CORRESPONDENCE COURSE

TEST FIVE

FOR LESSONS 17-20

THIS multiple-choice test is designed to help you review the subjects you studied in your Bible with the preceding four lessons. It's an enjoyable way of putting to *use* some of the vital knowledge and understanding you have gained through this course.

Notice that there are *four parts* to the test, each part covering one of the previous four lessons. You should take this test *after finishing* your studies with these four lessons.

Also notice that you must select one of the four choices given under each question or incomplete statement. These choices are labeled A, B, C, D. Only *one* is correct. The other three choices are wrong—*unless* stated or indicated otherwise. Usually they are false ideas believed by the majority of professing Christians today, or by those who do not believe in the Creator God and the divine inspiration of the Bible.

From among the four choices, select only the *one* that you believe to be correct and *circle* the letter of that choice with a pen or pencil. As an example, the correct choice for question one is already circled for you.

Take sufficient time to understand each question or statement, as well as the choices. Try to do as many as you can without referring to the previous four lessons. If you have any difficulty deciding on the correct answer, then *review* the part of the lesson covering the point under question or the statement to be completed. We expect you to do so—it isn't cheating!

Once you have finished the test and are satisfied with all of your answers, *transfer* them to the test

answer card that accompanies this test. Simply place an "x" in the box corresponding to the letter of the choice you have circled for each question or statement. As an example, number one on the test answer card is already marked correctly for you. Take *special care* in transferring your answers to the answer card so that you do not make an error during this step.

When you have completed the entire test and have transferred all of your answers to the test answer card, follow the directions for returning it to our office you normally write to. There it will be graded and mailed back to you. Our mailing addresses are printed on the reverse side of the test answer card instructions and on page two of this test.

We will continue to send you additional lessons as long as you sincerely desire to understand more of God's Word with the help of these lessons. So be sure to *take this test* and send us your completed test answer card!

About Your Score

Your graded test answer card, showing your exact score, will be returned to you. A score of 75 percent or above is a passing grade. After satisfactorily completing this test, Lessons 21 through 24 will be sent to you at the rate of one per month. Test Six will be included with Lesson 24.

Remember: No further lessons will be sent to you unless you complete and return the enclosed test answer card for grading.

Now you are ready to begin the test!

The Staff

ABABY stumbles and falls many times before learning to walk. Undaunted, the toddler continues trying until he or she is soon walking, and even running, with balance and assurance. But does this mean that the toddler will never stumble or fall again? Of course not.

As we have previously learned through the study of God's revealed Word, one becomes a true Christian upon receiving the Spirit of God (Rom. 8:9, 14). But he is merely a Spirit-begotten "babe in Christ" (I Cor. 3:1), learning to walk spiritually.

Just as a baby will stumble and fall while learning to walk, a Christian will commit sins while learning to obey God (I John 1:7-10; 2:1-2). The Bible shows that he must *grow* in God's way, overcoming the world, Satan the devil, and his own carnal nature *throughout* his Christian life.

A true Christian doesn't want to sin, but sometimes does when caught off guard, overwhelmed by habit, temptation or circumstances. But he does not sin deliberately and willfully in a spirit or attitude of rebellion.

God looks on the heart—the inner motive, the real intent. He is rich in mercy to one who, although sometimes stumbling and falling, immediately gets up, and in deep, heartfelt repentance asks God's forgiveness. He resolves to do his best, *with God's help*, not to commit the same sin again. He is continually striving to overcome sin.

But because Christians are not perfect (Eccl. 7:20), some misunderstand and use this as an excuse not to repent of their sins and begin to live the Christian life. They mistakenly think that one cannot be a Christian *until* he has first broken all of his bad habits and is living a perfect life. What they do not understand is that a person does not *begin* to overcome sin and start down the path leading to eternal life *without* the Holy Spirit!

The starting point is *repentance*. Next, with belief in Jesus Christ as Savior, comes baptism and the receiving of God's Spirit (Acts 2:38). Then, a lifetime of *growing toward* God's perfection. It is only at the resurrection that God will make Christians perfect by imparting the fulness of His sinless nature to them (I John 3:9).

Our previous studies have shown that following God's way of life with the help of His Spirit is the only way to build Godly character—to fulfill our God-given potential of becoming members of His

Final Instructions

Now that you have finished the test, transfer your answers to the test answer card. Also please follow the instructions for returning it to our office you normally write to, where it will be graded and returned to you. Be sure to *keep* this test together with your lessons.

You will find it profitable to *review* the test

questions and the correct answers occasionally. This will help to further cement the truth of God's Word firmly in your mind. And reviewing the false answers will help you to clearly see some of the false ideas you may have assumed to be God's truth. You will thereby grasp and retain new truth more easily with the help of future lessons.
