

FEAST OF TABERNACLES

1962

GREETINGS Brethren and welcome to the 1962 Feast of Tabernacles in Australia! God has again this year showed that His name has been placed at this lovely location in the beautiful Blue Mountains. May God inspire each of you to truly enjoy the observance of this Festival and the natural beauty of the surroundings.

We anticipate about 300 attending the Feast this year which more than ever necessitates organization and definite co-operation from every one of you. God is not the author of confusion. . . . Whatever He does is systematic, orderly and efficient! We are here to observe the festival which pictures the 1000-year reign of Christ when the world will become orderly and peaceful under Christ's direction. It is imperative that we all show the spirit and character of Christ in our conduct throughout this festival.

If you aren't willing or do not intend to follow instructions and directions of those placed in positions to guide then YOU DON'T BELONG HERE!

This entire festival has been planned to provide a balance of the spiritual meat and fellowship and also social times of enjoyment with our brethren. We trust and pray you shall truly be nourished and blessed by participating in this Feast of Tabernacles.

The following are instructions that **MUST** be observed to insure harmony during the next eight days.
