## News

Vol. 11 No. 7

TULSA-OKLAHOMA CITY

JULY, 1962

Mr. and Mrs. Armstrong in formal attire on board.

### "A Bon Voyage"

Mr. & Mrs. Herbert W. Armstrong had a wonderful trip over to England and now are actively in the swing of things at Ambassador College in Bricket Wood. They sailed across the Atlantic ocean in the USS United States. Important news and developments in God's Work happened as they were enroute. In his letter to the headquarters church, Mr. Armstrong relates, "We had important interviews during the 3½ hour stop-off in Chicago, and the two days in New York—added a few stations—looks like WOR and WABC again are both opening up—not sure yet; and adding stations in Hong Kong, Guam, Singapore, Liberia, Nigeria and Jamaica. Laid groundwork for possible early-evening across the board time on Radio Luxembourg, and a new station being built or to be soon built on the Isle of Mann. Had some very important conferences, and was busy every minute—at the cost of finishing the Autobiography."

We are thankful that their trip was profitable and safe. Thus our prayers have been answered!

## God's Work Continues Growth With Fruitful New Zealand Tour

At 1:00 p.m. Sunday, April 8, a TEAL (Tasman Empire Airlines) Electra Prop-jet lifted from the runway at Sydney Kingsford-Smith Airport carrying two representatives of the Radio Church of God on the first lap of a baptismal tour taken throughout the north and south islands of New Zealand.

Mr. C. Wayne Cole and Mr. Clearence Huse had prepared the itinerary for this trip in such a way that they would be able to meet groups in the main cities with a minimum of touring from town-to-town and be able to travel from Auckland on the North Island of Invercargill

on the tip of the South Island in one week's time returning to Sydney on the following Friday, 13 April. However difficulty in making airline bookings on the return to Sydney necessitated the cancellation of the trip from Christchurch to Invercargill and returning to Sydney on Thursday, 12 April from the beautiful city of Christchurch.

The first stop for the baptising team was Auckland where they spent Sunday night. At 9:00 a.m. the following morning the actual work of the tour began. The first group was met in this city of Auckland, the largest city in New Zealand. This first meeting was a very encouraging send-off with six persons being baptized in a tepid bathhouse in the city center. At 1:00 p.m. of this day, Monday, 9 April, the team picked up a rented car that had been reserved for them and began their next lap of the trip, the only part they would actually cover by auto touring. Heading south in their rented Holden, the next stop was Hamilton, then on to Tokaanu, Taihape, Palmerston North and then into Wellington the capital city of New Zealand where they arrived Wednesday morning for the last meeting to be made on the North Island. Again a bathhouse in the city center was provided for the baptism service. Here they turned in the rented car and continued by plane to Christchurch, the largest city on the South Island, where a group was waiting to meet with them late Wednesday evening. Thursday morning the last contacts were made by visiting with two men, who

### Summer Assignment Announced

The veil of secrecy shrouding summer assignments was dramatically lifted by Mr. Ted Armstrong during last Tuesday's forum. Many ooo's and aah's followed the announcement of each name and assignment.

One of the biggest surprises of all left Mr. Clark astounded and grasping for breath as he was announced as next year's Student Body President.

Although further assignments are to be made, the following is the complete list up to this printing:

#### SUMMER ASSIGNMENTS

##### Baptising Tours

1. Frank McCrady  
Dave Albert
2. Carn Catherwood  
Dennis Luker

## Auld Lang Syne

Circumstances, events and other happenings, all comprise news. News can be good or bad, or both.

We are all elated over the fact that our Texas Panhandle Brethren and surrounding areas can attend the church in Liberal, Kansas; but, we are saddened by the loss of even the far-between visits that we have enjoyed from them in the past.

The Garden City, Kansas, Church has moved to Liberal, Kansas, and has been pastored by Frank McCready. However, Mr. McCready has been assigned to a baptizing tour and will be replaced by Mr. Tom Blackwell, brother of Mr. Dean Blackwell.

We know they will have good fellowship and will receive a special blessing for their efforts in traveling the long distance in order to attend Sabbath services. Let us remember these Brethren in our prayers and ask for their protection, and for spiritual blessings in abundance.

---

## Here's How!

Have you been taking advantage of the many different recipes in the "Good News" and "Church Of God News"?

Perhaps you have planned to try them out **SOMETIME**, but as time goes by, they are gradually eased into a large collection of many other magazines, so that when the time comes to try them out, it will take you an hour or maybe half a day to find the one you need — so you give up and use the same old recipes you have used for so many times.

