one another and with all men; to bring no reproach upon God's people; to be exemplary in conduct; to witness faithfully to friends and kindred; to keep ourselves unspotted from sin; to contribute cheerfully, regularly and liberally to the support of Christ's work, to the expenses of the Church; to be zealous in our efforts and careful to let God lead ahead.

We further extend ourselves to watch over one another with the love Christ has imparted to our hearts; to remember each other in prayer; to aid each other in distress; to develop compassion and Christian feeling in our actions and courtesy and kindness in our speech; slow to take offense and quick to reconcile - mindful of the rules of our Saviour.

We have been united by the bonds of love in Christ, and around the program of His church. We cannot sever those ties unless we sever our love.

You are a member or friend of the original and only Church of God - 7th Day, so recognized and incorporated since the year 1899, U.S.A., but with a continuous unbroken history of certain unique tenets of faith, against which the gates of hell have not prevailed, because they are - T R U T H.

Those things that are of men, passing doctrinal fads, dividing men and women and depriving them of the love of God, shall fail. But that which is not of men, with long centuries of God's protecting care, is of God. It will stand, while the waves beat on, because it is rock structure.

SUPPORT THE UNITED FUND CAMPAIGN

now being conducted. Contribute to a real, lasting, reliable and growing cause.

Support it with your prayers and with all the help you can. God will add a blessing to your life this year because you GAVE.
