

Monday Night. Tabernacles 1967.

Cable from France - 175 present.

Thirty baptised this afternoon.

Mr and Mrs Harris were present at the morning service and also at Okloho this afternoon. God is using them so a little pressure along with it. 1962 now at this Feast.

Mr Mc Curly sang.

Mr Plache - Sermon.

Some of you are going to need a chiropractor after the service with straining your necks to hear the singer but many are the afflictions of the righteous. Liquid moonshine is more interesting than Mr Cole's liquid sunshine.

There is a natural curiosity of what the future holds so people go to soothsayers etc to find out just what the future does hold - through teacups, palmists, read cards and are of every ilk - and astrologers have their daily reports in the newspapers of the Zodiac - bad day so stay in bed, good day do a deal. Mrs Dixon a prophetess in USA claims that she knows the results of elections etc. Along with this natural curiosity of what the future holds is a natural suspicion of one who claims to predict the future - so curious but suspicious. There is a group of prognosticators who are religious in nature and state the future by the Books of the Bible. Reputable churches scoff at such individuals. Most have never heard a sermon on prophecy till they came into God's church, as it is just 'not done' you know.

British "rector" - that is an interesting theme as they "wreck" you. (he said something that sounded like "buy an erector set")

A man went to the local minister after hearing a few of the B'casts and said to him that this bloke on the radio claims that the Bible predicts the future. Minister told him to beware and to keep clear of it - and this is what any worldly minister will tell you - to beware and keep away from it.

But the book of Revelation is not a book of concealing but a book of revealing. But certain sects do predict the future and use prophecy - there is one Presbyterian lot name of Miller who discovered that Jesus Christ is literally returning to this earth - So he preached it with sincerity and many were captivated by that message that Jesus would return in 1843. Many of his followers gave away their homes and wore ascension robes. So there they were in upper New York waiting for Christ to return and He did not come so many turned in their ascension robes and left it. But then he discovered that he had made a simple mathematical mistake as he forgot zero so should be 1844/1844 so he was preaching with gusto again and more hoped so ascension robes went to the cleaners and then once again they went to the hilltop to meet Jesus but he did not come in 1844.

Another one just as Mr Miller studied the Bible and realized that God would return - he was Charles Russell (Maurice has Bussell) and so now we have the Jehovah Witness workers or "annoyers" 1874 - Book says that He is here - Jehovah Witnesses next guess was 1914 but they would not admit that they are wrong so they say that He is returned and that you just don't see him. These people sincerely believed that they knew when Christ was returning. So the soothsayers are reinforced by these sincere people who were duped.

So Mr H.W. Armstrong comes on the scene and how do you know that he isn't the same on his prophecy???/ You need to realise that where there is a counterfeit there had to be an original.

Have you ever thought that it is the most obnoxious group that stumbled on the right word so that the Church of God is Pentecostal - and another group that Satan permitted too, won't wear jewellery or eat meat - and the 7th day adventists stumbled on the right day. It would be easier if one knew the right sabbath, right name of church etc - but Satan has sown as much confusion as possible so that he tries to discredit God's work - God's true work when it comes on this.

Mr Plache's sermon - Monday Evening - Tabernacles 1967. -2-

The virgin birth was contaminated by Semiramis well ahead of time - so people are doubly suspicious of what God teaches. But somewhere there must be the original and the true when we already find the counterfeit in existence. We need not be suspicious as God proves it by prophecy In Isaiah 41 God taunts those who are using false Gods.

-21; Produce your cause, saith the Lord; bring forth your strong reasons, saith the King of Jacob.

Let them bring forth, AND SHOW US WHAT SHALL HAPPEN; let them show the former things, what they be, that we may consider them, and KNOW THE LATTER END OF THEM: or declare us things for to come.

Show us things to come thereafter so we may know - don't just sit there; do something you pot-bellied Buddah. We were impressed as we went through Japan - you knock to attract the God's attention by clapping - and this is proof of who the true God is -

Isaiah 46:9-10: Remember the former things of old; for I am God, and there is none like me,

Declaring the end from the beginning and from ancient times the things that are not yet done, saying, My counsel shall stand, and I will do all my pleasure

Go back to the old books as God declared from ancient times the things that are not yet done - God has not left the people in the dark for a third of the Bible is prophecy and 90% is still to be fulfilled - and we will talk about it.

