CORPUS CHRISTI — SAN ANTONIO EDITION

Volume 2, No. 4

April 1962

Mr. Garner Ted Armstrong thunders God's message . . . around the world!

## Jesus' Gospel Again Preached in Jerusalem

For the first time since 69 A.D., the dynamic message of Jesus Christ will be thundered from Jerusalem! This MOMENTOUS news, announced recently by Mr. Armstrong, means once again that the LAW shall go forth FROM ZION!!

Beginning almost immediately, two half-hour programs in the English language will be broadcast over a 50,000 watt Israeli-owned radio station right in Jerusalem!

While governmental regulations prohibit broadcasting in the Arabic, German or Hebrew tongues, the many thousands of Americans, Europeans and English-speaking Jewish people in Palestine will comprise a very large audience. Also, the many French-speaking people even in the surrounding Arab world will be able to hear Mr. Dibar Apartian in French twice weekly!

Do we realize what this means? Even as John the Baptist preceded the

## Twenty Million Listeners Hear World Tomorrow's Three Million Watts Daily

Using over three million watts of radio power daily, the WORLD TOMORROW program booms God's Gospel Message world-wide to nearly twenty million listeners, on every continent on earth! A grand aggregate broadcasting power of almost twenty-two million radio watts purchased weekly makes the WORLD TOMORROW the biggest thing in radio, bar none! More people are being reached with more power than at any time in the history of God's True Church! What goes on behind the scenes? What makes up a WORLD TOMORROW program?

At 12:30 p.m. every day Art Gilmore's voice booms out, introducing

the WORLD TOMORROW. A finger snaps behind the double plate glass window, and Mr. Armstrong begins to speak. At that moment, through the miracle of radio, his voice thunders into thousands of homes throughout the Los Angeles metropolitan area.

Before the broadcast reaches KBLA, it goes through several fascinating electronic processes. First of all, from the Telefunken microphone, it passes into the Mixing Console and on into the Limiter. The Limiter compresses the high volumes which would cause trouble on the air and on the recording

### CHURCH STARTING IN CANADA SOON

Another nation is soon to have its first Church of God! To be located in the teeming city of Vancouver — over one million in population—the Church will have a good potential of becoming fast-growing and large, especially as more powerful Canadian radio stations are added.

Presently, Mr. J. L. Friddle is holding Bible studies in Vancouver for a group of about fifty every two weeks.

### BOWLING PARTY

On Saturday night, March 24, the Corpus Christi Church had a new type social in store for them. Bowling! For some it was the first to have a bowling ball in their hands. A few timid

### San Antonio Church Enjoys Inspiring Socials

Three socials were in progress simultaneously for brethren of the San Antonio Church recently. Here are the details as reported by members who were present at each social.

The Ridgeway Elementary School was the scene of fast and furious activity the night of March 31 for all of the Anglo brethren of the San Antonio Church. Paul Jones dances and musical chairs caused more than a few to rush to the sidelines gasping for air. A delicious buffet dinner, party games and bingo gave us additional oppor-

## EDITORIAL

By Donald Winn

### ABUNDANT LIVING!

Very few people enjoy themselves anymore. Why is this? The other night when the Church of Corpus Christi was having its bowling party I had the opportunity of observing the right and the wrong way to enjoy one's self. What a contrast it was!

Even in the so-called sports that this world indulges, it can't have a good time. Truly, man has lost the way to happiness.

I was bowling that night with Mr. David Robinson, Mr. Bill Seelig, Mr. Tom Hardeman, and Mr. C. W. Hewitt. We started before all of the church brethren had arrived. Before the first game was over, the alleys we had reserved were full. So, Mr. Seelig gave our alley to some of the other members to use and we went to the other side to bowl. Right next to us two teams were bowling in match competition. The atmosphere here was altogether different and I began to wonder why. After watching this group bowl and comparing it with the church group, I could see why. In this group there was very little laughter, no expression of joy could be seen on their faces. Why? These bowlers were some of the best in Corpus Christi, so it wasn't because they couldn't bowl. It was simply because they didn't know how to have fun. They didn't know God's principles on how

### BOWLING PARTY

(Continued from page 1)

souls who would not venture on those foreboding shores (alleys) rooted at the sidelines for their favorite player.