Why not write them on inexpensive cards and file them with your other recipes? This will keep your magazines from being soiled by grease and other foods, especially if you have the habit of putting them in your kitchen drawer.

All of the recipes in these magazines have proven to be very good. Many times, we do not have all the items called for and many times you can substitute with something you have on hand and still it will be just as good a product.

With summer approaching, some of these new ideas can really be put to use. One way would be to make surprising and interesting refreshments to serve the men in the Spokesman Club. I am sure they will welcome some tasty cool drinks and snacks made from many of the recipes.

## Jealous or Zealous?

In a recent sermon Mr. Antion asked "How high are your standards?" He then went on to show how that a Christian should have higher standards, in the things he does, than the unconverted. He quoted God's Command in Ecc. 9:10 that whatever we set our hand to do we are to do it with all our might with a fervent zealous attitude.

He said, "The word *jealous*, as used in the Bible is synonymous and interchangeable with the word *zealous*. The Hebrew and Greek definition for *zealous* is to have a heated, fervent attitude. We should all have this zealous attitude to do our best, whether in prayer, Bible study, our work or play. A person's zeal is not measured by their knowledge of the truth but how fervently they are using the knowledge they have. Don't let your zeal lag, but get busy and run behind the plow." Brethren, we need to ask ourselves, "How much zeal do I have and am I increasing it?"

---

## Willing To Wait

When you pray to the Father and your Problems you state,  
Are you **ANXIOUS** for answers  
Or **WILLING** to wait?  
Are you **ANXIOUS** for freedom,  
For deliverance yearn,  
Or **WILLING** to wait—a lesson to learn?  
That lesson is patience,  
You will need it to rule.  
Be patient, not **ANXIOUS**,  
And God's **WILLING** tool.

—Barbara Spurlock

## ASSIGNMENT (Continued from P. 1)

3. Arthur Craig  
Roy Holladay  
*Church Assignments*  
Bill Winner  
Melbourne, Australia (Assoc.)  
Dean Wilson  
Vancouver, B.C. (Pastor)  
Tom Blackwell  
Wichita-Garden City (Pastor)  
John Hawkins—Dave Mills  
Seattle-Tacoma (Visiting)  
George Kemnitz  
Eugene-Salem (Assistant)  
Vernon Hargrove  
Phoenix (Assoc.)  
Walter Sharp  
Phoenix (Assistant)  
Bob Steep  
St. Louis (Assistant)  
Carl Franklin  
Kansas City (Assistant)  
Rowlen Tucker  
Birmingham (Assistant)  
John Portune (Assistant)  
Sherwin McMichael

## New Zealand

(Continued from Page 1)  
although were not baptismal candidates, were *very interested* in the Work of God.

The results of this tour were most encouraging considering that actually none of those visited were able to hear The **WORLD TOMORROW** radio programmes with any regularity and with most none at all. Their contact with God's Work came through The Reader's Digest and they made their spiritual growth by reading The **PLAIN TRUTH**, the booklets and studying the *Ambassador College Bible Correspondence Course*.

A total of 29 persons were scheduled for this tour . . . 20 actually met the team as instructed and of this 20 who received the counsel in preparation for their baptism, 18 were baptised. Three others were visited who were helped by the discussions and perhaps will request baptism at a later date.

In many places and instances the team was able to see the handiwork of God in working out arrangements for this very hurried trip. Many small points on a trip such as this cannot be anticipated and need to be expedited as they arise . . . it was these unexpected and unplanned occurrences where the guidance and intercession of God was most noticeably evident.

U. S. **FOLLY** (Cont. from P. 2)  
to envelope, consume, and digest our economy.

It is no wonder that Old Sam the horse is about exhausted from pulling the cart up the hill with our one trillion dollar debt! Old Sam has crested the hill, but the cart is still being slowly hauled (by one horsepower) on his way to the Roman Empire, guided by Satan himself (transformed into an "angel of light").

Yes, Sam will get his "reward" because just a few steps past the sign is a downhill grade leading toward the Roman Empire. Any student of physics will tell you that our little minister of "light" will have to apply the brakes on the downhill journey, or the cart will run over poor Old Sam — and I can tell you brethren — the burden that has been Sam's for so long will be his destruction, as Satan is saying — "If he only knew"!

---

## "Fooyey" says Freddie

The teacher asked the class how Noah spent his time on the ark. Getting no response from the children she added, "I guess he fished a lot." "Fine chance" jeered little Freddie "with only two worms!"