Jesus Christ is a prophet and you did not think about that in the Church of England.

If you asked a minister of this world for the signs of Christ's coming he would say "are you a nut or something? But when the disciples asked Jesus for the signs of His coming and of this age He opened their understanding to prophecy that is still to be fulfilled

Matthew 24:3 And as He sat upon the mount of Olives, the disciples came unto Him privately, saying, Tell us, when shall these things be?, and what shall be the sign of thy coming, and of the end of the world (age)?

read the chapter for the prophecy here.

And the last revelation of Jesus Christ was a book of prophecy; the Book of Revelation, the last Book of the Bible.

So whoever worships the true God will teach and understand prophecy.

John 16/13/ Hobeit when he, the Spirit of truth is come, He will guide you into all truth; for he shall not speak of Himself; but whatsoever he shall hear, that shall speak; and he will show you things to come.

Howbe-it when he - should be when "it".....It will guide you.

Our church is the only one that is rolling into new knowledge and many of these things ^{have} never been said to you brethren before. But the worldly churches still hold the same old doctrine.

But God will send His spirit to guide us into all truth - it shall speak and show you things to come - so prophecy is identification of God's True church.

11 Peter 1/19: We also have a more sure word of prophecy; wherunto ye do well that ye take heed, as unto a light that shineth in a dark place, until the day dawn, and the day star arise in your hearts.

we have the more sure word of prophecy. The adventists did not have the sure word of prophecy and the Jehovah witness with their 1874 and 1914 did not have the guaranteed word of prophecy so Peter warns us that DO WELL THAT YOU TAKE HEED. Stay awake in this sermon as a little known light shed in a dark place.

what does this verse mean? but right here God shows us how to understand prophecy.

The sun begins to rise - earth revolves round the sun - but scientists who know that talk about the sunrise! - so see the sun rise first a glimpse and then more and more and light-s up - strange forms in that eerie light-

As the sun came up more and more things that looked rather obscure took on more significance - then you can see a barn and details begin to come out more and more - and that is just how God shows us prophecy -

The Day star is the Son and He opens it up for us.

We have also a more sure word of prophecy; whereunto ye do well that ye take heed, as unto a light that shineth in a dark place, until the day dawn, and the day star arise in your hearts.

That is why Christ is called the "sun" in Malachi 4/2
2-But unto you that fear my name shall the SUN of righteousness arise with healing in His wings; and ye shall go forth and grow as the calves of the stall.

So as we get nearer to Jesus coming prophecy becomes clearer and we begin to notice more details.

Amos 3/7 Surely the Lord God will do nothing but He revealeth his secret unto His servants the prophets.

God promises that the closer we get to the coming of Christ the more we shall understand and the more prophecy we shall know and that more scriptures will be opened up to us so that we can understand them.

- 1- We understand them
- 2- We see the prophecy developing so that fixes in detail as well.

So it is like a giant jigsaw puzzle - there are a number of pieces on the ~~table~~ and right now we know where some of them fit in - and yet some bits on the board we do not know where to fit - and there are some bits that are not even on the board as God told us to watch - and only included the bits that we need to know.

Knowing what we know and watching world events and world News we will eventually have the full picture there.

Now for some of the pieces of the puzzle and some might not be put together accurately tonight - Some that we are discussing are absolutely nailed down and we know where they fit and how they fit together even, but some I am not sure about but I will clarify which I know and which I dont. Some is doctrine and other speculation pieces might not be fitted as I fit them but I will tell you the difference between the two.

Daniel is a book that I avoided preaching about till recently but the time has come to put some pieces on the board - I am not sure but the picture is clearing up and may help you in your watches.

Daniel 12/4: But thou, O Daniel, shut up the words, and seal the book, even to the time of the end; many shall run to and fro, and knowledge shall be increased.

What a frustrated person Daniel was when God told him to shut up these exciting words to the time of the end. Knowledge is increased with fantastic communications as now, and men are running to and fro better than at any other time with quick trips to London etc. Here is a prophecy that was sealed to the time of the end. When did the time of the end begin? Know when the time of the end began.

