# THE POSSIBLE DREAM Feast Show '73

Ambassador College, Big Sandy, is pleased to present "The Possible Dream." What we feel and hope will be a very uplifting and encouraging program for you all begins one evening as a small Church family comes on the scene ecstatic and elated about the Bible Study they have just been to. The special subject? *The Millennium!* The daughter, Mickey, is particularly enthralled by the topic that night and carries her excitement as well as her thoughts and wonderment to bed. Her dream, tour-guided by our emcee, takes her and you, via song and choreography, through one girl's thoughts on how the Millennium might be. So come along with us and enjoy it as you see a young girl experience those stages of childhood, adolescence, marriage, the family life and those years of wisdom during that very special time we're all waiting for.

**Dennis Van Deventer, Emcee**
