

ULB  
WEDNESDAY EVENING APRIL 18, 1962

NTBMO

Wednesday evening dinner will be served at 7:30 P.M. You should arrive with the food in ample time for it to be prepared for serving.

The menu for this meal is listed below and each family should bring sufficient food for all in the family plus a little extra for those brethren attending from distant areas. Since this night is to be a very festive occasion, the dinner is of special significance and will be served as a banquet.

The amount of food you bring should be according to the size of your family . . . it is better to bring too much than too little. As most of you know this food can be purchased from your second tithe fund.

Instead of each family bringing enough of each dish for his family each lady should choose 2 or 3 of the dishes and bring at least 10 servings of each. For example one person may bring meat and potato salad while another lady may choose fruit salad and 2 vegetables.

The single men and men with unconverted mates should choose to furnish the juices, wine, cheese, butter, unleavened bread, gerkins and olives which require no preparation.

Since there is little kitchen space everything should be complete prepared before bringing it. The salads should be cut and mixed but the dressings will be furnished and added later to prevent the salads from becoming soggy. The roast should be sliced before bringing it and since roast slices better when it is cold you may wish to cook this very early in the day. The vegetables may be brought in pans and warmed in the building. . . care not to cook the vegetables too long as they lose their color, taste and vitamins when overcooked. The cheese should be sliced before bringing also.

After looking over the list of foods below please see Mrs. Cole to let her know which of the dishes you will be bringing to insure there will be sufficient of all.

- ✓ Roast beef -- sliced
- ✓ Potato salad
- Tossed green salad (fresh, crisp salad greens chopped and mixed together such as lettuce, cabbage, spinach, celery, green peppers, cucumbers & tomatoes)
- Cooked green beans
- Cooked carrots and peas
- Fruit salad (diced apples, pears, oranges, pineapple & bananas)
- Butter, cheese, unleavened bread, gerkins, olives etc.
- Tomato juice and fruit juice
- Wine
- Unleavened biscuits or cookies

Coffee, tea, sugar, milk, salt and pepper will be furnished.

Plates, cups, silverware and serviettes will also be furnished.

Be sure to mark all dishes, pans, lids and each item you bring by putting your name on them. This can be done quickly and easily by using white adhesive tape and writing your name on it.