Dan 11/40: And at the time of the end shall the king of the south push at him; and the king of the north shall come against him like a whirlwind with chariots, and with horsemen, and with many ships; and he shall enter into the countries, and shall overflow and pass over.

Menelek King of Ethiopia-king of South - fulfilled this as he invaded ~~Eritrea~~ a possession of Italy and this is the event that slants the time of the end. 1895-1896 - (Pears says an Italian colony on the Red Sea coast

45,800 square miles - capital Asmara - population 621,800 (say in 1945)

-4-

Pears also says Menelik 11 (1844-1913) Emperor of Abyssinia, succeeded to the throne in 1889, and proved a vigorous ruler)

The time of the end began with the taking of Eritrea and then Mussolini retaliated 40 years later and conquered Ethiopia - and this was the preface to world war 11 - Mr HW Armstrong was watching all this closely as he thought then that possibly world war 11 would end in Armageddon. He said that it could be and he really expected that it would be Armageddon because all he could see was what looked like the events to come - as then he did not realise the scope of the work that he had been called to do - that will come in the near future further on in the sermon.

Luke 21 - begin at 28 - Luke 21 is the counter part of Matthew 24 the so called Olivet prophecy.

28: And when these things begin to come to pass, then look up, and lift up your heads nigh: for your redemption draweth nigh then he goes on with the fig tree parable

And he spoke to them a parable; Behold the fig tree, and all the trees; when they now shoot forth, ye see and know of your own selves that summer is now at hand. 31; So likewise ye, when ye see these things come to pass, know ye that the kingdom of God is nigh at hand.

v32. Verily I say unto you, this generation shall not pass away, till all be fulfilled.

Christ was saying here that the generation that will see the beginning of this "time of the end" ^{there} will ^{see} be ^{some} of this same generation that will be here when He returns and so we have HWA born in 1892 and the time of the end began 3 years after his birth and this generation not passed away. If you are a scoffer you still must admit it is narrowed down to a generation - but we can narrow it down further than that and not shoot in the dark at all.

Rev 1;1 The Revelation of Jesus Christ, which God gave unto him, to show unto His servants things which must shortly come to pass; and he sent and signified by His angel unto his servant John.

Show unto His servants and the only lot who understands it is God's Church Stop at verse 1 as it tells you who understands - "His servants"

2 Who bare record of the word of God, and of the testimony of Jesus Christ, and of all things that he saw.

v3. Blessed is he that readeth, and they that hear the words of this prophecy and keep those things which are written therein; for the time is at hand.

John never thought these things were going to happen soon as they were specifically written for the end time and until God's church could understand this and Daniel this verse had no revelancy - for it applies only to this era.

Rev 17/10. And there are seven kings: five are fallen, and one is, and one is yet to come; and when he cometh, he must continue a short space - and this points to a specific time in history - five would pass away successively and then 6th - then 7th and one is yet to come - and at the time of the sixth king revelation is opened to this prophecy. So the kings were from 554 AD down from Justinian to the 6th king Garibaldi and ended with Hitler and Mussolini - and during the existence of that 6th king a man in Oregon began to study the Bible and God opened Revelation to HWA and shortly 'come to pass' and "at hand" pinpointed the time when Revelation opened to us and would be preached in this world as a witness. In 31 A.D. God gave two 19 year time cycles - sun moon earth back in the same position 19 years before - given the time of designation built into the solar system and this clock is in the same position in 19 years. God designed the sun, moon and earth and gave two of these time cycles to the New Testament Pentecost Church - up to 50 AD it was limited to Palestine and Asia - but 19 years to the day

Paul preached to women in the city of Phillipi a Greek city in Europe - and ended 19 years later on Pentecost 69 A.D when Jerusalem besieged.

Mr Plache's sermon - Monday evening 1967. A voice out of the temple said "Get thee hence" and only a small group knew what they meant - ~~the~~ and they left for Pella in 69AD and those left behind died.