And it was not only the young at heart who enjoyed the game actively but many of our supposedly "old" folks really got into the game and played until the very last. This goes to show that you are just as old as you feel, and everyone apparently felt very good, for laughter rang out all night and real fun was enjoyed by everyone.

to have a good time. One could just see the unhappiness that was mirrored on their faces.

What about our group? There wasn't an expert bowler in our whole midst. Still we were having a wonderful time, because we knew more about how to relax and have good fellowship. This wasn't life and death to us, if we didn't bowl a 200 game every time we bowled. Most of us probably have never bowled a game that high, yet we have something far more valuable than this. We know how to relax and enjoy life, which is something this other group had never learned.

How true the words of Jesus Christ are when He said, "I am come that they might have life and that they might have it more abundantly." Truly, only God's people know how to really live an abundant life!

### SOCIALS

(Continued from page 1)

tunities to fellowship. There was no chance to be a stranger — everyone wore a name card. Laughter, conversation and joy prevailed throughout the entire evening. Solomon said that there is "a time to every purpose under heaven." Saturday night March 31 was our time for enjoyment, relaxation and fellowship.

### Mexican Social

The night of March 31 will linger for a long time in the hearts and minds of all the Mexican brethren of the San Antonio Church of God. It was on this night that our third social was held. Preparations had been made for a weiner roast, with all the trimmings, in the park. However, bad weather caused a change in the plans and the social was held at the home of Mr. and Mrs. Robert Flores. Although there was a change of plans, there was no change in the enthusiasm and jovial spirit of the brethren.

The first event on the agenda was a buffet style dinner which was enjoyed by everyone. After the meal was over there were various games available for all who wanted to participate. The men, women and children tried their skills at horse-shoe pitching, ping-pong and checkers.

Mr. and Mrs. Foster stopped by for a visit and Mr. Foster joined some of the men in an active game of ping-pong.

Although the weather was cold outside, where the games were played, warmth and friendship prevailed.

### Negro Social

Fried chicken, the main dish in a delightful banquet style dinner, was one of the main attractions at the latest Negro social. Every Negro member of the San Antonio was present. Also, the Steward family from Port Lavaca was present with us. Lively conversation, various games and numerous informal jokes made about such subjects as eating, false teeth and overweight people kept us entertained for the evening. Of course, what was appreciated most of all was just the opportunity to fellowship with one another.

Beware of half-truths. You may have the wrong half.

Remember that your tongue is in a wet place and could slip.

**LISTENERS HEAR**

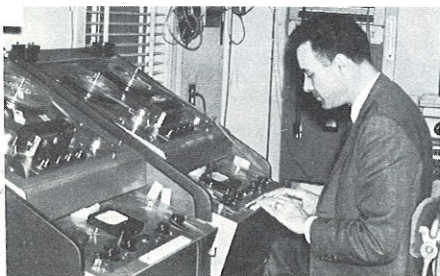

(Continued from page 1)

tapes while also raising the lower portions out of the noise level. It does not limit or remove power. It "packs it in" so that the power can be released during broadcasting.

From the Limiter, the electronic impulses making up the **WORLD TOMORROW** broadcast return to the Mixing Panel where they are literally split in two. One part is fed to the Power Amplifier where it is given the boost necessary to enable it to traverse one of Pacific Telephone's undulating cables to the San Fernando Valley's mightiest radio stations, KBLA. There it is given a new burst of power, sent to the antenna and released into the air as radio waves.

The other half travels from the Mixing Panel to a line of **eleven** Ampex tape recorders. Eleven recordings are made simultaneously. One of these is kept as a Master, from which other recordings are made. Sixty-eight copies of each broadcast are made! Time is cut in half by running the recorders at double speed as the record from the Master. "Dubbing" work is done by Bill Myers and Bob Gray. The recordings are then packed and flown to radio stations all over the United States!

Tapes going overseas require more work. Every inch must be carefully edited. For instance, phrases like, "... And the kind of teaching you get in the church doesn't lead to real conversion and right education," must be removed from all tapes going to Australia—for obvious reasons. Australian broadcasts are also aired one month later. Current **PLAIN TRUTH** announcements become outdated and must be removed. Mr. Norman Smith listens to each tape, marking the portions he wants left out. Mr. John Portune follows up with a pair of scissors, also measuring precisely every inch of footage removed. He must insert other footage, announcements of articles and booklets, etc., to bring the

Mr. Inglima readies "Master Tape" in control room.

length back up to the prescribed minutes and seconds.

