"THIS GOSPEL OF THE KINGDOM SHALL BE PREACHED..."

Dear Friend of the Gospel,

What do we yet need to fully do our share in bringing the good news of Christ's Kingdom to all? Oh, we can readily see the need for many more loyal and devoted Church workers! Most of our cities need evangelists and pastors, foreign countries need our missionaries, our church needs clerical workers, and our schools need educators in several fields. Our youth need training for these positions in the church.

The leaders of our church are considering plans to reopen MIDWEST BIBLE COLLEGE, when a suitable faculty is obtained and as student interest warrants. Furthermore, it is contemplated to make room under the shelter of its spiritual atmosphere for students of other subjects who may be taking courses for credit at the State College, not far from MIDWEST. Evening Bible instruction, worship periods, and supervised social activities will be provided for all students.

Here is what we have been waiting, praying, and watching for: the reopening of our own ministerial training college, and the inauguration of spiritual advice, Bible training and Christian association for our youth engaged in other college training. Here is our opportunity to advance greatly the Gospel work.

Would you like to join others of our youth here?

Do you know others who might like to come? (Please contact them! and notify us.)

Could you help a student to attend?

What field of study are you interested in pursuing?

Please answer this TODAY! MAIL IN ENCLOSED ENVELOPE.

This evidence of your interest in the college whether as a student or a supporter will be very helpful in completing plans for its reopening. What a privilege we have to join in this work! Thank you for your cooperation, fellow believers, as we build for a greater tomorrow, and preserve our priceless heritage, our young people, workers for His Kingdom.

Sincerely, in His service,

Midwest Bible College Board, Box 77, Stanberry Missouri