The date was Jan 7th 1934 and then on Jan 9th in 1953 - 19 yrs later - Mr HWA went to Europe with Radio Luxembourg - and another 19 years would take him to January 1972. It is an interesting co-incidence when we count the number of days from ~~31 A.D.~~ 31 A.D. to Pentecost in that time period of two 19 years time cycles for it is 13882 days. Now if you count from Jan 7th 1934 and count this number of days of 13,882 days you come to January 9th 1972 with exactly 13,882 days - the same days as God ~~gave~~ originally gave.

So what? that is just counting days and that is right - back to Daniel Daniel 12/9 And he said, Go thy way Daniel; for the words are closed up and sealed to the time of the end.

Many shall be purified, and made white and tried; but the wicked shall do wickedly; and none of the wicked shall understand; but the wise shall understand. And that is why only God's church understands.

12: Blessed is he that waiteth, and cometh to the thousand three hundred and five and thirty days - But go thy way till the end be; for thou shalt rest and stand in thy lot at the end of the days.

Blessed is he that waits 1,335 days - go way to end at end of days

Jan 7th to Jan 9th 1972
1934 1972 * = 13,882 days.

Start with Jan 9th and add 1335 days and you come to Sept 6th 1975 and this is a Sabbath and just also happens that it is a double Sabbath as also the Feast of Trumpets which pictures the return of Jesus Christ to this earth.

Any specific event prophesied took part on that day.

Lamb - Jesus Christ entered - triumphal entry into Jerusalem on the 10th of Nisan and from that moment his fate was sealed - the lamb chosen and waiting for death - the Church of God established on Pentecost 31 AD and trumpets predicts the return of Christ - it will be that very day if God is consistent and does what He has done in the past - Sept 6th 1975.

All Daniel's days end at the same time

Dan 12; v8.: And I heard, but I understood not; then said I, O my Lord, what shall be the end of these things?

v13. But go thy way till the end be; for thou shalt rest, and stand in thy lot at the end of the days.

What is the end? Daniel going to rest?? but dead men dont stand unless they are resurrected - and you Daniel will stand in those days so this is the Time of the Resurrection of the Dead.

Now make a chart - return of Christ on far side then come in one and 1335 days with broadcasts off the air but we not flee. The broadcasts will be off with one fell swoop in one day to end that time cycle - Plain Truth Feb 1934 so we will not flee until we have had time to finish the Feb copy of 1972 Plain Truth "So longer sucker" and I am sure that is not true and that is why I am not editor of the Plain Truth" This is not when we flee - This does not finish the work. Matthew 24 tells us that "preach the gospel and then shall the end come" but we still dont finish the work. Headquarters does not finish the work

The Philadelphia phrase ends in 1972 and Jesus Christ does not come for 3 1/2 yrs ~~at~~ ^{the 2 witnesses}

Daniel 12/11:-And from the time that the daily sacrifice shall be taken away, and the abomination that maketh desolate set up, there shall be a thousand ~~two~~ ~~hundred~~ ~~and~~ ~~ninety~~ ~~days~~ a thousand ~~two~~ ~~hundred~~ ~~and~~ ~~ninety~~ ~~days~~, 1,290 days. After beginning this time of daily sacrifice to the the setting up of the abomination of desolation it will be 1290 days. Jews now have the temple site and have had the temple plans for seven years now.

The stone could have been ordered by any Jew Joseph etc of New York and the temple is to be built and then they will re-introduce the daily sacrifices - but that sacrificial system will be stopped and may be the abomination of desolation will be set up in the temple area and not necessarily in the temple itself - Antioch put the idol or statue of Jupiter Olympus in the court yard - burnt offering out in the courtyard so the something that stands in the holy place could be an idol in the court yard and need not necessarily be in the temple itself. And it could be the one whose big toe is worn off with all the kissing (Statue of Peter in the St Peters cathedral in Rome (Magus). This is possible and probable but we will just have to wait and see, but that would be abominable.

Luke 21 - the counterpart of Matthew 24 - when the abomination stands in the holy place flee to the mountains -

Luke 21/20. And when he shall see Jerusalem compassed with armies, then know that the desolation thereof is nigh, (this is the same event but with a different aspect - so when that idol is there is when Jerusalem is ringed with armies - these are simultaneous events and take place after 1290 days

Then let them which are in Judea ~~head for the hills~~ flee for the mountains; and let them which are in the midst of it depart out; and let not them that are in the countries enter thereinto.