This reel is then air expressed to Australia where copies are made and sent to all the stations there. Exact, word-for-word typewritten copies must be made of these recordings. Miss Nancy Kiser and Mrs. Grunwald are kept busy at this task.

Tapes are sent to other parts of the world have to be given special treatment also. Mr. Jerry Horton takes care of those bound for Radio Luxembourg. Some tapes, like those bound for Bangkok, are aired several months later, and this must be taken into consideration during "dubbing."

This is but a thumbnail sketch of what it takes to produce the **WORLD TOMORROW**. It's a fascinating process. Drop in at the studio at your earliest opportunity for a first-hand explanation of what goes on behind the greatest, most dynamic work in radio history.

**CHANGING TIMES**  
**"NO STRANGER SHALL BE ABOVE YOU"**

By Adolph Romike, Jr.

Prophecy is being fulfilled before our very eyes, but most people do not realize the times in which they are living. Everyday we can see sign posts along the way, if we know what to look for, reminding us of the things that were written years ago for the end of this age.

Deuteronomy 28:43 says, "The stranger that is within thee shall get up above thee very high; and thou shalt come down very low."

The stranger that is among us is now very strongly making himself felt. They were able to throw our recent city election the way they wanted. Also in our school board election they again made themselves felt by voting in blocks.

This is the trend that is developing throughout South Texas. The Gentiles are increasing in population faster than the Israelites. Soon they will form a large enough segment of the population to control the entire vote. When this happens the "stranger among you" will be able to occupy or control every political office in this part of Texas.

*Personal Glimpses*

Have you met the Stewards? Mr. Sammie Steward, his wife Willie Mae, and their daughter, Bernice Dolores, attend the Corpus Christi Church. Perhaps a few highlights from their lives will help us to become better acquainted with this interesting family.

Mr. and Mrs. Steward and daughter Bernice.

Mr. Steward names Victoria, Texas as his birthplace. He was born on September 16, 1907. He attended school in Austwell, Texas. In 1929 he farmed on shares on a small farm in El Campo, Texas. After the depression he gave up farming and began working as a ranch hand. He now lives in Port Lavaca, working as a farm laborer.

On February 9, 1910, Mrs. Steward was born in Hallettsville, Texas. She attended school in Hallettsville, Texas and for some time she lived on a rice farm.

The Stewards met at the home of Mrs. Steward's parents where they were introduced by her brother. They were married in El Campo, Texas in 1931. It was in this same town that their daughter and only child, Bernice, was born April 25, 1934. Since the family moved frequently during her grade school years, she attended school in several different cities, including El Campo, Victoria, Port Lavaca, and Bay City. She graduated from Hilliard High School in Bay City, Texas. In September 1952, she enrolled in Prairie View A. and M. College in Prairie View, Texas. After receiving a Bachelor of Science Degree in Home Economics in May, 1956, she taught kindergarten for two years.

After being encouraged by his wife, Mr. Steward began listening to the Broadcast. Their daughter also came into the Truth through the Broadcast and the year 1960 marked a turning point in the lives of the members of this family, when they were all baptized in Corpus Christi, Texas.

In his leisure time, Mr. Steward enjoys fishing and is interested in baseball. Quilting is tops on the list of hobbies of Mrs. Steward. She also likes hiking and softball.

Miss Steward enjoys textile arts and crafts, sewing, and tennis as her recreational activities.

You're missing a good opportunity if you don't become better acquainted with this friendly family.

**JERUSALEM**

(Continued from page 1)

Mr. and Mrs. Dean Wilson and family.

**CANADIAN CHURCH**

(Continued from page 1)

This summer he will start regular Sabbath services there. Assisting in this special assignment will be Mr. Dean Wilson. He and his family are slated to head north immediately after graduation.

Last summer he worked with Mr. Friddle in the Seattle - Tacoma Churches so he is not a stranger to the area.

In addition to pastoring the new Church in Vancouver, Mr. Wilson will also become the Office Manager of the Canadian Office.

Congratulations, Mr. Wilson and family. Our prayers go with you as God opens up the first Church in Canada.

