TEST SIX

FOR LESSONS 21-24

THIS multiple-choice test is designed to help you review the subjects you studied in your Bible with the preceding four lessons. It's an enjoyable way of putting to *use* some of the vital knowledge and understanding you have gained through this course.

Notice that there are *four parts* to the test, each part covering one of the *previous four lessons*. You should take this test *after finishing* your studies with these four lessons.

Also notice that you must select one of the four choices given under each question or incomplete statement. These choices are labeled A, B, C, D. Only *one* is correct. The other three choices are wrong—*unless* stated or indicated otherwise. Usually they are false ideas believed by the majority of professing Christians today, or by those who do not believe in the Creator God and the divine inspiration of the Bible.

From among the four choices, select only the *one* that you believe to be correct and *circle* the letter of that choice with a pen or pencil. As an example, the correct choice for question one is already circled for you.

Take sufficient time to understand each question or statement, as well as the choices. Try to do as many as you can without referring to the previous four lessons. If you have any difficulty deciding on the correct answer, then *review* the part of the lesson covering the point under question or the statement to be completed. We expect you to do so—it isn't cheating!

Once you have finished the test and are satisfied with all of your answers, *transfer* them to the test

answer card that accompanies this test. Simply place an "x" in the box corresponding to the letter of the choice you have circled for each question or statement. As an example, number one on the test answer card is already marked correctly for you. Take *special care* in transferring your answers to the answer card so that you do not make an error during this step.

When you have completed the entire test and have transferred all of your answers to the test answer card, follow the directions for returning it to our office you normally write to. There it will be graded and mailed back to you. Our mailing addresses are printed on the reverse side of the test answer card instructions and on page two of this test.

We will continue to send you additional lessons as long as you sincerely desire to understand more of God's Word with the help of these lessons. So be sure to *take this test* and send us your completed test answer card!

About Your Score

Your graded test answer card, showing your exact score, will be returned to you. A score of 75 percent or above is a passing grade. After satisfactorily completing this test, Lessons 25 through 28 will be sent to you at the rate of one per month. Test Seven will be included with Lesson 28.

Remember: No further lessons will be sent to you unless you complete and return the enclosed test answer card for grading.

Now you are ready to begin the test!

The Staff

GOD is the Creator, Sustainer and Ruler of the vast universe. His eyes appear like flames of fire, His face like the sun shining in full strength (Rev. 1:13-16). His great power and glory are beyond human comprehension!

God has perfect, holy, righteous character. He is, and is the very source of love, wisdom, goodness, might and power.

And yet although God is so great, mighty and glorious, He is mindful of each of us. He loves us so very much that He gave His only begotten Son to pay the penalty of our sins.

More than that, through Jesus Christ, God the Father has made it possible for us to receive His Spirit and thereby His nature! We can be begotten by God Almighty and, if we grow in His character, be born by a resurrection as divine members of God's glorious supreme ruling Family. We, through Christ, can eventually inherit all that is God's—the entire universe!

Can your mind grasp this astounding truth? God will share *everything He has with us*.

And part of this we, if we are Spirit-begotten children of God, may receive here and now. Through His Spirit we can have the attributes of His character—His divine love, faith, patience, goodness—and the power to overcome. We can also receive God's guidance and wisdom, protection, healing, peace of mind and deliverance from trouble. He gives us, when we ask Him, grace and favor in the eyes of others, causing even many of our enemies to be at peace with us.

Every good thing comes from God the Father through Jesus Christ His Son. And He has promised never to leave or forsake us.

Think of all the tremendous blessings God so richly gives His obedient and trusting children. Think of the indescribable glory and power, together with joyful eternal life, we may inherit in the World Tomorrow—for all eternity!

Our last four lessons covered the plain truth about God's incredibly awesome purpose for creating mankind. God's purpose for us is that we be *born* into His powerful universe-ruling Family. Everyone will eventually have an opportunity to *become like God*—to do what He does, accomplish what He accomplishes, enjoy what He enjoys—forever!

We also learned that God's weekly Sabbath

And in the overview lesson covering God's annual festivals, we were introduced to the plan by which God is accomplishing His purpose in man.

The next four lessons will focus on the first four annual festivals and how they picture the first four steps in God's Master Plan of salvation. You won't want to miss these extremely important lessons. So to continue your study of God's truth with this course, be sure to complete this test and send in your test answer card *as soon as possible!*

 - All of the above.

- all sin being blamed on Christ.
 - the blame for mankind's sins being placed on Satan, who inspired them.