This is when you head for the hills - Petra when you see Jerusalem surrounded (not when you see Haifa surrounded). As these troops will already be there it is really quite simple.

Hosea 5/13; When Ephraim saw his sickness, and Judah saw his wound, then went Ephraim to the Assyrian, and set to king Jarp; yet could he not heal you, nor cure you of your wound.

sickness is something internally wrong and Britain etc have that - and Judah saw his wound and a wound is that he is afflicted externally means contentious - first king of Assyria and his very name meant contention.

This is his title ~~contention~~ "my contention" - but the wound is not Ephraim but Judah but here they are linked together and why?? Where does Ephraim get her oil from??? - So this is the effort of Judah to go to Germany for help/ There are two more scriptures on the Jews

Ezekeil 27;17. Judah, and the land of Israel, they were thy merchants; they traded in thy market wheat of Minnith, and Pannag, and honey and oil and balm. (v2 - take up a lamentation for Tyrus)

In a study of Rome you will find that true romans are not controlling Italy - but the slaves of the Romans finally went out and took positions so we have Babylonians, the King of Tyrus or great ruler of Italy - or pope himself and the Tyrannean people are there - and notice who is flirting with these people and the Jews are tied to Germany whether or not they like it. They had German machines for reparation and can only get the parts from there - and it is not only economic as they want to trade with Germany as she is a rich market for Judah. It is amazing when they killed 6 million Jews.

Ezekiel 23;2 Son of man, there were two women, the daughters of one mother, And they committed whoredoms in Egypt; they committed whoredoms in their youth; there were their breasts pressed, and there they bruised the teats of their virginity. 4. And the names of them were Aholah the elder, and Aholibah her sister; and they were mine, and they bare sons and daughters Thus were their names Samaria is Aholah, and Jerusalem Aholibah.

5 And Aholah played the harlot when she was mine; and she doted on her lovers, on the Assyrians her neighbours 6; Which were clothed with blue; captains and rulers, all of them desirable young men, horsemen riding horses. 7; Thus she committed her whoredoms with them, with all them that were chosen men of Assyria, and with all on whom she doted; with all their idols she defiled herself. 8 Neither left she her whoredoms brought from Egypt; for in her youth they lay with her, and they bruised the breasts of her virginity, and pured their whoredom upon her.

Mr Plache's sermon Monday night - Tabernacles 1967 -

Ezekiel 23/9; Wherefore I have delivered her into the hand of her lovers, into the hand of the Assyrians, upon whom she doted. These discovered her nakedness; they took her sons and her daughters, and slew her with the sword; and she became famous among women; for they had executed judgment upon her.

The sisters are sluts looking to ~~no~~ other powers to protect them and not to their husband for protection - so harlots - and Britain is doing it and so is the U.S.A - but now catch verse 11

11; And when her sister Aholibah (Judah) saw this, she was more corrupt in her inordinate love than she, and ~~was~~ in her whoredoms more than her sister in her whoredoms.

12- She doted upon the Assyrians her neighbours, captains and rulers clothed most gorgeously, horsemen riding upon horses, all of them desirable young men

so here the Jews are doting upon the Assyrians her neighbour in her whoredom. Desirable young men and this means military men - "boy he looks great" and

there is a young girl that has her head turned by the military - and Judah will have her head turned by her need of military protection. A destroyer sunk - Egypt has got Russian arms and rockets and missiles and the Jews will ask the Germans to occupy their land to protect them - what a thin twig to go out on - and yet the Jews will do that - so the German military will already be there to encircle Jerusalem - this force that was invited in to protect them will take over and the Jews will go into captivity and this is at the beginning of the 1290 days. and the result of a giant plot of the Roman Catholic Church with her lover - and so Jerusalem is surrounded.

Let us go back to Daniel 12 and add another number to our list.

Daniel 12/12 7; And I heard the man clothed in linen, which was upon the waters of the river, when he held up his right hand and his left hand unto heaven, and swore by him that liveth for ever that it shall be for a time, times, and an half: and when he shall have accomplished to scatter the Holy people, all these things shall be finished.