FIRST coming of Jesus Christ, by proclaiming the powerful message of God's LAW, of God's soon-coming GOVERNMENT — preparing the way for Jesus' ministry, so the very work of God on earth today will shout the same Gospel Jesus brought—preparing the way for His RETURN to this earth!

Time is shorter than we think! Let's pray God will really use this powerful new DOOR He has opened to us!

**CHILDREN'S COLUMN**

Dear Boys and Girls,

Here are the answers to last month's column:

- 1. 3, 2. 27, 3. 12, 4. 4, 5. 2, 6. 38, 7. 50, 8. 6, 9. 150.

The answers to the true or false questions are: 1. true, 2. false, 3. true, 4. false, 5. true, 6. true, 7. true, 8. false (Laban's daughter), 9. true.

Answer the following questions

TRUE or FALSE.

- 1. Jacob loved Rachel more than Leah. Rachel's son, Joseph, was Jacob's favorite son. ....
- 2. Jacob met his brother Esau as he returned to Canaan. Esau still hated Jacob because he had been tricked into selling his birthright. ....
- 3. Jacob's youngest son, Benjamin, was born after Jacob returned to

Canaan and was his twelfth son.

- 4. Joseph was his father's favorite but was disliked by his brothers. ....
- 5. Some Midianite travelers stole Joseph, took him to Egypt and sold him for a slave. ....
- 6. Potiphar who bought Joseph found him to be a very trustworthy servant. ....

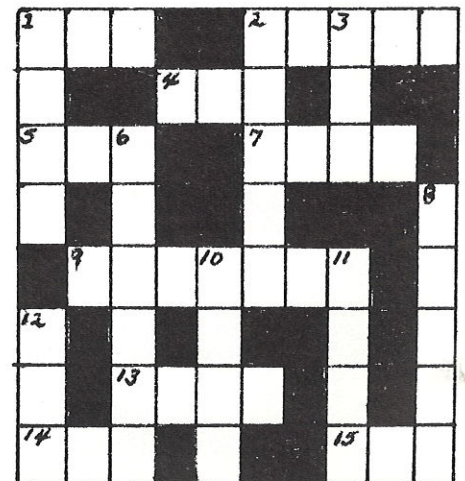

ACROSS:

- 1. ....was made out of a rib taken from Adam.
- 2. ....has gone to heaven to prepare a position in God's government for us.
- 5. ....was a son of Benjamin (Numbers 26:40).
- 7. Jesus made.....an anointed a blind man's eyes with it.
- 9. The.....is a token of the covenant between God and the earth that He will not destroy the earth with another flood.
- 13. ....was a grandson of Esau (Gen. 36:11).
- 14. The wages of.....is death.
- 15. Samuel grew up under the care of.....

DOWN:

- 1. ....was a son of Isaac who sold his birthright.
- 2. ....was Esau's twin brother.
- 3. There is a.....of glass before God's throne.
- 6. A.....is a Church official.
- 8. ....was Ruth's mother-in-law.
- 10. ....was the son of Lamech (Gen. 5:28-29).
- 11. Jesus turned water into..... at a marriage feast.
- 12. The.....was used as a means of travel during Jesus' time.

Once again, let's try our hand at working a Bible Crossword Puzzle.

**SPOKESMAN CLUB NEWS**

By Bill Seelig

By far, the most exciting thing that has happened in the Corpus Christi-San Antonio Spokesman Club since our anniversary was Ladies' Night held April 8.

Our chef, Leonard Kirkpatrick, had barbecued chicken (his specialty by the way) prepared. Each member of the Club brought a little extra and the table looked very much like a festival. And so it was.

As always, there seemed to be an air of extra happiness as everyone waited for the beginning of the club meeting. Our wives really add that "extra something" and it is a pleasure and delight to have them.

Jack Burton was an able and competent Table Topics Chairman and brought up some very interesting subjects for discussion. The Toastmaster for the evening was Michael Jennings who gave us some of his dry English

humor that set the pace for the evening's speaking session.

The speakers seemed to be a little more nervous than usual but did give us some good speeches that were interesting as well as helpful. Best speaker of the evening was David Robinson. The most improved speaker was Roman Salas and most helpful evaluator was Bill Norrod.

Buffet Style Dinner is served at Spokesman Club for "Ladies Night."