Scattering of that power of the holy people takes 3 1/2 years before Christ comes - and this "time" is one year so 3 1/2 years is 42 months and each month has 30 days so we have the 1260 days and to this is added the 30 days till Jerusalem falls.

Rev 11/2 But the court which is without the temple leave out, and measure it not; for it is given unto the Gentiles; and the holy city shall they tread under foot forty and two months.

So the court is given not the temple itself - and the court is without the temple - and the court is given to the Gentiles for 42 months = 3 1/2 years = 1260 days and at the same time Israel falls. notice

Ezekiel 25/3 - tells us what King Hussein thinks of it all

And say unto the Ammonites, Hear the word of the Lord God, Thus saith the Lord God; Because thou saidst, Aha against my sanctuary, when it was profaned; and against the land of Israel, when it was desolate; and against the house of Judah when they went into captivity 6; For because thou hast clapped thine hands, and stamped with the feet, and rejoiced in heart with all thy desire against the land of Israel.....

Simultaneous events as both fall together as Judah so do Jerusalem, Palestine and Britain and USA - all fall on the same day at the beginning of the 3 1/2 years or the beginning of the 1260 days.

Joel 2/14; For I will be unto Ephraim as a lion, and as a young lion to the House of Judah; I even I, will tear and go away; and none shall rescue him.

There is a 30 day period here and in 1290 days God's church flees and that will be world news - God gives us 30 days to get to safety

God gives us 30 days to get to safety as He says "she was in her place" so we have one month to get there.

Hosea 5;7 They have dealt treacherously against the Lord; for they have begotten strange children; now shall a month devour them with their portions - (this is interesting)

so there is one month from when the church flees till the fall of Ephraim and Judah etc. 'devour them with their portions' is clue to the great amount of drought and famine - the greatest suffering starts in this month Jer 8;20 - the harvest is passed - the summer is ended - and we are not saved. 1972 - need food stuff from that harvest and Isaiah tells what you will get and predicts the last period of harvest - and it is not enough to get through and the worst of the famine is concentrated in the one month before the fall of the countries and the bodies will stack up in the streets of USA and Britain for it does not take long to starve to death see ~~Isaiah Chapter 17~~ and that worst part of the famine brings us to the fall of Israel and her captivity is the 3½ years

very words of Israel in the concentration camps
Isaiah 5/25 Therefore is the anger of the Lord kindled against His people, and He hath stretched ~~it~~ forth his hand against them, and hath SMITTEN THEM. and the hills did tremble; and their carcasses were torn in the middle of the streets. For all this his anger is not turned away but his hand is stretched out still. They will say that God has smitten us and he will heal us up

(above verse is not the right scripture though he did mention Isaiah 5/1 so perhaps meant the chapter to be read??)

Hosea 6/1 Come and let us return unto the Lord; for he hath torn, and he will heal us; he hath smitten and he will bind us up

(this is the lot that could be the very words of Israel in captivity)

2 After two days will he revive us; in the third day he will raise us up; and we shall live in His sight.

so after 2 days and that is two years of this three year period for a day = a year but then in the third year to be raised to live in His sight so could the first two years be the tribulation and the third year the

Day of the Lord.

Isaiah 34/8 For it is the day of the Lord's vengeance, and the year of recompences for the controversy of Zion.

Isaiah 61;2 To proclaim the acceptable year of the Lord, and the day of vengeance of our God; to comfort all that mourn.

year of recompenses - day of vengeance

How long is the Day of the Lord - count back from the end - could the Day of the Lord be a year - so two years tribulation and the 3rd year is the "Day" of the Lord - it could be.

If you prove that the Day of the Lord is one year in fulfillment so then the seventh seal takes one year to fulfill - so then the Great tribulation is 2½ years - heavenly signs announce that God is taking over and the last year is the Lord's "day" or year. - plagues etc poured out over one year.

The preaching is not finished by this Church so we need to know who is going to finish it - and this is when Jerusalem falls

Rev 11/3: And I will give power unto my two witnesses, and they shall prophesy a thousand two hundred and threescore days (1260 days) clothed

in sackcloth " the two witnesses will finish the preaching as a witness to the world and they are going to preach for 3½ years - 1260 days clothed

in sackcloth - their attire will not be attractive as they will wear the attire of abject humility and sorrow as not happy fulfilling this job - not

joyous so they wear sackcloth 5; And if any man will hurt them, fire proceedeth out of their mouth, and devoureth their enemies; and if any man hurt them, he must in this manner be killed. These two will be the object

of the greatest hate campaign ever ~~conducted~~ seen and they will face

two other men-

Mr Plach's sermon - Tabernacles 1967.

-8- (Oannes=fish-god in story
Jonah too)

The two witnesses are the two olive trees in Zechariah.

and they face two other men Oannes also a name for Nimrod.

11 Tim 3/8 : Now as Jannes and Jambres withstood Moses, so do these also

resist the truth; men of corrupt minds, reprobate concerning the faith

Jaanes in research this is also Oannes (? spelling) who was the last Pharaoh

and was a cannibal and as he was the first born he ate first born Israelite

(that is the last Pharaoh of the first dynasty of Pharaohs) / He was a
coloured magician king who stood up to the two brothers Moses and Aaron

Yet the Roman Catholics talked about these two men - the great monarch and
the religious one - the Beast is the great political leader and will rule over
the revived Roman Empire.

In Revelation 17;12 The ten horns will rule one hour with the Beast - the ten

horns are kings or national groups - the Benelux countries may be one -
Spain and Portugal may be one - but One of the ten kings is not the Beast.

The Beast is the eleventh man

:- And the ten horns which thou sawest are ten kings, which have received

no Kingdom as yet; but receive power as kings one hour with the beast.

These have one mind, and shall give their power and strength unto the
Beast.

Daniel 8/23 And in the latter time of their kingdom, when the transgressors
are come to the full, a king of fierce countenance, and understanding
dark sentences, shall stand up (understanding given by Satan)

And his power shall be mighty, but not by his own power; and he shall
destroy wonderfully, and shall prosper, and practice, and shall ~~destroy~~
destroy the mighty and the holy people.

The one destined to be the Führer of Europe is given that power by the 10 kings
he has not power of himself but is given the power by the kings.

Rev 17/8: The Beast that Thou sawest, was, and is not; (ruler - also a king -

the Beast not only represents the Kingdom but also the man - true of the
Roman Empire - the bottomless pit is a condition of restraint - and he emerges
from this to perdition which is the Lake of fire. Chins will drop when this
takes place "is not, but is" - all know that it does not exist, but it does.

We dont know who the beast is yet but there will be a king of Germany but
he is not the beast for if he were the beast he would have power himself - but
this man emerges without power and is given the power by the ten kings or
rulers. If Hitler returned would jaws drop open? especially if the Pope
claimed that he had resurrected Hitler. Hitler may be dead but he is my
favorite son for the job but my guess is just as lousey as yours. Religious
leader is referring to the last man (Madrid - Spain ? the looking place?)

8... and they that dwell on the earth shall wonder, whose names were not
written in the book of life from the foundation of the world, when they
behold the beast that was, and is not, and yet is.

Rev 13/13: And I beheld another beast coming up out of the earth; and he had
two horns like a lamb, and he spake as a dragon. 12; And he exerciseth
all the power of the first beast before him, and causeth the earth and
them that dwell therein to worship the first beast, whose deadly wound
was healed.

13 And he doeth great wonders, so that he maketh fire to come down from
heaven on the earth in the sight of men

He does miracles and bonafide miracles not fakes - so Pope does miracles and
we do not know if Paul 6th is the man but if he is he will need to do a
total flip flop - but the final pope who will say that he is God could only
be totally possessed by Satan himself to perform miracles and it would need
a total change for this one who is ill now. One man will be elected who
has the power to fulfill that position.

An Italian always fill that office - but I predict that if Paul dies the next one will be chosen for his power to work miracles regardless of colour or race - I am not saying anything here but there is a tremendous change in this (own comment - the inference obviously is for a black pope and I believe there is one black cardinal isn't there???)

But there will be a head to head battle with the two witnesses. so Satans witnesses in a head on contest with the two witnesses of God. The two witnesses will finish this work. We have only just seen that we ~~will~~ not cover all nations in this phase of the work as we are not covering China India, Japan but the two witnesses will finish it - Let Tokyo Bay become blood and they will know - and these two men will be from the Philadelphia Church and your guesses ~~as~~ are as lousey as mine.

Rev 11/6 These have power to shut heaven, that it rain not in the days of their prophecy (OK Assyria youve had your last shower): and have power over waters to turn them to blood, and to smite the earth with all plagues, as often as they will - turn Tokyo Bay to blood and the Japs wont have much doubt of the power. Here are world witnesses to plague the people as they will and world wide TV permits them to do that - then they are killed and their bodies lie in the streets for 3 1/2 days while great rejoicing goes on and gift swopping and backslapping

7 : And when they shall have finished their testimony, the beast that asceneth out of the bottomless pit shall make war against them, and shall over come them, and kill them.

8 And their dead bodies shall lie in the street of the great city, which spiritually is called Sodom and Egypt, where also our Lord was crucified. And they of the people and kindreds and tongues and nations shall see their dead bodies three days and an half, and shall not suffer their dead bodies to be put in graves.

And they that dwell upon the earth shall rejoice over them, and ~~make~~ make merry, and shall send gifts one to another; because these two prophets tormented them that dwelt ~~on~~ on the earth.

And after three days and an half the Spirit of life from God entered into them, and they stood upon their feet; and great fear fell upon them which saw them (the TV blokes drop their teeth out)

12- And they heard a great voice from heaven saying unto them, Come up hither. And they ascended up to heaven in a cloud; and their enemies beheld them.

in one 24 hour period the 7 last plagues are poured out - a literal day of the Lord to prove who is God.

The Beast and the false prophet go into the Lake of fire and what about the other ten kings?

Daniel 7/11 I beheld then because of the voice of the great words which the horn spake; I beheld even till the beast was slain, and his body destroyed, and given to the burning flame.

12 As concerning the rest of the beasts, they had their dominion taken away; yet their lives were prolonged for a season and a time .

Goebells etc, all blame all the ones over them and all tried to pass the puck at Nuremberg trials etc but this time they will stand in a war trial and have no chance to buck and will then indicate that ^{it} is they themselves that need to be executed for giving power to a madman. Before all is over there is a lot more detail to be filled in and a lot of our jaws will be clicking over too as we get it straight - and we had better know where God's work is as with such power to rise amongst us if we dont understand we could be deceived. - we had better know where we stand.

Prophecy is not to make us feel righteous as we have just been reading our obituary as this system will destroy every true Christian.

We had better know where we stand as this system will destroy everyone who professes to obey God.

Some of us are asleep and need to wake up just as Paul says.

Romans 13;11.

:- And that, knowing the time, that now it is high time to wake out of sleep; for now is our salvation nearer than when we believed. The night is spent, the day is at hand; let us therefore cast off the works of darkness, and let us put on the armour of light. Let us walk honestly (live blamelessly) as in the day; not in rioting and drunkenness, not in chambering and wantonness, not in strife and envying

13

Knowing the time by understanding prophecy on the very threshold of God's Kingdom - see those streets in early dawn being seen on the horizon

These things are now being seen on the horizon - we can see events now coming - so cast off darkness and put on the armour of light - and you are here at this Festival to clean up - and if not what horrifying things you will see - and how to die - So we need to know and apply what we learn I dont want to see most of this take place but hope that I am with God's people being protected for the world tomorrow

SAFE place.

For 30 days before Jerusalem falls God's church goes to safety - ~~W&W/W&W/W&W~~

Not sure about this as just my calculations but 1290 from 1335 leaves 45 and if you add that 45 to January 9th then you get to February the 23rd 1972 for the start of the 30 day escape period and that puts the fall of Jerusalem at (Feb 72 is a leap year so 29 days) so that brings the fall of Jerusalem to March 24th 1972 - so probably wild ~~W&W~~ surmise! Mr Marshall says that HWA never speculates or gives dates and because Mr Plache does, does not mean that he is necessarily a hundred percent right - I have left space in the chart for your own calculation and suggest you check this chart with one of the others as dont feel 100% reliable on this chart)
